

GOVERNMENT OF INDIA  
MINISTRY OF NEW AND RENEWABLE ENERGY  
**RAJYA SABHA**  
**UNSTARRED QUESTION NO. 472**  
ANSWERED ON 03.02.2026

**PM SURYA GHAR: MUFT BIJLI YOJANA**

472. SHRI P. WILSON

Will the Minister of NEW AND RENEWABLE ENERGY be pleased to state:

(a) the present status of the PM Surya Ghar: Muft Bijli Yojana, including the number of applications received and rooftop solar installations completed and the reasons for the gap between applications and beneficiaries, including delays in approval or commissioning, with district-wise details for the State of Tamil Nadu; and

(b) the details of installations, pending applications, including challenges and corrective measures, State-wise?

**ANSWER**

**THE MINISTER OF STATE FOR NEW & RENEWABLE ENERGY AND POWER**

**(SHRI SHRIPAD YESSO NAIK)**

(a) & (b) PM Surya Ghar: Muft Bijli Yojana (PMSG: MBY) is a demand driven scheme wherein all residential consumers in the country having grid connected electricity connection of the local DISCOM can avail the benefits of the scheme, for installation of rooftop solar (RTS) systems, by applying on the National Portal of the scheme.

To ease installation of RTS systems after applying on the National Portal, the requirement of technical feasibility approval has been waived and auto load enhancement for capacity up to 10 kW has been implemented. In addition, the requirement of signing of net-metering agreement is either being waived or changed to digital signing mode.

These measures have resulted in reducing the delay in commissioning of RTS systems after application. In the state of Tamil Nadu out of 67,833 applications received under the scheme, a total of 53,834 RTS installation have been completed as on 28.01.2026. District -wise details is given at **Annexure-I**.

Since the launch of the scheme in February, 2024, a total of 22,48,699 RTS systems have been installed against 58,25,860 applications received across the country as on 28.01.2026. The State/UT - wise details is given in **Annexure-II**.

To promote rooftop solar adoption across the country under the PMSG: MBY, Ministry has taken following steps:

- Online process from registration to disbursal of subsidy directly into the bank account of the residential consumer through National Portal.
- Availability of collateral free loan from nationalized banks at concessional interest rate of repo-rate plus 50 bps i.e. 5.75% per annum for the present, with tenure of 10 years.

- Simplified the regulatory approval process by waiving technical feasibility requirement and introducing auto load enhancement upto 10 kW.
- Included RESCO/ Utility led Aggregation (ULA) Models.
- Net metering agreement has been made part of application in the National Portal.
- Simplified process for registration of vendors to ensure sufficient and qualified vendors are available.
- Capacity building and training programmes being conducted for creating skilled manpower.
- Creating awareness about the scheme, through awareness and outreach program such as print advertising in leading newspapers, TV commercials campaigns, Radio campaigns across FM stations including regional channels, etc., in the country.
- Regular monitoring of the progress of the scheme at different levels including with states/DISCOMs.
- Conducting regional review meetings.
- Established grievance redressal mechanism for timely resolution of grievances. A Call Centre with telephone number 15555 is operational in 12 languages.

Further, MNRE and REC Ltd., as the National Programme Implementing Agency (NPIA) for PMSG: MBY, work in close coordination with all the DISCOMs, for effective implementation of the scheme.
