

GOVERNMENT OF INDIA
MINISTRY OF ROAD TRANSPORT AND HIGHWAYS
RAJYA SABHA
UNSTARRED QUESTION NO - 1221
ANSWERED ON – 29/07/2026

STATUS OF NATIONAL HIGHWAY PROJECTS IN HARYANA

1221. SHRI SANJAY BHATIA:

Will the Minister of ROAD TRANSPORT AND HIGHWAYS be pleased to state:

(a) district-wise details of National Highway projects sanctioned, under construction and completed in the State of Haryana during the last five years, along with the total expenditure incurred thereon;

(b) whether Government has any proposal to develop new National Highways, bypasses, flyovers and expressways to ease traffic congestion in Karnal, Panipat, Sonapat, Yamunanagar and other industrial and agricultural areas of Haryana, if so, the details thereof; and

(c) whether Government has any specific action plan for the development of the Delhi-Panipat-Karnal-Yamunanagar-Paonta Sahib Economic Corridor and for providing better National Highway connectivity to the major industrial, agricultural and logistics hubs of Haryana, if so, the details thereof?

ANSWER

THE MINISTER OF ROAD TRANSPORT AND HIGHWAYS

(SHRI NITIN JAIRAM GADKARI)

(a) to (c) District-wise details of National Highway (NH) projects sanctioned/ ongoing and completed in the State of Haryana during the last five years are enclosed at Annexure I. Government allocates fund State-wise and not project-wise. Details of funds allocated & expenditure incurred for development and maintenance of NHs during the last five years for the State of Haryana is as under:

Year	Allocation (Rs in crore)	Expenditure (Rs in crore)
2021-22	7203	7203
2022-23	3924	3924
2023-24	6062	6062
2024-25	4391	4344
2025-26	3330	3327
2026-27 (Till 30.06.2026)	1119	1057

The Government receives proposals from various State Governments / Union Territories (UTs), from time to time, for declaration / upgradation of State Roads, including State Highways (SHs), as new NHs. Decisions are taken to notify State Roads as NHs from time to time based on the broad principles of declaration of NHs, requirement of connectivity, traffic density and synergy with PM Gati Shakti National Master Plan (NMP).

The construction and development of National Highways is a continuous process. The development/upgradation of NHs along with construction of Flyover etc. is taken up based on several factors such as current traffic on the stretch, availability of requisite land, alternate routes available, socio-economic status of the region, geographical location and synergy with PM Gati Shakti National Master Plan (NMP).

Connectivity along the Delhi–Panipat–Karnal–Yamunanagar–Paonta Sahib corridor already stands established through the existing National Highway network, primarily through the following route, NH-44 (Delhi–Panipat–Karnal–Ambala), in combination with NH-344 (Ambala–Saha–Yamunanagar) and NH-907 (Yamunanagar–Chhachhrauli–Paonta Sahib), which covers all the major nodes of the said corridor. At present, there is no proposal for development of a separate corridor.

ANNEXURE-I

ANNEXURE REFERRED TO IN REPLY TO PART (a) TO (c) OF RAJYA SABHA UNSTARRED QUESTION NO. 1221 ANSWERED ON 29.07.2026 ASKED BY SHRI SANJAY BHATIA REGARDING STATUS OF NATIONAL HIGHWAY PROJECTS IN HARYANA

District-wise details of 81 National Highway projects sanctioned, under construction and completed in the State of Haryana:
