- (c) the projected increase in cargo handling capacity, coastal shipping, inland water transport and logistics efficiency upon completion of these projects; and
- (d) the estimated direct and indirect employment likely to be generated, district-wise, and the measures taken to ensure participation of local communities, etc.?

ANSWER

MINISTER OF PORTS, SHIPPING AND WATERWAYS
(SHRI SARBANANDA SONOWAL)

(a) to (c) 6 projects worth ₹ 350 crore have been sanctioned for funding under Sagarmala Scheme in the state of Odisha. The details of project-wise estimated cost, funds sanctioned, funds released, physical progress (%) and expected date of completion are available at Annexure-I.

In addition to the above-mentioned projects, 52 projects worth ~₹ 56,000crore (not funded under Sagarmala scheme) have been identified under the Sagarmala programme, which are being implemented by agencies such as Paradip Port Authority, Department of Ports, Govt of Odisha, Fisheries Department, Govt. of Odisha, Indian Railways, National Highways Authority of India (NHAI), Container Corporation of India (CONCOR) and Ministry of Rural Development. These

projects are expected to add ~83 MTPA capacity. The list of projects along with implementing agency, estimated cost and respective ports is available at Annexure II.

Development of National Waterway-5(NW-5) in Odisha to connect the mineral-rich regions of Talcher and Angul with industrial centers such as Kalinga Nagar and with the ports of Paradip and Dhamra has been announced in the Union budget 2026-27. The project is in approval phase and is expected to be completed within 5 years after approval.

Coastal Cargo Promotion Scheme (CCPS) that aims to shift cargo from road and rail to coastal and inland waterways has been announced in Union budget 2026-27. This policy push is intended to increase the combined share of inland waterways and coastal shipping from 6% to 12% by 2047.

(d) The completion of the projects funded under Sagarmala scheme worth ₹ 350 crore in the state of Odisha is expected to generate employment of about 2,000 direct and indirect jobs. Also, projects identified under Sagarmala programme are likely to create more than 25,000 direct and indirect jobs. The measures undertaken to ensure participation of local communities include skill development for coastal community in convergence with DDU-GKY to train youth for maritime sector employment. Further these projects will enhance the economic activities in the area which will benefit local communities.
