सरकारी क्षेत्र की कंपनियों में रोजगार

***201. श्रीमती रुचि वीरा:**

क्या **श्रम और रोजगार** मंत्री यह बताने की कृपा करेंगे कि:

- (क) क्या सरकार द्वारा बार-बार आश्वासन दिए जाने के बावजूद देश में बेरोजगारी अभी भी एक बड़ी चुनौती बनी हुई है;
- (ख) यदि हां, तो सरकार द्वारा इस संबंध में उठाए गए कदमों सहित तत्संबंधी ब्यौरा क्या है; और
- (ग) विगत पांच वर्षों और वर्तमान वर्ष के दौरान देश भर में सरकारी क्षेत्र की कितनी कंपनियों ने युवाओं को रोजगार प्रदान किया है और इन कंपनियों द्वारा नियोजित युवाओं की संख्या का राज्य/संघ राज्यक्षेत्र-वार ब्यौरा क्या है?

श्रम और रोजगार मंत्री; तथा युवक कार्यक्रम और खेल मंत्री (डॉ. मनसुख मांडविया):

(क) से (ग): विवरण सभा पटल पर रख दिया गया है।

विवरण

(क) और (ख): आवधिक श्रम बल सर्वेक्षण (पीएलएफएस) रोजगार और बेरोजगारी का आधिकारिक डेटा स्रोत है, जो 2017-18 से सांख्यिकी और कार्यक्रम कार्यान्वयन मंत्रालय (एमओएसपीआई) द्वारा आयोजित किया जाता है।

नवीनतम उपलब्ध वार्षिक पीएलएफएस रिपोर्टों के अनुसार, 15 वर्ष और उससे अधिक आयु के व्यक्तियों के लिए सामान्य स्थिति के आधार पर अनुमानित बेरोजगारी दर (यूआर) 2017-18 में 6.0% से घटकर 2023-24 में 3.2% हो गई है।

नवीनतम वार्षिक पीएलएफएस रिपोर्टों में उपलब्ध आंकड़ों के अनुसार, वर्ष 2019-20 से 2023-24 के दौरान 15 वर्ष और उससे अधिक आयु के व्यक्तियों के लिए सामान्य स्थिति के आधार पर रोजगार को दर्शाने वाला अनुमानित कामगार जनसंख्या अनुपात (डब्ल्यूपीआर) निम्नानुसार है:

(% में)

वर्ष	डब्ल्यूपीआर
2019-20	50.9
2020-21	52.6
2021-22	52.9
2022-23	56.0
2023-24	58.2

स्रोत: पीएलएफएस, एमओएसपीआई

यह आँकड़े दर्शाते हैं कि देश में 15 वर्ष और उससे अधिक आयु के व्यक्तियों के लिए रोजगार (सरकारी क्षेत्र की कंपनियों सहित) को दर्शाने वाले कामगार जनसंख्या अनुपात में पिछले कुछ वर्षों में वृद्धि का रुझान दिखाई दे रहा है। 15 वर्ष और उससे अधिक आयु के व्यक्तियों के लिए सामान्य स्थिति के आधार पर राज्य/संघ राज्य क्षेत्र-वार अनुमानित कामगार जनसंख्या अनुपात (डब्ल्यूपीआर) https://www.mospi.gov.in/downloadreports?main_cat=ODU5&cat=All&sub_category=All पर उपलब्ध है।

रोजगार सृजन के साथ-साथ रोजगार क्षमता में सुधार करना सरकार की प्राथमिकता है। तदनुसार, सरकार विभिन्न रोजगार सृजन योजनाओं/कार्यक्रमों को क्रियान्वित कर रही है। इनमें अन्य के साथ-साथ प्रधान मंत्री रोजगार सृजन कार्यक्रम (पीएमईजीपी), महात्मा गांधी राष्ट्रीय ग्रामीण रोजगार गारंटी योजना (एमजीएनआरईजीएस), दीनदयाल अंत्योदय योजना-राष्ट्रीय ग्रामीण आजीविका मिशन (डीएवाई-एनआरएलएम), दीनदयाल उपाध्याय ग्रामीण कौशल्य योजना (डीडीयू-जीकेवाई), ग्रामीण स्वरोजगार और प्रशिक्षण संस्थान (आरएसईटीआई), दीन दीनदयाल अंत्योदय योजना-राष्ट्रीय शहरी आजीविका मिशन (डीएवाई-एनयूएलएम), प्रधान मंत्री पथ विक्रेता आत्मनिर्भर निधि (पीएम स्वनिधि), प्रधान मंत्री मुद्रा योजना (पीएमएमवाई), आदि शामिल हैं। सरकार द्वारा

कार्यान्वित की जा रही विभिन्न जगह सृजन योजनाओं/कार्यक्रमों का विवरण

https://dge.gov.in/dge/schemes_programmes पर देखा जा सकता है।

भारत सरकार का श्रम और रोजगार मंत्रालय राष्ट्रीय करियर सेवा (एनसीएस) पोर्टल चला रहा है, जो निजी और सरकारी क्षेत्रों की नौकरियों की जानकारी, ऑनलाइन और ऑफलाइन रोजगार मेलों की जानकारी, नौकरी खोज और मिलान, करियर परामर्श, व्यावसायिक मार्गदर्शन, कौशल विकास पाठ्यक्रमों की जानकारी, कौशल/प्रशिक्षण कार्यक्रम आदि सहित करियर से संबंधित सेवाएं एक डिजिटल प्लेटफॉर्म [www.ncs.gov.in] के माध्यम से प्रदान करने के लिए वन-स्टॉप समाधान है। दिनांक 14.07.2025 तक, एनसीएस पोर्टल पर 6.43 करोड़ से अधिक रिक्तियां (जिसमें अन्य के साथ-साथ सरकारी, निजी और सार्वजनिक क्षेत्र के उपक्रम शामिल हैं) जुटाई गई हैं।

इसके अलावा, केंद्रीय मंत्रिमंडल ने विनिर्माण क्षेत्र पर विशेष ध्यान देते हुए सभी क्षेत्रों में रोजगार सृजन, रोजगार क्षमता और सामाजिक सुरक्षा को बढ़ावा देने के लिए प्रधान मंत्री विकसित भारत रोजगार योजना (पीएमवीबीआरवाई) नामक रोजगार से जुड़ी प्रोत्साहन (ईएलआई) योजना को मंजूरी दी है।

श्रीमती रुचि वीरा : अध्यक्ष जी, जिन सरकारी कम्पनियों ने युवाओं को रोजगार दिया है, उनमें से कितने युवाओं को स्थायी नौकरी मिली है और कितनों को अनुबंध पर रखा गया है?... (व्यवधान)
क्या सरकार स्थायी रोजगार के अवसर बढ़ाने के लिए कोई विशेष योजना बना रही है? ... (व्यवधान)

डॉ. मनसुख मांडविया : माननीय अध्यक्ष जी, माननीय सदस्या ने युवाओं के रोजगार के निर्माण के बारे में प्रश्न किया है। मैं आपके माध्यम से सदन को बताना चाहता हूँ कि पिछले दस सालों में मोदी जी के नेतृत्व में देश में रोजगार का निर्माण हुआ और युवाओं को एम्प्लायमेंट मिला। ... (व्यवधान)
पिछले 16 महीनों में ही भारत सरकार की ओर से 11 लाख से अधिक युवाओं को रोजगार मेला के माध्यम से रोजगार उपलब्ध कराया गया है। ... (व्यवधान)

11.02 hrs

At this stage, Shri Abhay Kumar Sinha, Dr. T. Sumathy alias Thamizhachi Thangapandian, Shri Imran Masood and some other hon. Members came and stood on the floor near the Table.

...(Interruptions)

अध्यक्ष जी, मैं इससे आगे बताना चाहूंगा कि यूपीए सरकार के 10 सालों का हिसाब-किताब करें, तो 10 सालों में केवल तीन करोड़ रोजगार का निर्माण हुआ था। ... (व्यवधान) महोदय, हम नहीं कह रहे हैं बल्कि रिजर्व बैंक ने एम्प्लायमेंट डेटा डिक्लेयर किया है। ... (व्यवधान) रिजर्व बैंक आज से नहीं है, आजादी के समय से है और प्रति वर्ष एम्प्लायमेंट के बारे में डेटा रिलीज करता है।

... (व्यवधान) मुझे बताते हुए खुशी हो रही है कि पिछले दस सालों में रिजर्व के एस्टीमेट के अनुसार 17 करोड़ से अधिक युवाओं को जॉब प्राप्त हुई है, रोजगार मिला और यह हमारी सरकार की युवा लक्ष्य नीति का परिणाम है। ... (व्यवधान)

अध्यक्ष जी, मैं आपके द्वारा यह भी सूचित करना चाहता हूँ कि मोदी जी ने रोजगार निर्माण किया और आने वाले पांच सालों के लिए भी रोजगार की कार्य योजना बनाई है। ... (व्यवधान) जब मोदी-3 गवर्नमेंट बनी, तब पहले ही बजट में आने वाले पांच सालों के लिए चार करोड़ से अधिक जॉब निर्माण करने के लिए दो लाख करोड़ रुपये की प्रधान मंत्री विकसित भारत रोजगार योजना भी एनाउंस की गई। ... (व्यवधान) इस योजना का आज बहुत अच्छा नतीजा भी मिल रहा है और आने वाले दिनों में देश में चार करोड़ नए रोजगार निर्माण में इस योजना का महत्वपूर्ण योगदान रहेगा। ... (व्यवधान)

श्रीमती रुचि वीरा : अध्यक्ष जी, जिन सरकारी क्षेत्र की कम्पनियों ने युवाओं को रोजगार दिया है, उनमें अनुबंध आधारित नियुक्तियों की संख्या कितनी है और स्थायी नियुक्तियों की संख्या कितनी है? ... (व्यवधान) क्या सरकार यह सुनिश्चित करने के लिए कदम उठा रही है कि युवाओं को स्थायी और सुरक्षित रोजगार मिले? ... (व्यवधान)

डॉ. मनसुख मांडविया : माननीय अध्यक्ष जी, युवाओं को स्थायी रोजगार उपलब्ध हो और युवाओं को सरकारी और प्राइवेट सेक्टर में जॉब ऑपॉर्च्युनिटी उपलब्ध हो, इसके लिए मोदी सरकार ने प्रयास किया है। जब किसी भी देश में मैन्युफैक्चरिंग सेक्टर बढ़ता है, तो रोजगार का निर्माण होता है। ... (व्यवधान) एग्रीकल्चर सेक्टर आगे बढ़ता है तो रोजगार का निर्माण होता है। अलग-अलग सेक्टर्स में जब देश में प्रोडक्शन बढ़ता है तो रोजगार का निर्माण होता है। ... (व्यवधान)

यदि मैं मैन्युफैक्चरिंग सेक्टर की बात करूँ, तो यूपीए के एक दशक वर्ष 2004 से वर्ष 2014 में केवल 6 परसेंट मैन्युफैक्चरिंग सेक्टर में रोजगार निर्माण हो रहा था। पिछले एक दशक में मोदी सरकार के कार्यकाल में मैन्युफैक्चरिंग सेक्टर में 15 परसेंट रोजगार निर्माण हुआ है। ... (व्यवधान)

अध्यक्ष महोदय, सर्विस सेक्टर के बारे में माननीय सदस्य ने बात कही है। ... (व्यवधान)

सर्विस सेक्टर में युवा ज्यादा काम करते हैं। पिछले एक दशक की तुलना यदि मैं यूपीए के एक दशक से तुलना करूं, तो यूपीए के एक दशक में 25 परसेंट सर्विस सेक्टर में जॉब निर्माण होता था। ... (व्यवधान) आज मोदी सरकार के कार्यकाल में सर्विस सेक्टर में 36 परसेंट रोजगार निर्माण के साथ देश आगे बढ़ रहा है। ... (व्यवधान)

अध्यक्ष महोदय, आज देश में बेरोजगारी दर 3.2 परसेंट है, जो या तो विकसित देशों के बराबर है, या विकसित देशों से थोड़ा कम है। ... (व्यवधान) यह स्थिति आज मोदी सरकार द्वारा यूथ और देश के नागरिकों की जॉब के लिए सुनिश्चित की है। ... (व्यवधान)

माननीय अध्यक्ष : माननीय सदस्यगण, मैंने पहले भी आपसे आग्रह किया है। मैं फिर से आप लोगों से आग्रह कर रहा हूं। प्रश्न-काल महत्वपूर्ण समय होता है। यह माननीय सदस्यों का समय होता है। प्रश्न-काल में कई मंत्रालयों, विभागों से संबंधित जो प्रश्न माननीय सदस्यों द्वारा पूछे जाते हैं, सरकार उनका जवाब देती है।

... (व्यवधान)

माननीय अध्यक्ष : माननीय सदस्यगण, जनता ने आपको यहां प्रश्न करने के लिए भेजा है। जनता ने अपने मुद्दे, अपनी आकांक्षाओं को पूरा करने के लिए आपको सदन में भेजा है। मैं रोज प्रयास करता हूं कि सदन चले। यह देश की सबसे बड़ी लोकतांत्रिक संस्था है। इसकी मर्यादा और परम्परा रही है। इस सदन के अंदर हमारे पूर्व सांसदों ने अच्छी चर्चा-संवाद के साथ संसद की गरिमा को बढ़ाने का काम किया है।

... (व्यवधान)

माननीय अध्यक्ष : माननीय सदस्यगण, मैं रोज प्रयास करता हूं कि आप भी संसद की गरिमा बनाए रखें। तख्तीयां, नारेबाजी से सदन नहीं चलेगा। नियोजित तरीके से सदन की कार्यवाही को बाधित करना लोकतांत्रिक प्रक्रियाओं और परम्पराओं के लिए अच्छा नहीं है। कोई भी मुद्दा या सवाल हो, आप प्रश्न-काल के बाद हमसे मिलें। हम नियम-प्रक्रियों के अंदर आपको हर मुद्दे, हर विषय पर चर्चा करने का पर्याप्त मौका देंगे। मैंने पूर्व में भी सभी सदस्यों को पर्याप्त अवसर दिया है।

... (व्यवधान)

माननीय अध्यक्ष : माननीय सदस्यगण, कई महत्वपूर्ण विधेयकों पर चर्चा होनी है, जिसमें आप सभी माननीय सदस्य अपने विचार व्यक्त करना चाहते हैं। यदि आप सदन बाधित करना चाहते हैं, सदन नहीं चलाना चाहते हैं, तो यह अच्छी परम्परा नहीं है।

... (व्यवधान)

माननीय अध्यक्ष : देश की जनता आपको देख रही है कि आप नियोजित तरीके से रोज नारेबाजी करते हैं, तख्तियाँ लहराते हैं और सरकारी संपत्तियों को नुकसान पहुँचाने का प्रयास करते हैं। यह उचित नहीं है। यह संसद की व्यवस्था के लिए भी उचित नहीं है। विशेष रूप से आपको लाखों लोगों ने चुनकर भेजा है। जनता आपसे कुछ अपेक्षाएँ रखती है। आप अपनी सीट पर जाकर बैठिए। समाजवादी पार्टी की माननीय सदस्या ने प्रश्न पूछा है। आप भी अपनी सीट पर जाएं और प्रश्न पूछें। मैं आपको मौका दूँगा। आपका यह आचरण उचित नहीं है।

... (व्यवधान)

माननीय अध्यक्ष : आपका आचरण संसद की कार्य पद्धति के अनुरूप नहीं है।

WRITTEN ANSWERS TO QUESTIONS**(i) Starred Question Nos. 202 to 220****FUNDS FOR INFRASTRUCTURAL DEVELOPMENT PROJECTS BY
NABARD*****202. SHRI MADDILA GURUMOORTHY:****SHRI SUNIL BOSE:**

Will the Minister of **FINANCE** be pleased to state:

- (a) the details of funds allocated, sanctioned and released by the National Bank for Agriculture and Rural Development (NABARD) for different categories of infrastructure projects during the last three years in the country, State/UT-wise including Andhra Pradesh, Karnataka and Bihar;
- (b) whether there is year after year reduction in the allocation of funds and if so, the reasons therefor;
- (c) the way by which the quantum of NABARD assistance to Andhra Pradesh compares with other States during the said period;
- (d) whether any proposals from Andhra Pradesh are currently pending with the Government/NABARD for approval or fund release along with the steps taken by the Government in this regard;
- (e) whether NABARD's support has led to improvement in accessibility to credit by the farmers and reduce the dependency on informal lending and if so, the details thereof;
- (f) the steps taken/being taken by NABARD to ensure equitable and timely allocation of funds to the States for critical infrastructure development; and

(g) whether any new initiative has been undertaken by the NABARD to strengthen farmer-producer organisations and if so, the details thereof?

**THE MINISTER OF FINANCE; AND MINISTER OF CORPORATE AFFAIRS
(SHRIMATI NIRMALA SITHARAMAN):**

(a): NABARD extends loan assistance to State Governments for creation of rural infrastructure through various funds i.e. Rural Infrastructure Development Fund (RIDF), NABARD Infrastructure Development Assistance (NIDA), Rural Infrastructure Assistance to State Governments (RIAS), Long Term Irrigation Fund (LTIF), Micro Irrigation Fund (MIF), Food Processing Fund (FPF), Warehouse Infrastructure Fund (WIF) and Fisheries and Aquaculture Infrastructure Development Fund (FIDF). State/UT wise yearly allocation is made under RIDF on the basis of funds allocated by Reserve Bank of India (RBI) from Priority Sector Lending (PSL) Shortfall. Other than RIDF, the support through various funds is provided to States/UTs on the basis of proposals received from the respective State/UT Governments and no yearly allocation is made. The details of funds allocated, sanctioned and released under the RIDF by NABARD to States/UTs during the last three years are given in the enclosed **Statement-I**. The details of amount sanctioned and disbursed to different States/UTs under funds other than RIDF are given in the enclosed **Statement-II**.

(b): The reduction in the Priority Sector Lending (PSL) Shortfall fund in the financial year 2024-25 resulted in consequent reduction in RIDF fund allocation to the States/UTs.

(c) and (d): During the past three financial years, Andhra Pradesh has been allocated an average of appx. 5% from the RIDF corpus. As informed by NABARD, no proposal from Andhra Pradesh is currently pending for approval under the above funds.

(e): NABARD's funding support through the above-mentioned funds enhances rural infrastructure viz. roads, irrigation, and storage facilities, which lead to increased productivity and better market access in rural areas. This in turn improves the ability of rural borrowers to absorb and utilize credit effectively. NABARD also provides short-term & long-term refinance to Cooperative Banks and Regional Rural Banks (RRBs) for agricultural loans at concessional rates. As per the findings of NABARD All-India Rural Financial Inclusion Survey (NAFIS) 2021-22, the proportion of agricultural households availing credit from institutional sources increased from 60% in 2016-17 to 75% in 2021-22.

The Government has also taken various steps to promote accessibility of credit to farmers which *inter-alia* include, increase in limit of collateral free loans under the Kisan Credit Card (KCC) Scheme to ₹ 2 lakh from ₹ 1.6 lakh, inclusion of allied sectors such as animal husbandry and fisheries under KCC scheme, Interest Subvention (IS) and Prompt Repayment Incentive (PRI) under the Modified Interest Subvention scheme (MISS) which ensure loans upto ₹ 3 lakh at an effective interest rate of 4 %, etc. In the Union Budget 2025-26, the Government has announced to enhance loan limit under the MISS from Rs. 3 lakh to Rs. 5 lakh for loans taken through the KCC.

(f): The State/UT wise allocation of RIDF by NABARD is based on various parameters viz. geographical area, rural population, composite infrastructure development index, inverse Credit Deposit (CD) ratio, rural credit, etc. to address regional disparities in infrastructure and enhance the credit absorption capacity in the rural areas. Further, the borrowing power of States/UTs and the level of utilization of previous RIDF sanctions are also taken into consideration to ensure equitable distribution and optimal utilization of the limited allocated corpus. The proposals received from the respective State/UT Governments are processed promptly by NABARD and funds are allocated in a timely manner.

The key objectives of the scheme are:

- ii. Component II – Capacity Augmentation of five NSTIs located in Bhubaneswar, Chennai, Hyderabad, Kanpur, and Ludhiana, including setting-up sector-specific National Centres of Excellence for skilling, with focus on advanced training of trainers with global partnership.

Implementation of the scheme will be through Special Purpose Vehicles (SPVs) formed in partnership with Anchor Industry Partners (AIPs) to ensure skill training relevance and outcome-based delivery. Selection of ITIs will be led by State/UT Governments in consultation with industry. The scheme will be implemented pan-India, including in Union Territories such as Jammu & Kashmir, based on proposals received from States/UTs.

These Centres will be available to ITIs across the country, and may also cater to institutions in States such as Chhattisgarh and Rajasthan, including districts like Jalore and Sirohi, based on proposals received and in accordance with scheme guidelines and State/UT participation.

- (e) if not, the reasons therefor?

THE MINISTER OF EDUCATION (SHRI DHARMENDRA PRADHAN):

(a) to (e): In compliance with the directions of the Hon'ble Supreme Court, as delivered in its judgment dated 22 November 2018 in the case of CBSE vs. T.K. Rangarajan [CA No. 11230 of 2018], the National Testing Agency (NTA) has been conducting the National Eligibility cum Entrance Test- UG (NEET-UG) examination on behalf of the Ministry of Health and Family Welfare since 2019.

As per Section 14 of the National Medical Commission (NMC) Act, 2019 the National Eligibility cum Entrance Test (NEET) is to be conducted as uniform entrance test for admission to the undergraduate and postgraduate courses in all medical institutions in the country.

Hon'ble Supreme Court through its Judgement dated 29th April 2020 in Christian Medical College Vellore Association vs. UOI & Ors has upheld the NEET as a uniform entrance test for admission to the undergraduate and postgraduate courses in all medical institutions, noting that Uniform Entrance Test qualifies the test of proportionality and is reasonable. The Court further

noted that “..The regulatory measures by prescribing NEET is to bring the education within the realm of charity which character it has lost. It intends to weed out evils from the system and various malpractices which decayed the system...”

The NEET (UG)-2025 Examination was conducted by NTA for more than 22 lakh candidates at 5468 different centres located in 552 Cities throughout the country and 14 Cities outside India on 4th May 2025. The result of NEET(UG) examination has been successfully declared on 14th June, 2025.

In order to suggest effective measures for transparent, smooth and fair conduct of examinations by NTA, the Ministry of Education had constituted a High-Level Committee of Experts (HLCE) on 22.06.2024. The Committee has submitted its report to the Ministry on 21.10.2024. For strengthening of the NTA, 16 new posts have been created in NTA, 8 each at the Director and Joint Director levels. Institutional linkages with States and Districts have been established.

Also, as per recommendations of the HLCE, a High-Powered Steering Committee, chaired by Dr. K. Radhakrishnan, former Chairman, I.S.R.O. is already constituted to oversee the implementation of reforms in the conduct of national-level examinations by the NTA.

The progress regarding filling up of teacher vacancies through a gender-neutral competitive selection examination conducted by States/UTs through autonomous teacher recruitment boards, with due care for consistency and sanctity and after a technology based comprehensive teacher requirement planning and forecasting exercise, is periodically reviewed through regular meetings with States/UTs as well as through advisories.

The Government through the Centrally Sponsored Scheme of Samagra Shiksha, provides financial assistance to the States and UTs to maintain appropriate Pupil-Teacher Ratio (PTR) for various levels of schooling, as per norms prescribed in NEP, 2020 and the Right of Children to Free and Compulsory Education (RTE) Act, 2009, as amended from time to time.

THE MINISTER OF EDUCATION (SHRI DHARMENDRA PRADHAN):

(a) to (e): After announcement of the National Education Policy 2020 (NEP 2020), several impactful reforms and initiatives have been taken by various stakeholders and during the course of implementation in last five years, NEP 2020's impact is visible in policy corridors and classrooms across School Education and Higher Education. Marking five years of NEP 2020, India has witnessed significant transformation in education. NEP has empowered students with flexibility, foundational literacy, and future-readiness, supporting India's vision as a global knowledge superpower.

“PARAKH Rashtriya Sarvekshan 2024” was conducted across India including in Maharashtra and Jammu and Kashmir on 04.12.2024, to understand the baseline performance in development of competencies among the students at the end of the Foundational, Preparatory, and Middle stages (Grades 3, 6, and 9 respectively). Nationwide over 21.15 lakh students and 2.70 lakh teachers from more than 74,000 schools across 781 districts from all States/UTs participated in the survey. In the Sarvekshan 2024, overall 63% of participating students were from rural areas, ensuring strong and inclusive representation of rural and tribal regions in the large-scale assessment. Maharashtra emerged as one of the top-performing states in the PARAKH survey, with over 123,000 students assessed across Grades 3, 6, and 9, while over 44,000 students assessed in these grades from Jammu & Kashmir. National, State and District level report cards for PARAKH Rashtriya Sarvekshan 2024 are available at <https://dashboard.parakh.ncert.gov.in/en>.

According to Unified District Information System for Education Plus (UDISE +), between 2014–15 and 2023–24, India’s school education system saw measurable improvements across key educational indicators. It has data with nearly 14.72 lakh schools and nearly 24.8 Crore students from Foundational to Secondary level from varied socio-economic backgrounds. The number of teachers increased from 85.6 lakh to 98.07 lakh, with female teachers rising from 40.2 lakh to 52.3 lakh, reflecting a more gender-balanced workforce. The Pupil Teacher Ratio (PTR) improved across all levels—from 30 to 21 at the primary level, and from 38 to 24 at higher secondary, enhancing classroom attention and

learning conditions. Dropout rates declined at the primary level to 1.9%, upper primary to 5.2%, and secondary to 14.1%, indicating better student retention. The mean years of schooling increased from 6.28 to 7.33 years, and the expected years of schooling from 11.75 to 13.36 years, while the youth literacy rate climbed from 94.6% to 97%, showcasing the impact of NEP 2020 reforms on foundational learning and access.

In Maharashtra, a total of 2.14 crore students are enrolled in schools with 7.38 lakh teachers in 2023-24 against 7.25 lakh teachers in 2014-15, with girls account for 1.47 crore, making up 49.6% of total enrolment. Scheduled Caste (SC) students are 32.1 lakh (12.5%), while Scheduled Tribe (ST) students are 27.8 lakh (11.2% of the total).

In Palghar district, between 2014–15 and 2023–24, the percentage of schools with computers rose from 45% to 75.6%, and internet access from 11% to 50.6%. Basic amenities like drinking water and handwashing facilities now cover nearly 100% of schools, while library access remains above 99%. Accessibility has improved too, with ramps in 90% of schools and handrails in over 80%, up from zero a decade ago—highlighting Palghar’s commitment to inclusive, tech-enabled education.

Similarly, in Jammu & Kashmir, a total of 26.3 lakh students were enrolled as per UDISE 2023-24 data with 1.67 lakh teachers teaching them against 1.64 lakh teachers in 2014-15. Girls make up 49.3%, totaling 12.97 lakh approximately. The state has a significant share of tribal students at 14% (around 3.68 lakh) and SC students at 8.2% (around 2.16 lakh). The Gross

Enrolment Ratio (GER) for primary education is 113%, indicating strong participation, and dropout rates have shown a marked decline.

In higher education, an annual web based 'All India Survey on Higher Education (AISHE)' is a comprehensive data source on higher education. AISHE 2022–23 reports a 30% rise in higher education enrolment since 2014–15, reaching 4.46 crore. The enrolment of SC students is 69.13 Lakh in 2022-23 as compared to 46.06 Lakh in 2014-15, reflecting an increase of 50.1%. The enrolment of ST students has increased to 28.72 Lakh in 2022-23 from 16.41 Lakh in 2014-15, which an increase of 75%. Total STEM enrolment stands at 99.76 lakh.

Maharashtra saw an enrolment of 48.59 lakh students in 2022-23 against 37.36 lakh in 2014-15 marking a growth of 30.1%. Female enrolment crossed 22.07 Lakh with a state GER of 36.3 much higher than the national average. Number of SC enrolments increased by 46.9% to 6.22 lakhs while the ST enrolments increased by 49.3% to 2.32 Lakhs. The UT of Jammu and Kashmir saw an enrolment of 3.96 lakh 2022-23 against enrolment of 3.38 lakh in 2014-15 marking a growth of 18.5%. Female enrolment crossed 2.05 Lakh. Number of SC enrolments increased by 48.7% to 26,820 while the ST enrolments increased by 96.9% to 28,962.

The transformative reforms in higher education has resulted in more and more HEIs being ranked in international ranking. In QS 2026, 54 Indian HEIs/Universities are ranked as compared to 11 in QS 2014. In QS 2026, there are 10 Indian HEIs in top 500. In QS World University Rankings, Asia 2025 India

has second most representation, with 163 universities featured and 7 institutions in the top 100. The QS Subject Rankings for 2025 included 79 Indian HEIs, an increase of 10 from the previous year's 69, reflecting a 14% growth. Indian Institutions were represented across 533 entries, marking 25.7% increased from 424 entries in the previous edition.

India has shown remarkable growth in the field of intellectual property, with 92,168 patent applications filed in 2023–24 - an increase of over 115% since 2014-15. A major driver of this growth has been the contribution of educational institutions. The patent filings by domestic educational institutes have more than tripled from 7405 in 2021-22 to 23,306 in 2023-24. Educational institutions are playing an important role in promoting innovation in India. In 2023–24, they filed 23,306 patent applications, which is 25.28% of all patents filed that year. This shows their strong and growing contribution to research and new ideas. As per WIPO IP Statistics Data Centre India ranked 6th position in number of total patent applications (resident + abroad) in 2023.

India ranks 3rd in terms of number of PhDs awarded in Science and Engineering (S&E) as per 'Research and Development Statistics at a glance 2022-23 of Deptt. Of Science and Technology. India also ranked 3rd in 2022 (from 7th in 2010) in terms of total number of Science and Engineering publications as per the National Science Foundation (NSF) database of the United States.

Focus of NEP on research and innovation has propelled India's ranking in the Global Innovation Index (GII) from 81 in 2015 to 48 in 2020 and currently being ranked at 39th place in 2024.

Sustained efforts for internationalisation of Indian higher education ecosystem under the National Education Policy 2020, has enabled the entry of reputed foreign universities into the Indian education landscape. Letters of Intent have been issued to 11 globally ranked universities from countries such as the UK, Australia, the US, and Italy to establish offshore campuses in India. Notably, the University of Southampton has already operationalised its campus in Gurugram in the current academic year. Two Australian universities—Deakin University and the University of Wollongong—have commenced operations at GIFT City, Gujarat. Additionally, UK-based Queen's University Belfast and Coventry University have also received approval to set up campuses in GIFT City. Indian institutions like IIT Madras (Zanzibar) and IIT Delhi (Abu Dhabi) are expanding globally. IIMA and the United Arab Emirates (UAE) Government signed a Memorandum of Understanding (MoU) for the establishment of the IIMA Dubai Campus in the Dubai International Academic City (DIAC).

NEP 2020 aims to meet international education levels while staying connected to India's traditions and local context. It also envisions a paradigm shift in India's education system, with a series of well-structured reforms aimed at making education more inclusive, holistic, and future-ready. NEP 2020 provides different timelines as well as principles and methodology for its implementation. It also provides that in the decade of 2030-40, the entire policy

will be in an operational mode, following which another comprehensive review will be undertaken.

*216. श्री हरीश चंद्र मीना:

क्या पर्यावरण, वन और जलवायु परिवर्तन मंत्री यह बताने की कृपा करेंगे कि:

- (क) क्या कतिपय शहरी अवसंरचना परियोजनाएं वन विपथन संबंधी दिशानिर्देशों का उल्लंघन करते हुए प्रतिपूरक वनरोपण किए बिना पूरी कर ली गई थीं;
- (ख) यदि हां, तो लगाए जाने वाले पौधों की निर्धारित संख्या कितनी है और इसके लिए क्या समय-सीमा निर्धारित की गई है तथा उक्त दिशा-निर्देशों के उल्लंघन की स्थिति में सरकार को प्राप्त जुर्माने की राशि सहित उठाए गए कदमों का ब्यौरा क्या है;
- (ग) क्या सरकार शहरी विकास कार्यों के लिए कार्यान्वयन एजेंसियों द्वारा प्रस्तुत वनरोपण योजनाओं का रिकार्ड रखती है; और
- (घ) यदि हां, तो तत्संबंधी ब्यौरा क्या है और यदि नहीं, तो इसके क्या कारण हैं?

(ग) और (घ): प्रतिपूरक वनीकरण निधि का उपयोग राज्यों/संघ राज्य क्षेत्रों द्वारा प्रतिपूरक वनीकरण निधि अधिनियम, 2016 (सीएएफ अधिनियम, 2016) के प्रावधानों के अनुसार विभिन्न वनेतर उद्देश्यों के लिए वन भूमि के अपवर्तन के कारण वन की हानि और उनकी पारिस्थितिक सेवाओं के नुकसान की भरपाई के लिए किया जाता है।

सीएएफ अधिनियम, 2016 के अंतर्गत गठित राज्य प्राधिकरण, सीएएफ अधिनियम, 2016 और उसके अंतर्गत बनाए गए नियमों के उपबंधों के अनुसार राज्य काम्पा निधियों के उपयोग हेतु संचालन की वार्षिक कार्य योजना तैयार करते हैं। ऐसे वृक्षारोपणों का रिकॉर्ड संबंधित राज्य/संघ राज्य क्षेत्र द्वारा रखा जाता है।

पर्यावरण, वन और जलवायु परिवर्तन मंत्रालय में राज्य मंत्री; तथा विदेश मंत्रालय में राज्य मंत्री (श्री कीर्ति वर्धन सिंह):

(क): कार्बन डाइऑक्साइड (सीओ₂) वायुमंडल में प्राकृतिक रूप से मौजूद है और पादप जीवन के लिए आवश्यक है। अन्य गैसों नामतः - मीथेन (सीएच₄), नाइट्रस ऑक्साइड (एन₂ओ), हाइड्रोफ्लोरोकार्बन (एचएफसी), परफ्लोरोकार्बन (पीएफसी), सल्फर हेक्साफ्लोराइड (एसएफ₆) और नाइट्रोजन ट्राइफ्लोराइड (एनएफ₃); के साथ-साथ सीओ₂ भी ग्रीनहाउस गैस है। संयुक्त राष्ट्र जलवायु परिवर्तन फ्रेमवर्क कन्वेंशन (यूएनएफसीसीसी) को प्रस्तुत नवीनतम रिपोर्टों अर्थात् तृतीय राष्ट्रीय संसूचना (एनसी) और चतुर्थ द्विवार्षिक अद्यतन प्रतिवेदन (बीयूआर) के अनुसार, भारत में वर्ष 2019 और 2020 के दौरान कोयले की खपत से हुआ कुल सीओ₂ उत्सर्जन क्रमशः 1474.79 और 1397.06 मिलियन टन सीओ₂ समतुल्य (एमटी सीओ₂) था, जिसमें विद्युत उत्पादन, लौह और इस्पात, सीमेंट, आदि से होने वाले उत्सर्जन शामिल थे।

(ख) से (च): सरकार ने पर्यावरण प्रभाव आकलन अधिसूचना, 2006 की अनुसूची में यथा उल्लिखित कार्यकलापों या परियोजना को शुरू करने से पूर्व पर्यावरण, वन और जलवायु परिवर्तन मंत्रालय (एमओईएफसीसी)/राज्य पर्यावरण प्रभाव आकलन प्राधिकरण (एसईआईए) से पर्यावरणीय स्वीकृति (ईसी) प्राप्त करना अनिवार्य बना दिया है। इसके अतिरिक्त, सभी एककों को राज्य प्रदूषण नियंत्रण बोर्डों (एसपीसीबी) से 'स्थापना हेतु सहमति (सीटीई)' और 'प्रचालन हेतु सहमति (सीटीओ)' प्राप्त करनी होती है। इन पर्यावरणीय अनुज्ञा-पत्रों में पर्यावरण की सुरक्षा हेतु

उपशमन उपायों सहित सभी आवश्यक शर्तें अनुबंधित की गई हैं। उपशमन उपायों की प्रभावकारिता का आकलन करने के लिए व्यापक पर्यावरणीय निगरानी कार्यतंत्र को पर्यावरण (संरक्षण) अधिनियम और नियमों और पर्यावरणीय शर्तों में विनिर्दिष्ट अनुसार क्रियान्वित किया जाता है। परियोजना प्रस्तावक द्वारा नियामक एजेंसियों को नियमित आधार पर अनुपालन रिपोर्ट प्रस्तुत की जाती है।

पर्यावरण, वन और जलवायु परिवर्तन मंत्रालय (एमओईएफएंडसीसी), पर्यावरण संरक्षण नियम, 1986 की अनुसूची-I के तहत "विभिन्न उद्योगों से निकलने वाले पर्यावरणीय प्रदूषकों के उत्सर्जन या निस्सरण संबंधी मानक" अधिसूचित करता है। किन्हीं औद्योगिक क्षेत्रों के लिए विशिष्ट मानक उपलब्ध न होने की स्थिति में पर्यावरण संरक्षण नियम, 1986 की अनुसूची-VI के तहत यथा अधिसूचित सामान्य मानक लागू होते हैं। संबंधित एसपीसीबी / पीसीसी उक्त मानकों का क्रियान्वयन सुनिश्चित करती है। सीपीसीबी ने अत्यधिक प्रदूषणकारी उद्योगों की सभी 17 श्रेणियों और साझा अपशिष्ट शोधन सुविधाओं को स्व-विनियामक कार्यतंत्र और प्रदूषण के स्तरों पर निरंतर निगरानी के माध्यम से निगरानी तंत्र के सुदृढ़ीकरण और प्रभावी अनुपालन हेतु ऑनलाइन सतत बहिस्त्राव/उत्सर्जन निगरानी प्रणालियां (ओसीईएमएस) संस्थापित करने का निदेश दिया है। ओसीईएमएस के माध्यम से उत्सर्जित व्यापार बहिस्त्राव और उत्सर्जनों के पर्यावरणीय प्रदूषकों के वास्तविक समय के मान सीपीसीबी और संबंधित एसपीसीबी/पीसीसी को 24x7 आधार पर ऑनलाइन प्रेषित किए जाते हैं। केंद्रीय सॉफ्टवेयर आंकड़ों को संसाधित करता है और प्रदूषक मापदंड का मान विनिर्दिष्ट पर्यावरणीय मानदंडों से अधिक होने के मामले में स्वचालित एसएमएस चेतावनी-संदेश सृजित होता है तथा औद्योगिक एकक, एसपीसीबी और सीपीसीबी को भेजा जाता है ताकि उद्योग द्वारा तत्काल सुधारात्मक उपाय किए जा सकें और संबंधित एसपीसीबी/पीसीसी/सीपीसीबी द्वारा समुचित कार्रवाई की जा सके।

विगत तीन वर्षों के दौरान, सीपीसीबी/एसपीसीबी द्वारा ओसीईएमएस डेटा के आधार पर कुल 366 एककों का निरीक्षण किया गया, जिनमें से 192 एकक पर्यावरणीय मानदंडों का अनुपालन नहीं करते पाए गए थे। पर्यावरणीय कानूनों के उपबंधों के अनुसार कार्रवाई (बंद करने के निदेश : 5;

कारण बताओ नोटिस : 116; निदेश : 22; एसपीसीबी/पीसीसी को निदेश : 49) की गई। इन निरीक्षणों में से 20 कोयला आधारित ताप विद्युत संयंत्रों का निरीक्षण, ओसीईएमएस आधारित निरीक्षणों के तहत किया गया था। इन 20 एककों में से 7 एकक पर्यावरणीय मानदंडों का अनुपालन नहीं करते पाए गए थे। पर्यावरण कानूनों के उपबंधों के अनुसार कार्रवाई (कारण बताओ नोटिस : 6; निदेश : 1) की गई।

महाराष्ट्र में, चंद्रपुर शहर के निकट कोयला खदानों से होने वाले वायु प्रदूषण को नियंत्रित करने के लिए, जल छिड़काव-यंत्र संस्थापित किए गए हैं तथा सड़कों के किनारे, कोयला प्रहस्तन सुविधाओं पर और खनन क्षेत्रों के भीतर नियमित रूप से प्रचालित किए जाते हैं। महाराष्ट्र प्रदूषण नियंत्रण बोर्ड (एमपीसीबी), कोयला आधारित उद्योगों और विद्युत उत्पादन करने वाले उद्योगों को प्रदूषण नियंत्रण संबंधी विशिष्ट निबंधन और शर्तों सहित सहमति प्रदान करता है। एमपीसीबी, सहमति संबंधी शर्तों के अनुपालन की जांच के लिए उद्योगों का नियमित रूप से निरीक्षण करता है। सहमति शर्तों के उल्लंघन के आधार पर उक्त बोर्ड द्वारा उद्योगों के विरुद्ध कानूनी कार्रवाई आरंभ की जाती है। एमपीसीबी ने अपने निरीक्षणों के दौरान विगत तीन वर्षों के दौरान ईंधन के रूप में कोयले का उपयोग करने वाले 271 उद्योगों में उल्लंघन पाया है और इन उद्योगों को 'कारण बताओ नोटिस', अंतरिम/बंद करने के निदेश जारी कर कार्रवाई की है।

CONTINUING OF NUTRITION IN AFFECTED SCHOOLS

2308. ADV. GOWAAL KAGADA PADAVI:

Will the Minister of **EDUCATION** be pleased to state:

- (a) the details of steps being taken by the Government to ensure continuity of nutrition in affected schools under PM Poshan Scheme;
- (b) whether any menu and nutrition standards is being revised in the light of inflation and if so, the details thereof;

- (d) the details of funds released to each State/UT during FY 2024-25 under this scheme; and

(e) whether the Government proposes to provide morning meal or breakfast under the scheme and if so, the details thereof?

THE MINISTER OF STATE OF THE MINISTRY OF SKILL DEVELOPMENT AND ENTREPRENEURSHIP; AND MINISTER OF STATE IN THE MINISTRY OF EDUCATION (SHRI JAYANT CHAUDHARY):

(a): Pradhan Mantri Poshan Shakti Nirman (PM POSHAN) Scheme is one of the foremost rights based Centrally Sponsored Scheme implemented in partnership with the States and UTs for providing one hot cooked and nutritious meal to all children studying in Bal Vatika (just before class-I) and classes I to VIII of Government and Government-aided schools. The Scheme covers about 11 crore children in more than 10.35 lakh schools in all the States/ UTs. The overall responsibility for providing hot cooked and nutritious meal to the eligible children lies with the State Governments and Union Territory Administrations. For FY 2025-26, budget allocation for the PM Poshan Scheme is Rs. 12,500 crore by Government of India and the State/ UT share as per the sharing pattern is around Rs. 7,500 crore including additional funds for Honorarium to Cook-cum-Helpers and Supplementary Nutrition items.

The extant guidelines of the Scheme ensure provision of hot cooked meal or Food Security Allowance to children when schools are closed due to a disaster impacting the State/ Union Territory, part of State/ Union Territory, some States/ Union Territory or whole country as maybe declared by the State/Central Government under its powers as Disaster Management Authority.

(b) and (c): It may be noted that though PM POSHAN is a Centrally Sponsored Scheme, the Central Government provides 100% assistance for cost of foodgrains, transportation cost and cost of Management Monitoring & Evaluation (MME). The foodgrain allocation by Government of India is 24.15 lakh MTs which costs around Rs. 9000 crore. Thus overall allocation for the PM Poshan Scheme for FY 2025-26 is more than Rs. 30,000 crore including more than Rs. 21,500 crore made available by Government of India. For the components of material cost, honorarium to Cook-cum-Helpers (CCH), construction and repairing of Kitchen-cum-Store and procurement of Kitchen Devices the cost is shared between Centre and States/ UTs as per the approved sharing pattern. The material cost under PM POSHAN Scheme has been revised recently. The existing rates of material cost have been revised based on Consumer Price Index - Rural Laborers (CPI-RL) index. There is a provision of 5% of total recurring budget as the flexi component to be used by the States/ UTs as per their requirement for setting up of School Nutrition Gardens and provision of Supplementary Nutrition interventions viz., Chikki, Eggs, Milk, Fruits and additional food items etc. The States and Union Territory Administrations are encouraged to decide menu suitable to the local conditions within the prescribed nutrition and food norms and to procure locally grown food items like millets, vegetables, condiments etc. As per the provisions of National Food Security Act, 2013 and the Guidelines of the scheme, the nutritional and food norms prescribed under the scheme are given in the enclosed **Statement-I**.

The overall responsibility for smooth functioning of the Scheme including engagement of Cook-cum-Helpers lies with the State Governments and Union Territory Administrations. PM Poshan guidelines provide for construction and repair of Kitchen-cum-Stores (KCS) and engagement of Cook-cum-Helpers (CCHs). It may be noted that more than 24 lakh CCHs are engaged under the Scheme of whom over 90% are women. Also, more than 97% Kitchen-cum-Stores (KCS) have been constructed all over India. Few of the States/ UTs are utilizing Centralized Kitchen facilities to provide hot cooked meals to students. The Scheme, inter-alia, provides that the Cook-cum-Helpers and kitchen infrastructure may be extended if student enrolment increases.

(d) and (e): The State-wise details of central assistance released under PM Poshan Scheme during FY 2024-25 are given in the enclosed **Statement-II**. Under the PM POSHAN Scheme one hot cooked nutritious meal is provided to all eligible children on all school working days, however, States/ UTs are free to provide breakfast and additional nutrients to children.

THE MINISTER OF STATE OF THE MINISTRY OF SKILL DEVELOPMENT AND ENTREPRENEURSHIP; AND MINISTER OF STATE IN THE MINISTRY OF EDUCATION (SHRI JAYANT CHAUDHARY):

The Scheme covers about 11 crore children in more than 10.35 lakh schools in all the States/ UTs.

The beneficiaries under the Scheme are all children studying in Bal Vatika and classes I to VIII of Government and Government-aided schools. All the

eligible children are entitled to one hot cooked nutritious meal on all school days. Ministry of Education has not issued any direction to make facial recognition mandatory for availing meals. However, the overall responsibility for implementation of the Scheme lies with State Governments and UT Administrations. A robust platform called Automated Monitoring System has been developed to monitor daily coverage of the Scheme.

- (b) the appropriate measures taken by the Government to address the gender disparity in faculty positions in Higher Educational Institutions;
- (c) whether the Government is planning to increase female faculty positions at Higher Educational Institutions across the country;
- (d) if so, the details thereof and if not, the reasons therefor; and
- (e) the details regarding number of male and female teachers in Central Universities, IITs, IIMs as well as Government and Private Universities/Schools across the Country, State-wise?

**THE MINISTER OF STATE IN THE MINISTRY OF EDUCATION; AND
MINISTER OF STATE IN THE MINISTRY OF DEVELOPMENT OF NORTH
EASTERN REGION (DR. SUKANTA MAJUMDAR):**

(a): As per All India Survey on Higher Education (AISHE) 2022-23(Provisional) and Unified District Information System for Education Plus (UDISE+) 2023-24, total number of female teachers in 60,380 Higher Education Institutions (HEIs) are 7.37 lakhs and in 14,71,891 Schools are 52.3 lakhs.

(b) to (d): Occurrence and filling up of vacant posts are a continuous process. The vacancies arise due to retirement, resignation and additional requirements on account of enhanced students' strength. However, UGC repeatedly takes up with all the Central Universities, the matter to fill up the vacancies at the earliest. UGC has also launched a unified recruitment portal i.e., CU-Chayan on 02.05.2023 to provide a common platform for listing of vacancies/ advertisements/ jobs across all Central Universities. Under mission mode, in August 2021, the Ministry issued instructions to all Central Higher Education Institutions (CHEIs) to fill vacancies especially those reserved for specific categories in a Mission Mode. In September 2022, all CHEIs were once again requested to intensify this Mission Mode drive to fill all remaining vacancies, especially those in reserved categories. Between September 2022 and July, 2025, a total of 16,507 faculty and 11,943 non faculty, totaling upto 28,450 recruitments have been made in the CHEIs under this Mission Mode initiative.

A number of initiatives/steps have been taken by the Government to increase the gender diversity in academic positions. More Female participation

in higher levels of education has been envisaged through various Schemes/Scholarships/Fellowships and proactive measures aimed at Female students/scholars. This in turn translates into more candidates available for academic positions in Higher Education.

The following initiatives/welfare measures for greater Female participation and gender diversity in academic positions are mentioned: -

- i. Post-Doctoral fellowship for women by University Grants Commission (UGC)– The objective of the scheme is to accelerate the talented instincts of the women candidates to carry out the advanced studies and research. The financial assistance is provided to unemployed women candidates holding Ph.D. Degree.
- ii. Savitribai Jyotirao Phule Fellowship for Single Girl Child- The objective of the scheme is to encourage higher education of single girl child pursuing Ph.D. in any stream/subjects.
- iii. Post Graduate Indira Gandhi Scholarship for Single Girl Child- The objective of the scheme is to provide financial assistance to selected candidates being Single Girl Child for pursuing post-graduation on full time/regular basis in Universities/Institutes/Colleges in India.
- iv. Pragati Scholarship Scheme: - The scheme provides scholarship for women students pursuing polytechnic, engineering, pharmacy and architecture courses (in All India Council for Technical Education [AICTE] approved institutions), whose family income is less than Rs. 8 Lakh per annum.

- v. UGC has exempted women candidates from payment of fees to any examinations/ Test/ Interview conducted by Centrally Educational Institutions, to increase the representation of women in employment under Central Government/ Central Autonomous Bodies.
- vi. Further, there is a provision for a woman representative in Selection Committees, as per UGC Regulations on Minimum Qualifications for Appointment of Teachers and Other Academic Staff in Universities and Colleges, 2018.
- vii. The UGC has allowed a relaxation of two years for Ph.D. for women.
- viii. Women candidates may be provided Maternity Leave/Child Care Leave once in the entire duration of M.Phil./Ph.D. for up to 240 days.
- ix. In case of relocation of an M.Phil./ Ph.D. woman scholar due to marriage or otherwise, the research data shall be allowed to be transferred to the University to which the scholar intends to relocate provided the research work does not pertain to a project sanctioned to the parent Institution/Supervisor by any funding agency.

The above initiatives of the Government have facilitated a tremendous increase of 135% in Female Ph.D.'s enrolment, from 47,717 in 2014-15 to 1,12,441 in 2022-23(provisional) as per AISHE. This would provide more opportunities for women for academic positions in Higher Education.

(e): The number of male and female teachers in all HEIs as per AISHE 2022-23(provisional) is as follows:

Male	Female	Total
9,27,394	7,36,778	16,64,172

The number of male and female teachers in all Schools as per (UDISE+) 2023-24 is as follows:

Male	Female	Total
45,77,026	52,30,574	9,807,600

कौशल भारत मिशन के अंतर्गत औद्योगिक इकायों के साथ सहयोग

2313. श्री देवेश शाक्य:

क्या कौशल विकास और उद्यमशीलता मंत्री यह बताने की कृपा करेंगे कि:

(क) उत्तर प्रदेश में कौशल भारत मिशन के अंतर्गत प्रशिक्षित युवाओं की संख्या का जिला-वार ब्यौरा क्या है;

(ख) उक्त राज्य में इटावा, कासगंज, एटा, आंवला, मैनपुरी और कन्नौज जिलों सहित जिन प्रमुख क्षेत्रों, उद्योगों या व्यवसायों के लिए कौशल प्रशिक्षण कार्यक्रम संचालित किए जा रहे हैं;

(ग) क्या सरकार ने उक्त मिशन के अंतर्गत प्रशिक्षित युवाओं को रोजगार उपलब्ध कराने के लिए स्थानीय औद्योगिक इकायों या निजी संस्थानों के साथ किसी प्रकार का सहयोग किया है और यदि हां, तो तत्संबंधी ब्यौरा क्या है;

(घ) उक्त जिलों के शहरी और ग्रामीण क्षेत्रों में कौशल प्रशिक्षण कार्यक्रमों के कार्यान्वयन में किन प्रमुख समस्याओं या चुनौतियों का सामना करना पड़ रहा है; और

(ङ) उक्त जिलों में रोजगार सृजन और उद्यमिता विकास पर उक्त मिशन के प्रभाव का अब तक ब्यौरा क्या है?

