2581 Shri Masthan Rao Yadav Beedha:

Will the Minister of **Chemicals and Fertilizers** be pleased to state:

- (a) the total quantity of Phosphatic and Potassic (P&K) fertilizers allocated and actually supplied to Andhra Pradesh under the Nutrient Based Subsidy (NBS) Scheme during each of the last three years, fertilizer-wise;
- (b) the total subsidy amount released for Andhra Pradesh under the scheme during the said period;
- (c) the district-wise requirement, allocation and actual availability of subsidized P&K fertilizers (including DAP) in Andhra Pradesh, with specific reference to Nellore district, during the last two Kharif/Rabi seasons; and
- (d) whether any shortage or supply gap of subsidized fertilizers, particularly DAP, has been reported from Nellore district?

ANSWER

THE MINISTER OF STATE IN THE MINISTRY OF CHEMICALS & FERTILIZERS

(SMT. ANUPRIYA PATEL)

- (a) The following steps are taken by the Government every season for ensuring timely and adequate availability of fertilizers in the country, including the State of Andhra Pradesh:
 - (i) Before the commencement of each cropping season, Department of Agriculture and Farmers Welfare (DA&FW), in consultation with all the State Governments, assesses the State-wise & month-wise requirement of fertilizers. On the basis of requirement projected by DA&FW, Department of Fertilizers (DoF) allocates adequate quantities of fertilizers to States by issuing monthly supply plan and continuously monitors the availability.
 - (ii) The movement of all major subsidized fertilizers is monitored throughout the country by an on-line web-based monitoring system called integrated Fertilizer Management System (iFMS).

- (iii) The gap between demand (requirement) and production for Urea & other fertilizers is met through imports. The import for the season is also finalized well in advance to ensure timely availability.
- (iv) The State Governments are regularly advised to coordinate with manufacturers and importers for streamlining the supplies through timely placement of indents.
- (v) Regular coordination is done with the Ministry of Railways for giving sufficient rakes, priority to fertilizers and for timely evacuation of rakes for States.
- (vi) The distribution of fertilizers within the State at district/block level is done by the concerned State government.

Accordingly, the availability of P&K fertilizers and Urea has remained adequate in the State of Andhra Pradesh during the ongoing Kharif 2026 season. Further, the information regarding requirement, availability and sales of these fertilizers for the period 01.04.2026 to 06.08.2026 and during the last 3 years is placed at **Annexure A**.

(b) Under 'DBT in Fertilizers' system, 100% subsidy on various fertilizer grades is released to the fertilizer companies, on actual sales to the beneficiaries based on Aadhar authentication through PoS devices installed at each retail shop. Accordingly, all farmers including those in the state of Andhra Pradesh are being supplied fertilizers at the subsidized rates on no-denial basis. Since funds are not allocated or disbursed in a district-wise or State-wise basis, such data is not maintained. The details of total fertilizer subsidy disbursed under the NBS scheme during the last three years i.e. 2023-24 to 2025-26 by the Government is as under:

<i>(Figures in Rs. Crore)</i>			
Nutrient Based Subsidy (NBS)	2023-24	2024-25	2025-26
(a) Indigenous P&K	36,270.00	34,010.00	41,000.00
(b) Imported P&K	28,929.57	18,800.00	33,999.99
NBS Total	65,199.57	52,810.00	74,999.99

(c) The district-wise information regarding requirement/allocation and availability of subsidized P&K fertilizers (including DAP) in Andhra Pradesh during the last two Kharif/Rabi seasons, as informed by the State, is placed at **Annexure B**.

(d) State Government of Andhra Pradesh has informed that no shortage in supply of subsidized fertilizers has been reported from Nellore district.
