

GOVERNMENT OF INDIA

MINISTRY OF AYUSH

RAJYA SABHA

UNSTARRED QUESTION NO. 2723

TO BE ANSWERED ON 17th MARCH 2026

Research through Ayurgyan scheme

Shri Sadanand Mhalu Shet Tanavade:

Dr. Dinesh Sharma:

Shri Subhash Barala:

Smt. Kiran Choudhry:

Shri Ujjwal Deorao Nikam:

Shri Chunnilal Garasiya:

Will the Minister of *Ayush* be pleased to state:

- (a) the criteria adopted to identify priority research areas under the Ayurgyan Scheme;
- (b) the details of projects approved under Ayurgyan and the major results obtained so far;
- (c) the initiatives taken by the Ministry to ensure scientific validation and peer-reviewed publications of research supported under the scheme;
- (d) whether collaborative research with AIIMS, ICMR, NIPER and other universities has resulted in standardized treatment protocols; and
- (e) the State-wise details of the institutions, both Government and private, that have been provided financial or technical support under Ayurgyan?

ANSWER

THE MINISTER OF STATE (IC) OF THE MINISTRY OF AYUSH

(SHRI PRATAPRAO JADHAV)

(a) Ministry of Ayush has identified priority research areas based on the Research on fundamental concepts and basic principles of Ayush systems, Standardization of Ayush drugs and formulations, Development and validation of new drugs and therapeutic interventions, Research in areas such as clinical research, pharmaceutical research, medicinal plant research, literary research and fundamental research, Integration of Ayush knowledge with modern scientific disciplines including biotechnology, bio-physics, molecular biology and information technology under the

Research & Innovation in Ayush (R & I) and Ayurveda Biology Integrated Health Research (ABIHR) components of Ayurgyan Scheme.

(b) Details of the project approved and Outcome achieved so far:

Under the Continuing Medical Education (CME) component of the Ayurgyan Scheme, 258 training programs/projects were supported to 119 institutions nationwide in different subjects/topics for Ayush personnel (viz. teachers, doctors, paramedics and Ayush/Non-Ayush Scientist/ Doctors etc.). A total of 7,557 Ayush personnel has received need-based training for upgrading their knowledge and expertise and strengthening their capacity.

Under the Research & Innovation component of the Ayurgyan Scheme, 34 research projects were supported for a duration of three years and funds were released on instalment basis. The anticipated outcomes/result are realized upon completion of the projects. Further, a total 62 research papers have been published in peer-reviewed journals under R&I component (including Erstwhile EMR) from FY 2021-22 to till now.

Under the ABIHR component, a total of 11 research projects has been supported (From 2023-24) for drug development in Ayurveda and validation of Ayurvedic drugs under efficiency and safety parameters.

(c) Under the Research and Innovation in Ayush and Ayurveda Biology Integrated Health Research (ABIHR) components, scientific validation of research is ensured through a multi-stage evaluation and monitoring process. Research proposals are first scrutinized by the concerned Research Councils and thereafter examined by the Project Appraisal Committee (PAC)/Project Development and Monitoring Committee (PDMC)/Project Screening and Monitoring Committee (PSMC) and approved by the Project Sanctioning Committee (PSC). Further, research projects are commenced only after obtaining ethical approvals. Project monitoring is undertaken through proper annual appraisal by the PAC under R & I component and by PDMC/PSMC and experts of Ad Hoc Committee under ABIHR component. Further, 10% of the total approved budget is being released only after publication of research outcome in peer-reviewed journals.

(d) Under the Ayurgyan, research projects have been undertaken by AIIMS, ICMR etc. for validation of Ayush interventions and development of evidence-based treatment protocols.

(e) Ayurgyan scheme is being implemented throughout the country and not specific to any State/UTs and regions. Under the scheme, financial assistance is provided to the eligible institutions/organizations across the country as per the provisions contained in the scheme guidelines. Details of financial assistance provided to the organizations/institutions are attached at Annexure.

