UNSTARRED QUESTION NO. 3037
ANSWERED ON - 13/08/2026

SPORTS INFRASTRUCTURE AND TRAINING FACILITIES

3037 SMT. JEBI MATHER HISHAM:

Will the Minister of YOUTH AFFAIRS AND SPORTS be pleased to state:

- (a) the State/UT-wise details of Sports Authority of India (SAI) centres, Khelo India centres and other sports infrastructure facilities operational in the country, along with their present utilisation levels;
- (b) the year-wise details of budget allocation and expenditure incurred on development and maintenance of sports infrastructure, since 2021;
- (c) the details of proposals received from various State/UT Administrations for development, modernisation or upgradation of sports infrastructure, State/UT-wise;
- (d) the sports-wise number of Government-funded training centres, academies and coaches available across India; and
- (e) the State/UT-wise number of SAI centres and sports facilities presently facing shortages of coaches, trainers, equipment or residential facilities?

ANSWER

THE MINISTER OF YOUTH AFFAIRS AND SPORTS

(DR. MANSUKH MANDAVIYA)

(a) to (c): ‘Sports’ being a State Subject, the responsibility of promotion and development of sports, including establishment of sports infrastructure, rests primarily with the respective State/UT Governments. However, the Ministry of Youth Affairs & Sports supplements the efforts of the State/UT Governments through its various Sports promotional Schemes. The State/UT-wise details of Sports Authority of India (SAI) Centres are placed at Annexure-I.

Under the Khelo India Scheme, 1,066 Khelo India Centres (KICs) have been notified, of which 1,020 are operational, covering 759 out of 780 districts. Further, 35 Khelo India State Centres of Excellence (KISCES) have been notified across 34 States/UTs and 364 facilities have been accredited for training of Khelo India Athletes. The state-wise details of above centres are available at <https://dashboard.kheloindia.gov.in/khelo-india-center-dashboard>.

Under the “Creation and Up-gradation of Sports Infrastructure” component of the Khelo India Scheme and through the National Sports Development Fund (NSDF) financial assistance has

been provided for development and upgradation of sports infrastructure across the country. Details of the projects, including their sanctioned cost, funds released and physical and financial progress, are available in public domain on the dashboards of the Ministry at <https://mdsd.kheloindia.gov.in> and <http://www.nsdf.yas.gov.in/nsdf-glance.html>

Further, funds are allocated by this Ministry Scheme-wise, not State-wise. Details of funds allocated, released and utilized for sports development since 2021 is at <https://yas.gov.in/en/sports/financial-reports>.

The total budget allocated and Expenditure incurred under SAI Infra head is as under:

Financial Year	Funds Allocated/ Released (In Crores)	Expenditure incurred (In Crores)
2021-22	40.00	25.81
2022-23	30.00	41.05
2023-24	30.00	41.15
2024-25	38.50	35.96
2025-26	52.00	52.00
2026-27	Allocated-66.11 Released- 34.00 till date	17.18 till date

(d): The details of Sports-wise, number of Government Funded Training Centres/Academies are placed at Annexure – II. Further, the details regarding sports-wise number of coaches available in SAI across India are provided at Annexure – III.

(e): Under the Sports Promotional Schemes of the SAI, athletes are provided scientific and systematic training under qualified coaches/trainers. SAI also engages eligible trainers on an outsourcing basis, as an interim measure, in accordance with the prescribed eligibility criteria and operational requirements, so as to ensure continuity of training for athletes.

As regards sports equipment, adequate equipment is available at all SAI Centres for imparting training to athletes. Additional equipment is procured from time to time based on the requirements of the respective Centres and the training needs of the athletes.

With regard to residential facilities, athletes are primarily trained under the residential category at SAI Centres. However, in cases where local athletes are admitted, they are inducted under the non-residential category, depending upon their place of residence and operational requirements. Accordingly, there is no State/UT-wise shortage of sports equipment or residential facilities at SAI Centres.
