MONITORING OF CENTRAL INFRASTRUCTURE PROJECTS IN TELANGANA

2560. DR. K. LAXMAN:

Will the Minister of STATISTICS AND PROGRAMME IMPLEMENTATION be pleased to state:

- (a) the number of Central sector infrastructure projects currently being monitored in the State of Telangana;
- (b) the number of such projects in the State facing cost or time overruns as on date;
- (c) the total approved cost versus the latest anticipated cost of these projects in the State; and
- (d) the steps taken by Government to improve project implementation monitoring and reduce delays nationally?"

ANSWER

MINISTER OF STATE (INDEPENDENT CHARGE) OF THE MINISTRY OF STATISTICS AND PROGRAMME IMPLEMENTATION, MINISTER OF STATE (INDEPENDENT CHARGE) OF THE MINISTRY OF PLANNING AND MINISTER OF STATE IN THE MINISTRY OF CULTURE [RAO INDERJIT SINGH]

(a), (b) & (c): The Ministry of Statistics & Programme Implementation (MoSPI) is mandated to monitor the status of Ongoing Central Sector Infrastructure Projects costing Rs. 150 crore and above through online portal/ web monitoring system "Project Assessment Infrastructure Monitoring and Analytics for Nation-Building (PAIMANA)". All line Ministries/ Departments/ Implementing Agencies regularly update the information of projects on PAIMANA portal via APIs (Application Programming Interfaces) and data entry mode.

Accordingly, the project-wise details of all ongoing infrastructure projects and those pertaining to State of Telangana are available in the Flash Report published by this Ministry on the website <https://paimana-proj.mospi.gov.in/ReportPage>

(d): All stakeholders (Infrastructure Line Ministries/ Departments) are regularly being apprised of their project status and slippages on the basis of data analytics available on PAIMANA, for any required intervention in managing the project execution at their end. Further, regular coordination with stakeholders through monthly review meetings and other communications contribute to the evidence-based monitoring. In addition to, the login credentials providing access to the customized dashboards are already shared with all Line Ministries/ Departments, thereby giving them direct access to the portal for review of the project progress.
