**MINISTER OF STATE FOR COMMUNICATIONS AND RURAL DEVELOPMENT

(a) & (b) Telecom Regulatory Authority of India (TRAI) regularly monitors the performance of Telecom service providers against the benchmark for various Quality-of-Service (QoS) parameters. As per performance monitoring report (PMR) for the month of January, 2026, BSNL and MTNL are meeting the benchmark of all networks related QoS parameters of Cellular services. The PMR reports are published on TRAI website (<https://traigov.in/release-publication/qos-reports/pmr-reports>).