Annexure

The details of financial assistance provided to the institutions/organizations under Ayurgyan Scheme are as follows:

(A) Capacity Building & Continuing Medical Education (CME) in Ayush:

S. No.	Name & address of Grantee Institutions/Organizations	State	Purpose/title of sanctioned program	Fund released (in lakhs)
Details of fund released to various institutions during 2021-22				
1.	CSIR-Northeast Institute of Science & Technology, Jorhat	Assam	6-days training program in current trend in R&D, modern scientific advances & technology for scientific understanding	9.00
2.	CSIR- Indian Institute of Integrative Medicine, Jammu	J&K		9.00
3.	Alva's Ayurveda Medical College & Hospital, Vidyagiri (Moodbhatri)	Karnataka	CME for Teachers: 1. Agadtantra & 2. Dravyaguna	18.00
4.	Govt. Ayurveda College & Hospital, Gwarighat, Jabalpur	Madhya Pradesh	CME for Teachers: 1. Rog Nidan & 2. Dravyaguna	18.00
5.	Pt. Khushilal Sharma Government (Autonomous) Ayurved College, Bhopal	Madhya Pradesh	CME program for Teachers on 1. Shalakyta Tantra 2. Kriya Sharir	18.00

18.	Ch. Brahm Prakash Ayurved Charak Sansthan, Khera Dabar, New Delhi	Delhi	6-days CME for teachers on Swasthavritta	9.00
19.	Govt. Ayurvedic College & Hospital, Balangir, Odisha	Odisha	6-days CME for teachers on 1. Sahmihta Siddhant 2. Swasthavritta	18.00
20.	Faculty of Ayurveda Banaras Hindu University, Varanasi	Uttar Pradesh	6-days CME for teachers on Shalya Tantra	9.00
21.	National Ayurveda Research Institute for Panchakarma, Thrissur (Unit of CCRAS)	Kerala	6-days CME for Medical Officer: On Keraleeya Ayurveda Treatment Procedures and Marmachikitsa	9.00
22.	Central Ayurveda Research Institute, Bhubaneswar (Unit of CCRAS)	Odisha	6 days training program for AYUSH Doctors Academicians and Researchers on Bioethics and GCP	9.00
23.	Captain Srinivasa Murthy Central Ayurveda Research Institute (Unit of CCRAS), Chennai	Tamil Nadu	6-days training program for Scientific Advancement in Ayush Research & Drug Development for Ayush Doctors/Scientist and teachers	9.00
24.	Central Ayurveda Research Institute (Unit of CCRAS), Jhansi	Uttar Pradesh	6 days training programme for Ayush Teachers/ Scientists/ Medical Officers on Empowering Excellence: The Role of QA/QC in ASU Pharmaceutical Drug Development.	9.00
25.	Central Ayurveda Research Institute, (Unit of CCRAS) Kolkata	West Bengal	6-day CME Program for Ayush Scientists on Network Pharmacology as per the NCISM Syllabus	9.00
26.	Uttarakhand Ayurveda University, Rishikul campus	Uttarakhand	6-days CME for Medical Officers	9.00
27.	Raghunath Ayurved Mahavidyalaya & Hospital, Purba	West Bengal	6-days CME for teachers on Kayachikitsa	9.00

28.	Kaivalyadhama Shreeman Madhava Yoga Mandir (S.M.Y.M) Samiti, lonavla	Maharashtra	1. (6 DAY) CME for Yoga Teachers 2. (6-Day) Orientation Training Program (OTP) for Ayush/Allopathy Doctors	18.00
29.	Yoga Vidya Gurukul, Nashik	Maharashtra	6-days Training program for Yoga Instructors/Therapists	6.00
30.	Regional Research Institute of Unani Medicine, Srinagar	Jammu & Kashmir	6-day CME Program for Teachers on Ilaj bit Tadbeer	9.00
31.	HSZH Govt. Auto Unani Medical College & Hospital, Bhopal	Madhya Pradesh	6-day CME for Teachers on Amraze Niswan wa Ilmul Qabalat	9.00
32.	Saifia Hamidia Unani Tibbiya College, Burhanpur	Madhya Pradesh	6-days CME for teachers on Tahafuzzi-wa-Samaji Tib	9.00
33.	Regional Research Institute of Unani Medicine, Chennai	Tamil Nadu	1. (6-day) CME for Unani Doctors on Musculoskeletal Disorders 2. (6-day) CME for Therapist on Ilaaj bit Tadbeer	15.00
34.	National Research Institute of Unani Medicine for Skin Disorders, Hyderabad	Telangana	(6 Days) CME Program for Ayush Medical Officers	9.00
35.	National Institute of Siddha Chennai	Tamil Nadu	6-days CME Program for teachers on: 1.CME for Teachers in Siddhar Yoga Maruthuvam-26 2. CME for Teachers Gunapadam “Standardisation of Herbomineral and Herbometallic Siddha drugs”-30 3.6-days CME for Doctors (kuzhanthai maruthuvam)-30	27.00
36.	Indian Institute of Integrative Medicine (IIIM- CSIR) Jammu	Jammu & Kashmir	6-days training programme in current trends in R&D, modern scientific advances & technology for scientific understanding and promotion of AYUSH systems for AYUSH doctors/scientists (Modern Aspect in the preparation & validation of traditional Medicines	9.00
37.	Indian Institute of Management Kozhicode	Kerala	3-days training in Management to Ayush Administrators/Heads of Departments/Institutions	10.00
38.	Centre for Cellular & Molecular Biology CCMB- CSIR, Hyderabad	Telangana	6-days training programme on current trends in R&D, modern scientific advances &	9.00

