183 SHRI NATHWANI PARIMAL:

Will the Minister of **CHEMICALS AND FERTILIZERS** be pleased to state:

- (a) the total quantity of fertilizers exported and imported by the country in the last three years, year-wise and fertilizer-wise;
- (b) the major countries from which India imports fertilizers and those to which India exports; and
- (c) the measures adopted by Government to promote fertilizer exports and diversify import sources in view of recent global supply chain disruptions?

ANSWER

THE MINISTER OF STATE IN THE MINISTRY OF CHEMICALS AND FERTILIZERS

(SMT. ANUPRIYA PATEL)

(a) & (b): Country wise details of quantity of fertilizers exported and imported by the country for the last three years, year-wise and fertilizer-wise as per Director General of Foreign Trade (DGFT) is placed at **Annexure-I** and **Annexure-II** respectively.

(c): Director General of Foreign Trade vide notification dated 07.01.2019 has revised Export Policy of Fertilizers and items under 'Restricted' category moved to 'Free' category subject to prior permission / No Objection Certificate (NOC) to be obtained by the manufacturers /exporters from the Department of Fertilizers, and compliance of other laid down conditions.

Further, in view of recent global supply chain disruptions, the Department of Fertilizers has focused on diversifying import sources by exploring imports from various resource rich countries through Indian Missions abroad, to strengthen the fertilizer supply chain and reduce vulnerabilities arising from global market disruptions.
