

GOVERNMENT OF INDIA  
MINISTRY OF AGRICULTURE AND FARMERS WELFARE  
DEPARTMENT OF AGRICULTURE AND FARMERS WELFARE

**RAJYA SABHA**  
**UNSTARRED QUESTION NO. 1464**  
TO BE ANSWERED ON 31/07/2026

**STATUS OF COLD STORAGE FACILITIES IN UTTAR PRADESH**

1464. DR. LAXMIKANT BAJPAYEE:

Will the Minister of AGRICULTURE AND FARMERS WELFARE be pleased to state:

- (a) The details of cold storage facilities in Uttar Pradesh with name, location and capacity district-wise;
- (b) The details of financial assistance provided by Central Government to Uttar Pradesh for setting up cold storage facilities in the last five years, year-wise; and
- (c) The details of measures taken to strengthen cold storage facilities in Uttar Pradesh under various schemes of Government in the last five years, scheme-wise?

**ANSWER**

MINISTER OF STATE FOR AGRICULTURE AND FARMERS WELFARE

(SHRI RAMNATH THAKUR)

(a): The details as received from the Government of Uttar Pradesh are enclosed at Annexure.

(b): The details of financial assistance provided under the Mission for Integrated Development of Horticulture (MIDH), National Horticulture Board (NHB), Ministry of Food Processing Industries and Agriculture Infrastructure Fund (AIF) to Uttar Pradesh for setting up cold storage facilities during last five years are as under:

(Rs. in lakh)

\*, # and @ - Subsidy/Grant-in aid

\$ - Interest subvention @ 3% on the term loan.

(c): The Department of Agriculture & Farmers' Welfare is implementing the Mission for Integrated Development of Horticulture (MIDH) in the country, under which capital assistance is provided for various horticulture activities, including construction/expansion/modernization of cold storage facilities for perishable horticultural produce of up to 5,000 MT capacity. Assistance under MIDH is provided on the basis of Annual Action Plans (AAPs) received from the States/UTs. The

AAPs are prepared by the States/UTs in accordance with their assessed requirements, existing infrastructure, priority areas and availability of resources. The component of Cold Storage is demand/entrepreneur driven for which Government assistance in the form of credit linked back ended subsidy is available at the rate of 35% of the eligible project cost in general areas and 50% of the eligible project cost in case of NE & Himalayan States, Scheduled areas, vibrant villages, Andaman & Nicobar and Lakshadweep Islands through respective State Horticulture Missions.

Besides, National Horticulture Board (NHB) is implementing a scheme namely “Capital Investment Subsidy for Construction/Expansion /Modernization of Cold Storages and Storages for Horticulture Products”. Under the scheme, credit linked back-ended subsidy at the rate of 35% of the capital cost of the project in general areas and 50% in case of North East, hilly & scheduled areas for construction/expansion/modernization of cold storage and Controlled Atmosphere (CA) storage of capacity above 5000 MT and up to 20000 MT is available.

Apart from this, Ministry of Food Processing Industries (MoFPI) is implementing a Scheme for Integrated Cold Chain, Food Processing and Preservation Infrastructure as one of the components of Pradhan Mantri Kisan Sampada Yojana (PMKSY) with the objective of reducing post-harvest losses of horticulture and non-horticulture produce and providing remunerative price to farmers for their produce. Under the scheme, Ministry provides financial assistance in the form of grant-in-aid at the rate of 35% for general areas and 50% for North East and Himalayan States, Integrated Tribal Development Programme (ITDP) areas and Islands for storage and transport infrastructure and at the rate of 50% and 75% respectively for value addition and processing infrastructure subject to a maximum grant-in-aid of Rs. 10.00 crore per project for setting up of integrated cold chain projects including irradiation facility.

All the above schemes are demand/entrepreneur driven through commercial ventures for which government assistance is in the form of credit linked back ended subsidy/grant-in-aid and is provided based on the proposals received from the States/entrepreneur.

Further, to strengthen agriculture infrastructure in the country, Government has launched Agriculture Infrastructure Funds (AIF) of Rs. 1.00 lakh crore. Under AIF, there is provision for collateral free term loan upto Rs. 2.00 crore and interest subvention of 3% on the term loan availed for creation of post-harvest infrastructure including establishment of cold storages.

**Annexure referred in reply to part (a) of the Rajya Sabha Unstarred Question No. 1464 for Answer on 31.07.2026 regarding “Status of Cold Storage Facilities in Uttar Pradesh”**

| S.No. | District Name | Name and address of the cold storage                                    | Storage Capacity (cubic meter) |
