ANSWERED ON 01.04.2026

Integration of PACS computerization project software with other National portals

4174 # Shri Baburam Nishad:

Will the Minister of COOPERATION be pleased to state:

(a) whether there is any plan of linking the Enterprise Resource Planning (ERP) software of Primary Agricultural Credit Societies (PACS) to the core banking system of State Cooperative Banks (SCBs) and District Central Cooperative Banks (DCCBs), if so, by when it will be applicable;

(b) whether the ERP software would be linked to the National Cooperative Database or other Government portals such as CSC, PMKSK, PMBJK, etc; and

(c) if so, the current status thereof?

ANSWER

THE MINISTER OF COOPERATION
(SHRI AMIT SHAH)

(a) The primary purpose of Computerization of Primary Agriculture Credit Societies (PACS) project is serving the financial inclusion and strengthening service delivery to farmers especially Small & Marginal Farmers (SMFs), facilitate migration of PACS to common accounting system and nation-wide uniform Management Information Systems (MIS) to enhance transparency and trust in these institutions. Under this Project, integration of the Enterprise Resource Planning (ERP) software PACS with the Core Banking Systems (CBS) of District Central Cooperative Banks (DCCBs) and State Cooperative Banks (StCBs) is envisaged.

(b) & (c) Yes Sir, the ERP software would be linked to the National Cooperative Database or other Government portals such as Common Service Centre (CSC), Pradhan Mantri Kisan Samridhhi Kendra (PMKSK), Pradhan Mantri Bhartiya Janaushadhi Kendra (PMBJK), etc;. Integration with National Cooperative Database (NCD) is complete & integration with Common Service Centres (CSC) and Pradhan Mantri Bhartiya Janaushadhi Kendras (PMBJK) is at various stages of implementation.