कौशल विकास और उद्यमशीलता मंत्रालय के राज्य मंत्री; तथा शिक्षा मंत्रालय में राज्य मंत्री (श्री जयंत चौधरी):

(क) और (ख): भारत सरकार के कौशल भारत मिशन (एसआईएम) के अंतर्गत, कौशल विकास और उद्यमशीलता मंत्रालय (एमएसडीई) विभिन्न योजनाओं, जैसे प्रधानमंत्री कौशल विकास योजना

(पीएमकेवीवाई), जन शिक्षण संस्थान (जेएसएस), राष्ट्रीय शिक्षता संवर्धन योजना (एनएपीएस) और शिल्पकार प्रशिक्षण योजना (सीटीएस) के अंतर्गत कौशल विकास केंद्रों/संस्थानों के एक व्यापक नेटवर्क के माध्यम से देश भर में समाज के सभी वर्गों को औद्योगिक प्रशिक्षण संस्थानों (आईटीआई) के माध्यम से कौशल, पुनः-कौशलीकरण और कौशलान्नायन प्रशिक्षण प्रदान करता है। इस मिशन का उद्देश्य भारत के युवाओं को उद्योग-संबंधित कौशल से सुसज्जित करके भविष्य के लिए तैयार करना है। उत्तर प्रदेश में एमएसडीई की विभिन्न योजनाओं के अंतर्गत प्रशिक्षित जिलेवार उम्मीदवारों का ब्यौरा संलग्न **विवरण-I** में दिया गया है। इसके अतिरिक्त, एमएसडीई की विभिन्न योजनाओं के तहत इटावा, कासगंज, एटा, बरेली (आंवला के संबंध में) कार्यान्वित किए जा रहे व्यावसायिक और कौशल विकास प्रशिक्षण के लिए सेक्टर/जॉब रोलों का ब्यौरा संलग्न **विवरण-II** में दिया गया है।

(ग): कौशल भारत मिशन के अंतर्गत, सरकार रोजगार क्षमता में सुधार हेतु उद्योग-सम्बन्धित पाठ्यक्रमों में प्रशिक्षण को सक्रिय रूप से बढ़ावा देती है। नियोक्ताओं को पाठ्यक्रम तैयार करने के समय तथा इसके क्रियान्वयन के दौरान नियुक्त किया जाता है और उन्हें रोजगार मेलों और प्लेसमेंट अभियानों में भाग लेने के लिए आमंत्रित किया जाता है। उल्लेखनीय है कि प्रशिक्षण केंद्र कार्यस्थल पर प्रशिक्षण (ओजेटी) और प्लेसमेंट सहायता सुनिश्चित करने के लिए स्थानीय साझेदारियाँ शुरू करते हैं। इन साझेदारियों को कौशल भारत डिजिटल हब (सिद्ध) इको-सिस्टम के अंतर्गत ट्रैक किया जाता है, जिसका उद्देश्य क्षेत्रीय आर्थिक गतिविधियों के अनुरूप वेतन और स्व-रोजगार दोनों के अवसरों के लिए प्लेसमेंट लिंकेज को बढ़ाना है।

वित्त वर्ष 2022-23 से लागू होने वाली योजना के नवीनतम संस्करण, पीएमकेवीवाई 4.0 के अंतर्गत, उद्योग-प्रधान अवार्डिंग बोर्डों द्वारा विकसित राष्ट्रीय कौशल योग्यता ढाँचे (एनएसक्यूएफ) से जुड़े जॉब रोलों के अंतर्गत कौशल प्रदान किया जा रहा है। प्रशिक्षण उद्योग परिसरों में भी दिया जाता है और उद्योगों से प्रशिक्षकों को भी शामिल किया जाता है। ऑन-जॉब-ट्रेनिंग (ओजेटी) को पीएमकेवीवाई 4.0 का एक अंतर्निहित घटक बनाया गया है। प्रशिक्षित उम्मीदवारों को अपने विविध करियर पथ चुनने में सक्षम बनाने और उन्हें इसके लिए उपयुक्त रूप से उन्मुख बनाने पर ध्यान

केंद्रित किया गया है। तथापि, रोजगार के अवसरों को बढ़ाने के लिए, कौशल, शिक्षा, रोजगार और उद्यमिता इको-सिस्टम को एकीकृत करने हेतु स्किल इंडिया डिजिटल हब (सिद्ध) प्लेटफॉर्म शुरू किया गया है। प्रतिष्ठानों/नियोक्ताओं और उम्मीदवारों के बीच सक्रिय संपर्क सुनिश्चित करने के लिए, देश भर में रोजगार मेले और प्रधानमंत्री राष्ट्रीय प्रशिक्षुता मेले (पीएमएनएएम) आयोजित किए जाते हैं।

(घ) और (ङ): चुनौतियों में नामांकन के लिए उम्मीदवारों को जुटाना, विशेष रूप से दूर-दराज के क्षेत्रों में महिलाओं को जुटाना, पाठ्यक्रमों की मांग और आपूर्ति के बीच विसंगति, योग्य प्रशिक्षकों को ढूंढना आदि शामिल हैं। इन मुद्दों को स्थानीय लामबंदी प्रयासों, मांग-आधारित प्रशिक्षण, बेहतर अवसंरचना और निगरानी के लिए डिजिटल उपकरणों के उपयोग के माध्यम से समाधान किया जाता है।

एमएसडीई की योजनाओं के तीसरे पक्ष के मूल्यांकन ने उनके सकारात्मक परिणाम को स्वीकार किया है और प्रशिक्षित उम्मीदवारों की नियुक्ति या आजीविका में सुधार के संदर्भ में उनकी सफलता का उल्लेख किया है, जैसा कि नीचे उल्लेख किया गया है:

पीएमकेवीवाई : एमएसडीई की प्रमुख योजना पीएमकेवीवाई का मूल्यांकन नीति आयोग द्वारा अक्टूबर 2020 में किया गया था। अध्ययन के अनुसार, सर्वेक्षण में शामिल लगभग 94 प्रतिशत नियोक्ताओं ने बताया कि वे पीएमकेवीवाई के तहत प्रशिक्षित और अधिक उम्मीदवारों को नियुक्त करेंगे। इसके अलावा, पूर्णकालिक/अंशकालिक रोजगार में रखे गए और आरपीएल घटक के तहत अभिविन्यस्त 52 प्रतिशत उम्मीदवारों को उच्च वेतन मिला या उन्हें लगा कि उन्हें अपने अप्रमाणित साथियों की तुलना में अधिक वेतन मिलेगा।

जेएसएस : वर्ष 2020 में जेएसएस योजना पर किए गए मूल्यांकन अध्ययन में पाया गया है कि इस योजना ने उन लाभार्थियों की घरेलू आय लगभग दोगुनी करने में मदद की है, जिन्हें जेएसएस प्रशिक्षण के बाद रोजगार मिला है या वे स्वरोजगार कर रहे हैं। 79% महिला प्रतिनिधित्व, 50.5% ग्रामीण हिस्सेदारी, बेहतर आजीविका के लिए रोजगार में 73.4% बदलाव, प्रत्येक लाभार्थी की

औसत आय में 89.1% बदलाव, जेएसएस द्वारा लाभार्थियों का 85.7% जुटाव को ध्यान में रखते हुए, रिपोर्ट में आगे कहा गया है कि योजना की उपयोगिता इस तथ्य से और स्पष्ट होगी कि 77.05% लाभार्थी प्रशिक्षुओं ने व्यावसायिक बदलाव किए हैं। अध्ययन ने यह भी पुष्टि हुई है कि योजना में कौशल का फोकस स्वरोजगार के पक्ष में है जो आत्मनिर्भर भारत अभियान के अनुरूप है।

आईटीआई : एमएसडीई द्वारा वर्ष 2018 में प्रकाशित आईटीआई स्नातकों के ट्रेसर अध्ययन की अंतिम रिपोर्ट में उल्लेख किया गया है कि कुल आईटीआई उत्तीर्णों में से 63.5% को रोजगार मिला (वेतन+स्वरोजगार, जिनमें से 6.7% स्व-नियोजित हैं)।

एनएपीएस : वर्ष 2021 में किए गए एनएपीएस के तृतीय-पक्ष मूल्यांकन अध्ययन से पता चला है कि इस योजना ने संरचित ऑन-द-जॉब प्रशिक्षण प्रदान करके युवाओं की रोजगार क्षमता को सफलतापूर्वक बढ़ाया है, और विभिन्न उद्योगों में प्रशिक्षुओं की भागीदारी में उल्लेखनीय वृद्धि हुई है। योजना के नए संस्करण में, सरकार के हिस्सेदारी को सीधे प्रशिक्षुओं के बैंक खातों में स्थानांतरित करने के लिए प्रत्यक्ष लाभ हस्तांतरण (डीबीटी) पद्धति को अपनाया गया है, क्योंकि रिपोर्ट में सुव्यवस्थित प्रतिपूर्ति प्रक्रिया की सिफारिश की गई थी।

- (b) if so, the details of such initiatives launched during the last three years;
- (c) the number of schools in rural India that have access to functional internet and digital infrastructure;
- (d) whether there are plans to provide training for teachers in the use of digital teaching tools and platforms; and

THE MINISTER OF STATE OF THE MINISTRY OF SKILL DEVELOPMENT AND ENTREPRENEURSHIP; AND MINISTER OF STATE IN THE MINISTRY OF EDUCATION (SHRI JAYANT CHAUDHARY):

(a) to (e): Education is part of the Concurrent List of the Constitution and most of the Government schools are under the administration of the State Government and its bodies. The Ministry of Education implements ICT and Digital initiatives under Samagra Shiksha to enhance digital learning in Government schools across the country, including rural areas. The initiatives aim to enhance the quality of education by integrating technology into teaching and learning processes. Under the initiatives, funds are provided for setting up ICT Labs and Smart Classrooms according to the requirements of the State submitted in the Annual Work Plan & Budget (AWP&B). The ICT scheme offers two options:

1. Option I: Schools without prior ICT facilities can choose ICT labs or smart classrooms. Schools with over 700 students may get an additional ICT lab. States/UTs can procure hardware, software, tablets, laptops, and training resources, supporting digital boards, virtual classrooms, and DTH channels.
2. Option II: Schools with existing ICT facilities can access smart classrooms or tablets under the scheme norms.

A comprehensive initiative called PM eVidya was initiated as part of Atma Nirbhar Bharat Abhiyaan on 17th May, 2020, which unifies all efforts related to digital/online/on-air education to enable multi-mode access to education across the

country. States/UTs collaborate with NCERT to utilise, monitor and evaluate the effectiveness of these initiatives as per their requirements. NCERT also provides regular guidance/ feedback to States/UTs on the quality of these initiatives.

The key components of PM eVidya are also aligned towards enhancing digital literacy and include 200 DTH TV channels. These channels were launched on 9th March 2024 by Hon'ble Education Minister. As per the Union Budget announcement for Financial Year 2022-23, 12 DTH channels have been expanded to 200 PM eVidya DTH TV channels and 400 Radio channels to enable all States/UTs to provide supplementary education in various Indian languages for classes 1-12. The channels have been allocated to the States/UTs and Autonomous Bodies. States/UTs are empowered to create and disseminate content in regional/local languages.

Digital Infrastructure for Knowledge Sharing (DIKSHA) is the Nation's digital infrastructure for providing quality e-content for school education in States/UTs and QR coded Energised Textbooks (ETBs) for all grades (One Nation, One Digital platform). Overall, 564.05 crore learning sessions have been completed on DIKSHA by students, teachers and other stakeholders. To promote crucial critical thinking skills and to give space for creativity, more than 300 Virtual Labs have been created and made available on the DIKSHA platform.

To saturate all secondary and higher secondary schools with ICT Labs and Smart Classrooms, a Supplementary Project Approval Board (PAB) meeting was held on 28th May 2025. A total of 20,456 ICT Labs and 29,896 Smart Classrooms

have been approved, with financial approval of Rs. 911.13 crore for ICT Labs and Rs. 630.38 crore for Smart Classrooms under Samagra Shiksha, in addition to earlier approval of 1,56,213 ICT Labs and 1,46,040 Smart Classrooms. Also, the Union Budget 2025 includes a provision under the BharatNet project to extend broadband connectivity to government secondary schools in rural areas in a phased manner through BSNL.

NCERT, has been actively conducting webinars and online training to enhance teachers' competencies in using digital technology and ICT for teaching, learning, and assessment. Since 2020, over 1,146 webinars have been held, focusing on digital tools, ICT integration, and cyber safety. Online training series on NEP 2020's recommendations on ET and ICT, and the development of e-content are also conducted. Regular monthly training on Cyber Safety has been conducted since October 2021, benefitting over 8 lakh learners between 2022 and 2025. Additionally, Continuous Professional Development (CPD) courses for teachers and educators through the DIKSHA platform are offered, which are aligned with NEP 2020.

The Department of School Education and Literacy, Ministry of Education has also launched a National Initiative to improve learning outcomes at the elementary level through an Integrated Teacher Training Programme called NISHTHA – National Initiative for School Heads' and Teachers' Holistic Advancement under the centrally sponsored scheme of Samagra Shiksha.

Further, the Government of India has formulated the Unorganised Workers' Social Security Act (UWSS), 2008 that provides for, inter-alia, formulating welfare schemes for unorganized sector on the matters relating to

- i. life and disability cover,
- ii. health and maternity benefits,

iii. old age protection and

iv. any other benefit as may be determined by the Central Government.

The Pradhan Mantri Shram Yogi Maan-dhan (PM-SYM) scheme was launched in March, 2019 in order to provide old age protection to the workers of unorganised sector. This is a voluntary and contributory pension scheme. Under the scheme, a monthly minimum assured pension of Rs. 3000/- is provided to the unorganised workers after attaining the age of 60 years. The workers in the age group of 18-40 years whose monthly income is Rs. 15000/- or less and not a member of EPFO/ESIC/NPS (Government funded) or not an income tax payee are eligible to join the scheme. The monthly contribution by the beneficiary ranges from Rs. 55/- to Rs. 200/- depending upon the entry age of the beneficiary. Under the scheme, equal matching contribution is paid by the Central Government. Enrolment in the Scheme is done through the Common Service Centres, with its network of about 4 lakh Centres across the country. Eligible unorganised workers can also self-enroll through visiting the portal www.maandhan.in.

(b) and (c): The initiatives like e-Shram Portal and Shram Suvidha Portal have played an important role in improving efficiency, reducing delays and enhancing workers' access and transparency in the following manner:-

- (I) The Shram Suvidha Portal (SSP) was launched on 16th October, 2014. The portal caters to four major organizations of Ministry of Labour & Employment inter-alia including EPFO & ESIC. Through the SSP, a unique Labour

Identification Number (LIN) is generated online to businesses and employers registered on the portal. The portal has eased the complexity of compliance by providing the facilities of online registration, license and return filing to business entities along with randomised risk based inspection system, thereby reducing subjectivity, for the law implementing agencies.

(II) The Ministry of Labour and Employment launched e-Shram portal (eshram.gov.in) on 26th August, 2021 for creation of a comprehensive National Database of Unorganised Workers (NDUW) seeded with Aadhaar. The e-Shram portal is meant to register and support the unorganised workers by providing them a Universal Account Number (UAN) on a self-declaration basis. For providing benefits, e-Shram portal is integrated /mapped with following portal/ schemes:

(i) e-Shram has been integrated with National Career Service (NCS) Portal.

An unorganised worker can register on NCS using his/ her Universal Account Number (UAN) and search for suitable job opportunities. An option/ link has also been provided to registrants on e-Shram portal to seamlessly register on NCS.

(ii) e-Shram is integrated with Pradhan Mantri Shram Yogi Maandhan (PM-SYM), a pension scheme for unorganised workers who are aged between 18-40 years.

(iii) To provide skill enhancement and apprenticeship opportunities to unorganised workers, e-Shram has been integrated with Skill India Digital portal of Ministry of Skill Development and Entrepreneurship.

(iv) e-Shram is also integrated with myScheme portal. myScheme is a National Platform that aims to offer one-stop search and discovery of the Government schemes. It provides an innovative, technology-based solution to discover scheme information based upon the eligibility of the citizen.

(d): Major schemes of the Ministry of Labour and Employment implemented through EPFO are ABRY, PMRPY, PMGKY.

1. Aatmanirbhar Bharat Rozgar Yojana (ABRY): The Central Government launched the Aatmanirbhar Bharat Rozgar Yojana (ABRY) and implemented through EPFO from 01.10.2020 to 31.03.2022 (*Benefits for registered employees are continued for 2 years from registration i.e. till 31.03.2024*) to incentivize creation of new employment opportunities during the COVID-19 recovery phase by providing assistance to the employers of establishments registered with EPFO to recruit unemployed persons including re-employment of those who were rendered un-employed during the Pandemic.

The monthly employee's EPF contribution @ 12% of monthly wage which is liable to be deducted from wage of employee was paid by the Central Government in the EPF account of new employees of eligible establishments.

So, there will be no deduction of contribution of 12% from the wages of new employee and he/ she will have a higher take home salary.

2. Pradhan Mantri Rojgar Protsahan Yojana (PMRPY)- The scheme was designed to incentivise employers for generation of new employment. The scheme had been made applicable from 01.4.2016 to 31.03.2019 (Benefits for registered employees are continued for 3 years from date of joining i.e. till closure of Scheme: 31.03.2022).

3. Pradhan Mantri Garib Kalyan Yojana (PMGKY) was announced initially under PM Garib Kalyan Package from March 2020 to May 2020. It was later extended under Aatmanirbhar Bharat Abhiyan 1.0 for three months from June to August 2020.

Under the Scheme, the Central Government paid the employees' and employers' share of EPF & EPS contributions (24% of wages) for the Scheme period. It was aimed at preventing disruption in the employment of low wage-earning EPFO members in EPF covered establishments who were employing up to hundred employees.

The State-wise details of beneficiary employees and benefits disbursed including Maharashtra, Madhya Pradesh, particularly in Bhopal and Sehore districts and Himachal Pradesh, district wise for ABRY, PMRPY, PMGKY are given in the enclosed **Statement-I**.

ESIC - The ESI Act applies to factories employing 10 or more employees. At present, the wage ceiling for coverage for an employee is Rs 21000/month (Rs.25000/month for PWD employee). In accordance with Section 1 (3) of the ESI Act, the ESI Scheme is extended by the Central Government in phase manner depending on industrial concentration and availability of the infrastructure for administration of medical benefits.

As on 30.07.2025, the status of implementation of ESI Scheme is as under:

Implementation Status	No. of Districts
Districts notified	695
Fully notified	602
Partially notified	93
Non-notified	83
Total Districts	778

The details of numbers of workers brought under the coverage of the Employees' State Insurance Corporation (ESIC) during the 11-year period, State-wise, are given in the enclosed **Statement- II.**

(e) and (f): The Government has enacted the four Labour Codes namely, the Code on Wages, 2019, the Code on Social Security, 2020, the Industrial Relations Code, 2020 and the Occupational Safety, Health and Working Conditions Code, 2020 after simplification, amalgamation and rationalization of the relevant provisions of

the existing 29 Central Labour Acts. The Labour Codes strengthen the protection available to workers, including unorganized workers in terms of statutory minimum wage, social security and healthcare of workers. The Code on Wages, 2019 has universalized statutory right for minimum wages and timely payment of wages to all workers to support sustainable growth and inclusive development. Besides, the Code on Social Security, 2020 aims to extend social security benefits to all workers both in the organised and unorganised sectors. "Labour" as a subject is in the Concurrent List of the Constitution of India and under the Labour Codes, the power to make rules has been entrusted to Central Government as well as State Governments. As a step towards implementation of the four Labour Codes, the Central Government has pre-published the draft Rules. As per available information, 34, 33, 33 and 33 States/Union Territories have pre-published the draft Rules under the Code on Wages, 2019, the Industrial Relations Code, 2020, the Code on Social Security, 2020 and the Occupational Safety, Health and Working Conditions Code, 2020 respectively.

NEP 2020 provides different timelines as well as principles and methodology for its implementation. Education is in the Concurrent List of the

Constitution and the majority of Schools/Higher Education Institutions are in the domain of the respective States/UTs and major responsibility of implementation of NEP 2020 following prescribed norms and standards falls under the domain of the States and UT Governments including Madhya Pradesh and its Dewas and Shajapur districts.

(c): As per the recommendation of NEP 2020, a dedicated mission National Initiative for Proficiency in Reading with Understanding and Numeracy" (NIPUN) Bharat Mission was launched by the Government of India on 5th July 2021, for ensuring that every child in the country necessarily attains foundational literacy and numeracy by Grade 2. This Mission has been set up under the aegis of the centrally sponsored scheme of Samagra Shiksha- an integrated scheme for School Education. Under Samagra Shiksha, all 36 States/Union Territories are implementing NIPUN-Bharat Mission. It is the first time that the age group of 3-6

years has been included in the school continuum in foundational stage in 5+3+3+4 structure consisting of 3 years of Balvatika and Grade 1 & 2.

PARAKH (Performance Assessment, Review, and Analysis of Knowledge for Holistic Development) has been setup under National Council of Educational Research and Training (NCERT) by Department of School Education and Literacy (DoSE&L). The primary objective of this survey is to evaluate the learning competencies of students in Foundational Literacy, Foundational Numeracy, Language and Mathematics at the end of each of the educational stages i.e. Foundational, Preparatory, and Middle in Grades 3,6 &9. Conducted every three years, with annual State Educational Achievement Surveys in between, the latest national survey PARAKH Rashtriya Sarvekshan 2024 took place on December 4, 2024. courses are offered as optional at Secondary (IX–X) and elective at Senior Secondary (XI–XII) levels. Currently, 138 job roles are approved. Upto March 2025, 3,84,267 school students in 2282 schools have been given exposure to skill education for the State of Madhya Pradesh. (Source: Data furnished by the State Government of Madhya Pradesh via Quarterly Progress Report).

(d): The Ministry, through National Council of Education, Research and Training (NCERT) has launched a National Mission to improve learning outcomes at the elementary level through an Integrated Teacher Training Programme called NISHTHA – National Initiative for School Heads' and Teachers' Holistic Advancement under Samagra Shiksha. NISHTHA is a capacity building programme for teachers, head teachers, teacher educators and education administrators in the school education sector. NISHTHA (Elementary, Secondary, FLN and ECCE) covers various courses in Indian languages. Under this, ICT in teaching-learning including Artificial Intelligence is one of the courses covered. It is to be mentioned that all the NISHTHA integrated Teacher Training Programmes have dedicated course modules on use and integration of technology in school education – teaching learning and assessment.

To ensure digital education across rural areas, a comprehensive initiative called **PM e-Vidya** was initiated as part of Aatma Nirbhar Bharat Abhiyaan on 17th

May, 2020, which unifies all efforts related to digital/online/on-air education to enable multi-mode access to education across the country. The PM e-Vidya initiative is supported through a budget allocated under the Samagra Shiksha scheme and implemented with the support of NCERT. The components of these initiatives are available to all the students across all the States/UTs free of cost. States/UTs collaborate with NCERT to utilise, monitor and evaluate the effectiveness of these initiatives as per their requirements. NCERT also provides regular guidance/ feedback to States/UTs on the quality of these initiatives. The key components of PM e-Vidya are also aligned towards enhancing digital literacy and include:

DIKSHA- One Nation, One Digital platform: Digital Infrastructure for Knowledge Sharing (DIKSHA) the Nation's digital infrastructure for providing quality e-content for school education in States/UTs and QR coded Energized Textbooks (ETBs) for all grades. Overall, 564.05 crore learning sessions have been completed on DIKSHA by students, teachers and other stakeholders. Further, the courses on Computer Sciences on the DIKSHA platform for Class XI and Class XII include Digital Literacy components. Keeping in view, the recommendations of the NEP 2020, 117 Indian Language Primers have been released with a focus on enabling young learners and adults to access education in their mother tongue. To promote crucial critical thinking skills and to give space for creativity, more than 300 Virtual Labs have been created and made available on the DIKSHA platform. Further, to

promote multilingual education, the Bharatiya Bhasha Pustak Scheme, as per the Budget announcement 2025–26, has been envisaged to provide textbooks across various school and higher education subjects in 22 Indian languages in digital format.

200 DTH TV Channels: These channels were launched on 9th March, 2024. As per the Union Budget announcement for Financial Year 2022-23, the 12 DTH Channels have been expanded to 200 PM e-Vidya DTH TV Channels to enable all States/UTs to provide supplementary education in various Indian languages including for classes 1-12. The channels have been allocated to the States/UTs and Autonomous bodies under MoE and other ministries and are operational. Further on 6th December, 2024, in consonance with the NEP 2020 recommendation for promotion of Indian Sign Language (ISL) and to ensure extensive reach of the learning-teaching material in ISL to a wider audience, a dedicated initiative promoting inclusive education through accessible learning resources for the hearing-impaired community through a dedicated PM e-Vidya DTH Channel (Ch. No. 31) has been launched. One hour of content on Digital Literacy is broadcasted by NCERT daily on DTH Channels and YouTube to enhance the digital literacy of students and teachers in rural areas. Digital education has been strengthened through the integration of the SWAYAM platform, which now allows up to 40% of total programme credits to be earned through online courses. A total of 388 universities have adopted SWAYAM, with more than 5 crore cumulative enrolments

and around 10 lakh certifications per year. To support skill development, the SWAYAM Plus portal has also been launched, focusing on upskilling and reskilling the workforce. Over 3.26 lakh students have registered so far.

MISUSE OF SARFAESI ACT

2329. SHRI MANISH TEWARI:

ADV. FRANCIS GEORGE:

Will the Minister of **FINANCE** be pleased to state:-

- (a) whether the Government is aware of instances of misuse of the Securitisation and Reconstruction of Financial Assets and Enforcement of Security Interest (SARFAESI) Act, 2002 by banks and NBFCs, particularly against MSMEs, including wrongful classification of NPAs and violations of borrower rights;

- (b) whether complaints have been received regarding NBFCs bypassing RBI and SARFAESI guidelines while sanctioning property loans and resorting to coercive recovery measures and if so, the details thereof;
- (c) whether the Government proposes to mandate District Magistrates to verify compliance with RBI norms and examine loan sanction documents before granting possession under Section 14 of the Act;
- (d) whether the Government intends to strengthen safeguards to ensure that borrowers are offered a One-Time Settlement (OTS) option before initiation of recovery proceedings; and
- (e) if so, the details of the measures being taken to ensure fair enforcement and regulatory oversight under the SARFAESI Act?

