

GOVERNMENT OF INDIA  
MINISTRY OF CHEMICALS AND FERTILIZERS  
DEPARTMENT OF FERTILIZERS

**RAJYA SABHA**

**UNSTARRED QUESTION NO. 2578 TO BE ANSWERED ON: 11.08.2026**

**Availability, distribution, and supply chain of fertilizers**

**2578 # Shri Baburam Nishad:**

**Smt. Maya Naroliya:**

**Shri Mayankkumar Nayak:**

**Dr. Dinesh Sharma:**

**Shri Sadanand mhalu shet Tanavade:**

**Smt. Laxmi Verma:**

Will the Minister of **Chemicals and Fertilizers** be pleased to state:

(a) the State-wise details of the requirement and availability of major fertilizers during the last three Kharif and Rabi seasons;

(b) the details of the system adopted by Government to monitor the movement and distribution of fertilizers down to the district level;

(c) the details of the measures taken to address the shortage of fertilizers and to ensure its timely availability during the Kharif and Rabi seasons; and

(d) the details of the long-term arrangements made to ensure the supply of phosphatic fertilizers and their raw materials?

**ANSWER**

THE MINISTER OF STATE IN THE MINISTRY OF CHEMICALS & FERTILIZERS

(SMT. ANUPRIYA PATEL)

(a) to (d) Following steps are taken by the Government every season for ensuring timely and adequate supply of fertilizers across the States/UTs, including the State of Odisha:

I. Before the commencement of each cropping season, Department of Agriculture and Farmers Welfare (DA&FW), in consultation with all the State Governments, assesses the State-wise & month-wise requirement of fertilizers. On the basis of requirement projected by DA&FW, Department of Fertilizers (DoF) allocates adequate quantities of

fertilizers to States by issuing monthly supply plan and continuously monitors the availability.

II. The movement of all major subsidized fertilizers is monitored throughout the country by an on-line web-based monitoring system called integrated Fertilizer Management System (iFMS).

III. The gap between demand (requirement) and production for Urea & other fertilizer is met through imports. The import for the season is also finalized well in advance to ensure timely availability.

IV. The State Governments are regularly advised to coordinate with manufacturers and importers for streamlining the supplies through timely placement of indents.

V. Regularly coordinate with the Ministry of Railways for giving sufficient rakes, priority to fertilizers and for timely evacuation of rakes for States.

VI. The distribution of fertilizers within the State at district level is done by the concerned State government.

Accordingly, the availability of fertilizers i.e. Urea, DAP and NPKS has remained adequate across the States/UTs during the last three Kharif and Rabi seasons (i.e. from 2023-24 to 2025-26). The information regarding the requirement, availability and sales of these fertilizers across the States/UTs during the said periods is placed at **Annexure**.

The Government of India facilitates Indian fertilizer companies in entering into long term arrangements with overseas suppliers for phosphatic fertilizers. In line with this, Indian companies have finalized agreements with Saudi Arabian and Russian companies for the annual supply of about 31 LMT and 26.50 LMT of DAP/ NPKs respectively to India in this year.

For raw materials, agreements have been finalized by Indian companies with suppliers in Jordan, Morocco and Togo for the supply of 31.40 LMT of Rock Phosphate during the current year. Further, agreements have been finalized by the companies for the supply of 9.10 LMT of Phosphoric Acid from Tunisia and Senegal. In respect of another critical raw material i.e. Ammonia, Indian companies have entered into agreements with suppliers in Saudi Arabia and Oman for the supply of 8.50 LMT during the current year.