			technology for scientific understanding and promotion of AYUSH systems for AYUSH doctors/scientists (Identification of Medicinal & Herbal Plants using DNA-based Bar code analysis)	
39.	Aarihant Homoeopathic Medical College & Research Institute, Gandhinagar	Gujarat	6-days CME Programme for Teachers (Homeopathic Pharmacy)	9.00
40.	Shri Shamalaji Homoeopathic Medical College Godhra	Gujarat	6-days CME for Teachers on case taking and Repertory	9.00
41.	Ahmadabad Homoeopathic Medical College, Ahmadabad	Gujarat	6 day CME for Teachers on Physiology Module 1	9.00
42.	Solan Homoeopathic Medical College & Hospital, Solan	Himachal Pradesh	6-days CME for teachers (Obstetrics & Gynaecology Module-III)	9.00
43.	Dr. MPK Homoeopathic Medical College Hospital and Research Centre society, (Homoeopathy University) Jaipur	Rajasthan	6-days CME for Teachers (Organon of Medicine)	9.00
44.	MNR Homoeopathic Medical College & Hospital, Hyderabad	Telangana	6 days CME for Teachers in Research Methodology and Biostatics	9.00
45.	The Calcutta Homoeopathic Medical College & Hospital, Kolkata	West Bengal	6 day CME for teachers on: 1. Homoeopathic Pharmacy-Module-I 2. Homoeopathic Pharmacy-Module-III	18.00
46	National Institute of Sowa-Rigpa, Leh	Leh & Laddakh	2 (6-day) CME program 1. For teachers of Sowa-Rigpa 2. For Doctors of Sowa-Rigpa	9.00
	Total		72	643.00

(B) Research & Innovation in AYUSH:

Fund released during 2021-22 under Research & Innovation in Ayush

S. No.	State /UT	Name of the Institution	Title of the project	Fund released (In Rs.)
1.	Delhi	All India Institute of Medical Sciences (AIIMS), New Delhi	Pharmacological and Molecular Approaches to investigate the effect of Adhatodavasica in experimental models of Bleomycin induced Pulmonary Fibrosis.	1110400
2.	Dehi	All India Institute of Medical Sciences, New Delhi	Effect of Yoga on Clinical Outcomes and Quality of Life in patients with Vasovagal Syncope: A Randomized Control Trial.	569176
3.	Jharkhand	Rajendra Institute of Medical Sciences, Ranchi	Comparison of Unani formulations Zuroor-e-Qula and JawarishAmlasada with allopathic antioxidants in management of patients with early-intermediate stage oral submucous fibrosis.	1425000
4.	Karnataka	National Institute of Mental Health and Neurosciences (NIMHANS), Bangalore	Role of Yoga during antenatal period among gestational diabetics and its outcomes in a primary health care setting.	1035000
5.	Karnataka	M. S. Ramaiah Indic Centre for Ayurveda and Integrative Medicin, Gokula Education Foundation (Medical), Bengaluru	Clinical Evaluation of Ayurveda based Integrative Management of Diabetic Retinopathy.	1416800
6.	Kerala	Kerala Ayurvedic Studies and Research Society (KASRAS), Malappuram	A Randomized Controlled Trial to assess the efficacy of Gut Therapy (Koshta Chikitsa) for managing Dysbiosis in children with Autism.	2245600
7.	Maharashtra	AYURVED SEVA SANGH (Ayurved Seva Sangh's Ayurved Mahavidyalaya), Ganeshwadi, Panchavati, Nashik	Prospective parallel group open label study to assess the changes in clinic-pathological variables in patients of Diabetic Nephropathy stage III receiving Ayurvedic Treatment Regimen (ATR) versus those not receiving Ayurvedic Treatment Regimen (ATR).	423400
8.	Maharashtra	AYURVED SEVA SANGH (Ayurved SevaSangh's Ayurved Mahavidyalaya), Nashik	A Randomized Open Label Controlled Prospective Phase II Clinical Study of HaridraChurna on Glycemic control in pre-diabetic subjects.	577008