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI PANKAJ CHOUDHARY):

(a): Central Government administers the Securitisation and Reconstruction of Financial Assets and Enforcement of Security interest Act, 2002, (SARFAESI Act), which provides an enabling legal framework for banks and financial institutions to recover their dues above a specified threshold by enforcing their security interests without the intervention of the court/tribunals. In case of banks, the specified threshold is Rs. 1 lakh and in case of NBFCs having assets size of Rs. 100 crore and above, the threshold stands at Rs. 20 lakh. In terms of Reserve Bank of India (RBI) guidelines, all banks and NBFCs are required to have in place a Board-

approved loan recovery policy and they are guided by the same for initiating any loan recovery action. The Government is not involved in such decisions. Further, to safeguard borrowers' rights and to address their concerns, Sections 17 and 18 of the SARFAESI Act provide that a person, including an MSME, may file a securitisation application (SA) in a Debt Recovery Tribunal (DRT) against an action of a secured creditor under the SARFAESI Act. Also, any decision of DRT can be challenged before the Debts Recovery Appellate Tribunal (DRAT).

Furthermore, banks and NBFCs for classifying a loan account as Non Performing Assets (NPA), are required to follow the RBI's Prudential norms on Income Recognition, Asset Classification and Provisioning pertaining to Advances.

Also, compliance to provisions of the SARFAESI Act by lenders is examined on sample basis by RBI during the supervisory assessment, and any non-compliance observed are taken up with the concerned Financial Institution/Bank/NBFC for rectification apart from initiating supervisory/enforcement action.

(b): As per RBI's Master Directions on Fair Practices Code dated 1.7.2015, NBFCs are advised to furnish a copy of the loan agreement as understood by the borrower along with a copy each of all enclosures quoted in the loan agreement to all the borrowers at the time of sanction / disbursement of loans. Further, RBI has advised all regulated entities, including NBFCs, to strictly ensure that they or their agents do not resort to intimidation or harassment of any kind, either verbal or physical,

against any person in their debt collection efforts, including acts intended to humiliate publicly or intrude upon the privacy of the debtors' family members, referees and friends, sending inappropriate messages either on mobile or through social media, making threatening and/ or anonymous calls, persistently calling the borrower and/ or calling the borrower before 8:00 a.m. and after 7:00 p.m. for recovery of overdue loans and making false and misleading representations.

(c): In terms of the Section 14 of the SARFAESI Act, banks and financial institutions are required to make application to the Chief Metropolitan Magistrate (CMM) or the District Magistrate (DM) for taking possession of the secured assets. While making such application, Authorised Officer of the secured creditor furnish a duly affirmed affidavit to CMM/DM. Such affidavit includes declaration, *inter alia*, regarding loan amount, creation of security interest, default in repayment, compliance with the provisions of the SARFAESI Act, objection/representation received from the borrower and reasons for non-acceptance of the same.

(d): In terms of RBI's guidelines dated 8.6.2023, regulated entities (REs) are required to have in place a Board-approved policy for undertaking any compromise settlement. The guidelines also provide that the objective of compromise settlements is to maximise the possible recovery from a distressed borrower at minimum expense, in the best interest of the RE. REs take decision regarding compromise settlements based on the said policy.

(e): As mentioned at part (a) to (c), adequate safeguards have been provided under the provisions of the SARFAESI Act and rules made thereunder, to ensure fair enforcement and regulatory oversight. In addition, Section 19 of the SARFAESI Act provides for rights of a borrower to receive compensation and cost, in case a court or tribunal holds that possession of the secured assets is not in accordance with the provisions of the Act.

सीयूईटी के कार्यान्वयन के बाद छात्राओं की संख्या में कमी

2331. श्री बाबू सिंह कुशवाहा:

क्या शिक्षा मंत्री यह बताने की कृपा करेंगे कि:

- (क) क्या सरकार ने कॉमन यूनिवर्सिटी एंट्रेंस टेस्ट (सीयूईटी) की शुरुआत के बाद दिल्ली विश्वविद्यालय (डीयू) के स्नातक पाठ्यक्रमों में प्रवेश लेने वाली छात्राओं की संख्या में अचानक आई गिरावट का संज्ञान लिया है;
- (ख) सीयूईटी की शुरुआत से पहले और बाद में डीयू में प्रवेश लेने वाली छात्राओं की वर्ष-वार संख्या कितनी है और इस पर सरकार की क्या प्रतिक्रिया है;

- (ग) क्या दूरदराज के क्षेत्रों की छात्राएं प्रवेश प्रक्रिया और सीयूईटी परीक्षा स्तर को पूरा करने में पिछड़ रही हैं और यदि हां, तो तत्संबंधी ब्यौरा और कारण क्या हैं; और
- (घ) क्या सरकार की देश की अग्रणी शैक्षणिक संस्थाओं में छात्राओं की भागीदारी बढ़ाने के लिए कोई विशेष योजना, सहायता प्रणाली या प्रवेश सुविधा नीति लागू करने की कोई योजना है?

शिक्षा मंत्रालय में राज्य मंत्री; तथा उत्तर पूर्वी क्षेत्र विकास मंत्रालय में राज्य मंत्री (डॉ. सुकान्त मजूमदार):

(क) से (घ): राष्ट्रीय शिक्षा नीति, 2020 के अनुसरण में, छात्रों, विश्वविद्यालयों और संपूर्ण शिक्षा तंत्र पर बोझ कम करने हेतु, शैक्षणिक वर्ष **2022-23** से केंद्रीय विश्वविद्यालयों में प्रवेश हेतु राष्ट्रीय परीक्षा एजेंसी (एनटीए) द्वारा कॉमन यूनिवर्सिटी एंट्रेंस टेस्ट (सीयूईटी) संचालित की जा रही है। शैक्षणिक वर्ष **2022-23** से **2024-25** तक सीयूईटी (यूजी) में शामिल होने वाली छात्राओं की संख्या इस प्रकार है:

शैक्षणिक वर्ष	उन छात्राओं की संख्या जो सीयूईटी (यूजी) परीक्षा में उपस्थित हुईं
2022-23	4,29,228
2023-24	5,13,978
2024-25	5,94,324

इसी अवधि, अर्थात् वर्ष 2022-23 से 2024-25 के दौरान, दिल्ली विश्वविद्यालय (डीयू) में प्रवेश पाने वाली महिला अभ्यर्थियों की संख्या प्रत्येक वर्ष प्रवेश पाने वाले पुरुष अभ्यर्थियों की संख्या से अधिक है, अर्थात् डीयू के अवर-स्नातक पाठ्यक्रमों में क्रमशः 34010, 36126 और 39242 महिला अभ्यर्थियों को प्रवेश दिया गया, जबकि शैक्षणिक वर्ष 2022-23, 2023-24 और 2024-25 के लिए क्रमशः 30662, 32425 और 33124 पुरुष अभ्यर्थियों को प्रवेश दिया गया।

सीयूईटी देशभर के केंद्रीय विश्वविद्यालयों (सीयू) और राज्य विश्वविद्यालयों, मानद विश्वविद्यालयों और निजी विश्वविद्यालयों सहित अन्य प्रतिभागी संस्थाओं में प्रवेश पाने के इच्छुक छात्रों, विशेषकर ग्रामीण और दूरदराज के क्षेत्रों के छात्रों के लिए एकल-विंडो अवसर प्रदान करता है। यह परीक्षा विभिन्न शैक्षिक बोर्डों के छात्रों का समान स्तर पर मूल्यांकन करती है, जिससे समान अवसर सुनिश्चित होते हैं।

फलस्वरूप, सीयूईटी छात्राओं सहित सभी विद्यार्थियों को न सिर्फ दिल्ली विश्वविद्यालय बल्कि केंद्रीय विश्वविद्यालयों और प्रतिभागी संस्थाओं की एक विस्तृत श्रृंखला में अपनी रुचि के पाठ्यक्रम या कार्यक्रम चुनने में सक्षम बनाता है। जहां प्रारंभिक सीयूईटी (यूजी) संस्करण में 90 प्रतिभागी संस्थाएं शामिल थीं, वहीं नवीनतम संस्करण में यह संख्या बढ़कर 240 हो गई है। अखिल भारतीय उच्चतर शिक्षा सर्वेक्षण (एआईएसएचई) के अनुसार, दिल्ली/एनसीआर के विश्वविद्यालयों/कॉलेजों/स्टैंडअलोन संस्थाओं में स्नातक पाठ्यक्रमों में प्रवेश लेने वाली छात्राओं की संख्या 4,09,832 (शैक्षणिक वर्ष 2020-21 में), 4,25,006 (शैक्षणिक वर्ष 2021-22 में) और 4,91,511 (शैक्षणिक वर्ष 2022-23 में) है, जो दिल्ली/एनसीआर की संस्था में महिला अभ्यर्थियों के प्रवेश में बढ़ती प्रवृत्ति को प्रदर्शित करता है।

विश्वविद्यालय अनुदान आयोग (यूजीसी) "भारतीय विश्वविद्यालयों और महाविद्यालयों में महिला अध्ययन का विकास" योजना को क्रियान्वित कर रहा है। यह योजना विश्वविद्यालयों और महाविद्यालयों में महिला अध्ययन केंद्र (डब्ल्यूएससी) स्थापित करने के लिए निधि उपलब्ध कराती है, जो शिक्षण, अनुसंधान, पाठ्यक्रम विकास, प्रशिक्षण और प्रसार कार्यकलापों पर केंद्रित होंगे। इस योजना का उद्देश्य शिक्षण, अनुसंधान और व्यावहारिक कार्यों के माध्यम से महिला अध्ययन को आगे बढ़ाने में वित्तीय सहायता प्रदान करना है।

प्रतिभावान छात्राओं को प्रोत्साहित करने और उनकी सहायता करने हेतु विभिन्न छात्रवृत्तियाँ भी प्रदान की जाती हैं। उदाहरण के लिए, अखिल भारतीय तकनीकी शिक्षा परिषद (एआईसीटीई)

प्रतिभावान छात्राओं को उच्चतर शिक्षा के लिए प्रोत्साहित करने हेतु प्रगति छात्रवृत्ति योजना के तहत छात्रवृत्ति प्रदान करती है।

विज्ञान और प्रौद्योगिकी विभाग (डीएसटी) महिलाओं में बुनियादी और अनुप्रयुक्त विज्ञान में अनुसंधान को बढ़ावा देने हेतु विज्ञान और इंजीनियरिंग में महिलाएं - किरण (वाइज-किरण) और एसईआरबी- अन्वेषण से जुड़े अनुसंधान में महिलाओं के लिए अवसरों को बढ़ावा देने (एसईआरबीपावर) के लिए फेलोशिप योजना के तहत कार्यक्रमों के माध्यम से अध्येतावृत्ति प्रदान करता है, ताकि भारतीय शैक्षणिक संस्थाओं और अनुसंधान एवं विकास प्रयोगशालाओं में विभिन्न विज्ञान और प्रौद्योगिकी कार्यक्रमों में कार्यरत उत्कृष्ट महिला शोधकर्ताओं और नवाचारकर्ताओं की पहचान की जा सके और उन्हें पुरस्कृत किया जा सके।

DISPOSAL OF WASTE BATTERIES

2335. SHRI GURJEET SINGH AUJLA:

Will the Minister of **ENVIRONMENT, FOREST AND CLIMATE CHANGE** be pleased to state:

- (a) whether unchecked and hazardous growth of electronic waste is increasing in the country, particularly in border districts like Amritsar, if so, the details thereof;
- (b) whether toxic fluid discharged from waste batteries is being diluted, dumped or illegally released into water bodies or soil, causing irreversible environmental and groundwater pollution;
- (c) if so, the details of the monitoring mechanism in place to check the disposal of waste batteries in the country;
- (d) whether the Government has undertaken surveys, inspections or audits of informal dumping grounds, especially in rural and semi-urban areas where scrap handling lacks regulation; and
- (e) the details of recycling measures and pollution control precautions are in place in this regard and the role of certified recyclers towards environment?

THE MINISTER OF STATE IN THE MINISTRY OF ENVIRONMENT, FOREST AND CLIMATE CHANGE; AND MINISTER OF STATE IN THE MINISTRY OF EXTERNAL AFFAIRS (SHRI KIRTI VARDHAN SINGH):

(a) : The Central Pollution Control Board (CPCB) estimates the e-waste generation at national level based on the countrywide sales data provided by the registered producers, and average life of notified electrical and electronic equipment (EEE), as mandated under the E-Waste (Management) Rules, 2022. As per the CPCB, e-waste generated and percentage of e-waste collected, dismantled and recycled / disposed in the country during the FY 2023-24 and 2024-25 is given below:

Financial Year (FY)	Total e-waste generated [tonnes/annum]
2023-2024	12,54,286.55
2024-2025	13,97,955.59

The Ministry of Environment, Forest and Climate Change (MoEF&CC) has notified the E-Waste (Management) Rules, 2022 to manage e-waste in environmentally sound manner, to have an improved Extended Producer Responsibility (EPR) regime for recycling of e-waste and to facilitate & channelize e-waste from informal sector to formal sector. In the State of Punjab, there are eight e-waste recyclers registered on EPR Portal of CPCB with recycling capacity of 46,450 tonnes per annum.

(b) to (e): MoEF&CC has notified the Battery Waste Management Rules, 2022 on 24th August, 2022 to ensure environmentally sound management of waste batteries. The rules cover all types of batteries viz. Electric Vehicle batteries, portable batteries, automotive batteries and industrial batteries. Under the rules, the producers, including importers, have been given mandatory EPR targets for collection and recycling or refurbishment of waste batteries. EPR framework under the Battery Waste Management Rules, 2022 prohibits disposal of waste batteries in landfills.

Under the Battery Waste Management Rules, 2022, the producers have been mandated to obtain registration with CPCB and file annual returns regarding the waste batteries collected and recycled or refurbished towards fulfilling

obligations under EPR, and pre-consumer waste batteries generated in the preceding financial year.

The recyclers have been mandated to generate EPR certificates based on the weight of the battery waste processed. Further, recyclers have been mandated to register with State Pollution Control Board (SPCB)/ Pollution Control Committee (PCC) on the centralized online portal and file quarterly returns, regarding the information on quantity of used batteries collected or received from various producers or entities, recycled quantities, quantity of hazardous and/or other waste including solid waste or plastic waste generated after recycling and disposal of such quantities. The recyclers have been mandated to ensure that recycling processes and facilities for waste batteries comply with the standards or guidelines prescribed by CPCB.

CPCB has issued the Standard Operating Procedure (SOP) for lead acid battery recycling, specifying the measures for safe draining of hazardous fluids and its disposal and repurposing use in other industrial processes. Centralized online EPR portal has been developed for registration of producers and recyclers, exchange of EPR certificates between producers and recyclers to fulfil the EPR obligations of the producer. Currently, there are 437 recyclers registered in the country under the Battery Waste Management Rules, 2022. Out of 437 recyclers, 40 recyclers are from the state of Punjab.

Under the Battery Waste Management Rules, 2022, CPCB has been mandated to verify compliance by producer through inspection and periodic audit. SPCB has been mandated to verify compliance of entity involved in refurbishing and recycling of waste batteries through inspection and periodic audit. CPCB has empanelled third-party auditors for conducting audit of recyclers of e-waste and battery waste as mandated under the respective rules.

As per the information received from the Punjab Pollution Control Board, e-waste facilities are equipped with Effluent Treatment Plants (ETPs), leachate containment systems, dust extraction and filtration units, secured storage for hazardous fractions, and periodic air and effluent monitoring. Battery-waste facilities have Spent Acid Recovery and Neutralization Systems, lined waste storage, ventilated work areas, dust suppression measures, and occupational safety protocols. Further, registered recyclers ensure the safe collection, transportation, dismantling, and recovery of metals from e-waste and batteries, neutralization of acids, and secure disposal of hazardous residues in strict compliance with the E-Waste (Management) Rules, 2022 and the Battery Waste Management Rules, 2022. They also file returns on the EPR portal developed by the CPCB, ensuring accountability and regulatory compliance.

THE MINISTER OF STATE IN THE MINISTRY OF MICRO, SMALL AND MEDIUM ENTERPRISES; AND MINISTER OF STATE IN THE MINISTRY OF LABOUR AND EMPLOYMENT (KUMARI SHOBHA KARANDLAJE):

(a) to (e): The Ministry of Skill Development and Entrepreneurship (MSDE) is implementing its flagship scheme Pradhan Mantri Kaushal Vikas Yojana (PMKVY), since 2015, for imparting skill development training through Short-Term Training (STT) and up-skilling and re-skilling through Recognition of Prior Learning (RPL) to youth including migrant workers across the country. The State-wise/UT-wise number of candidates trained under PMKVY during the last financial years (2024-25) is given in the enclosed **Statement**.

Placements were tracked under Short Term Training (STT) component of PMKVY in the first three versions of the scheme which is PMKVY 1.0, PMKVY 2.0 and PMKVY 3.0 implemented from FY 2015-16 to FY 2021-22. The reported placement rate in STT certified candidates till PMKVY 3.0 was 43%. Under PMKVY 4.0, the focus is to empower our trained candidates to choose their varied career path and they are suitably oriented for the same.

The District Skill Committees (DSCs) are mandated with formulating District Skill Development Plans (DSDPs) to promote decentralized planning and implementation at the grassroots. The DSDPs identify sectors with employment opportunities as well as the associated demand for skilling in the district, and map the available facilities for Skill Training. Skill Development Programmes of the

Government are designed and implemented to bridge identified skill gaps across sectors.

Ministry of Skill Development & Entrepreneurship (MSDE) formulated the special programme for the training of Shramiks (migrant labourers) impacted from COVID-19 under its flagship scheme Pradhan Mantri Kaushal Vikas Yojana (PMKVY). Under this special programme, the identification of reverse migrants and their mapping with job roles was done with the support of District Administration. This special programme for training of Shramiks (migrant labourers) under PMKVY covered 116 districts of 6 States, namely, Assam, Bihar, Madhya Pradesh, Odisha, Rajasthan and Uttar Pradesh selected under Garib Kalyan Rojgar Abhiyan (GKRA) of Ministry of Rural Development. PMKVY has two training components, namely, Short Term Training (STT) and Recognition of Prior Learning (RPL). Under this Special programme of PMKVY, skill development training was imparted based on the demand/aspirations of the Shramiks (migrant labourers) for job roles as received from District Administration during the pandemic lock down.

The MSDE has undertaken multiple third-party assessments and evaluation studies through reputed institutions to measure various outcome parameters, including job retention, income enhancement, and relevance of training. The details are given below:

(i) The third-party evaluation report of PMKVY 2.0 conducted by Sambodhi Research and Communications has found that the mean monthly income of

individuals trained and certified under PMKVY 2.0 – Short Term Training (STT) was 15 percent higher compared to a comparison group of individuals who have not participated in PMKVY. Further, the average monthly income of Recognition of Prior Learning (RPL)-certified individuals was found to be 19 percent higher than that of a comparison group of non-RPL certified individuals.

(ii) Further, PMKVY was evaluated by NITI Aayog in October 2020 under jobs and skills sector. As per the study, about 94 percent of the employers surveyed reported that they would hire more candidates trained under PMKVY. Further, 52 percent of the candidates who were placed in full time/part time employment and oriented under the RPL component received higher salary or felt that they will get higher salary compared to their un-certified peers. Besides, a third-party impact evaluation of PMKVY was also conducted by the Indian Institute of Public Administration (IIPA). As per the evaluation, about 70.5% surveyed candidates received placement in their desired skill sector.

(क) से (घ): पर्यटक स्थलों और पर्यटन उत्पादों का विकास और संवर्धन मुख्य रूप से संबंधित राज्य सरकार/संघ राज्यक्षेत्र प्रशासन द्वारा किया जाता है। हालांकि, पर्यटन मंत्रालय 'स्वदेश दर्शन (एसडी)', 'स्वदेश दर्शन 2.0 (एसडी 2.0)', 'चुनौती आधारित गंतव्य विकास (सीबीडीडी)' - स्वदेश दर्शन की एक उप-योजना और 'तीर्थयात्रा कायाकल्प और आध्यात्मिक विरासत संवर्धन अभियान (प्रशाद)' और 'पर्यटन अवसंरचना विकास के लिए केंद्रीय एजेंसियों को सहायता (एसीए)' नामक अपनी केंद्रीय क्षेत्र की योजनाओं के माध्यम से राज्य सरकारों/संघ राज्यक्षेत्र प्रशासनों को निधियों की उपलब्धता, योजना

दिशानिर्देशों के अनुपालन और राज्य सरकारों द्वारा विस्तृत परियोजना रिपोर्टों (डीपीआर) की प्रस्तुति के अध्यधीन वित्तीय सहायता प्रदान करके पर्यटन अवसंरचना विकास संबंधी उनके प्रयासों को संपूरित करता है।

इसके अतिरिक्त, भारत सरकार ने 'पूँजी निवेश के लिए राज्यों को विशेष सहायता (एसएससीआई)' नामक अपनी पहल के तहत पर्यटन संबंधी परियोजनाओं के विकास के लिए राज्यों को वित्तीय सहायता भी प्रदान की है।

मंत्रालय उपर्युक्त योजनाओं के अंतर्गत स्वीकृत परियोजनाओं के संबंध में जिलावार धनराशि जारी नहीं करता है या उसके आंकड़े का रखरखाव नहीं करता है। तथापि, पिछले पांच वर्षों में उपरोक्त योजनाओं के अंतर्गत महाराष्ट्र राज्य में स्वीकृत एवं जारी राशि सहित स्वीकृत परियोजनाओं का ब्यौरा संलग्न **विवरण** में दिया गया है। इन परियोजनाओं के अंतर्गत, पर्यटक सुविधाओं और पर्यटन अनुभवों को बेहतर बनाने से संबंधित घटकों को मंजूरी दी जाती है।

योजनाओं के अंतर्गत धनराशि समय-समय पर जारी दिशा-निर्देशों और अनुदेशों के अनुसार किस्तों में जारी की जाती है तथा पहले जारी की गई धनराशि के लिए राज्य सरकारों/संघ राज्यक्षेत्रों से उपयोगिता प्रमाण-पत्र प्राप्त किए जाते हैं।

भारतीय पुरातत्व सर्वेक्षण (एसआई) देश में संरक्षित स्मारकों और स्थलों के संरक्षण और रखरखाव संबंधी कार्य करवाता है, जिसमें पेयजल, शौचालय, पाथवे और भूदृश्यांकन आदि जैसी सुविधाएं प्रदान करना शामिल है। स्मारकों और पुरातात्विक स्थलों का संरक्षण एवं रखरखाव एक सतत प्रक्रिया है और इसे स्मारकों की आवश्यकता और संसाधनों की उपलब्धता के अनुसार किया जाता है। हालांकि, धनराशि का आवंटन स्मारकों की आवश्यकता के अनुसार किया जाता है।

SHRI K. GOPINATH:

Will the Minister of **ENVIRONMENT, FOREST AND CLIMATE CHANGE** be pleased to state:

- (a) the details of the forest cover in the country, State-wise including Tamil Nadu and Jharkhand;
- (b) the details of forest cover increased/decreased during the last three years along with the reasons therefor, State/ UT-wise including Tamil Nadu and Jharkhand;
- (c) the measures taken by the Government for the protection of forest cover in the country including said States;
- (d) whether there is any monitoring mechanism to oversee the changes in forest cover in the said States and if so, the details thereof;

- (e) the details of the Schemes implemented by the Government during the last three years to increase forest cover and develop new forest areas in various cities of the country, State/UT-wise including Tamil Nadu and Jharkhand; and
- (f) whether the Government has any Scheme to increase forest coverage on the basis of their utility and if so, the details thereof, State/UT-wise particularly in Tamil Nadu and Jharkhand?

THE MINISTER OF STATE IN THE MINISTRY OF ENVIRONMENT, FOREST AND CLIMATE CHANGE; AND MINISTER OF STATE IN THE MINISTRY OF EXTERNAL AFFAIRS (SHRI KIRTI VARDHAN SINGH):

(a) and (b): Forest Survey of India (FSI), Dehradun, an organization under the Ministry of Environment, Forest and Climate Change, carries out the assessment of forest and tree cover of the country biennially and the findings are published in the India State of Forest Report (ISFR). The forest cover assessment is a wall-to-wall mapping exercise based on remote sensing supported by intensive ground verification and field data from the National Forest Inventory.

As per ISFR 2023, the forest cover of the country is 7,15,342.61 square kilometer which is 21.76% of the total geographical area of the country. In the last four years, the forest cover has increased from 7,12,249.00 square kilometer in ISFR 2019 to 7,15,342.61 square kilometer in ISFR 2023. Between ISFR 2019 and ISFR 2023, the country's forest cover has increased by 3,093.61 square kilometers, that includes increase of 86.22 square kilometers in Tamil Nadu and 154.78 square kilometers in Jharkhand.

The increase in country's forest cover is attributed to the factors such as natural vegetation growth due to conservation efforts, afforestation initiatives, improved protection in forest and plantation areas, increase in trees outside forest areas, and the regeneration of land under shifting cultivation. The State/UT-wise forest cover including Tamil Nadu and Jharkhand is given in the enclosed **Statement-I**.

(c) to (f) : The protection, conservation and management of forest is primarily the responsibility of the States and UTs. There are legal frameworks for the protection and management of forest of the country which include, the Indian Forest Act, 1927; the Van (Sanrakshan Evam Samvardhan) Adhiniyam, 1980; the Wildlife (Protection) Act, 1972 and the State Forest Acts and Rules, etc. Further, the Ministry issues advisories to States and UTs to protect forests. To monitor changes in forest and tree cover, FSI carries out biennial assessment across the country using satellite data combined with ground truthing.

Further, Nagar Van Yojana (NVY) envisages developing 600 Nagar Van and 400 Nagar Vatika in the country including Tamil Nadu and Jharkhand between the period of 2020-21 to 2026-27 with an objective to enhance the green cover in and around various cities. During the last three years, the Ministry has approved a total of 385 projects under the Nagar Van Yojana across 22 States and UTs, including Tamil Nadu and Jharkhand. The State/UT-wise details of projects approved under Nagar Van Yojana in the last three years are given in the enclosed **Statement-II**.

