MINISTER OF RAILWAYS, INFORMATION & BROADCASTING AND

(a) to (g): Recruitment done in Indian Railways during 2004-05 to 2013-14 vis-à-vis during 2014-15 to 2025-26 is given as under: -

Period	Recruitments
2004-2005 to 2013-2014	4.11 lakh
2014-2015 to 2024-2025	5.08 lakh

Occurrence and filling up of vacancies are continuous processes on Indian Railways considering its size, spatial distribution and criticality of operation. Adequate and suitable manpower is provided to cater to the regular operations, changes in technology, mechanisations and innovative practices. The vacancies are filled up primarily by placement of indents by Railways with Recruitment agencies as per operational and technological requirements.

The RRB examinations are quite technical in nature entailing large scale mobilization of men and resources and training of manpower. Railway overcame all these challenges and successfully conducted the recruitment in a transparent manner following all laid down guidelines. No instance of paper leakage or similar malpractice has occurred during the entire process.

Further, as system improvement, the Ministry of Railways has introduced a system of publishing the Annual Calendar from 2024 for recruitment to various categories of Group 'C' posts. The introduction of the Annual Calendar is benefitting the aspirants in the following manner:

- More opportunities for candidates;
- Opportunities to those becoming eligible every year;
- Certainty of exams;
- Faster Recruitment process, Training and Appointments

Presently, recruitment against 1,43,086 vacancies of non-gazetted personnel has been taken up on Indian Railways as per Annual Calendar 2024 and 2025.

Pursuant to the acceptance of recommendations of committee of Secretaries regarding “discontinuation of interviews at the lower-level posts”, Ministry of Railways decided to discontinue the practice of interview/viva-voce while conducting recruitment for non-gazetted posts against direct recruitment quota vacancies through all modes since 2016.

There is no scheme of extension of service after retirement. However, sometimes in order to meet exigencies, retired railway employees are re-engaged against the vacant posts temporarily based on competency, experience etc. to ensure smooth progress of the developmental and other works till the vacancies are filled up on regular basis as per the laid down rules and procedure.
