**A N S W E R**

THE MINISTER OF STATE IN THE MINISTRY OF POWER

(SHRI SHRIPAD NAIK)

**(a) to (c):** India Energy Stack (IES) is envisioned to create a universal digital blueprint for the power sector as a whole so that the disparate parts of the power system can connect and communicate securely through standard protocols. Till date, Rs. 3.88 Cr have been released by the Ministry for implementing IES.

The Ministry has constituted a task force comprising domain experts and various stakeholders including representatives from Ministries, State utilities, Regulators, Gencos, Transcos, etc for roadmap of IES including its component and design. The Taskforce has representatives from Distribution Utilities of States namely Delhi, Uttar Pradesh, Andhra Pradesh, Gujarat and Maharashtra which have been identified for conduct of Proof of concept/Pilot demonstration. After the successful demonstration, IES is envisaged to be rolled out across the country.