The Ministry also provides technical and financial support to the States and UTs for protection, conservation and management of the forests in the country. This includes various schemes and programmes such as National Mission for a Green India (GIM), Forest Fire Prevention and Management Scheme (FPM), Integrated Development of Wildlife Habitats and Mangrove Initiative for Shoreline Habitats and Tangible Incomes (MISHTI). Afforestation is also carried out by the States and UTs under the Compensatory Afforestation Fund Management and Planning Authority (CAMPA).

The above schemes and programmes are for all States and UTs, and approvals under the schemes are granted based on the Annual Plans of Operation submitted by the respective States/UTs. However, MISHTI programme is for restoration of degraded mangroves across coastal States and UTs.

In addition to above, a plantation campaign “एक पेड़ माँ के नाम #Plant4Mother” has been launched on the occasion of World Environment Day 2024 to undertake plantation activities across the country. This campaign follows the “Whole of Government” and “Whole of Society” approach with participation of all stakeholders for increasing the green cover in the country. The campaign has contributed large scale plantation aiding the enhancement of green cover in the country.

(a) and (b): Yes, the Government of India has taken steps to integrate various forms of Indian traditional dances into the school education framework, in alignment with the objectives of the National Education Policy (NEP) 2020.

NEP 2020 advocates art-integrated education as a cross-curricular pedagogical approach, encouraging the incorporation of Indian art forms such as traditional dance into mainstream classroom learning. It emphasizes the significance of Indian arts at all levels of education to foster creativity, cultural rootedness, and holistic development in students.

To this end, the Ministry of Culture, through its autonomous organization Sangeet Natak Akademi, has launched the Kala Dharohar Series, which is specifically designed to promote awareness and appreciation of Indian performing arts—including classical dance—among school students.

In furtherance of these goals, other bodies under the Ministry of Culture, such as the Centre for Cultural Resources and Training (CCRT), also conduct

workshops, orientation programmes, and cultural activities in schools across the country, contributing to the promotion of Indian arts and culture.

(c) and (d): The Government of India through its autonomous body Centre for Cultural Resources and Training (CCRT) provide scholarship for preservation and promotion of diverse, varied and rich Indian cultural heritage.

CCRT through Cultural Talent Search Scholarship Scheme, CTSSS (10-14 Years) since 1982 provide specialized training in various cultural fields such as traditional forms of music, dance, drama as well as painting, sculpture, crafts and literary activities.

(e): CCRT is implementing Cultural Talent Search Scholarship Scheme (CTSSS), in this scheme the value of scholarship is Rs.3600/- per year for the scholarship holder in addition to reimbursement of actual tuition fee paid to the Guru/Teacher, up to a ceiling of Rs.9000/- per year.

Will the Minister of **FINANCE** be pleased to state:

- (a) whether the Government is aware regarding issue of the timely release of funds for centrally sponsored schemes in West Bengal i.e. MGNREGA, Pradhan Mantri Awas Yojana, etc.;
- (b) the steps taken/to be taken by the Government to ensure transparent, timely and uninterrupted disbursement of these funds;
- (c) the financial incentives, tax benefits or special package targeted by the Government to attract large-scale industrial investment to West Bengal; and

(d) the manner in which it will facilitate a more conducive business environment in the State?

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI PANKAJ CHOUDHARY):

(a) and (b): In the last three years i.e. from financial year (FY) 2022-23 to FY 2024-25, an amount of Rs. 33,543 crore has been released to West Bengal as central share of Centrally Sponsored Schemes (CSS). The release of central share of a CSS to a state is dependent upon compliance of the conditions stipulated in the extant scheme guidelines and utilization of the funds released earlier.

Mahatma Gandhi National Rural Employment Guarantee Scheme (Mahatma Gandhi NREGS) is a demand - driven wage employment scheme. As per the provisions of the Mahatma Gandhi NREG Act, 2005, it is the responsibility of the State Government to ensure transparency and accountability in the implementation of the scheme. In the case of the State of West Bengal, based on central teams' inspection reports highlighting the implementation issues such as financial misappropriation, execution of non-permissible activities, splitting of works, lack of transparency & accountability, the Ministry of Rural Development sent several communications to the State for rectification of the same. However, no noticeable improvements were observed. Consequently, release of funds to the State of West Bengal has been stopped since March 9, 2022, under Section 27 of the Act due to non- compliance with Central Government directives.

Further, Pradhan Mantri Awaas Yojana-Gramin (PMAY-G) was implemented w.e.f. 1st April 2016 to provide assistance to eligible rural households for construction of Pucca houses with basic amenities to achieve the objective of "Housing for All" in rural areas. The Ministry of Rural Development has allocated total targets of 45,69,423 to the state and state has sanctioned 45,69,032 houses and 34,19,432 houses have been completed as on date. The Ministry of Rural Development has already released ₹25,798 crore as central share since FY 2016-17 till FY 2021-22 to the State of West Bengal for implementation of the PMAY-G. However, post allocation of target to the State from the finalised Awaas Plus 2018 survey lists in November 2022, complaints regarding irregularities in implementation of PMAY-G were received. These complaints were verified through National Level Monitoring (NLM) Teams and Senior Officers' Teams.

No Central share of funds have been released to the State of West Bengal under the PMAY-G, during FY 2022-23 to FY 2025-26 (till date) for targets of FY 2022-23 from the finalized Awaas Plus 2018 survey lists due to non-submission of satisfactory Action Taken Reports (ATR) on the observations of the NLM teams and Senior Officers' Teams of the Ministry of Rural Development.

(c) and (d): Besides the funds released under CSS, the Union Government also provides substantial financial resources for capital expenditure / investment to create more conducive business environment to all states including State Government of West Bengal under the Scheme for Special Assistance to States for

Capital Expenditure/Investment. An amount of Rs. 23,073 crore has been released to West Bengal since inception of the scheme in FY 2020-21 to FY 2025-26 (till 28th July, 2025).

TRANSFER OF BLACK MONEY TO FOREIGN COUNTRIES

2345. SHRI ANTO ANTONY:

Will the Minister of **FINANCE** be pleased to state:

- (a) whether the Government has noticed that the black money is being transferred through different banks to different foreign countries to evade income tax;
- (b) if so, the details thereof including the amount transferred by different banks during the last five years, year-wise and bank-wise; and
- (c) the steps taken by the Government to stop such transactions?

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI PANKAJ CHOUDHARY):

(a) and (b): The Income-tax Act, 1961 mandates deduction of tax at source under section 195 read with Rule 37BB of the Income-tax Rules, 1962, at the time of making remittances abroad. Every such remittance is required to be accompanied by self-declaration in Form 15CA from the person responsible for paying to the non-resident and a certificate from a Chartered Accountant in Form 15CB, certifying that he has examined relevant agreement / documents. The authorized dealer is also required to submit quarterly statement in Form 15CC in respect of remittances made.

Further, to enhance the monitoring of outbound remittances, Tax Collected at Source (TCS) on foreign remittances under the Liberalised Remittance Scheme (LRS) was introduced by the Finance Act, 2020 and has been in effect since October 1, 2020. These measures improve financial discipline and provide the Government with greater visibility into the flow of funds abroad through formal banking channels.

In cases where the remittance of tax-evaded income or black money is detected, appropriate action is taken by the Income Tax Department. Such actions include searches, surveys, inquiries, assessments, levy of taxes, penalties, and prosecution in criminal courts, wherever applicable.

However, data regarding all such cases and the amount of money sent abroad in each case is not maintained centrally.

(c): The Government has taken several measures to effectively tackle instances of transfer of tax evaded income to foreign countries through banks. These measures include policy-level initiatives, effective enforcement actions on the ground, putting in place robust legislative and administrative frameworks, systems and processes with due focus on capacity building and data integration and mining through increasing use of information technology. Steps taken by the Government to stop such transactions are detailed as below:

- (i) Black Money (Undisclosed Foreign Income and Assets) and Imposition of Tax Act, 2015 which has come into force w.e.f. 01.07.2015 has been enacted to specifically and effectively deal with the issue of black money stashed abroad.
- (ii) Special Investigation Team (SIT) on Black Money under the Chairmanship and Vice-Chairmanship of two former Judges of the Hon'ble Supreme Court was constituted in May 2014, to coordinate policy and investigation across agencies in matters related to foreign stashing of unaccounted monies.
- (iii) The Government has taken pro-active and effective steps whenever any credible information has been received with regard to black money abroad, whether in HSBC cases, ICIJ cases, Paradise Papers or Panama Papers. These steps include constitution of Multi-Agency Group in relevant cases, calling for definite information from foreign jurisdictions, bringing the black

money to tax under relevant law, launching prosecutions against the offenders etc.

- (iv) The Fugitive Economic Offenders Act, 2018 has been enacted to provide for attachment and confiscation of the proceeds of crime associated with scheduled economic offences and the properties of the fugitive economic offenders and deter them from evading the process of Indian law by remaining outside the jurisdiction of Indian Courts.
- (v) The Government of India has been proactively engaging with foreign governments, for exchange of information, and has entered into tax treaties including Double Taxation Avoidance Agreements, Tax Information Exchange Agreements, the Multilateral Convention on Mutual Administrative Assistance in Tax Matters and the SAARC Multilateral Agreement, with other countries which provide for mutual administrative assistance including exchange of information concerning taxes.
- (vi) India has also joined the Automatic Exchange of Information (AEOI) based on the Common Reporting Standard and receives financial account information of Indian residents in other countries with which the AEOI relationship is activated. India has also entered into an Inter-Governmental Agreement (IGA) with USA in 2015 for sharing of financial account information on automatic basis.
- (vii) Effective enforcement actions have been undertaken including expeditious investigation in foreign assets cases on the basis of information received under

Automatic Exchange of Information. Such actions include searches, surveys, enquiries, assessment of income, levy of taxes, penalties, etc. and filing of prosecution in criminal courts, wherever applicable.

- (viii) Extensive use of information technology and data analytics tools for identification of high-risk cases, expeditious e-verification of suspect cases and consequential enforcement actions in appropriate cases have been undertaken.
- (ix) The Government has brought in a large number of legislative provisions in the Income Tax Act, 1961 to effectively tackle the menace of black money.
- (x) The Government has mandated the linking of Aadhaar with PAN, which will not only help in de-duplication of PAN but will also prevent potential tax frauds.
- (xi) The NUDGE (Non-Intrusive Usage of Data to Guide and Enable) Taxpayers Campaign was launched by the Income Tax Department in November 2024 to improve taxpayers' voluntary compliance for declaration of foreign income and assets. Under the campaign, informational messages were sent via SMS and email to selected resident taxpayers in respect of whom information has been received under the Automatic Exchange of Information that they are holding foreign assets and/ or having income from foreign sources, to accurately report foreign assets and income from foreign sources in their Income Tax Returns. Total of 24,678 taxpayers reported their foreign assets and income in revised

ITRs for AY 2024-25, while 5,483 taxpayers filed belated returns reporting foreign assets worth ₹29,208 crore and foreign income of ₹1,089.88 crore.

The rules also mandate local bodies to investigate and analyze all old open dumpsites and existing operational dumpsites for their potential of biomining and bioremediation and wheresover feasible, take necessary action to bio-mine or bio-remediate the sites.

Central Pollution Control Board has also issued guidelines for Disposal of Legacy Waste (Old Municipal Solid Waste). Also, directions under Section 5 of Environment (Protection) Act, 1986, have been issued to all State Pollution Control Boards / Pollution Control Committees for enforcement of provisions of Solid Waste Management Rules, 2016, regarding biomining of legacy waste.

The Central Government provides additional central assistance under Swachh Bharat Mission for solid waste management in urban and rural areas of the country including for small cities. Swachh Bharat Mission Urban 2.0 (SBM-U 2.0) launched in October 2021 inter alia focusses on bio-remediation of all legacy dump sites.

VACANCIES IN NITs, IITs AND MEDICAL INSTITUTIONS**2348. SHRI A. RAJA:**

Will the Minister of **EDUCATION** be pleased to state:

- (a) the total number of sanctioned posts in National Institutes of Technology (NITs) and Indian Institutes of Technology (IITs), Super Specialties and Medical Institutions across the country;
- (b) whether a large number of posts including reserved categories are lying vacant in above institutions;
- (c) if so, the details thereof;
- (d) the steps taken by Government to fill vacant posts during the last three years;
- (e) whether any special drive conducted to fill up the reserved category seats; and
- (f) if so, the details thereof?

THE MINISTER OF STATE IN THE MINISTRY OF EDUCATION; AND MINISTER OF STATE IN THE MINISTRY OF DEVELOPMENT OF NORTH EASTERN REGION (DR. SUKANTA MAJUMDAR):

(a) to (f): Thirty-one National Institutes of Technology (NITs), Indian Institute of Engineering Science and Technology, Shibpur (IEST), and twenty-three Indian Institutes of Technology (IITs) are presently functioning in the country as autonomous Institutions of National Importance, governed by the provisions of the National Institutes of Technology, Science Education and Research Act, 2007, and the Institutes of Technology Act, 1961, respectively, along with the Statutes framed under the respective Acts.

The sanction of faculty and non-faculty posts in these institutions is done on the basis of faculty-to-student ratio of 1:12 for NITs and 1:10 for IITs, as well as a faculty-to-non-faculty ratio of 1:1.1 for both categories of institutions. This is a dynamic and continuous process, subject to periodic review in accordance with institutional requirements.

In 2019, reservation at the Associate Professor and Professor levels was introduced in NITs and IITs, for the first time through the enactment of the Central Educational Institutions (Reservation in Teachers' Cadre) Act, 2019. Recruitment in these institutions is undertaken in compliance with the provisions of the said Act. This Act removes the difficulty regarding the reservation of posts in appointment by treating University/Central Educational Institution as a unit for the purpose of reservation instead of individual departments. Posts reserved for a particular category can only be filled by eligible persons of that particular category; any unfilled post belonging to any of the reserved category will continue to be re-advertised as backlog vacancy in that particular reserved category in next cycle(s) of recruitment until filled.

Occurring of vacancies and filling thereof is a continuous process. The vacancies arise due to promotion, retirement, resignation, death, schemes or projects, and additional requirements on account of enhanced students' strength and expansion of capacity in existing institutions.

In August, 2021, all Central Higher Education Institutions (CHEIs) under Ministry of Education were requested to undertake special drive to fill backlog vacancies in their institutions. From September 2022, all CHEIs have undertaken Mission Mode recruitment drive to fill the vacancies including those of SCs, STs, OBCs, and EWS. Up to 12.07.2025 (i.e. the date of last RozgarMela), a total number of 28,450 posts have been filled up including 16,507 faculty positions in Mission Mode by all CHEIs. This includes a total of 6551 posts filled up in NITs including 4223 faculty positions and a total of 7092 posts filled up in IITs including 2896 faculty positions.

Similarly, recruitment and creation of posts in Super Speciality and Medical Institutions is an ongoing process, depending on the availability of qualified candidates, reservation roster, the institute's location, etc. Institutes also hire staff on a contractual or outsourced basis as per need. To speed up filling vacancies, several steps have been taken by the Government including setting up Standing Selection Committee at each AIIMS for faculty recruitment, conducting Institute of National Importance Combined Entrance Test (INI-CET) and Institute of National Importance Super Specialty (INI-SS) exams twice a year to select Junior and Senior Residents (Academic) for AIIMS, conducting Centralized Nursing Officer Recruitment Common Eligibility Test (NORCET) by AIIMS Delhi twice yearly for recruitment of Nursing Officers for AIIMS and Central Government Hospitals., and

holding Common Recruitment Examination (CRE) by AIIMS Delhi for Group B and C non-faculty posts across AIIMS and Central Government hospitals.

HIGH DROPOUT RATES OF STUDENTS

2349. SHRI DHARAMBIR SINGH:

SHRI ARUN KUMAR SAGAR:

Will the Minister of **EDUCATION** be pleased to state:

- (a) the details of specific reasons identified for high dropout rates of Students especially in rural and economically weaker sections in the country;
- (b) whether the Government has introduced interventions to address issues like poverty, lack of infrastructure or digital divide as causes of dropout and if so, the details thereof;
- (c) whether there is any plan to introduce community tracking systems or Artificial Intelligency (AI) based alerts to prevent student dropouts in the country, especially in Bhiwani-Mahendragarh of Haryana and similar districts; and
- (d) whether the Government has taken or proposes to take any steps to check dropout rate at primary education level and if so, the details thereof and if not, the reasons therefor?

THE MINISTER OF STATE OF THE MINISTRY OF SKILL DEVELOPMENT AND ENTREPRENEURSHIP; AND MINISTER OF STATE IN THE MINISTRY OF EDUCATION (SHRI JAYANT CHAUDHARY):

(a) to (d): The key reasons for drop out as identified by States/UTs include migration, socio economic condition of families, domestic responsibilities on children, lack of interest of children, poor health of children etc. The Department of School Education and Literacy is implementing Samagra Shiksha, an integrated scheme for school education in 2018-19 covering the entire gamut from pre-school to class XII. The scheme has also been aligned with the recommendations of NEP 2020 to ensure that all children have access to quality education with an equitable and inclusive classroom environment which should take care of their diverse background, multilingual needs, different academic abilities and make them active participants in the learning process.

Samagra Shiksha supports all States and UTs for different interventions like composite school grant to every school for providing a conducive learning environment, grants for science labs, libraries, sports and physical activities, support for Rashtriya Avishkar Abhiyan, ICT and digital initiatives, School Leadership development programme, remedial teaching for academically weaker students, etc.

In order to reduce dropout the scheme includes the provision of opening and strengthening of new schools up to senior secondary level; construction of school buildings and additional classrooms; setting up, up-gradation and running of Kasturba Gandhi Balika Vidyalayas; setting up of Netaji Subhash Chandra Bose Avasiya Vidyalayas; free uniforms, free text books, transport allowance and

undertaking enrolment & retention drives, construction of hostels under Dharti Aaba Janjatiya Gram Utkarsh Abhiyan for unsaturated ST population, reimbursement under RTE Act, various qualitative components, strengthening of teacher education and strengthening of DIETs/BRCs/CRCs, provision of ICT and digital interventions.

Government has also taken initiatives such as Vidya Samiksha Kendra (VSK) and implementation of Automated Permanent Academic Account Registry (APAAR) ID to monitor the drop out and other education indicators. VSK has been developed with strategies designed to enhance the effectiveness of monitoring of educational initiatives and their eventual outcomes. A key feature of VSK is tracking of dropout students, monitoring of students migrating from one school to the other, progress of learning outcomes and real-time monitoring of various interventions, aimed at improving access, students' academic performance and enhancing teachers' accountability in schools. APAAR, as part of the 'One Nation, One Student ID' programme, is a 12-digit lifelong student ID that is linked to Aadhar under a consented framework, as per provisions of the Aadhar Act.

In Budget 2025-26, Government has announced establishment of a Centre of Excellence (CoE) in Artificial Intelligence (AI) for Education with a total outlay of Rs. 500 Cr. This CoE is envisaged to drive innovation, research and development in AI-powered educational tools, to ensure sustainable, inclusive and equitable access to quality education across the country.

The Samagra Shiksha scheme also gives attention to urban deprived children, children affected by periodic migration and children living in remote and scattered habitations. Under the scheme, provision has been made for giving preference to Special Focus Districts (SFDs), Educationally Backward Blocks (EEBs), LWE (Left Wing Extremism) affected districts, and aspirational districts while planning interventions.

In addition, support is provided through special training for age-appropriate admission of Out of School Children and for the training of residential as well as non-residential older children. The provision of seasonal hostels or residential camps, special training centres at worksites, transport/ escort facility are also available for bringing Out of School Children to the formal schooling structure.

Financial assistance upto ₹ 2000 per annum is being provided for Out of School Children of age group of 16-19 years, belonging to socio economically disadvantaged groups, for completing their education through NIOS/SIOS, for accessing course materials and certification.

Under the student-oriented component for the children with special needs of the scheme, financial assistance is provided for identification and assessment of children with special needs, aids and appliances, braille kits and books, appropriate teaching learning material and stipend to girl students with disability etc.

In the review meetings, national workshops and directives etc., all States/UTs have been directed to reduce the dropout rate and number of Out of

School Children (OoSC). Through communication at level of Minister, States/UTs have also been requested to participate in “Bringing Children Back to School” campaign with the full and active engagement of School Management Committees and community involvement through Panchayati Raj Institutions.

Education is in the concurrent list of the Constitution and majority of schools fall under the purview of the State government. The States/UTs including Haryana follow different approaches for preventing dropouts which are specific to different regions or communities based on various factors responsible for dropouts. The need for schools and also the infrastructural facilities in schools, to reduce drop out and ensure retention, are worked out every year by the respective State/Union Territory on incremental basis depending on their need and priority and reflected in their Annual Work plan & Budget (AWP&B). Financial assistance is also provided to States and UTs including Haryana for undertaking various activities to ensure universal access to education.

The Department of School Education and Literacy developed a Management Information System, UDISE starting from the reference year 2018-2019. To further revolutionize the school data collection mechanism and to monitor learning outcome and track dropped-out students, starting from 2022-2023, UDISE+ was revitalized to collect individual student-wise data. Similarly, individual teacher-wise data is also being collected and maintained to promote Good Governance. This

Department has made the UDISE+ 2023-2024 report available in public domain and the same may be accessed at <https://udiseplus.gov.in/#/en/page/publications>.

THE MINISTER OF STATE IN THE MINISTRY OF ENVIRONMENT, FOREST AND CLIMATE CHANGE; AND MINISTER OF STATE IN THE MINISTRY OF EXTERNAL AFFAIRS (SHRI KIRTI VARDHAN SINGH):

(a) to (g): National Clean Air Programme (NCAP) launched by Ministry of Environment, Forest and Climate Change (MoEF&CC) in January 2019 aims to improve air quality in 130 cities (non-attainment cities and Million-Plus Cities) in 24 States/UTs.

A total of 13 cities of Andhra Pradesh have been included out of which 11 cities (Anantapur, Chittoor, Eluru, Guntur, Kadapa, Kurnool, Nellore, Ongole, Rajahmundry Srikakulam and Vizianagaram) are funded under Control of Pollution Scheme of MoEF&CC and 02 cities (Vijayawada and Visakhapatnam) are funded

under 15th Finance Commission Million-Plus City Challenge Fund as an air quality performance grant.

Under NCAP, a total of ₹734.86 crore has been allocated to 13 cities of Andhra Pradesh during FY 2019-20 till FY 2025-26. An amount of ₹384.17 crore has been released and ₹195.19 crore has been utilised so far. Details of funds allocation, release and utilisation of 13 targeted cities of Andhra Pradesh are given in the enclosed **Statement-I**.

The programme leverages mobilisation of resources through convergence of various schemes of Central & State Governments such as Swachh Bharat Mission (Urban), AMRUT, Smart City Mission, PM e-Bus Sewa, Sustainable Alternative Towards Affordable Transportation (SATAT), and Nagar Van Yojana, as well as resources of State Govts. / UT administration, Municipal Corporations and other developmental authorities for implementation of action plans.

Further, MoEFCC has recommended to Department of Expenditure (DoE) for release of an amount of Rs. 67.54 crore as part of 15th Finance Commission air quality grants for FY 2024-25. The said amount could not be released to Vijayawada and Visakhapatnam due to pending compliance from the State Govt. in respect of fulfilling the pre-requisites of DoE guidelines dated 10.08.2021 including notification of floor rates for property tax with growth in property tax in line with simple average growth rate of the State's own GSDP in the recent five years. Ministry has communicated to the State Government to submit the compliance to

access the funds. Criteria for providing funds to Million-Plus cities have been are given in the enclosed **Statement-II**.

City specific Clean Air Action Plans have been prepared by all cities of Andhra Pradesh to implement air quality improvement measures in respective cities. These plans target air pollution mitigation measures addressing various sources like soil & road dust, vehicular emissions, waste burning, Construction & Demolition activities, and industrial pollution.

MoEFCC has revised the guidelines vide letter dated 14.05.2025, and has communicated that funds provided to the cities are to be utilized in 5 key activities including, (i) road improvement works for dust control such as end-to-end pavement of roads and mechanical road sweeping, (ii) greening of open areas and traffic corridors, (iii) improvement of traffic junctions for decongestion, (iv) air pollution control measures in crematoriums, and (v) mass awareness and public outreach.

Further, MoEFCC vide Office Memorandum dated 22.05.2025 has communicated to the cities to implement City Action Plan for 100% saturation in Mission mode by leveraging resources through convergence with the Central & State Govt. Schemes, funds allocated under NCAP and their own resources.

Air quality improvement measures undertaken in the cities of Andhra Pradesh including Visakhapatnam are given in the enclosed **Statement-III**.

Status of air quality improvement of 13 cities of Andhra Pradesh is given in the enclosed **Statement-IV**.

CPCB Nodal Officers have conducted field verification of implementation of city action plans. Further, based on the source apportionment study conducted in Visakhapatnam major sources of the particulate matter pollution include resuspension/ road/soil dust, traffic/vehicular emissions, bulk material handling and biomass usage as fuel. Further, presence of Red category industries and unfavourable dispersion conditions due to unique geographical conditions forming bowl area surrounded by mountains on three side and ocean on the other side has led to higher air pollution levels.

State Pollution Control Board has issued directions to air polluting industries to meet the emission norms along with implementation of the other air pollution control measures. Further municipal corporations have been directed to implement the city action plans in a time bound manner.

क्या वित्त मंत्री यह बताने की कृपा करेंगे कि:

- (क) सरकार द्वारा डिजिटल लेनदेन को बढ़ावा देने और साइबर धोखाधड़ी को रोकने के लिए क्या विशेष कदम उठाए गए हैं; और
- (ख) सरकार द्वारा वित्तीय समावेशन हेतु सहकारी समितियों और सूक्ष्म वित्त संस्थानों के विनियमन और पारदर्शिता को बढ़ाने के लिए क्या उपाय किए गए हैं, ताकि ग्रामीण क्षेत्रों के गरीबों और किसानों को सुगमता से ऋण और सहायता मिल सके?

