

GOVERNMENT OF INDIA
MINISTRY OF CHEMICALS & FERTILIZERS
DEPARTMENT OF CHEMICALS & PETROCHEMICALS

RAJYA SABHA
UNSTARRED QUESTION NO. 3548
ANSWERED ON 24/03/2026

EXPORTS IN THE CHEMICALS AND FERTILIZERS SECTOR

3548. SHRI HARSH MAHAJAN:

Will the Minister of CHEMICALS AND FERTILIZERS be pleased to state:

- (a) the total quantity and value of exports of chemicals and fertilizers from the country during the last three years and Himachal Pradesh's share therein, year-wise;
- (b) whether Government has implemented any special policy or incentive package to promote exports in the chemicals and fertilizers sector and if so, the details thereof;
- (c) the details of special steps taken to promote exports from industrial areas/pharmaceutical and chemical units located in Himachal Pradesh; and
- (d) the concrete measures proposed to be taken by Government in future to enhance exports in the chemicals and fertilizers sector in the country, including Himachal Pradesh?

ANSWER

THE MINISTER OF STATE FOR CHEMICALS & FERTILIZERS

(SMT. ANUPRIYA PATEL)

(a) : Quantity and value of exports of chemicals and fertilizers during last three years and Himachal Pradesh's share therein, year-wise:-

Commodity	Year	Exports in Value terms (in Rs. Crores)			Export in Volume terms (MT)		
		2022-23	2023-24	2024-25	2022-23	2023-24	2024-25
Chemicals and Petrochemicals	Exports to World	3,80,493	3,72,535	3,92,769	1,96,41,302	1,98,66,056	2,22,05,765
	Himachal Pradesh Exports to World	1,270	1,436	1,450	24,795	31,295	28,351
Fertilizers	Exports to World	1,057	1,077	1,366	2,37,484	3,19,221	4,04,298
	Himachal Pradesh Exports to World	0.00	0.00	0.09	0	0.11	19

(b) to (d) : The Government of India has undertaken various steps to enhance the exports of Indian chemical industry. The key initiatives are as follows:

- The Union Cabinet has approved Export Promotion Mission to provide a comprehensive, flexible, and digitally driven framework for export promotion, with a total outlay of Rs. 25,060 Crores for FY 2025–26 to FY 2030–31. The Mission will operate through two integrated sub-schemes:
 - a. NIRYAT PROTSAHAN – which focuses on improving access to affordable trade finance for MSMEs through a range of instruments such as interest subvention, export factoring, collateral guarantees, credit cards for e-commerce exporters, and credit enhancement support for diversification into new markets.
 - b. NIRYAT DISHA – which focuses on non-financial enablers that enhance market readiness and competitiveness, including export quality and compliance support, assistance for international branding, packaging, and participation in trade fairs, export warehousing and logistics, inland transport reimbursements, and trade intelligence and capacity-building initiatives.
- The Government of India is implementing the Trade Infrastructure for Export Scheme (TIES) with the objective to enhance export competitiveness by bridging gaps in export infrastructure, creating focused export infrastructure. The scheme would provide assistance for setting up and up-gradation of infrastructure projects with export linkages like the Border Haats, Land customs stations, quality testing and certification labs, cold

chains, trade promotion centres, dry ports, export warehousing and packaging, SEZs and ports/airports cargo terminuses.

- The Government is implementing Rebate of State and Central Levies and Taxes (RoSCTL) Scheme to promote labour oriented sector export since March, 2019.
- Remission of Duties and Taxes on Exported Products (RoDTEP) scheme, which has been extended to cover sectors including organic and inorganic chemicals with effect from December, 2022.
- The Government has launched Common Digital Platform for Certificate of Origin to facilitate trade and increase Free Trade Agreement utilization by exporters.
- Regular Buyer-Seller Meets are organised to showcase Indian chemical products and enhance global visibility. These initiatives facilitate direct engagement between Indian exporters and overseas buyers.