9.	Maharashtra	Cancer Research Lab, Interactive Research School for Health Affairs, Bharati Vidyapeeth Deemed University, Pune	Evaluating the anticancer activity and mechanism of action of Unani formulation HabbeMusaffiKhoon against cervical cancer.	805200
10.	Maharashtra	Seth GS Medical College & KEM Hospital, Parel, Mumbai	Evaluation of Role of Withaniasomnifera and Celastrspaniculatus in Animal Models of Alcohol Addiction.	725000
11.	Maharashtra	Interactive Research School for Health Affairs (IRSHA), Bharti Vidyapeeth Deemed University, Pune	Evaluation of the effect of Triphala and Trimad for their effect on adipocyte biology and lipid metabolism.	566400
12.	Maharashtra	ZVM Unani Medical College & Hospital, Pune	Classification of human population based on HLA gene polymorphism and concept of Mizaj (Temperament) in Unani System of Medicine	305600
13.	Maharashtra	SVKM'S Narsee Monjee Institute of Management Studies (NMIMS), Mumbai	Preclinical Studies on Triphala for its Possible Effects in Treatment of Microvascular Complications of Diabetes.	366478
14.	Maharashtra	MCE Society's Allana College of Pharmacy, Pune	Unani anti-psoriatic topical nano-particulate drug delivery systems.	359844
15.	Tamil Nadu	School of BioSciences and Technology, Vellore Institute of Technology, Vellore	Exploring the therapeutic mechanism of Majoonchobchini, a unani medicine in the management of rheumatoid arthritis (Waja-ul-mafasil)-an immunological investigation.	739664
16.	Tamil Nadu	Madras Diabetes Research Foundation, Gopalapuram, Chennai	The impact of Yoga intervention on physical and mental health of adults with Type-2 Diabetes.	1081600
17.	Tamil Nadu	Madras Veterinary College, Tamil Nadu Veterinary and Animal Sciences University, Chennai	Validation of the Pharmacological Efficacy of NandhiMezhugu, pre-treatment with KummatiMezhugu in Preclinical Models of anovulation and its application in Veterinary Medicine for Ovulatory Disorder in Cattle.	970800
18.	Telangana	ICMR Drug Toxicology Division, National Institute of Nutrition, Hyderabad	Pre-Clinical efficacy (immune modulatory) and safety (Regulatory Toxicology) evaluation of Ayush formulation 'Ayush Kwath'.	1058340
19.	Telangana	Andhra Pradesh Homoeopathic Association Multi-Specialty Hyderabad	A study of depressive disorders in Hyderabad urban population with a Homoeopathic approach.	186000
20.	West Bengal	Calcutta School of Tropical Medicine, 108, C R Avenue, Kolkata	An experimental approach towards Bone marrow and microenvironment in Leukemia by using Ashwagandha	492720

			(Withania somifera) and Bhringaraj (Eclipta alba): Two candidate inhibitors of Hedgehog and NF-kB pathways.	
21.	West Bengal	Society for Welfare of the Handicapped persons, Durgapur	Studies on the efficacy of a Homoeopathic medicine in the treatment of osteomyelitis in neuropathic feet in leprosy.	1182240
Total				1,76,41,930