वित्त मंत्रालय में राज्य मंत्री (श्री पंकज चौधरी):

(क): सरकार, भारतीय रिजर्व बैंक (आरबीआई) और भारतीय राष्ट्रीय भुगतान निगम (एनपीसीआई) डिजिटल भुगतान लेनदेन को बढ़ावा देने के लिए विभिन्न पहल कर रहे हैं। इनमें अन्य बातों के साथ-साथ रुपये डेबिट कार्डों और कम मूल्य वाले भीम-यूपीआई लेन-देन (पी2एम), भुगतान अवसंरचना विकास निधि (पीआईडीएफ) को बढ़ावा देने के लिए प्रोत्साहन योजना शामिल है ताकि अल्प-सेवित क्षेत्रों में डिजिटल भुगतान अवसंरचना के परिनियोजन का समर्थन किया जा सके।

इसके अलावा, भुगतान संबंधी धोखाधड़ी को रोकने के लिए विभिन्न पहलें, जैसे ग्राहक के मोबाइल नंबर और डिवाइस के बीच डिवाइस बाइंडिंग, पिन के माध्यम से दोहरा प्रमाणीकरण, दैनिक लेनदेन सीमा और उपयोग के मामलों पर प्रतिबंध की गई हैं। एनपीसीआई एआई/एमएल-आधारित मॉडलों का उपयोग करके अलर्ट उत्पन्न करने और लेनदेन को अस्वीकार करने के लिए सभी बैंकों को धोखाधड़ी निगरानी समाधान भी प्रदान करता है। आरबीआई और बैंक साइबर अपराध की रोकथाम के लिए लघु एसएमएस, रेडियो अभियान और प्रचार के माध्यम से जागरूकता अभियान चला रहे हैं।

(ख): वित्तीय समावेशन के लिए सहकारी समितियों और सूक्ष्म वित्त संस्थानों के विनियमन और पारदर्शिता को बढ़ाने के लिए समय-समय पर विभिन्न पहल की गई हैं।

- (ग) सरकार द्वारा देश में सांस्कृतिक विरासत के महत्व को बढ़ावा देने हेतु प्रमुख केंद्रों की पहचान करके भावी योजनाओं को कब तक कार्यान्वित किया जाएगा और तत्संबंधी ब्यौरा क्या है?

संस्कृति मंत्री; तथा पर्यटन मंत्री (श्री गजेन्द्र सिंह शेखावत):

- (क): देश भर में 3685 स्मारकों, पुरातत्वीय स्थलों एवं अवशेषों को राष्ट्रीय महत्व के रूप में घोषित किया गया है और इनकी देखभाल भारतीय पुरातत्व सर्वेक्षण द्वारा की जाती है।
- (ख) और (ग): भारतीय पुरातत्व सर्वेक्षण, राष्ट्रीय महत्व के रूप में घोषित स्मारकों और स्थलों के संरक्षण और अनुरक्षण का कार्य, धन और संसाधनों की उपलब्धता को ध्यान में रखते हुए तथा राष्ट्रीय संरक्षण नीति का अनुपालन करते हुए, उनकी संरक्षण की आवश्यकताओं के अनुसार करता है। इसके अतिरिक्त, संरक्षित स्मारकों और स्थलों का देखभाल और अनुरक्षण किया जाना, एक सतत् प्रक्रिया है।

कौशल विकास कार्यक्रम के अंतर्गत आईटीआई की स्थापना

2354. श्री अजय भट्ट:

क्या कौशल विकास और उद्यमशीलता मंत्री यह बताने की कृपा करेंगे कि:

- (क) उत्तराखंड सहित विभिन्न राज्यों में कौशल विकास कार्यक्रम के अंतर्गत स्थापित औद्योगिक प्रशिक्षण संस्थानों की संख्या कितनी है;
- (ख) क्या उक्त सभी केंद्रों ने अपने प्रशिक्षण कार्यक्रम शुरू कर दिए हैं;
- (ग) यदि हाँ, तो तत्संबंधी ब्यौरा क्या है और यदि नहीं, तो इसके क्या कारण हैं; और
- (घ) उक्त प्रशिक्षण कार्यक्रम में शामिल युवाओं की संख्या कितनी है?

कौशल विकास और उद्यमशीलता मंत्रालय के राज्य मंत्री; तथा शिक्षा मंत्रालय में राज्य मंत्री (श्री जयंत चौधरी):

(क) से (ग): कौशल विकास और उद्यमशीलता मंत्रालय (एमएसडीई) के तत्वावधान में प्रशिक्षण महानिदेशालय (डीजीटी) देश के युवाओं को कौशल प्रदान करने के लिए औद्योगिक प्रशिक्षण संस्थानों (आईटीआई) के देशव्यापी नेटवर्क के माध्यम से शिल्पकार प्रशिक्षण योजना (सीटीएस) का कार्यान्वयन करता है।

आईटीआई की स्थापना और दैनंदिन अभिशासन संबंधित राज्य सरकार और संघ राज्य क्षेत्र अभिशासन के अधिकार क्षेत्र में आता है, जबकि संबद्धता के मानदंड निर्धारित करना, प्रमाणन के साथ-साथ परीक्षा आयोजित करने और पाठ्यक्रम तैयार करना जैसी नीतियाँ केंद्र सरकार की जिम्मेदारी हैं। जब भी राज्यों/ संघ राज्य क्षेत्रों से नए आईटीआई की स्थापना के लिए कोई प्रस्ताव प्राप्त होता है, तो उसकी जाँच की जाती है तथा संबद्धता मानकों और मानदंडों के अनुसार निर्णय लिया जाता है।

वर्तमान में, देश भर में 14,615 आईटीआई मौजूद हैं, जिनमें से 3,316 राजकीय और 11,299 निजी आईटीआई हैं। उत्तराखंड राज्य में कुल 174 आईटीआई स्थापित हैं, जिनमें से 103 राजकीय और 71 निजी आईटीआई हैं। राज्य-वार आईटीआई की संख्या संलग्न **विवरण-I** में दी गई है।

ये आईटीआई उन पाठ्यक्रमों में प्रशिक्षण प्रदान करते हैं जिनके लिए उन्हें संबद्धता प्रदान की गई है। यदि कोई आईटीआई लंबे समय तक प्रशिक्षुओं को दाखिला नहीं देता है, तो डीजीटी दिशानिर्देशों

में ऐसे प्रावधान मौजूद हैं, जिसके तहत ऐसे आईटीआई के विरुद्ध उनकी संबद्धता रद्द करने से संबंधित कार्यवाही शुरू की जा सकती है। तदनुसार, जनवरी 2025 में, लगभग 400 आईटीआई की संबद्धता रद्द कर दी गई, क्योंकि उन्होंने पिछले कुछ शैक्षणिक सत्रों के दौरान किसी भी प्रशिक्षु को दाखिला नहीं दिया था।

(घ): आईटीआई में सीटीएस के अंतर्गत, 2014 सत्र से अब तक लगभग 1.37 करोड़ अभ्यर्थियों को प्रशिक्षित किया जा चुका है। वर्ष 2014 सत्र से अब तक प्रशिक्षित अभ्यर्थियों की राज्य-वार संख्या संलग्न **विवरण-II** में दी गई है।

- (b) if so, the details thereof and the steps taken by the Government to ensure proper placement to such students;
- (c) whether the Government has any proposal for a structural reform for a stronger collaboration between industries and academic institutes, if necessary by law to ensure proper placements of outgoing students;
- (d) if so, the details thereof;
- (e) whether the Government has any proposal to make it mandatory that each higher education institution must ideally have at least one formal partnership with industry partners according to their syllabus, if so, the details thereof; and

(f) whether the Government will ensure that educational institutions accountable for placements and create accreditations system aligned with job placements and if so, the details thereof and if not, the reasons therefor?

THE MINISTER OF STATE IN THE MINISTRY OF MICRO, SMALL AND MEDIUM ENTERPRISES; AND MINISTER OF STATE IN THE MINISTRY OF LABOUR AND EMPLOYMENT (KUMARI SHOBHA KARANDLAJE):

(a) to (f): The official data source on Employment and Unemployment is Periodic Labour Force Survey (PLFS) which is conducted by the Ministry of Statistics and Programme Implementation (MoSPI) since 2017-18.

As per the data available in latest Annual PLFS Reports, the estimated Worker Population Ratio (WPR), indicating employment on usual status for youth of age 15-29 years (including students/ graduates from universities/ colleges/ industrial training institutes) has increased from 31.4% in 2017-18 to 41.7% in 2023-24. Further, the estimated Unemployment Rate (UR) for youth (15-29 years) decreased from 17.8% in 2017-18 to 10.2% in 2023-24.

Ministry of Labour and Employment, Government of India, is running the National Career Service (NCS) Portal which is a one-stop solution for providing career related services including information on jobs from private and government sectors, information on online & offline job fairs, job search & matching, career counselling, vocational guidance, information on skill development courses, skill/training programmes etc. through a digital platform [www.ncs.gov.in].

One of the objectives of the NCS scheme is setting up of Model Career Centres (MCCs). The Ministry had approved 407 Model Career Centres (MCCs) across the country. These centres connect local youth and other job-seekers with job opportunities through the use of technology as well as career counselling and training. As such these Model Career Centres (MCCs) act as a hub for organising job fairs, mobilising the employers, providing career counselling at local level etc. in collaboration with States and other institutions for the jobseekers and employers through outreach activities.

As on 14.07.2025, more than 6.43 crore (which inter-alia include Government, Private and Public Sector Undertaking) vacancies have been mobilised on NCS Portal.

In addition, the Union Cabinet has approved Employment Linked Incentive (ELI) Scheme named as the Pradhan Mantri Viksit Bharat Rozgar Yojana to support employment generation, enhance employability and social security across all sectors, with special focus on the manufacturing sector.

Under the Government of India's Skill India Mission (SIM), the Ministry of Skill Development and Entrepreneurship (MSDE) delivers skill, re-skill and up-skill training through an extensive network of skill development centres under various schemes, viz. Pradhan Mantri Kaushal Vikas Yojana (PMKVY), Jan Shikshan Sansthan (JSS), National Apprenticeship Promotion Scheme (NAPS) and Craftsman Training Scheme (CTS) through Industrial Training Institutes (ITIs), to

all the sections of the society across the country. The SIM aims at enabling youth of India to get future ready and equipped with industry relevant skills.

Amongst the schemes of Ministry of Skill Development and Entrepreneurship (MSDE), placements were tracked under the Short-Term Training component of Pradhan Mantri Kaushal Vikas Yojana (PMKVY) in the first three versions (PMKVY1.0, PMKVY 2.0 and PMKVY 3.0) implemented from 2015-16 to 2021-22. During the first three phases of the scheme (i.e. PMKVY 1.0, 2.0 and 3.0), 24.37 lakh candidates were reported placed. Under PMKVY 4.0, the focus is on empowering the trained candidates to choose their varied career path and they are suitably oriented for the same. Further, various IT tools like Skill India Digital Hub (SIDH) also gives this opportunity. As on 30.06.2025, under PMKVY more than 1.64 crore candidates have been trained and 1.29 crore candidates have got certified across the country.

The Government has brought in National Education Policy (NEP) 2020 which aims to integrate vocational education programmes into mainstream education in all educational institutions in a phased manner. Beginning with vocational exposure at early ages in middle and secondary school, quality vocational education will be integrated smoothly into higher education.

To enhance the employability of students, most of the higher educational institutes are revamping their curricula in alignment with industry requirements. They have also introduced, a range of initiatives to enhance students'

preparedness, foster industry collaboration and boost placement success by hosting events like academia / industry conclaves, business summits and motivational talks by CEOs. They also leverage their extensive alumni network to strengthen connections with world class companies. Internships are also actively encouraged to equip students with industry experience and increase opportunities for pre-placement offers.

पर्यावरण, वन और जलवायु परिवर्तन मंत्रालय में राज्य मंत्री; तथा विदेश मंत्रालय में राज्य मंत्री (श्री कीर्ति वर्धन सिंह):

(क) से (घ): भारत सरकार ने पर्यावरण (संरक्षण) अधिनियम, 1986 के तहत खतरनाक अपशिष्ट (प्रबंधन, हैंडलिंग और सीमापार संचलन) नियम, 2008 को अधिक्रमित करते हुए परिसंकटमय और अन्य अपशिष्ट (प्रबंधन और सीमापार संचलन) नियम, 2016 (एचओडब्ल्यूएम नियम, 2016) को अधिसूचित किया है। उक्त नियमों के अनुसार, परिसंकटमय और अन्य अपशिष्टों की हैंडलिंग, उत्पादन, संग्रहण, भंडारण, पैकेजिंग, परिवहन, उपयोग, शोधन, प्रसंस्करण, पुनर्चक्रण, पुनर्प्राप्ति, पूर्व-प्रसंस्करण, सह-प्रसंस्करण, उपयोग, बिक्री के लिए प्रस्तुत, हस्तांतरण या निपटान केवल संबंधित राज्य प्रदूषण नियंत्रण बोर्ड (एसपीसीबी)/प्रदूषण नियंत्रण समिति (पीसीसी) से प्राधिकार प्राप्त करने के बाद और उक्त नियमों के नियम 6 के तहत निर्धारित प्रक्रियाओं के अनुसार किया जाना है।

उक्त नियमों के नियम 20 के तहत निर्धारित प्रावधान के अनुसार, कोई भी व्यक्ति जो परिसंकटमय अपशिष्ट सृजित कर रहा है या उसका प्रबंधन कर रहा है, उसे विनिर्दिष्ट प्रारूप में

दादरा एवं नगर हवेली और दमन एवं दीव प्रदूषण नियंत्रण समिति से प्राप्त सूचना के अनुसार, वे सख्त जाँच, आवश्यक दस्तावेजों और इकाइयों के निरीक्षण के माध्यम से परिसंकटमय अपशिष्ट का सुरक्षित निस्तारण सुनिश्चित करते हैं। इसके अलावा, परिसंकटमय अपशिष्ट सृजित करने वाली इकाइयों को यथाःसंशोधित परिसंकटमय और अन्य अपशिष्ट (प्रबंधन एवं सीमापार संचलन) नियम, 2016 के उपबंधों का अनुपालन सुनिश्चित करने के लिए, अपनी सीएचडब्ल्यूटीएसडीएफ सदस्यता या अधिकृत पुनर्चक्रणकर्ता का दस्तावेज, जैसा भी लागू हो, प्रस्तुत करना अनिवार्य है। इसके अतिरिक्त, दादरा एवं नगर हवेली और दमन एवं दीव प्रदूषण नियंत्रण समिति कारण बताओ नोटिस जारी करती है, इकाइयां बंद करने संबंधी निर्देश देती है, तथा उल्लंघन पाए जाने पर अनुपालन नहीं करने वाले उद्योगों पर पर्यावरण क्षतिपूर्ति लगाती है।

CHECK ON STUBBLE BURNING

2358. KUMARI SELJA:

Will the Minister of **ENVIRONMENT, FOREST AND CLIMATE CHANGE** be pleased to state:

- (a) the main reasons of air pollution in the areas around Punjab, Haryana, Delhi, Chandigarh in North India;

- (b) whether the stubble burning by farmers is the main reason for the increasing air pollution or is there any other reason as well and if so, the details thereof;
- (c) whether the Government has made any plan to control air pollution and check on stubble burning; and
- (d) if so, the details and outcomes thereof?

THE MINISTER OF STATE IN THE MINISTRY OF ENVIRONMENT, FOREST AND CLIMATE CHANGE; AND MINISTER OF STATE IN THE MINISTRY OF EXTERNAL AFFAIRS (SHRI KIRTI VARDHAN SINGH):

- (a) and (b): Air pollution in Delhi - National Capital Region (NCR) is a collective result of multiple factors including high level of anthropogenic activities in the high-density populated areas in NCR, arising from various sectors viz. Vehicular Pollution, Industrial Pollution, Dust from Construction & Demolition activities, Road Dust, Biomass Burning, Municipal Solid Waste burning etc. During winter months, lower temperature, lower mixing heights, temperature inversion conditions and stagnant winds lead to trapping of the pollutants resulting in high pollution in the region. Stubble or biomass burning after harvesting is also one of the main reasons for the increasing air pollution in Delhi- NCR during winter season. Incidences of paddy stubble burning in the northern states of Punjab, Haryana, NCR districts of UP and other areas in NCR are a matter of concern and impact the air quality in the NCR, particularly in the period during October and November.
- (c) and (d): The Government has undertaken various measures to mitigate air pollution caused due to stubble burning, which are mentioned below:

- A Comprehensive Framework has been prepared by Commission for Air Quality Management in National Capital Region and Adjoining Areas (CAQM) for control /elimination of crop residue burning, based on discussions held with the state governments of Punjab, Haryana, Uttar Pradesh, Rajasthan, Government of NCT of Delhi, State Pollution Control Board of NCR States and Delhi Pollution Control Committee (DPCC) and various stakeholders viz. Indian Space Research Organization (ISRO), Indian Council for Agricultural Research (ICAR), Indian Agriculture Research Institute (IARI). Accordingly, NCR states have been directed to draw up detailed state-specific action plans based on the major contours of the framework
- Ministry of Agriculture & Farmers Welfare (MoA&FW) in 2018 launched scheme for providing subsidy for purchase of crop residue management machinery and establishment of custom hiring centres (CHCs) in NCT of Delhi and the States of Punjab, Haryana and Uttar Pradesh for in-situ management of paddy straw. MoA&FW in 2023 revised guidelines under the scheme to support establishment of crop residue/paddy straw supply chain, by providing financial assistance on the capital cost of machinery and equipment.
- An Inter-Ministerial Committee (IMC) has been constituted in December, 2023 under the chairmanship of Special Secretary, MoA&FW for convergence of scheme of Schemes/Initiatives supporting Ex-situ management of paddy

straw. The IMC holds regular meetings with State Governments for effective monitoring and prevention of stubble burning incidents in these states.

- Ministry of Petroleum and Natural Gas (MoPNG) has launched a scheme to provide financial assistance to Compressed Bio-gas producers for procurement of biomass aggregation equipment for ex-situ management of paddy straw.
- Central Pollution Control Board (CPCB) has framed Guidelines for grant of one-time financial support under Environment Protection Charge funds for establishment of pelletization and Torrefaction plants to promote utilisation of paddy straw.
- CAQM has issued directions to all the Coal based Thermal Power Plants located within 300 Kms radius of Delhi to co-fire biomass based pellets, torrefied pellets/ briquettes (upto 5-10%) with coal to promote use of biomass.
- CAQM has issued directions to State Governments of Punjab and Haryana to mandate use of paddy straw-based biomass pellets / briquettes in all brick kilns located in the districts beyond NCR, as one of the means towards elimination of the practice of open paddy stubble burning.
- In order to deter Paddy straw burning in the agriculture fields, this Ministry, vide notification no. G.S.R. 690(E) dated 06.11.2024, has issued the Commission for Air Quality Management in National Capital Region and Adjoining Areas

(Imposition, Collection and Utilization of Environmental Compensation for Stubble Burning) Amendment Rules, 2024 for levying Environmental Compensation on the stubble burning incidents.

Due to the efforts made by all stakeholders, continuous decrease has been observed in Paddy Stubble Burning events in Punjab & Haryana. The number of such events for the states of Punjab and Haryana during harvesting season 15th September to 30th November for 2021-24 is given below.

State	2021	2022	2023	2024
Punjab	71304	49922	36663	10909
Haryana	6987	3661	2303	1406

The above status shows that Paddy Stubble Burning events have reduced by 84.70 % and 79.87 % respectively in Punjab and Haryana in year 2024 when compared with year 2021.

ई-कचरा पुनर्चक्रणकर्ताओं की मिथ्या रिपोर्टिंग

2361. श्री राकेश राठौर:

क्या पर्यावरण, वन और जलवायु परिवर्तन मंत्री यह बताने की कृपा करेंगे कि:

- (क) क्या सरकार को व्यापक स्तर पर माल और सेवा कर (जीएसटी) धोखाधड़ी, फर्जी चालान और ई-कचरा पुनर्चक्रण क्षेत्र में कर विधियों और पर्यावरण मानदंडों का उल्लंघन करने वाले अपंजीकृत विक्रेताओं के बारे में पता है और यदि हां, तो तत्संबंधी ब्यौरा क्या है;
- (ख) क्या सरकार इन अनियमित ऑपरेटरों को औपचारिक प्रणाली में लाने, पारदर्शी तत्समय निगरानी प्रणाली विकसित करने, ई-कचरे के अनौपचारिक परिवहन और मिथ्या रिपोर्टिंग को रोकने के लिए पर्यावरण, वन और जलवायु परिवर्तन मंत्रालय तथा जीएसटी अधिकारियों के बीच बेहतर समन्वय स्थापित करने के लिए कोई ठोस कदम उठा रही है और यदि हां, तो तत्संबंधी ब्यौरा क्या है;
- (ग) क्या सरकार का विस्तारित उत्पादक उत्तरदायित्व नीति में संशोधन करके अनुपालन को सरल बनाने का विचार है और यदि हां, तो तत्संबंधी ब्यौरा क्या है; और
- (घ) क्या सरकार का अनौपचारिक क्षेत्र के श्रमिकों को औपचारिक अर्थव्यवस्था में प्रशिक्षित और एकीकृत करने तथा उत्पादकों और पुनर्चक्रणकर्ताओं के बीच विवादों को सुलझाने के लिए कोई संस्थागत तंत्र स्थापित करने का विचार है और यदि हां, तो तत्संबंधी ब्यौरा क्या है?

पर्यावरण, वन और जलवायु परिवर्तन मंत्रालय में राज्य मंत्री; तथा विदेश मंत्रालय में राज्य मंत्री (श्री कीर्ति वर्धन सिंह):

(क) से (ग): केंद्रीय प्रदूषण नियंत्रण बोर्ड (सीपीसीबी) से प्राप्त जानकारी के अनुसार, उन्हें बड़े पैमाने पर जीएसटी धोखाधड़ी, फर्जी चालान और ई-अपशिष्ट रीसाइक्लिंग क्षेत्र में कर और पर्यावरणीय मानदंडों का उल्लंघन करने वाले अपंजीकृत विक्रेताओं से संबंधित कोई मामला प्राप्त नहीं हुआ है।

मंत्रालय ने ई-अपशिष्ट (प्रबंधन) नियम, 2016 को व्यापक रूप से संशोधित किया है और नवंबर, 2022 में ई-अपशिष्ट (प्रबंधन) नियम, 2022 को अधिसूचित किया है और इसे दिनांक 1 अप्रैल, 2023 से लागू किया गया है। इन नए नियमों में पर्यावरण की दृष्टि से ई-अपशिष्ट का प्रबंधन करने तथा ई-अपशिष्ट

पुनर्चक्रण के लिए उन्नत विस्तारित उत्पादक उत्तरदायित्व (ईपीआर) व्यवस्था लागू करने का प्रावधान है, जिसके तहत सभी निर्माता, उत्पादक, नवीनीकरणकर्ता और पुनर्चक्रणकर्ता को सीपीसीबी द्वारा विकसित पोर्टल पर पंजीकरण कराना आवश्यक है। नये प्रावधान अनौपचारिक क्षेत्र को व्यापार करने के लिए औपचारिक क्षेत्र में लाने तथा पर्यावरण की दृष्टि से अनुकूल तरीके से ई-अपशिष्ट के पुनर्चक्रण को सुनिश्चित करने में सहायता प्रदान करते हैं। पर्यावरण क्षतिपूर्ति तथा सत्यापन एवं लेखापरीक्षा के प्रावधान भी शुरू किए गए हैं। ये नियम ईपीआर व्यवस्था और ई-अपशिष्ट के वैज्ञानिक पुनर्चक्रण/निपटान के माध्यम से चक्रीय अर्थव्यवस्था को भी बढ़ावा देते हैं। इसके अलावा, सीपीसीबी ने ई-अपशिष्ट नियमों के प्रभावी प्रबंधन के लिए निम्नलिखित उपाय किए हैं:

- (i) सीपीसीबी द्वारा एक ऑनलाइन ई-अपशिष्ट ईपीआर पोर्टल विकसित किया गया है, जिसमें ई-अपशिष्ट के उत्पादकों, निर्माताओं, पुनर्चक्रणकर्ताओं और नवीनीकरणकर्ताओं जैसी संस्थाओं को पंजीकृत होना आवश्यक है।
- (ii) सीपीसीबी ने ई-अपशिष्ट के वैज्ञानिक और पर्यावरण की दृष्टि से अनुकूल प्रबंधन के लिए दिशानिर्देश विकसित किए हैं। ये दिशानिर्देश पर्यावरण की दृष्टि से अनुकूल तरीके से ई-अपशिष्ट के पुनर्चक्रण के लिए आवश्यक मशीनरी और प्रदूषण नियंत्रण उपकरणों से संबंधित प्रक्रियाओं और सुविधाओं का विवरण देते हैं।
- (iii) ई-अपशिष्ट (प्रबंधन) नियम, 2022 के कार्यान्वयन हेतु एक कार्य योजना लागू है और सभी राज्य प्रदूषण नियंत्रण बोर्ड (एसपीसीबी)/प्रदूषण नियंत्रण समितियाँ (पीसीसी) अपने-अपने राज्यों/संघ राज्य क्षेत्रों में इसका कार्यान्वयन कर रही हैं। एसपीसीबी/पीसीसी तिमाही प्रगति रिपोर्ट प्रस्तुत कर रहे हैं। कार्य योजना के अनुसार, एसपीसीबी/पीसीसी को अनौपचारिक ई-अपशिष्ट कार्यकलापों की जाँच के लिए नियमित अभियान चलाने और उन्हें औपचारिक बनाने का दायित्व सौंपा गया है ।

