- (b) the number of projects registered on the portal, funds mobilised and sector-wise focus areas covered under these projects;
- (c) the State-wise and district-wise data of projects implemented, particularly in Tamil Nadu, alongwith the outcomes achieved for women and child development; and
- (d) the monitoring, evaluation and reporting mechanisms put in place to track the progress, effectiveness and impact of these CSR collaborations through the portal ?

ANSWER

MINISTER OF STATE FOR WOMEN AND CHILD DEVELOPMENT
(SHRIMATI SAVITRI THAKUR)

(a) to (d): The PANKHUDI portal was launched on 8th January, 2026. This is a single-window digital platform of the Ministry of Women and Child Development (MWCD) designed to enable structured and transparent participation of individuals, NGOs, Corporates and NRIs in women and child development initiatives. The portal provides end-to-end digital workflows for registration, proposal submission and tracking of contributions (only non-cash contributions). The grassroots institutions functioning under various State and UT governments dealing with the three missions of the Ministry can indicate their requirements.

PANKHUDI supports priority thematic areas such as nutrition, health, Early Childhood Care and Education (ECCE), child protection and women's empowerment, and aligns contributions with flagship schemes including Mission Saksham Anganwadi & Poshan 2.0, Mission Vatsalya and Mission Shakti, promoting convergence among government bodies and partner organisations.

As on 20.07.2026, a total of 136385 projects have been registered on the portal. State-wise projects registered is given in the Annexure. In Tamil Nadu, a total of 16685 projects are registered. So far no contributor has taken on any projects registered in Tamil Nadu.
