(d) The Ministry of Cooperation has taken proactive measures to convert Primary Agricultural Credit Societies (PACS), Dairy, and Fisheries Cooperatives into Multipurpose cooperative societies. This initiative aims to enhance business diversification, strengthen financial sustainability, and prevent closures by enabling cooperatives to engage in a wider range of economic activities. The NCD is used for identification of gaps in the geographical spread of cooperatives, thereby supporting the formation of new multipurpose PACS/dairy/fisheries cooperative societies. It also enables the development of the Cooperative Ranking Framework to promote healthy competition.

Additionally, the Ministry of Cooperation has set up Co-operative Rehabilitation, Reconstruction and Development Fund under section 63A of the Multi-State Cooperative Societies (MSCS) (Amendment) Act, 2023 for revival of sick multi-State cooperative societies and providing assistance for meeting infrastructural requirement.
