ANSWER

**THE MINISTER OF STATE (IC) OF THE MINISTRY OF AYUSH
(SHRI PRATAPRAO JADHAV)**

(a) & (b) Public Health being a State subject, adopting any mechanism to monitor patient footfall and treatment outcomes in Ayush hospitals across Odisha comes under purview of respective State Government. As reported by State Government of Odisha, there is no dedicated mechanism to monitor treatment outcome across Ayush hospitals in Odisha. However, as informed by State Government of Odisha patient footfall data is being collected regularly from all Ayush facilities and 2,03,34,917 beneficiaries have been recorded across the State during year 2024 & 2025.