Fund released during 2022-23 under Research & Innovation in Ayush

Sl. No.	State/UT	Name of the Institution	Title of the project	Fund released (in Rs.)
1.	Delhi	International Centre for Genetic Engineering and Biotechnology	In vitro and in vivo evaluation of therapeutic potential of various drugs upon Chikungunya virus infection.	485700
2.	Delhi	All India Institute of Medical Sciences	Management of Long COVID symptoms with Yoga based rehabilitation as an add on therapy to standard care: A randomised controlled trail.	991872
3.	Delhi	All India Institute of Medical Sciences,	Role of Delphinium denudatum (Jadwar) in a Rat Model of Nicotine Dependence.	583204
4.	Delhi	International Centre for Genetic Engineering and Biotechnology	Comparative and combined efficacy evaluation of extracts of Nilavembukudineer and vathasurakudineer.	2058198
5.	Delhi	All India Institute of Medical Sciences	The effect of structured yoga practices on the quality of life and clinical outcomes in patients with ulcerative colitis.	2164263
6.	Delhi	All India Institute of Medical Sciences	Role of Delphinium denudatum (Jadwar) in a Rat Model of Nicotine Dependence.	123434
7.	Delhi	All India Institute of Medical Sciences	Randomized Controlled Trial on effect of Indigenous Cows Ghrita and Jatyadi Ghrita on wound healing.	1851016
8.	Gujarat	ITRA, Gujarat Ayurved University, Jamnagar	Experimental and clinical studies on Nagapheni (Opuntiaelator Mill.) an anuktadravya (extra-pharmacological drug), with special reference to its Haematinic activity.	515560
9.	Haryana	Amity Institute of Bio Technology, Amity University, Gurgaon Manesar	Evaluation of anti-mycobacterial potential of Unani drugs Qurs-e-SartanKafoori and Sharbat-e-Ejaz-A Mechanistic Approach.	957994

10.	Jammu & Kashmir	CSIR-Indian Institute of Integrative Medicine Jammu	Isolation, Pharmacopeial standardization and immunomodulatory activity in Unani drug Habb-e-Suranjan and Habb-e-Asgandh.	1382353
11.	Karnataka	National Institute of Mental Health and Neuro Sciences (NIMHANS), Bangalore	A study of Therapeutic effect of Yoga based intervention in patients with somatoform pain disorders.	840154
12.	Karnataka	Ashwini Godbole, Senior Assistant Professor, Institute of Transdisciplinary Health Sciences & Technology, Bangalore	Effect of Ayurveda Nootropics on Cognitive Function in breast cancer patients on adjuvant chemotherapy: A randomized controlled trial.	189000
13.	Karnataka	Sri Sri Institute of Advanced Research (SSIAR), Ved VigananMaha Vidyapeeth (VVMVP), Art of International Centre, Bangalore	Effect of yoga Practice on natural killer (NK) cells and their cytotoxicity on cancer cells.	1126800
14.	Kerala	Astamgam Ayurveda Chikitsalayam & Vidyapeedham, Palakkad	Effect of Classical Ayurvedic management in PCOS.	605000
15.	Maharashtra	Bharti Vidyapeeth Deemed University, Dhankawadi, Pune	Effect of oral administration of Kalyankaghritam in pediatric spastic cerebral palsy.	909400
16.	Maharashtra	Symbiosis School of Biomedical Science, Symbiosis International (Deemed University) Pune	Investigation of molecular mechanisms in anti-glycation activity of Syzygium jambolanum homeopathic preparations in diabetic nephropathy.	1398520
17.	Puducherry	Siddha Regional Research Institute	Ameliorative Potential of Aavarai Vithaadhi Chooranam in Streptozotiocin induced Diabetic retinopathy.	1521400
18.	Puducherry	School of Life Sciences, Pondicherry University, Kalapet	A Comprehensive Evaluation of the anticancer Efficacy and Safety of Hydrastiscanadensis Homeopathic sample.	858200
19.	Tamil Nadu	ICMR-National Institute of Epidemiology TNHB, Chennai	Health system preparedness of Siddha system of medicine in Non-Communicable Diseases (NCDs), Tamil Nadu: Current status, stakeholder perspectives and cost analysis.	1878280
20.	Tamil Nadu	Bhupat and Jyoti Mehta School of Biosciences, Indian Institute of Technology Madras, Chennai	Effect of ghee from indigenous cow milk on cognition and neuro-protection against Alzheimer's disease.	4149000

