ANSWER

THE MINISTER OF STATE FOR AGRICULTURE AND FARMERS WELFARE

(SHRI RAMNATH THAKUR)

(a) to (c): As per the National Policy on Disaster Management (NPDM), the State Government is primarily responsible for providing necessary relief measures on ground level in the wake of notified calamities including floods. The State Governments undertake relief measures in the wake of natural calamities from funds available in the form of the State Disaster Response Fund (SDRF) in accordance with the Government of India approved items and norms. Additional financial assistance, over and above SDRF, is considered from the National Disaster Response Fund (NDRF), as per laid down procedure, in case of disaster of 'severe nature', which includes an assessment based on the visit of an Inter-Ministerial Central Team (IMCT). The financial assistance provided under SDRF and NDRF is by way of relief and not for compensation of losses suffered/ claimed.

Data regarding the area of crops affected or lost (in acres) due to drought, flood, hailstorm, unseasonal rainfall and other natural calamities in the country is not maintained

centrally. However, details of crop loss/damage data since 2020-21 to 2024-25 as reported by the State Governments & UTs other than drought, hailstorm, pest attack & cold wave, is as at **Annexure – I**. Further, Details of cropped Area affected as reported by States due to drought during the years 2020-21 to 2024-25 are at **Annexure – IA**.

Pradhan Mantri Fasal Bima Yojna (PMFBY) provides comprehensive risk insurance against crop damage from pre-sowing to post-harvest for crops and area notified by the concerned State Government. This scheme is voluntary for States as well as farmers. All willing farmers are eligible to enroll under the scheme.

The Government of India communicated an advisory to the States/UTs to opt Alternate Risk Transfer Mechanisms (ARTM) from the tender cycle of Kharif 2023 to Rabi 2025-26. In this advisory, the State Governments/UTs may be allowed to choose Alternate Risk Management models viz. (i) Cup and Cap (60-130) Model and (ii) Cup and Cap (80-110) Model and (iii) Profit & Loss sharing (0-350) model. States have been given the flexibility to choose any one of these models. Due to adoption of these models, the premium rates have significantly reduced thereby reducing the outgo of Government of India and States.

State-wise details of allocation and releases of funds under State Disaster Response Fund (SDRF) and National Disaster Response Fund (NDRF) during the years from FY 2020-21 to FY 2024-25 is at **Annexure – II**.

State-wise and year-wise details of claims paid under PMFBY & RWBCIS from FY 2020-21 to FY 2024-25 (as on 31.12.2025) are at **Annexure – III**.

(d): State-wise and year-wise details of pending claims under PMFBY & RWBCIS from FY 2020-21 to FY 2024-25 (as on 31.12.2025) are at **Annexure – V**.
