ANSWER

MINISTER OF STATE IN THE MINISTRY OF ENVIRONMENT, FOREST AND CLIMATE CHANGE
(SHRI KIRTI VARDHAN SINGH)

(a) to (d) The National Statement delivered at COP 30, held in November 2025 in Belém, Brazil, stated, inter alia, that India would be declaring its revised Nationally Determined Contribution (NDC) till 2035. The Government of India stands committed to combat climate change and has taken several measures to meet India's NDC submitted to the United Nations Framework Convention on Climate Change (UNFCCC) under the Paris Agreement in 2015 which was updated in 2022. The NDC, including that for 2031-35, is finalized after extensive stakeholder consultation, the outcome of which is declared after the completion of the process and upon approval of the Competent Authority.
