AND JAMMU**

1648. SHRI SAJJAD AHMAD KICHLOO:

Will the Minister of *Housing and Urban Affairs* be pleased to state:

- (a) whether Government is aware of inordinate delays, repeated revisions and cost escalations in the implementing of Smart City Mission (SCM) projects in Srinagar and Jammu;
- (b) the project wise details of sanctioned cost, revised cost, original completion date, present status and reason for delay;
- (c) whether any inquiry, audit or investigation has been initiated into alleged financial irregularities, poor work quality execution, diversion of funds or lapses in project management and if so, the details thereof; and
- (d) the total funds released and utilized so far, the names of defaulting contractors/agencies, penalties imposed and the revised timeline for completion of all pending projects?

ANSWER

**THE MINISTER OF STATE IN THE MINISTRY OF HOUSING AND URBAN AFFAIRS
(SHRI TOKHAN SAHU)**

- (a) and (b): Under Smart Cities Mission (SCM), 2 cities, viz. Jammu and Srinagar were selected in the UT of Jammu & Kashmir. As reported by the UT, as on 31.03.2026, a total of 288 projects amounting to ₹6,603 Cr have been taken under SCM out of which 282 projects (98% of total projects) amounting to ₹6,472 Cr have been completed.

The challenges faced in implementing smart city projects include, inter-alia, delay in obtaining clearances from different departments, land acquisition, construction in hilly areas, challenges in vendor and resource availability in small & medium cities, centralization of decision making in few cities, utilization of full capacity of Integrated Command and Control Centres (ICCCs), etc.

City-wise details of the Central Financial Assistance claimed, fund utilized and status of projects in Srinagar and Jammu Smart Cities under SCM is at Annexure-I. Project-wise details in Srinagar and Jammu Smart Cities under SCM is at Annexure-II.

- (c): No.
- (d): The total central financial assistance claimed and utilized by Srinagar and Jammu Smart Cities under SCM is at Annexure-I. Further, the implementation of the Mission at the city level is to be done by a Special Purpose Vehicle (SPV) created for the purpose. The SPV is responsible for planning, appraising, approval, release of funds, implementation, management, operation, monitoring and evaluation of the Smart City development projects.
