

GOVERNMENT OF INDIA
MINISTRY OF STATISTICS AND PROGRAMME IMPLEMENTATION

RAJYA SABHA
UNSTARRED QUESTION NO. 3520
TO BE ANSWERED ON 23.03.2026

AI LINKAGE WITH GOVERNMENT DATA VIA MCP

3520. SHRI JAGGESH:

Will the Minister of STATISTICS AND PROGRAMME IMPLEMENTATION be pleased to state:

- (a) whether Government has launched a Model Context Protocol (MCP) server to link artificial intelligence tools with official statistical databases;
- (b) whether MCP server enables users connect to verified Government data through AI applications and platforms such as Chat-GPT and Claude with the National Statistical Portal e-Sankhyaki;
- (c) whether beta version of the MCP server currently provide access to dataset such as the Periodic Labour Force Survey, Consumer Price Index, Annual Survey of Industries, Index of Industrial Production and National Accounts Statistics;
- (d) if so, the details thereof; and
- (e) whether Government intends to further strengthen the MCP framework by incorporating additional datasets and services in the near future, Give details?

ANSWER

MINISTER OF STATE (INDEPENDENT CHARGE) OF THE MINISTRY OF STATISTICS AND PROGRAMME IMPLEMENTATION; MINISTER OF STATE (INDEPENDENT CHARGE) OF THE MINISTRY OF PLANNING AND MINISTER OF STATE IN THE MINISTRY OF CULTURE [RAO INDERJIT SINGH]

- (a): Yes, Sir. The Government has introduced a Model Context Protocol (MCP) server to facilitate linking of Artificial Intelligence tools with Official Statistical databases.
- (b): Yes, Sir. The newly launched MCP server allows access to verified Government data through Artificial Intelligence applications and platforms, with the National Statistical Portal e-Sankhyiki.
- (c) to (e) Yes, Sir. The Beta version of the MCP server which included 7 key statistical products (such as the Periodic Labour Force Survey, Consumer Price Index, Annual Survey of Industries, Index of Industrial Production, National Accounts Statistics), has now been extended for 21 products available on the eSankhyiki portal.
