ANSWER

**MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS
(SHRI NITYANAND RAI)**

(a) to (d): As per the National Policy on Disaster Management (NPDM), the primary responsibility for disaster management, including disbursement of relief assistance on ground level, rests with the State Governments concerned.

The State Governments undertake relief measures in the wake of natural calamities, from the State Disaster Response Fund (SDRF) already placed at their disposal, in accordance with Government of India approved items and norms. The Central Government supplements the efforts of the State

Governments and provides requisite logistics and financial support. Additional financial assistance is provided from the National Disaster Response Fund (NDRF), as per laid down procedure, in case of disaster of 'severe nature', which includes an assessment based on the visit of an Inter-Ministerial Central Team (IMCT).

The details of State-wise allocation and releases of funds under the State Disaster Response Fund (SDRF) and the National Disaster Response Fund (NDRF) during last five years i.e. 2021-22 to 2025-26 are as per Annexure-I.

Further, the allocation of funds under the State Disaster Response Fund (SDRF) and the National Disaster Response Fund (NDRF) is based on the recommendations of the successive Finance Commissions constituted under Article 280 of the Constitution for the respective award period. The release and utilization of these funds are governed by the items & norms, and guidelines issued by the Ministry of Home Affairs from time to time. These items and norms are prescribed in accordance with the recommendations of the successive Finance Commissions and are periodically reviewed by the Government of India through a consultative process involving representatives of the concerned Central Ministries/ Departments as well as the State Governments. The norms of assistance so prescribed are applied uniformly across all States and Union Territories, including the State of Kerala.
