- (c) details of the present physical and financial progress of these parks and the expected timeline for completion of ongoing projects; and
- (d) details of total number of MSME units established and employment generated in these parks so far, park-wise?

ANSWER

MINISTER OF STATE FOR MICRO, SMALL AND MEDIUM ENTERPRISES
(SUSHRI SHOBHA KARANDLAJE)

(a) to (d): Micro and Small Enterprises Cluster Development Programme (MSE-CDP) is a demand driven Central Sector Scheme wherein, State/UTs Governments send proposals as per common needs of existing cluster in their respective States/UTs as well as fund requirement for completion of projects which commonly result in enhanced number of MSME beneficiary and employment. This scheme aims to enhance the productivity and competitiveness of MSEs for their holistic development by adopting cluster approach. The Government provides financial assistance to establish Common Facility Centres (CFCs) in existing clusters and establish infrastructure facilities in new / up-grade the existing Industrial Areas / Estates / Flatted Factory Complex. The actual timeline for completion of ongoing projects is contingent upon factors such as timely release of the State Government's matching contribution, availability of encumbrance-free land, completion of civil construction, etc. Accordingly, timeline is monitored on a case-by-case basis in coordination with the State Government/Implementing Agency. The details of industrial estates sanctioned and under development in the State of Andhra Pradesh during the last five years is appended below:
