

GOVERNMENT OF INDIA
MINISTRY OF CHEMICALS AND FERTILIZERS
DEPARTMENT OF FERTILIZERS

RAJYA SABHA

UNSTARRED QUESTION NO. 1784 TO BE ANSWERED ON: 04.08.2026

Availability of fertilizers in Odisha

1784 Shri Manas Ranjan Mangaraj:

Will the Minister of **Chemicals and Fertilizers** be pleased to state:

- (a) the quantity of urea, DAP and NPK fertilizers allocated to Odisha till date;
- (b) whether the allocation has met the State's demand;
- (c) whether any shortage has been reported; and
- (d) the steps taken to ensure timely availability of fertilizers?

ANSWER

THE MINISTER OF STATE IN THE MINISTRY OF CHEMICALS & FERTILIZERS

(SMT. ANUPRIYA PATEL)

(a) to (d) Following steps are taken by the Government every season for ensuring timely and adequate supply of fertilizers across the States/UTs, including the State of Odisha:

I. Before the commencement of each cropping season, Department of Agriculture and Farmers Welfare (DA&FW), in consultation with all the State Governments, assesses the State-wise & month-wise requirement of fertilizers. On the basis of requirement projected by DA&FW, Department of Fertilizers (DoF) allocates adequate quantities of fertilizers to States by issuing monthly supply plan and continuously monitors the availability.

II. The movement of all major subsidized fertilizers is monitored throughout the country by an on-line web-based monitoring system called integrated Fertilizer Management System (iFMS).

III. The gap between demand (requirement) and production for Urea & other fertilizer is met through imports. The import for the season is also finalized well in advance to ensure timely availability.

IV. The State Governments are regularly advised to coordinate with manufacturers and importers for streamlining the supplies through timely placement of indents.

V. Regularly coordinate with the Ministry of Railways for giving sufficient rakes, priority to fertilizers and for timely evacuation of rakes for States.

VI. The distribution of fertilizers within the State at district level is done by the concerned State government.

Accordingly, the availability of fertilizers i.e. Urea, DAP and NPKS has remained adequate in the State of Odisha during the ongoing Kharif 2026 season (From 01.04.2026 to 29.07.2026). The information regarding the requirement, availability and sales of these fertilizers in the State during the said period has been tabulated below:

ODISHA					
AVAILABILITY OF FERTILIZERS DURING THE ONGOING KHARIF 2026 (FROM 01.04.26 TO 29.07.26)					
					Fig. in LMT
S.No	PRODUCT	Requirement	Availability	DBT Sales	Closing Stock as on 29.07.26
1	UREA	3.11	4.47	2.08	2.40
2	DAP	1.39	1.62	0.96	0.66
3	NPKS	1.90	2.29	1.01	1.29

1. Primary Indicator of comfortable availability: Availability > Requirement

2. Secondary Indicator of comfortable availability: Availability > Sales
