

**GOVERNMENT OF INDIA
MINISTRY OF HOUSING AND URBAN AFFAIRS
RAJYA SABHA
UNSTARRED QUESTION NO. 1825
ANSWERED ON 09/03/2026**

DEPLOYMENT OF E-BUSES

1825. SHRI ANIL KUMAR YADAV MANDADI

Will the Minister of *Housing and Urban Affairs* be pleased to state:

- (a) the details of the scheme and funds allocated therein for deployment of e-Buses in the major cities of the State of Telangana;
- (b) the details of the e-buses that have been deployed so far in the major cities of the State; and
- (c) the details of number of e-buses that are proposed to be deployed in the major cities of the State?

ANSWER

**THE MINISTER OF STATE IN THE MINISTRY OF HOUSING AND URBAN AFFAIRS
(SHRI TOKHAN SAHU)**

(a) to (c): “PM-eBus Sewa” launched on 16th August 2023, which aims to augment city bus operations in urban areas with Central Assistance (CA) of Rs.20,000 crore for deploying 10,000 electric buses on PPP model. Cities and clusters of adjoining small statutory towns with the population size between 3-40 lakhs and other State/UT Capitals including Hilly capitals cities, NER State capital cities and UT capital cities with less than 3 lakh population as per Census 2011 are eligible to participate in the Scheme.

Under the scheme, proposal for 151 e-buses has been sanctioned for two cities of State of Telangana namely Nizamabad (51) and Warangal (100). At this stage, funds allocation is dependent on submission of associated infrastructure proposals through State Level Steering Committee (SLSC) and approval by Central Sanctioning and Steering Committee (CSSC). However, no proposal for development of associated infrastructure has been received from the State of Telangana so far.

No buses have been deployed in Telangana, so far, as it is subject to the completion of Civil depot infrastructure and Power infrastructure required for deployment/operation of e-Buses.