21.	Telangana	CSIR-Indian Institute of Chemical Technology, Tarnka, Hyderabad	Toxicity evaluation of Ayurvedicherbo-metallic preparations.	997180
22.	Telangana	CSIR-Indian Institute of Chemical Technology, Tarnka, Hyderabad	Toxicity evaluation of Ayurvedicherbo-metallic preparations.	646530
23.	Uttar Pradesh	Islamic Council For Productive Education (Integral University), Lucknow	Comparative study of nanoformulation of KhamiraAbresham Hakim Arshadwala with its traditional formulation against myocardial necrosis and associated ailments.	867816
24.	Uttar Pradesh	Jaypee Institute of Information Technology university (Deemed University), Noida	Evaluation of the heavy metals content in market samples of plant raw drugs used in Ayurveda.	218400
25.	Uttar Pradesh	National Institute of Cancer Prevention and Research Institute of Cytology and Prevention Oncology, Noida	Molecular evaluation of Anticancer and Antiviral properties of Thuja Occidentalis.	946400
Total				2,82,65,674

Fund released during 2023-24 under Research & Innovation in Ayush

S. No.	State/UT	Name of the Institution	Title of the project	Fund released (in Rs.)
1.	Chandigarh	Post Graduate Institute of Medical Education and Research	The role of Yogic breathing techniques among quarantined HCWs, Covid-19 Positive and Covid-19 convalescent patients.	82995
2.	Delhi	Jamia Millia Islamia	Screening of pro-apoptotic potential of medicinal plant extract on Leishmania donovani infected and uninfected human macrophage.	1491142
3.	Delhi	All India Institute of Medical Sciences	Unveiling the therapeutic potential of a Unani herbal formulation Habb-e-Asgandh in hematological malignancy.	1221418
4.	Delhi	All India Institute of Medical Sciences	Effect of Yoga on Clinical Outcomes and Quality of Life in patients with Vasovagal Syncope: A Randomized Control Trial.	228666
5.	Delhi	All India Institute of Medical Sciences	Pharmacological and Molecular Approaches to investigate the effect of Adhatoda vasica in experimental models of Bleomycin induced Pulmonary Fibrosis.	176000
6.	Delhi	All India Institute of Medical Sciences	Immuno-modulatory effects, protease inhibitory activity and spectroscopic characterization of select ayurvedic	1292280

			prophylactics and formulations: In vitro studies for novel SARS CoV infection.	
7.	Delhi	All India Institute of Medical Sciences	Efficacy of family based comprehensive yoga program for weight reduction among overweight children and adolescents.	516359
8.	Delhi	All India Institute of Medical Sciences	Pharmacological and Molecular Approaches to investigate the effect of Adhatoda vasica in experimental models of Bleomycin induced Pulmonary Fibrosis.	554293
9.	Delhi	All India Institute of Medical Sciences	Yoga for ICD patients: A Randomized controlled trial to evaluate the efficacy of Yoga on Psychological and Arrhythmic outcomes of patients implanted with Implantable Cardioverter Defibrillator.	63700
10.	Delhi	All India Institute of Medical Sciences	A translational randomized trial of yoga based lifestyle intervention for major depressive disorder (MDD) management in India and analyzing biomarkers of cellular aging associated with it.	384473
11.	Delhi	All India Institute of Medical Sciences	Yoga for ICD patients A Randomized controlled Trial to evaluate the efficacy of yoga on Psychological and Arrhythmic outcomes of patients implanted with implantable Cardiover Defibrillator.	260837
12.	Delhi	All India Institute of Medical Sciences	Impact of Yoga based lifestyle intervention on Polycystic Ovarian Syndrome (PCOS)	1938684
13.	Delhi	All India Institute of Medical Sciences	Neuroprotective effect of medicinal plants of Ayurveda in glauco vitro mechanistic study	2882205
14.	Delhi	Jamia Millia Islamia	Determination of antithrombotic potential of traditionally used Unani formulations and their constituent.	844904
15.	Delhi	School of Life Sciences, Jawaharlal Nehru University (JNU)	Study of formulations of Unani medicine for their anticancer efficacy and mechanisms.	183920
16.	Delhi	Jawaharlal Nehru University (JNU)	Study of formulations of Unani medicine for their anticancer efficacy and mechanisms.	985928
17.	Delhi	University College of Medical Sciences & Guru Teg Bahadur Hospital (GTB)	Experimental studies to assess the efficacy of commonly used Unani formulations for improvement of cognitive function and neuroprotection.	147000
18.	Delhi	Jamia Hamdard	Molecular mechanism of action of metalloid Unani Kushtajat for their role in protection against cellular stress.	908585