- (iv) पंजीकृत संस्थाएं ई-अपशिष्ट पोर्टल पर त्रैमासिक और वार्षिक रिटर्न के माध्यम से अपना अनुपालन प्रस्तुत करती हैं।
- (v) ई-अपशिष्ट (प्रबंधन) नियम, 2022 के अंतर्गत पर्यावरण क्षतिपूर्ति (ईसी) दिशानिर्देश विकसित किए गए हैं, ताकि इन नियमों और दिशानिर्देशों के किसी भी प्रावधान के उल्लंघन के मामले में किसी भी इकाई पर ईसी लगाया जा सके।
- (vi) सीपीसीबी ने ई-अपशिष्ट (प्रबंधन) नियम, 2022 के प्रभावी कार्यान्वयन के लिए एसपीसीबी/पीसीसी को निम्नलिखित निर्देश जारी किए:
- क) जल (प्रदूषण निवारण एवं नियंत्रण) अधिनियम, 1974 और वायु (प्रदूषण निवारण एवं नियंत्रण) अधिनियम, 1981 की धारा 18 (1) (ख) के तहत दिनांक 06.09.2022 को अनौपचारिक ई-अपशिष्ट गतिविधियों की जाँच, ई-अपशिष्ट के अधिकृत विघटनकर्ताओं/पुनर्चक्रणकर्ताओं के सत्यापन और व्यापक जागरूकता अभियान के संबंध में निर्देश।
- ख) पर्यावरण (संरक्षण) अधिनियम, 1986 की धारा 5 के तहत दिनांक 30.01.2024 के ऑनलाइन ई-अपशिष्ट ईपीआर पोर्टल पर उत्पादकों, निर्माताओं, पुनर्चक्रणकर्ताओं और नवीनीकरणकर्ताओं के पंजीकरण के संबंध में निर्देश।
- ग) वित्त वर्ष 2023-24 के लिए उत्पादकों के ईपीआर उत्तरदायित्वों की पूर्ति हेतु ई-अपशिष्ट पुनर्चक्रणकर्ताओं द्वारा ईपीआर प्रमाणपत्रों का सृजन सुनिश्चित करने के लिए पर्यावरण (संरक्षण) अधिनियम, 1986 की धारा 5 के तहत दिनांक 14.02.2024 के निर्देश।
- (घ): इलेक्ट्रॉनिक्स और सूचना प्रौद्योगिकी मंत्रालय (एमईआईटीवाई), भारत सरकार लागत प्रभावी प्रौद्योगिकी सोल्यूशंस , कौशल, क्षमता निर्माण आदि विकसित करने में शामिल है। स्वदेशी तकनीकी

समाधान के साथ सामग्री आपूर्ति श्रृंखला में अनौपचारिक क्षेत्र को शामिल करके उन्हें औपचारिक बनाने के लिए, इलेक्ट्रॉनिक्स और सूचना प्रौद्योगिकी मंत्रालय ने कुछ पहल की हैं जो इस प्रकार हैं:

- इलेक्ट्रॉनिक्स और सूचना प्रौद्योगिकी मंत्रालय ने राष्ट्रीय इलेक्ट्रॉनिक्स और सूचना प्रौद्योगिकी संस्थान (एनआईईएलआईटी) सिक्किम, पंजाब विश्वविद्यालय (पीयू) चंडीगढ़ और इलेक्ट्रॉनिक्स प्रौद्योगिकी सामग्री केंद्र (सीएमईटी) हैदराबाद में ई-अपशिष्ट प्रबंधन पर कौशल और उद्यमिता विकास के माध्यम से क्षमता निर्माण पर एक कार्यक्रम लागू किया था। ई-अपशिष्ट निराकरण, पृथक्करण पर मानक पाठ्यक्रम सामग्री विकसित की गई है, जिसका उद्देश्य निकटवर्ती राज्यों/संघ राज्य क्षेत्रों अर्थात् हरियाणा, पंजाब, चंडीगढ़, आंध्र प्रदेश, सभी पूर्वोत्तर क्षेत्र आदि के अभ्यर्थियों को प्रशिक्षण प्रदान करना है। विकसित पाठ्यक्रम को राष्ट्रीय कौशल योग्यता फ्रेमवर्क (एनएसक्यूएफ) द्वारा मान्यता दी गई है। इस परियोजना के अंतर्गत 1500 से अधिक अभ्यर्थियों को व्यावहारिक प्रशिक्षण दिया गया है। इन राज्यों में निरंतर कार्यक्रम के लिए एनआईईएलआईटी गंगटोक, पीयू चंडीगढ़ और सीएमईटी हैदराबाद में ई-अपशिष्ट विघटन और पृथक्करण प्रशिक्षण केंद्र भी स्थापित किए गए हैं। लाभार्थियों के लिए एक शिक्षण प्रबंधन प्रणाली भी बनाई गई है। उद्योग द्वारा मान्यता प्राप्त कौशल के साथ प्रशिक्षण प्रदान करके क्षमता निर्माण , उदमीयता विकास और सहायता प्रदान करना इस कार्यक्रम के मुख्य उद्देश्य हैं, जिससे बेहतर रोजगार की संभावनाएं पैदा होती हैं,
- इलेक्ट्रॉनिक्स और सूचना प्रौद्योगिकी मंत्रालय द्वारा अनौपचारिक क्षेत्र को औपचारिक मूल्य श्रृंखला में उन्नत करने के लिए एक पूर्ण पारिस्थितिकी तंत्र बनाने के लिए, "एमएसएमई योजना के तहत रीसाइक्लिंग क्लस्टरों के गठन के साथ अनौपचारिक क्षेत्र क्षमता निर्माण उन्नयन और इलेक्ट्रॉनिक अपशिष्ट से संसाधनों की वसूली के लिए सक्षम प्रौद्योगिकी जिससे संसाधन दक्षता और चक्रीय अर्थव्यवस्था को बढ़ावा मिलेगा" पर एक परियोजना शुरू की गई है।

It provides livelihood security, i.e. fall back options for livelihood for the rural households, when no better employment opportunity is available.

Details of average days of employment provided per household under Mahatma Gandhi NREGS in the last five financial years are given below:

Financial Year	Average days of employment provided per Household
2024-25	50.23
2023-24	52.08
2022-23	47.83
2021-22	50.07
2020-21	51.52

The implementation of the Mahatma Gandhi NREGS is the responsibility of the respective State/UT Governments. The Ministry has a comprehensive system of monitoring and review mechanisms for the Mahatma Gandhi NREGS. It regularly reviews the performance of the scheme's implementation in States/UTs through various means, such as Mid-Term Reviews, Labour Budget meetings, Labour Budget revision meetings, and programme review meetings. National Level Monitors, Common Review Missions, and officials from the Ministry visit States/UTs at regular intervals to assess the implementation of the scheme. Additionally, Social Audit and the Ombudsperson mechanism have been established to redress grievances and ensure the scheme is implemented as per the provisions of the

Mahatma Gandhi National Rural Employment Guarantee Act (Mahatma Gandhi NREGA), 2005.

राष्ट्रीय अनुसंधान फाउंडेशन

2367. श्री बजरंग मनोहर सोनवणे:

श्री श्रीरंग आप्पा चंदू बारणे:

श्री भाऊसाहेब राजाराम वाकचौरे:

श्रीमती भारती पारधी:

क्या शिक्षा मंत्री यह बताने की कृपा करेंगे कि:

- (क) राष्ट्रीय अनुसंधान फाउंडेशन (एनआरएफ) की स्थापना और संचालन की प्रगति क्या है;
- (ख) निजी क्षेत्र से अनुमानित 72% योगदान आकर्षित करने पर विशेष ध्यान देते हुए पिछले पाँच वर्षों और वर्तमान वर्ष के दौरान 50,000 करोड़ रुपये के लक्षित वित्तपोषण को प्राप्त करने के लिए क्या विशिष्ट कदम उठाए जा रहे हैं;
- (ग) एनआरएफ किस प्रकार राज्य विश्वविद्यालयों सहित सभी प्रकार के विषयों और संस्थानों में अनुसंधान की संस्कृति को बढ़ावा देगा; और
- (घ) भारतीय उच्च शिक्षा के अंतर्राष्ट्रीयकरण को बढ़ावा देने के संबंध में क्या पहल की जा रही है और अंतर्राष्ट्रीय सहयोग को सुगम बनाकर तथा भारतीय संस्थानों को उच्च वैश्विक रैंकिंग प्राप्त करने के लिए प्रोत्साहित करके विदेशी छात्रों को कैसे आकर्षित किया जा रहा है?

शिक्षा मंत्रालय में राज्य मंत्री; तथा उत्तर पूर्वी क्षेत्र विकास मंत्रालय में राज्य मंत्री (डॉ. सुकान्त मजूमदार):

(क) से (घ): अनुसंधान नेशनल रिसर्च फाउंडेशन (एनआरएफ) की स्थापना एनआरएफ अधिनियम 2023 द्वारा फरवरी, 2024 में की गई है। राष्ट्रीय अनुसंधान फाउंडेशन (एनआरएफ) के कार्यान्वयन की देखरेख के लिए एनआरएफ की कार्यकारी परिषद (ईसी) और शासी बोर्ड की स्थापना की गई है।

एनआरएफ ने लक्षित वित्तपोषण प्राप्त करने के लिए प्रभावी कार्यनीति शुरू की है, जिसमें परोपकारी संगठनों के साथ साझेदारी, उच्च प्रभाव वाले क्षेत्रों में उन्नति के मिशन (एमएचए) के अंतर्गत

मिशन-मोड कार्यक्रमों (नकद/वस्तु) में उद्योग का योगदान शामिल है। डॉक्टरेट अनुसंधान के लिए प्रधानमंत्री फेलोशिप में सार्वजनिक-निजी वित्तपोषण मॉडल, जिसमें फेलोशिप सहायता का 50% भाग लेने वाले उद्योग द्वारा प्रदान किया जाता है।

एएनआरएफ ने पीएआईआर (त्वरित नवाचार और अनुसंधान के लिए साझेदारी) कार्यक्रम शुरू किया है, जिसे राज्य विश्वविद्यालयों सहित उन संस्थानों, जो उन्हें हब और स्पोक ढांचे में पूरी तरह से स्थापित शीर्ष स्तरीय शोध संस्थानों के साथ जोड़कर एक मेंटरशिप मोड में स्थापित करते हैं, की शोध क्षमता को बढ़ावा देने के लिए डिज़ाइन किया गया है।

एएनआरएफ ने कई व्यापक कार्यक्रम/योजनाएं भी शुरू की हैं, जैसे उन्नत अनुसंधान अनुदान (एआरजी), प्रधानमंत्री प्रारंभिक कैरियर अनुसंधान अनुदान (पीएमईसीआरजी) आदि, जो देश भर में विज्ञान और इंजीनियरिंग के अग्रणी क्षेत्रों में अनुसंधान करने के लिए सहायक वातावरण बनाने हेतु शैक्षणिक संस्थानों में युवा शोधकर्ताओं और वैज्ञानिकों को वित्तीय सहायता प्रदान करते हैं।

इसके अतिरिक्त, एएनआरएफ ने पीएचडी पूरी करने के बाद युवा शोधकर्ताओं को सहायता प्रदान करने के लिए राष्ट्रीय पोस्ट डॉक्टरल फ़ेलोशिप (एनपीडीएफ) कार्यक्रम भी शुरू किया है, जो उन्हें देश में बनाए रखने में कारगर है। इसके अलावा, राष्ट्रीय विज्ञान पीठ, जे. सी. बोस अनुदान और प्रधानमंत्री प्रोफेसरशिप कार्यक्रम भी शुरू किए गए हैं, जो राष्ट्रीय और अंतर्राष्ट्रीय दोनों स्तरों पर उत्कृष्ट योगदान के लिए प्रख्यात वरिष्ठ वैज्ञानिकों को सम्मानित करते हैं। इन पहलों का उद्देश्य प्रतिष्ठित शैक्षणिक संस्थानों, अनुसंधान प्रयोगशालाओं और उद्योग के वैज्ञानिकों और संकाय सदस्यों की विशेषज्ञता का लाभ उठाना भी है।

एनईपी 2020 के विज्ञान के अनुरूप, विश्वविद्यालय अनुदान आयोग (यूजीसी) ने भारत में विदेशी उच्चतर शिक्षण संस्थानों (एफएचईआई) के शाखा परिसरों की स्थापना को सुगम बनाने के लिए "यूजीसी (भारत में विदेशी उच्चतर शिक्षण संस्थानों के परिसरों की स्थापना एवं संचालन) विनियम 2023" जारी

किए हैं। इस विनियम के तहत, आज तक 12 विदेशी विश्वविद्यालयों को भारत में अपने परिसर स्थापित करने के लिए यूजीसी द्वारा आशय पत्र (एलओआई) जारी किए जा चुके हैं। साउथेम्प्टन विश्वविद्यालय ने गुरुग्राम में अपना परिसर शुरू कर दिया है। विश्वविद्यालय अनुदान आयोग ने भारतीय और विदेशी उच्चतर शिक्षण संस्थानों के बीच शैक्षणिक सहयोग संबंधी विनियम भी जारी किए हैं ताकि युग्मित, संयुक्त डिग्री और दोहरी डिग्री कार्यक्रम प्रदान किए जा सकें।

इसके अलावा, वैश्विक स्तर पर भारतीय शिक्षा को बढ़ावा दिया जा सके, इसके लिए 'स्टडी इन इंडिया' कार्यक्रम आरंभ किया गया है और जिससे अधिक से अधिक अंतर्राष्ट्रीय छात्र आकर्षित हो सकें। इसके अतिरिक्त, शैक्षणिक एवं अनुसंधान सहयोग संवर्धन योजना (एसपीएआरसी) को पुनर्गठित किया गया है ताकि शीर्ष भारतीय संस्थानों और 28 चुनिंदा देशों के अग्रणी विश्वविद्यालयों के बीच शैक्षणिक सहयोग को बढ़ावा देकर अनुसंधान को सुदृढ़ किया जा सके और भारत की वैश्विक शैक्षणिक उपस्थिति और अनुसंधान क्षमता को बढ़ाया जा सके।

WILDLIFE RESEARCH AND REHABILITATION CENTRE IN LADAKH

2368. SHRI MOHMAD HANEEFA:

Will the Minister of **ENVIRONMENT, FOREST AND CLIMATE CHANGE** be pleased to state:

- (a) whether the Government is aware of increasing instances of human wildlife conflict in Ladakh, especially involving snow leopards and wild yaks;
- (b) if so, the details of compensation schemes available for loss of livestock or damage to crops due to wildlife attack in Ladakh;

- (c) whether any wildlife corridors or eco-sensitive zones have been identified in the region and if so, the details thereof; and
- (d) whether there is any proposal to establish a wildlife research and rehabilitation centre in Ladakh, if so, the details thereof?

THE MINISTER OF STATE IN THE MINISTRY OF ENVIRONMENT, FOREST AND CLIMATE CHANGE; AND MINISTER OF STATE IN THE MINISTRY OF EXTERNAL AFFAIRS (SHRI KIRTI VARDHAN SINGH):

(a): and (b) No human causality has been reported due to attack by wild animals in Ladakh as per the information given by Union Territory Administration of Ladakh. Livestock loss due to attack by wild animals during the last three years is as under:

Financial Year	No. livestock attack cases	No. of livestock killed
2022-23	424	1577
2023-24	402	1093
2024-25	447	1380

The Administration of Union Territory Ladakh has notified ex-gratia compensation schemes for cases of livestock loss, human death, and injury caused by wildlife. These schemes aim to provide immediate relief to local residents affected by human-wildlife conflict.

Further, there is currently no compensation scheme for crop damage caused by wildlife. However, the Department of Wildlife Protection, Union Territory of Ladakh, is actively working to safeguard agricultural lands by providing chain-link

fencing to local communities. This intervention is designed to reduce crop depredation and support the livelihoods of farmers residing in Protected Areas.

(c) and (d): There are three Protected Areas (PAs) in the Union Territory of Ladakh:

- i. High Altitude Cold Desert (Changthang Wildlife Sanctuary)
- ii. Karakoram (Nubra-Shyok) Wildlife Sanctuary
- iii. Hemis High Altitude National Park

No specific wildlife corridors have been formally notified in Ladakh. However, given the unique and fragile highaltitude landscape of the region and the free-ranging nature of wildlife such as snow leopards, Tibetan antelope (chiru), wild yak, and other migratory species, natural movement corridors do exist across the landscape, particularly between these Protected Areas and adjoining habitats, including transboundary areas.

To strengthen wildlife conservation efforts, Rescue and Rehabilitation Centres are currently operational in both Leh and Kargil districts of the Union Territory of Ladakh, providing essential care to injured wild animals before safely releasing them back into their natural habitats.

No proposal to establish a wildlife research and rehabilitation centre in Ladakh has been received by the Ministry as on date.

पीएमकेवीवाई के अंतर्गत प्रशिक्षित युवाओं के रोजगार परिणाम

2369. श्री कुलदीप इंदौरा:

क्या कौशल विकास और उद्यमशीलता मंत्री यह बताने की कृपा करेंगे कि:

- (क) क्या संपूर्ण देश में प्रधानमंत्री कौशल विकास योजना (पीएमकेवीवाई) के अंतर्गत लगभग 1.43 करोड़ युवाओं को प्रशिक्षित किया गया है और यदि हाँ, तो तत्संबंधी ब्यौरा क्या है;
- (ख) क्या केवल लगभग 47 लाख प्रशिक्षित युवा ही रोजगार या स्वरोजगार में लगे हुए हैं, जो कुल प्रशिक्षित युवाओं के एक-तिहाई से भी है;
- (ग) यदि हाँ, तो क्या यह सच है कि प्रशिक्षण पाठ्यक्रमों और उद्योग की आवश्यकता के बीच अंतर के कारण यह रोजगार अनुपात कम रहा है;
- (घ) क्या सरकार की प्रशिक्षण की गुणवत्ता में सुधार, प्रमाणन की मान्यता और राज्य-विशिष्ट मांग-आधारित प्रशिक्षण पाठ्यक्रमों के कार्यान्वयन के लिए कोई कार्ययोजना है और यदि हाँ, तो तत्संबंधी ब्यौरा क्या है; और
- (ङ) क्या सरकार का उक्त योजना के अंतर्गत सुधारात्मक नीतिगत उपायों के कार्यान्वयन के स्वतंत्र मूल्यांकन के लिए किसी तृतीय-पक्ष अभिकरण को नामित करने का विचार है और यदि हाँ, तो तत्संबंधी ब्यौरा क्या है?

कौशल विकास और उद्यमशीलता मंत्रालय के राज्य मंत्री; तथा शिक्षा मंत्रालय में राज्य मंत्री (श्री जयंत चौधरी):

(क): कौशल विकास एवं उद्यमशीलता मंत्रालय (एमएसडीई) वर्ष 2015 से अपनी प्रमुख योजना, प्रधानमंत्री कौशल विकास योजना (पीएमकेवीवाई) का क्रियान्वयन कर रहा है। इसका उद्देश्य देश भर के युवाओं को अल्पकालिक प्रशिक्षण (एसटीटी) के माध्यम से कौशल विकास प्रशिक्षण प्रदान करना और पूर्व-अधिगम मान्यता (आरपीएल) के माध्यम से कौशलीकरण उन्नयन एवं पुनर्कौशलीकरण करना है। पीएमकेवीवाई के अंतर्गत, वर्ष 2015 से 30.06.2025 तक, देश भर में 1.64 करोड़ उम्मीदवारों को प्रशिक्षित/अभिविन्यस्त किया जा चुका है। वर्ष 2015 से 30.06.2025 तक पीएमकेवीवाई के अंतर्गत प्रशिक्षित उम्मीदवारों का राज्य/संघ राज्यक्षेत्र-वार ब्यौरा संलग्न **विवरण** में दिया गया है।

(ख) और (ग): पीएमकेवीवाई के अंतर्गत, योजना के पहले तीन संस्करणों, पीएमकेवीवाई 1.0 (2015-16), पीएमकेवीवाई 2.0 (2016-20) और पीएमकेवीवाई 3.0 (2020-22) में अल्पकालिक प्रशिक्षण (एसटीटी) घटक के अंतर्गत प्लेसमेंट पर नज़र रखी गई। पीएमकेवीवाई 4.0 (2022-26) के अंतर्गत, प्रशिक्षित उम्मीदवारों को अपने विविध करियर पथ चुनने में सक्षम बनाने पर ध्यान केंद्रित किया गया है और यह उपयुक्त रूप से अभिविन्यस्त है। पीएमकेवीवाई के पहले तीन संस्करणों के अंतर्गत, 56.89 लाख एसटीटी प्रमाणित उम्मीदवारों में से, 24.3 लाख उम्मीदवारों, जो 43% हैं, को प्लेसमेंट प्राप्त होने की सूचना मिली है।

(घ) : भारत सरकार ने पीएमकेवीवाई के अंतर्गत प्रशिक्षण की गुणवत्ता में सुधार, प्रमाणन की मान्यता और राज्य-विशिष्ट माँग-आधारित प्रशिक्षण पाठ्यक्रमों के कार्यान्वयन के लिए कई पहल की है। प्रत्यायित और संबद्ध प्रशिक्षण केंद्रों के द्वारा प्रशिक्षक प्रशिक्षण (टीओटी) प्रमाणित प्रशिक्षकों के माध्यम से राष्ट्रीय कौशल योग्यता ढाँचे (एनएसक्यूएफ) के अनुरूप नौकरी की भूमिकाओं में प्रशिक्षण दिया जा रहा है। गुणवत्तापूर्ण कार्यान्वयन सुनिश्चित करने के लिए एक मजबूत निगरानी तंत्र - वास्तविक और विच्युत दोनों - मौजूद है। उद्योग जगत में अनुभव के लिए, ऑन-द-जॉब प्रशिक्षण (ओजेटी) को अल्पकालिक कौशलीकरण कार्यक्रमों में एकीकृत किया गया है। गुणवत्ता निगरानी और प्रमाणन के लिए स्किल इंडिया डिजिटल हब (सिद्ध) जैसे डिजिटल उपकरणों का उपयोग किया जा रहा है।

इसके अलावा, कौशल प्रमाणपत्रों के आकांक्षात्मक मूल्य को बढ़ाने के लिए, कौशलीकरण और औपचारिक शिक्षा के बीच समानता स्थापित करने हेतु राष्ट्रीय क्रेडिट ढाँचा (एनसीआरएफ) शुरू किया गया है। यह पूर्व-अधिगम मान्यता (आरपीएल) सहित सभी एनएसक्यूएफ-अनुकूल कौशल-आधारित योग्यताओं के क्रेडिटीकरण को सक्षम बनाता है, जिसके क्रेडिट अकादमिक बैंक ऑफ क्रेडिट (एबीसी) में संग्रहीत होते हैं। यह ढाँचा कई प्रवेश और निकास विकल्पों की सुविधा भी प्रदान करता है, जिससे

शिक्षा, कार्य और कौशलीकरण के बीच लचीले रास्ते बनते हैं। कुशल उम्मीदवारों को मान्यता प्रदान करने के लिए वार्षिक दीक्षांत समारोह आयोजित किए जाते हैं।

इसके अतिरिक्त, कौशल अंतराल अध्ययनों, जिला कौशल विकास योजनाओं (डीएसडीपी) और उद्योग-प्रासंगिक प्रशिक्षण की रूपरेखा तैयार करने अवार्डिंग बौडीज के साथ सक्रिय सहयोग के माध्यम से निर्धारित मांग के आधार पर प्रशिक्षण प्रदान किया जाता है। राज्यों को जिला-स्तरीय कौशल अंतराल अध्ययनों के समर्थन से स्थानीय मांग के आधार पर प्रशिक्षण लक्ष्य प्रस्तावित करने के लिए प्रोत्साहित किया जाता है।

(ड): नीति आयोग द्वारा अक्टूबर 2020 में रोजगार और कौशल क्षेत्र के अंतर्गत पीएमकेवीवाई 2.0 का मूल्यांकन किया गया था। इस अध्ययन के अनुसार, सर्वेक्षण में शामिल लगभग 94% नियोक्ताओं ने बताया कि वे पीएमकेवीवाई के तहत प्रशिक्षित अधिक उम्मीदवारों को नियुक्त करेंगे। इसके अलावा, पूर्णकालिक/अंशकालिक रोजगार में नियुक्त और पूर्व-अधिगम मान्यता (आरपीएल) घटक के अंतर्गत अभिविन्यस्त 52% उम्मीदवारों को या तो अधिक वेतन मिला या उन्हें लगा कि उन्हें अपने अप्रमाणित समकक्षों की तुलना में अधिक वेतन मिलेगा।

इसके अतिरिक्त, भारतीय लोक प्रशासन संस्थान (आईआईपीए) द्वारा पीएमकेवीवाई 2.0 का एक तृतीय-पक्ष प्रभाव मूल्यांकन भी किया गया। मूल्यांकन के अनुसार, लगभग 70.5% सर्वेक्षण किए गए उम्मीदवारों को उनके इच्छित कौशल क्षेत्र में नियुक्ति प्राप्त हुई। पीएमकेवीवाई 4.0 का तृतीय-पक्ष मूल्यांकन अभी प्रक्रियाधीन है।

THE MINISTER OF CULTURE; AND MINISTER OF TOURISM (SHRI GAJENDRA SINGH SHEKHAWAT):

(a) to (d): With the aim to develop iconic tourist centres in the country, the Ministry of Tourism issued operational guidelines along with detailed project report template under Special Assistance to the States for Capital Investment (SASCI). Accordingly, 87 projects were received from the States on the online portal and 40 projects were sanctioned under the scheme for ₹3295.76 Crore with 100% central funding.

Ministry of Tourism does not directly undertake Public Private Partnership (PPP) projects under its current centrally sponsored schemes including Swadesh Darshan Scheme, which are 100% funded by the Central Government.

However, the Ministry of Tourism as part of DoE's Scheme - SASCI (Special Assistance to State for Capital Investment- Creating Iconic Tourist Centres), evaluated the project proposals submitted by the state governments. As part of this scheme, to encourage private sector participation in the tourism sector, the states were required to share potential PPP projects at selected tourism destinations as part of the evaluation criteria. These projects are envisaged to be implemented and monitored by the respective State Governments.

Under SASCI scheme, the Ministry advised the State Governments to calculate the final carrying capacity after assessing the physical carrying capacity and limiting factors as part of its DPR. The details of the projects sanctioned under SASCI scheme along with details of fund disbursement and estimated carrying capacity

details as submitted by the State Governments in their DPR are given in the enclosed **Statement**.

(a) and (b) : Ministry of Culture through Sangeet Natak Akademi (SNA), the nodal implementing agency for Intangible Cultural Heritage (ICH), examines the proposal(s) received from the community/ stakeholders for inclusion/ nomination to the UNESCO'S Representative List of ICH of Humanity.

