ANSWERED ON 31st JULY, 2026
Projects sanctioned under PMKSY

1517. **Shri R. Girirajan:**

Will the *Minister of Food Processing Industries* be pleased to state:

- (a) the total number of projects sanctioned under the Agro Processing Clusters, Food Testing Labs Scheme, Mega Food Parks Scheme and the total number of projects operational in the country, State-wise;
- (b) the steps taken by Government to allocate more funds under the Pradhan Mantri Kisan Sampada Yojana (PMKSY) and provide a single window system to clear all the statutory clearances needed for the establishment of the projects and make them operational; and
- (c) the effective measures taken by Government to develop innovative and state of art technologies in food processing and food packaging sector?

ANSWER

**THE MINISTER OF FOOD PROCESSING INDUSTRIES
(SHRI CHIRAG PASWAN)**

- (a) The Ministry of Food Processing Industries (MoFPI) has been implementing a Central Sector Umbrella Scheme, Pradhan Mantri Kisan SAMPADA Yojana (PMKSY). The State-wise details indicating number of projects sanctioned and operationalised/completed in the country under the PMKSY component schemes of Agro Processing Clusters (APCs), Food Testing Labs (FTLs) and Mega Food Parks (MFPs) are at the **Annexure**.
- (b) To assess the needs and requirements of the sector, MoFPI undertakes Third Party Impact Evaluation Studies for component schemes under PMKSY before the start of Finance Commission Cycle (FCC). The Project Implementation Agencies are mainly required to obtain statutory approvals, as applicable, from the respective States/ Union Territories. Many of the States/ Union Territories have implemented or are in the process of implementing online single window clearance portals for such approvals.
- (c) To support the development of innovative and state-of-the-art technologies in the food processing and packaging sector, MoFPI extends Grant-in-Aid to universities, central and state government institutions, government-funded organizations, R&D laboratories, and CSIR-recognized private-sector R&D units, through its R&D component scheme under PMKSY. In addition, National Institute of Food Technology, Entrepreneurship and Management (NIFTEM) Kundli and NIFTEM Thanjavur, which are under the administrative control of MoFPI, are actively engaged in research, technology development, and innovation in the food-processing sector.