19.	Delhi	Maulana Azad Institute of Dental Sciences	A Randomized Clinical Controlled trial to evaluate the efficacy and safety of Ayurveda interventions in Chemo/Radiotherapy induced Oral Mucositis in Oral Carcinoma.	2761820
20.	Gujarat	Nirma University, Gandhinagar	Evaluation of radio protective potential of medicinally important Indian bamboo plants in cancer.	842450
21.	Jammu & Kashmir	CSIR-Indian Institute of Integrative Medicine, Jammu	Development and validation of fermentation based immunomodulatory AYUSH kwath formulation.	2295800
22.	Jharkhand	Rajendra Institute of Medical Sciences Ranchi	Comparison of Unani formulations Zuroor-e-Qula and JawarishAmlasada with allopathic antioxidants in management of patients with early-intermediate stage oral sub mucous fibrosis.	183710
23.	Karnataka	JSS Ayurveda Medical College hospital, Mysuru	A Comparative clinical study to validate the influence of Gandha taila and Ksheerabala taila 101 on Osteopenia and Osteoporosis using biochemical markers of bone formation and resorption.	1793094
24.	Kerala	Amrita Vishwa Vidyapeetham, Amrita Institute of Medical Sciences and Research Kochi	The Effect of IAM – Integrated Amrita Meditation Technique on Primary Headaches.	758400
25.	Maharashtra	Savitribai Phule Pune University Pune	Exploring protective potential of Dioscorea spp. In process of aging and Alzheimer's disease using Drosophila and rat animal models.	3526170
26.	Maharashtra	Central India Institute of Medical Sciences (CIIMS), Bajaj Nagar, Nagpur	Evaluation of Cow urine distillate as a bio-enhancer to increase the efficacy of anti-TB drugs against M. tuberculosis infection.	715062
27.	Maharashtra	Rajiv Gandhi Institute of IT and Biotechnology, Bharati Vidyapeeth Deemed University Pune	Validation of Traditional Unani Plant Products and Their Ingredients for anticancer effect on Hepatocellular Carcinoma.	645767
28.	Tamil Nadu	AsthaGiri Herbal Research Foundation, Perungudi Industrial Estate, Perungudi, Chennai	Process standardization and exploration of a novell Saarapathangam preparation for its role in the management of oropharyngeal cancer.	3085200
29.	Tamil Nadu	School of Bio-Sciences and Technology, Vellore Institute of Technology, Vellore	Exploring the therapeutic mechanism of Majoon chobchini, a Unani medicine in the management of rheumatoid arthritis	674016

			(Waja-ul-mafasil)-an immunological investigation.	
30.	Tamil Nadu	The Tamil Nadu Dr. MGR Medical University, Anna Salai, Guindy, Chennai	Evaluation of Cyto-Toxic and Anti-Proliferative activity of a Siddha Herbo-Mineral Formulation Sanda Rasa Parpam (SRP).	841224
31.	Tamil Nadu	Dr. ALM Post Graduate Institute of Basic Medical Sciences, University of Madras, Chennai	Stratifying the efficacy Homeopathic preparation of allium sativum in alleviating different forms of dyslipidemia –a comparative study using hyperlipidemic models.	771056
32.	Tamil Nadu	School of Bio-Sciences and Technology, Vellore Institute of Technology, Vellore	Therapeutic evaluation of an unani herbal medicine against rheumatoid arthritis (Wafa-ul-mafasil)-an immunological approach for scientific validation.	2101840
33.	Tamil Nadu	Asthagiri Herbal Research Foundation Chennai	Oncological care with Siddha Concepts in formulation: A novel scientific approach.	698942
34.	Uttarakhand	Indian Institute of Technology, Roorkee	Assessment of the mechanisms of action of some selected Homeopathic preparations for their role in the prostate cancer.	385266
35.	Uttarakhand	Indian Institute of Technology, Roorkee	Molecular studies of pharmacologically active antiviral molecules in Gau mutra distillate and drug extract against Chikungunya and Dengue.	2698640
36.	Uttar Pradesh	Homoeopathic Research Foundation, Aliganj, Lucknow	Evidence based clinical study on the role of Homoeopathic medicines in cases on Poly cystic Ovarian Diseases (PCOD).	359300
37.	Uttar Pradesh	King George Medical University, Lucknow	Clinical and Histo-pathological Evaluation of Ayurvedic formulation in the Management of Oral Submucous Fibrosis.	712800

