ANSWER

THE MINISTER OF STATE IN THE MINISTRY OF CHEMICALS AND FERTILIZERS
(SMT. ANUPRIYA PATEL)

(a) to (d) Vide notification dated 24th August, 2022, Government of India has decided to implement One Nation One Fertilizers (ONOF) by introducing Single Bharat Brand for Fertilizers and Logo under Fertilizer subsidy scheme namely “Pradhanmantri Bhartiya Janurvarak Pariyojna” (PMBJP). All fertilizers companies viz Public sector, Cooperative

and Private sector are required to sell subsidized fertilizers under brand name “BHARAT” across the country. The objective of the scheme is to increase the availability basket of fertilizers; take care of dilemma among farmers in choosing from plethora of brands manufactured by various companies available in the markets, reduce the crisscross movement and further ensure timely supply of fertilizers across the country. By consolidating branding under a single “BHARAT” brand, the scheme fosters transparency, combats malpractices, and ensures equitable access to essential nutrients for crops. The State-wise distribution of fertilizes under the ONOF scheme is placed at **Annexure**.
