Further, as per the 12th Schedule of Indian Constitution (Article 243W), Urban Planning including Town Planning is the responsibility of Urban Local Bodies (ULBs)/ Urban Development Authorities. Government of India supplements these efforts of the States through schematic interventions/ advisories.

The Ministry of Housing and Urban Affairs (MoHUA) has a multi-pronged approach to ensure planned and comprehensive urban development in the country. In all 4,915 statutory town & cities, issues of cleanliness, housing for all, and clean drinking water are being addressed with National urban missions like, "Swachh Bharat Mission (SBM)" for sanitation and hygiene, "Pradhan Mantri Awas Yojna (PMAY)" for housing for all, "Pradhan Mantri SVANidhi Yojna" and "Atal Mission for Rejuvenation & Urban Transformation (AMRUT)". Thereafter, 100 cities have been selected under the SCM to incorporate technology in better and faster urban management. Further, to address the challenges of urban mobility, Metro Rail Transit System (MRTS) is also operational in various cities.