(C) Ayurveda Biology Integrated Health Research:

Fund released during 2023-24

Sl. No	State /UT	Name of the Institution	Study Title	Fund released (In lakhs)
1.	Andhra Pradesh	Laila Neutraceuticals Vijaywada	Development of Drug master file and technical dossier of Trigonella Foenum graecum-stage 1 (pre-clinical studies-oral toxicity genotoxicity, efficacy, pharmacokinetic studies and safety pharmacology in rodents)	560.00
2.	Uttar Pradesh	Dabur Research foundation, Ghaziabad	Development of Technical dossier of Withania somnifera –stage 2 (preclinical studies, oral toxicity, gebno toxicity, efficacy, pharmaco kinetic studies and safety pharmacology in rodents).	56.00
Total				616.00

Fund released during 2024-25

Sl. No	State /UT	Name of the Institution	Study Title	Fund released (In Lakhs)
1.	Maharashtra	Intox Pvt. Ltd. Pune	Development of technical dossier of Boswellia serrate – stage 2 (preclinical studies–oral toxicity, genotoxicity, efficacy, pharmacokinetic studies and safety pharmacology in rodents)	498.50
2.	Karnataka	Adigyl Lifesciences Pvt. Ltd.	Development of Technical dossier of Bacopa Monnieri –stage 1 (preclinical studies-oral toxicity, genotoxicity, efficacy pharmacokinetic studies and safety pharmacology in rodents)	499.32
3.	Gujarat	Jai Research Foundation Valvada	Development of Technical dossier of Zingiber Officinale –stage 1 (preclinical studies-oral toxicity, genotoxicity, efficacy, pharmacokinetic studies and safety pharmacology in rodents)	498.85

4.	Andhra Pradesh	Laila Neutraceuticals, Vijaywada	Development of Drug master file and technical dossier of Trigonella Foenum graecum-stage 1 (pre-clinical studies-oral toxicity genotoxicity, efficacy, pharmacokinetic studies and safety pharmacology in rodents)	499.54
Total				1996.21

Fund released during FY 2025-26

Sl. No	State /UT	Name of the Institution	Study Title	Fund released (In lakhs)
1.	Uttar Pradesh	Dabur Research foundation, Ghaziabad	Development of Technical dossier of Withania somnifera–stage 1 (preclinical studies, oral toxicity, genotoxicity, efficacy, pharmacokinetic studies and safety pharmacology in rodents)	737.60
2.	Madhya Pradesh	Regional Ayurveda Research Institute, Aamkho, Gwalior, Madhya Pradesh	Preclinical Toxicological Evaluation and Safety Pharmacology of Selected Ayurvedic Formulations Triphala churna, Lashunadi vati, and Brihat Vata Chintamani Rasa.	157.08
3.	West Bengal	Department of Pharmaceutical Technology, Jadavpur University, Kolkata	Toxicological Evaluation, Safety Assessment, and Metabolomic Profiling of Selected Ayurvedic herbs and Formulations	548.33
4.	Karnataka	Indian Institute of Science, Bangalore	Investigation of potential leads from Ayurveda therapeutics for Management of AMR	472.00
5.	Maharashtra	Regional Ayurveda Research Institute, Kothrud, Pune	Preclinical Toxicological Evaluation and Safety Pharmacology of Selected Ayurvedic Formulations - Laksha Guggulu, Dadimadi Ghrita and Ekangaveera Rasa	236.64
6.	West Bengal	Central Ayurveda Research Institute, Kolkata	Preclinical Toxicological Evaluation and Safety Pharmacology of Rajah Pravartini Vati, Phala Ghrita and Drakshavaleha	339.10
Total				2490.40
