- (b) whether the Ministry has implemented any measures to enhance user engagement on this integrated platform; and**
- (c) whether there are any future plans to expand the services offered through the integrated platform?**

ANSWER

**MINISTER OF STATE FOR LABOUR AND EMPLOYMENT
(SUSHRI SHOBHA KARANDLAJE)**

(a) to (c): The Ministry of Labour and Employment, Government of India, is running the National Career Service (NCS) Portal which is a one-stop solution for providing career related services including jobs from private and government sectors, information on online & offline job fairs, job search & matching, career counselling, vocational guidance, information on skill development courses, skill/training programmes etc. through a digital platform [www.ncs.gov.in].

NCS portal is integrated with Skill India Digital Hub (SIDH) that is specially designed and developed to skill, reskill and upskill individuals through an online training platform for jobs and entrepreneurial opportunities. The integration of NCS Portal with SIDH has paved the way for the skilled jobseekers on SIDH to avail the benefits of NCS Portal and the jobseekers to avail the skilling services offered by SIDH.

Improvements in the NCS portal is a continuous and dynamic process. Recently, NCS portal has been enhanced through modern, cloud-based and mobile-first digital solutions, supported by advanced AI-enabled capabilities in order to improve accessibility and user engagement.
