ANSWER

THE MINISTER OF STATE FOR AGRICULTURE AND FARMERS WELFARE

(SHRI RAMNATH THAKUR)

(a) & (b): District-wise details of number of farmer applications enrolled, number of farmer applications benefitted, claims reported and claims paid in Rajasthan under Pradhan Mantri Fasal Bima Yojana (PMFBY) during the last three years, i.e. from FY 2022-23 to FY 2024-25 (as on 31.12.2025) have been given at **Annexure**.

(c): Government has taken various steps to strengthen implementation of this scheme, bring transparency and ensure timely settlement of claims:

- Government has undertaken development of **National Crop Insurance Portal (NCIP)** as a single source of data ensuring subsidy payment, co-ordination, transparency, dissemination of information and delivery of services including direct online enrollment of farmers, uploading/obtaining individual insured farmer's details for better monitoring and to ensure transfer of claim amount electronically to the individual farmer's Bank Account.

- In order to rigorously monitor claim disbursement process, a dedicated module namely '**Digiclaim Module**' has been operationalized for payment of claims from Kharif 2022 onwards. It involves integration of National Crop Insurance Portal (NCIP) with Public Finance Management System (PFMS) and accounting system of Insurance Companies to provide timely & transparent processing of all claims w.e.f. Kharif 2024, in case payment is not made timely by Insurance Company, penalty of 12% is auto-calculated and levied through NCIP.
- Delinking of Central Government share of premium subsidy from that of State Governments has been implemented so that farmers can get proportionate claims relating to the Central Government share.
- Opening of ESCROW Account by the State Government concerned for deposit of their premium share in advance as per provisions of the scheme has been made mandatory w.e.f. Kharif 2025 season.
- Also, towards leveraging technology in implementation of the scheme, various steps like capturing of yield data/Crop Cutting Experiments (CCEs) data through **CCE-Agri App** & uploading it on the NCIP, allowing insurance companies to witness the conduct of CCEs, integration of State land records with NCIP etc. have already been taken to improve timely settlement of the claims to farmers.
- Tranche based claim settlement has been initiated w.e.f. Rabi 2024-25.
