**UNSTARRED QUESTION NO.298**  
ANSWERED ON 02.02.2026

**ACHIEVEMENTS UNDER JIYO PARSI SCHEME**

298. SHRI UJJWAL DEORAO NIKAM:  
DR. PARMAR JASHVANTSINH SALAMSINH:

Will the Minister of MINORITY AFFAIRS be pleased to state:

- (a) the progress achieved under the Jiyo Parsi scheme since its launch;
- (b) the number of Parsi couples and beneficiaries assisted under each component of the scheme during the last three years, along with the financial assistance disbursed through DBT;
- (c) the measures taken to ensure effective outreach, counselling and utilization of social media and advocacy programmes to address infertility and family-related concerns; and
- (d) the steps taken to ensure timely verification, biometric authentication and effective coordination with State Governments and Parsi institutions for transparent implementation of the scheme?

**ANSWER**

THE MINISTER OF MINORITY AFFAIRS

(SHRI KIREN RIJJU)

- (a) The scheme since its inception has facilitated the birth of more than 490 Parsi children and has provided financial assistance amounting to ₹35.05 crore to Parsi couples under the Jiyo Parsi scheme.
- (b) The details of financial assistance under Medical and Health of Community components of the Jiyo Parsi Scheme during the last 3 years are as under:-

Sl. No.	Year	Medical Component		HoC Component			Advocacy Component	
		No. of Beneficiaries	Amount released (Rs. In Cr.)	No. of Beneficiaries	No. of		Amount released (Rs. In Cr.)	Amount Utilized
					Children Supported	Elderly Supported		
1.	2022-23	60	1.54	94	166	86	2.47	0.21 Cr.
2.	2023-24	10	0.11	92	163	81	2.53	0.10 Cr.
3.	2024-25	10	0.39	86	154	77	2.38	0.06 Cr.

\*\* As indicated in the table above, under the Advocacy component, financial assistance is not provided directly to beneficiaries. Instead, the funds are utilized for publicity, outreach, and awareness related activities.

(c) To increase awareness and outreach among the Parsi community to reverse their population decline, publicity about the scheme is undertaken. Further, several workshops /interactions with the community are organized. Dissemination of information regarding implementation of the Jiyo Parsi Scheme is also carried out through major Parsi newspapers on a monthly basis.

(d) Verification of applications under the HoC and Medical components is undertaken through the concerned State Governments. Ministry has developed two dedicated online portals, the Medical Portal (launched in August 2024) and the HoC Portal (launched on 3 October 2025) which facilitate Parsi couples in submitting and monitoring their applications.

Ministry has also integrated the Beneficiary Satyapan App (BSA) for biometric authentication of eligible beneficiaries under HoC Component. Regular review meetings with concerned State Governments are also held at Ministry level.