For inclusion of an element in the UNESCO's Representative List of ICH, the state parties are required to submit nomination dossier on the relevant element for evaluation and examination by UNESCO Committee. As per UNESCO's latest Operational Directives, each member state is permitted to nominate only one element every two years for possible inscription. In this context, India has nominated the 'Deepavali' Festival for the 2024–25 cycle. The nomination will be considered during the 20th session of the Intergovernmental Committee for the Safeguarding of the Intangible Cultural Heritage, scheduled to be held in New Delhi in December 2025.

Presently, no such proposal is under consideration for inclusion to the UNESCO Representative List of the Intangible Cultural Heritage of Humanity.

(c): The Ministry of Culture, Government of India, has designated Sangeet Natak Akademi as the nodal agency for coordinating India's nominations to various

UNESCO Intangible Cultural Heritage (ICH) lists, as well as for undertaking related responsibilities such as the development and maintenance of the National Inventory of ICH.

Inclusion in the UNESCO Representative List of the Intangible Cultural Heritage of Humanity begins with the element being inventorized in the National Inventory. For this purpose, detailed documentation—including videos, photographs, and a brief description of the element—is submitted for consideration.

SHRI BENNY BEHANAN:

- (b) whether it is fact that largest amount of Non-Performing Assets (NPAs) are waive off by the SBI and if so, the details thereof;
- (c) the number of wilful defaulters among the amount written off by public sector banks during the above period and the total outstanding amount due to such defaulters as on date along with the measures taken by the Government to reduce the amount of NPA;
- (d) the number of loan accounts having outstanding amount more than Rs. 1 crore and more than Rs. 3 crore, written off by public sector banks during the above period, year-wise; and
- (e) whether the PSBs including SBI waived off loans for farmers and small businessmen and if so, the details thereof along with the number of wilful defaults started in the Covid and Post-Covid period?

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI PANKAJ CHOUDHARY):

(a) to (e): The Reserve Bank of India (RBI) has apprised that information regarding non-performing assets (NPAs) written-off in respect of category 'corporate' is not

maintained by it. However, as per RBI data, the information on write-offs in category 'Large Industries and Services' is collected by RBI.

Therefore, bank-wise, year-wise and category-wise details of loans written-off by PSBs for domestic operations, for categories Agriculture and Allied Activities, MSME (Micro, Small, Medium Enterprises), Large – Industry & Services and Retail loans, during the last five financial years are at are given in the enclosed **Statement-I**.

As per the inputs received from the Public Sector Banks (PSBs), including SBI, banks have not waived-off loans given to the borrowers.

Banks write-off NPAs, including, *inter-alia*, those in respect of which full provisioning has been made on completion of four years, as per RBI guidelines and policy approved by banks' Boards. Such write-off does not result in waiver of liabilities of borrowers and therefore, it does not benefit the borrower. The borrowers continue to be liable for repayment and banks continue to pursue recovery actions initiated in these accounts.

Further, recovery in written-off loans is an ongoing process and banks continue pursuing their recovery actions initiated against borrowers under the various recovery mechanism available to them, such as filing of a suit in Civil Courts or in Debts Recovery Tribunals, action under the Securitisation and Reconstruction of Financial Assets and Enforcement of Security Interest Act, filing of cases in the National Company Law Tribunal under the Insolvency and Bankruptcy Code, etc.

RBI has apprised that the number of wilful defaulters among the amount written off by PSBs, is not maintained by it. However, as per RBI data on wilful defaulters (excluding overseas borrowers) reported by PSBs in Central Repository of Information on Large Credits (CRILC), the details of unique borrowers classified as wilful defaulters are as under.

As on	Number of Unique Borrowers classified as Wilful Defaulter	Aggregate loan outstanding (in crore Rs.)
31-03-2022	2,280	2,05,461
31-03-2023	2,120	1,85,773

31-03-2025	2,101	1,78,766
30-06-2025	2,104	1,76,693

Comprehensive measures have been taken by the Government and RBI to recover and reduce NPAs, enabled by which gross NPAs of PSBs have been declining during the last five financial years as shown below.

Amount in crore Rs.

As on	Gross NPAs	Gross NPA Ratio (%)
31.03.2021	6,16,616	9.11
31.03.2022	5,40,958	7.28
31.03.2023	4,28,197	4.97
31.03.2024	3,39,541	3.47
31.03.2025	2,83,650	2.58

Source: RBI (provisional data for FY 2024-25)

Measures taken include, *inter alia*, the following:

- (1) Change in credit culture has been effected, with the Insolvency and Bankruptcy Code (IBC) fundamentally changing the creditor-borrower relationship, taking away control of the defaulting company from promoters/owners, and debarring wilful defaulters from the resolution process. To make the process more stringent, personal guarantor to corporate debtor has also been brought under the ambit of IBC.
- (2) The Securitisation and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002 and the Recovery of Debt and Bankruptcy Act have been amended to make it more effective.
- (3) Pecuniary jurisdiction of Debt Recovery Tribunal (DRTs) was increased from Rs. 10 lakhs to Rs. 20 lakhs to enable the DRTs to focus on high value cases resulting in higher recovery for the banks and financial institutions.
- (4) Public Sector Banks have set-up specialized stressed assets management verticals and branches for effective monitoring and focused follow-up of NPA accounts, which facilitates quicker and improved resolution/ recoveries. Deployment of Business correspondents and adoption of Feet-on-street model have also boosted the recovery trajectory of NPAs in banks.
- (5) Prudential Framework for resolution of stressed assets was issued by RBI to provide a framework for early recognition, reporting and time bound resolution of stressed assets, with a build-in incentive to lenders for early adoption of a resolution plan.

As per PSBs inputs, year-wise number of loan accounts written-off by PSBs, each having outstanding amount of more than Rs. 1 crore and more than Rs. 3 crore, during the last five financial years, are given in the enclosed **Statement-II**.

NET BORROWING CEILING

2380. SHRI RAMASAHAYAM RAGHURAM REDDY:

Will the Minister of **FINANCE** be pleased to state:

- (a) the details of Net Borrowing Ceilings fixed by the Government and actual borrowings of States during the last five year, State-wise;
- (b) the details of Off-Budget Borrowings of States during the last five years, State-wise;
- (c) whether the Government has placed any mechanism to adjust Off-Budget Borrowings while determining the Net Borrowing ceiling; and
- (d) if so, the details thereof?

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI PANKAJ CHOUDHARY):

(a): Based on recommendations of the Finance Commission, the annual Net Borrowing Ceiling (NBC) of all States is fixed as a percent of the Gross State Domestic Product (GSDP). Moreover, in view of the resource requirement to meet the challenges posed by the COVID-19 pandemic, the Government of India had enhanced the borrowing limit of the States by 2 percent of their Gross States Domestic Product (GSDP) for the year 2020-21. The State-wise details of Net Borrowing Ceilings fixed by the Union Government during the last five years are given in the enclosed **Statement-I**. As per the information provided by Reserve

Bank of India (RBI), the State-wise actual open market borrowings during the last five years are given in the enclosed **Statement-II**.

(b) to (d): Instances of Off-budget borrowings by certain State Public Sector companies, Special Purpose Vehicles (SPVs) and other equivalent instruments, where principal and/or interest are to be serviced out of the State Budgets had come to the notice of the Ministry of Finance. Considering the effect of bypassing the NBC by such borrowings by some States, as it was decided and communicated to the States in March 2022 that borrowings by State Public Sector companies/corporations, Special purpose vehicles (SPVs) and other equivalent instruments, where principal and/or interest are to be serviced out of the State Budgets and/or by assignment of taxes/cess or any other State's revenue, shall be considered as Borrowings made by the State itself for the purpose of issuing the consent under Article 293(3) of the Constitution of India.

The details of Off-Budget Borrowings from FY 2021-22 to FY 2024-25 by State Public Sector companies/corporations, Special Purpose Vehicles (SPVs) and other equivalent instruments, where principal and/or interest are to be serviced out of the State Budgets and/or assignment of taxes/cess or any other State's revenue as declared by the State Governments are given in the enclosed **Statement-III**.

अनुचित तरीके से पीएचडी की डिग्री जारी करने के संबंध में जांच

2385. श्री अशोक कुमार रावत:

क्या शिक्षा मंत्री यह बताने की कृपा करेंगे कि:

(क) क्या कुछ विश्वविद्यालयों/महाविद्यालयों में छात्रों को प्रदान की गई पीएचडी की डिग्री की जांच की जा रही है; और

(ख) यदि हां, तो विश्वविद्यालय अनुदान आयोग के क्षेत्राधिकार में आने वाले महाविद्यालयों की कुल संख्या कितनी है?

शिक्षा मंत्रालय में राज्य मंत्री; तथा उत्तर पूर्वी क्षेत्र विकास मंत्रालय में राज्य मंत्री (डॉ. सुकान्त मजूमदार):

(क) और (ख): विश्वविद्यालय अनुदान आयोग (यूजीसी), अधिनियम 1956 की धारा 22 के प्रावधानों के तहत डिग्री देने या प्रदान करने का अधिकार केवल विश्वविद्यालयों के पास है। शिक्षा की गुणवत्ता के मानक को बनाए रखने के लिए, यूजीसी ने दिनांक 07.11.2022 को विश्वविद्यालय अनुदान आयोग (पीएचडी डिग्री प्रदान करने के लिए न्यूनतम मानक और प्रक्रिया) विनियम, 2022 तैयार और अधिसूचित किए हैं।

जब भी यूजीसी को हितधारकों से विश्वविद्यालयों द्वारा पीएचडी विनियमों के उल्लंघन की शिकायतें प्राप्त होती हैं, तो यूजीसी की स्थायी समिति द्वारा ऐसी शिकायतों की जाँच की जाती है। अब तक, यूजीसी ने 92 विश्वविद्यालयों, जिनके विरुद्ध शिकायतें प्राप्त हुई थीं, की जाँच की है।

एक राष्ट्र, एक मिशन: प्लास्टिक प्रदूषण समाप्त करें

(ग) क्या सरकार की सभी स्थानीय निकायों और पंचायतों के लिए राष्ट्रीय प्लास्टिक अपशिष्ट रिपोर्टिंग पोर्टल को अनिवार्य बनाने की योजना है और यदि हाँ, तो तत्संबंधी ब्यौरा क्या है;

(घ) विस्तारित उत्पादक उत्तरदायित्व (ईपीआर) दिशानिर्देश लागू होने के बाद से अब तक प्लास्टिक प्रतिबंध और पुनर्चक्रण संबंधी प्रयासों का क्या मापनीय प्रभाव पड़ा है; और

(ङ) क्या गैर-अनुपालन के लिए कोई दंडात्मक तंत्र है और यदि हाँ, तो तत्संबंधी ब्यौरा क्या है?

पर्यावरण, वन और जलवायु परिवर्तन मंत्रालय में राज्य मंत्री; तथा विदेश मंत्रालय में राज्य मंत्री (श्री कीर्ति वर्धन सिंह):

(क) और (ख): पर्यावरण, वन और जलवायु परिवर्तन मंत्रालय ने दिनांक 5 जून 2025 को भारत मंडपम, नई दिल्ली में 'एक राष्ट्र, एक मिशन: प्लास्टिक प्रदूषण समाप्त करें' के नारे के साथ विश्व पर्यावरण दिवस 2025 मनाया। विश्व पर्यावरण दिवस 2025 से पहले एक महीने तक चलने वाली अभियान पूर्व कार्यकलापों के तहत, देश भर में लगभग 69,000 कार्यक्रम आयोजित किए गए, जिनमें लगभग 21 लाख लोगों ने भाग लिया।

इस कार्यक्रम में 'संपूर्ण सरकार' और 'संपूर्ण समाज' के दृष्टिकोण को अपनाते हुए उद्योग जगत, नागरिक समाज, छात्रों और राज्यों तथा संबंधित केन्द्रीय मंत्रालयों के सरकारी अधिकारियों ने भाग लिया।

माननीय प्रधानमंत्री ने विश्व पर्यावरण दिवस (5 जून, 2025) के अवसर पर 'एक पेड़ माँ के नाम' पहल के तहत बरगद के पौधे के रोपण के साथ एक विशेष वृक्षारोपण पहल का नेतृत्व किया, जिससे पर्यावरण संरक्षण के प्रति भारत की प्रतिबद्धता की पुष्टि हुई। यह पौधा अरावली ग्रीन वॉल परियोजना के एक भाग के रूप में लगाया गया, जिसका उद्देश्य अरावली पर्वतमाला के 700 किलोमीटर क्षेत्र में पुनः वनरोपण करना है। उन्होंने दिल्ली सरकार की संधारणीय परिवहन पहल के तहत 200 इलेक्ट्रिक बसों को भी हरी झंडी दिखाई, जो स्वच्छ शहरी यातायात को बढ़ावा देती हैं और पारिस्थितिक संतुलन के प्रति राष्ट्र की सामूहिक ज़िम्मेदारी का प्रतीक हैं।

राष्ट्रीय प्लास्टिक प्रदूषण न्यूनीकरण अभियान (एनपीपीआरसी) भी दिनांक 5 जून से 31 अक्टूबर 2025 की अवधि के लिए शुरू किया गया, जिसमें कई योजनाबद्ध कार्यकलाप शामिल हैं। इस अभियान में स्वच्छता ही सेवा कार्यक्रम के अंतर्गत टाइगर रिजर्व और शहरी तथा ग्रामीण क्षेत्रों में प्लास्टिक प्रदूषण को कम करने के कार्यकलाप शामिल हैं। इन कार्यकलापों में विशेष अभियान 5.0 के दौरान सरकारी कार्यालयों में एकल उपयोग प्लास्टिक के उपयोग को कम करने पर भी ध्यान केंद्रित किया जाएगा। एकल-उपयोग प्लास्टिक के पर्यावरणीय विकल्पों पर एक हैकथॉन और प्लास्टिक प्रदूषण को समाप्त करने के विषय पर कविता लेखन, नारा लेखन और स्किट (नुककड़ नाटक) जैसी रचनात्मक प्रतियोगिता के माध्यम से युवाओं को शामिल करना अभियान का हिस्सा है।

(ग): दिनांक 14 मार्च, 2024 को अधिसूचित प्लास्टिक अपशिष्ट प्रबंधन (संशोधन) नियम, 2024 के अनुसार, प्रत्येक शहरी स्थानीय निकाय और जिला स्तर पर पंचायत प्रत्येक वर्ष 30 जून तक निर्धारित प्रपत्र में वार्षिक रिपोर्ट तैयार कर ऑनलाइन प्रस्तुत करेंगे, जो क्रमशः शहरी विकास विभाग और ग्रामीण विकास विभाग को और संबंधित राज्य प्रदूषण नियंत्रण बोर्ड या प्रदूषण नियंत्रण समिति को भी प्रस्तुत की जाएगी। वार्षिक रिपोर्टों का अनिवार्य ऑनलाइन प्रस्तुतीकरण, बहु-चरणीय प्रत्यक्ष रिपोर्टिंग से हटकर

एक परिवर्तनकारी कदम है। राष्ट्रीय प्लास्टिक अपशिष्ट रिपोर्टिंग पोर्टल दिनांक 5 जून 2025 को लॉन्च किया गया था।

(घ): पर्यावरण, वन और जलवायु परिवर्तन मंत्रालय ने दिनांक 12 अगस्त 2021 को प्लास्टिक अपशिष्ट प्रबंधन संशोधन नियम, 2021 अधिसूचित किया था, जिसके तहत अभिज्ञात एकल उपयोग प्लास्टिक (एसयूपी) वस्तुओं, जिनकी उपयोगिता कम है और कूड़ा फैलाने की संभावना अधिक है, को 1 जुलाई 2022 से प्रतिबंधित कर दिया गया था। देशभर में स्थानीय प्राधिकारियों के साथ मिलकर सीपीसीबी/एसपीसीबी/पीसीसी द्वारा अभिज्ञात एकल उपयोग प्लास्टिक वस्तुओं पर प्रतिबंध लागू करने के लिए नियमित प्रवर्तन अभियान चलाए गए हैं। एसपीसीबी/पीसीसी द्वारा उपलब्ध कराए गए विवरण और एसयूपी अनुपालन निगरानी पोर्टल पर उपलब्ध विवरण के अनुसार, कुल 8,61,740 निरीक्षण किए गए हैं और 1985 टन प्रतिबंधित एकल उपयोग प्लास्टिक वस्तुओं को जब्त किया गया है और कुल 19.82 करोड़ रुपये का जुर्माना लगाया गया है।

अभिज्ञात एकल उपयोग प्लास्टिक वस्तुओं पर प्रतिबंध से नवीन पर्यावरण-विकल्पों के विकास को बढ़ावा मिला है। केन्द्र सरकार, राज्य सरकारों और स्थानीय प्राधिकारियों ने पर्यावरण अनुकूल विकल्पों की ओर कदम बढ़ाए हैं। राज्य प्रदूषण नियंत्रण बोर्डों और प्रदूषण नियंत्रण समितियों द्वारा उपलब्ध कराई गई जानकारी के आधार पर, पर्यावरण, वन और जलवायु परिवर्तन मंत्रालय और केंद्रीय प्रदूषण नियंत्रण बोर्ड ने "प्रतिबंधित एकल उपयोग प्लास्टिक वस्तुओं के पर्यावरणीय अनुकूल-विकल्पों के निर्माताओं/विक्रेताओं का संग्रह" तैयार किया है, जिसे विश्व पर्यावरण दिवस, 2025 पर लॉन्च किया गया। इस संग्रह में देश भर में फैली लगभग 1000 इकाइयों का विवरण दिया गया है। पर्यावरण-अनुकूल विकल्पों के विकास को ध्यान में रखते हुए, भारतीय मानक ब्यूरो ने पहले ही कृषि उप-उत्पादों से बने खाद्य परोसने वाले बर्तनों के लिए भारतीय मानक आईएस 18267 अधिसूचित कर दिया था।

प्लास्टिक पैकेजिंग पर केंद्रीकृत ईपीआर पोर्टल के अनुसार, 51838 उत्पादक, आयातक और ब्रांड मालिक तथा 2948 प्लास्टिक अपशिष्ट प्रसंस्करणकर्ता पोर्टल पर पंजीकृत हैं। दिनांक 16 फरवरी 2022 को प्लास्टिक पैकेजिंग पर विस्तारित उत्पादक उत्तरदायित्व (ईपीआर) दिशानिर्देशों की अधिसूचना के बाद से, लगभग 157 लाख टन प्लास्टिक पैकेजिंग अपशिष्ट का पुनर्चक्रण किया जा चुका है।

(ड): प्लास्टिक अपशिष्ट प्रबंधन नियमों में केंद्रीय प्रदूषण नियंत्रण बोर्ड द्वारा अधिसूचित दिशानिर्देशों के अनुसार इन नियमों के उपबंधों का अनुपालन नहीं करने वाले व्यक्तियों पर प्रदूषक भुगतान सिद्धांत के आधार पर पर्यावरणीय क्षतिपूर्ति लगाने का एक अलग प्रावधान है। सीपीसीबी ने अगस्त, 2024 में पर्यावरण क्षतिपूर्ति के आकलन के लिए संशोधित दिशानिर्देश जारी किए हैं। राज्यों/संघ राज्य क्षेत्रों में संबंधित अधिकारियों द्वारा उल्लंघन पर कार्रवाई भी की गई है, जिसमें प्रतिबंधित एकल उपयोग प्लास्टिक वस्तुओं को जप्त करना और कानून के अनुसार जुर्माना लगाना शामिल है।

AFFORESTATION AND REFORESTATION SCHEMES

2397. SHRI SHRIRANG APPA CHANDU BARNE:

SHRIMATI BHARTI PARDHI:

SHRI BHAUSAHEB RAJARAM WAKCHAURE:

SHRI SANJAY HARIBHAU JADHAV:

Will the Minister of **ENVIRONMENT, FOREST AND CLIMATE CHANGE** be pleased to state:

- (a) the details of afforestation and reforestation work done under the Green India Mission/National Afforestation Programme/"Ek Ped Maa Ke Naam" schemes during the last three years and the current year, State-wise including Maharashtra;
- (b) the details of total area covered under afforestation and reforestation programmes especially in Maharashtra in comparison with the target set in this regard;
- (c) the details of the existing mechanisms to ensure the survival of the saplings planted thereof along with the details of the post plantation monitoring framework; and
- (d) the details of species planted during the said years along with the difference between native and exotic species and the ecological impact of these plantations on local biodiversity and water level?

THE MINISTER OF STATE IN THE MINISTRY OF ENVIRONMENT, FOREST AND CLIMATE CHANGE; AND MINISTER OF STATE IN THE MINISTRY OF EXTERNAL AFFAIRS (SHRI KIRTI VARDHAN SINGH):

(a) and (b): The Ministry is undertaking afforestation and reforestation work through ongoing schemes such as the National Mission for a Green India (GIM), Nagar Van Yojana (NVY), and the Mangrove Initiative for Shoreline Habitat and Tangible Benefits (MISHTI), among others. Afforestation activities are also being carried out through the Compensatory Afforestation Fund Management and Planning Authority (CAMPA). The Ministry also promotes mass plantation drives on occasions such as International Day of Forests, World Environment Day, Van Mahotsav, Wildlife Week, etc., and raises awareness through campaigns. The '*Ek Ped Maa Ke Naam*' campaign, launched on 5th June 2024, encourages citizens to plant trees in honour of one's mother.

The overall afforestation and reforestation work taken up by the States/UTs, including Maharashtra, under various schemes/programs is given in the enclosed **Statement**. In the current year, Maharashtra has reported the plantation of 2,616,633 saplings under the overarching "*Ek Ped Maa Ke Naam*" campaign which is implemented in convergence with various afforestation and reforestation schemes/programs.

(c): Monitoring of plantations follows a multi-tiered approach involving both Central and State mechanisms. State Forest Departments conduct annual physical verification and third-party monitoring, and submit *.kml* files and geo-tagged

photographs to the Ministry. Corrective maintenance drives are taken up based on survival assessments. The Ministry has also launched the National Afforestation Monitoring System (NAMS) to strengthen centralized, transparent monitoring using geospatial tools. The Forest Survey of India (FSI), a premier national organisation under the Ministry, undertakes forest resource surveys and assessment of changes in forest cover.

(d): Species selection for afforestation activities is based on ecological suitability and site-specific conditions, with a strong preference for native species, and it varies from State to State. Exotic species are avoided unless they serve specific ecological or socio-economic purposes and are approved by the concerned State authority. Native species contribute to maintaining local biodiversity, soil health, and water table recharge, while exotic species, if not carefully managed, may alter local ecology, affect water availability, or displace native flora/fauna. States have been encouraged to prioritize native, multi-species with site-specific suitability for plantations for ecological and community benefits.

BLACK MONEY IN FOREIGN BANKS

2398. SHRI DEEPENDER SINGH HOODA:

Will the Minister of **FINANCE** be pleased to state:

- (a) whether the Government is aware that Indian deposits in Swiss banks have increased over threefold in 2024, reaching approximately Rs. 37,600 crore, as per Swiss National Bank data;
- (b) if so, the details thereof and the reasons therefore;
- (c) the total quantum of black money held by Indians in foreign banks along with the details and quantum of money brought back during the last five years;
- (d) the steps taken since 2014 to identify, investigate and repatriate illicit foreign deposits held by Indian citizens and what measurable outcomes have been achieved; and
- (e) whether the Government acknowledges the failure of current mechanisms to curb the flight of black money abroad and if so, the measures being planned to prevent further outflows and ensure accountability.

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI PANKAJ CHOUDHARY):

(a) and (b): There are some media reports based on Swiss National Bank (SNB) statistics which mention that Indian linked funds in Swiss banks have risen in 2024 as compared to previous year's amount. The media reports also mention that as per Swiss authorities, the data in respect of SNB statistics includes, inter alia, amounts due in respect of customer deposits (including in foreign branches of Swiss Banks located in any country), other liabilities as well as amounts due to banks, and that the Swiss authorities have clarified that the SNB annual banking statistics should not be used for analysing deposits held by residents of India in Switzerland.

It is stated that Switzerland has been providing annual financial information about Indian residents since 2018 under the Automatic Exchange of Information (AEOI) framework. The first data transmission to Indian authorities occurred in September 2019, and the exchange has continued since then. Further, India receives information about foreign assets and income from 100 + foreign tax jurisdictions. Whenever any instance of tax evasion is detected, appropriate action under Direct Tax Laws, including searches, surveys, enquiries, assessment of income, levy of taxes, penalties etc. and filing of prosecution complaints in criminal court, wherever applicable, is taken.

(c): There is no expression as 'black money' in the Income Tax Act, 1961 (ITA) or in the Black Money (Undisclosed Foreign Income and Assets) and Imposition of Tax Act, 2015 (BMA). Further, since the Black Money (Undisclosed Foreign Income and

Assets) and Imposition of Tax Act, 2015 came into force on 1st July, 2015, 684 disclosures involving undisclosed foreign assets worth Rs. 4164 crores were made during the one-time three months compliance window, under BMA, from 1st July, 2015 to 30th September, 2015. The amount collected by way of tax and penalty in such cases was about Rs. 2476 Crores. Furthermore, till 31.03.2025, 1021 assessments have been completed under the Black Money (Undisclosed Foreign Income and Assets) and Imposition of Tax Act, 2015 (BMA) raising tax and penalty demand of over Rs. 35,105 crores approximately and 163 prosecutions complaints have been filed. The tax demand gets crystallized conclusively when appeals, if any, preferred before CIT(A), ITAT, Hon'ble High Court and Hon'ble Supreme Court are decided. Notably, from 01.07.2015 to 31.03.2025 recovery to the tune of Rs.338 Crores has been made against tax/ penalty/ interest demand raised under the Black Money (Undisclosed Foreign Income and Assets) and Imposition of Tax Act, 2015.

(d): Steps taken since 2014 to identify, investigate and repatriate illicit foreign deposits held by Indian citizens are listed as below:

- (i) Special Investigation Team (SIT) on Black Money under the Chairmanship and Vice-Chairmanship of two former Judges of the Hon'ble Supreme Court was constituted in May 2014, to coordinate policy and investigation across agencies in matters related to foreign stashing of unaccounted monies.

- (ii) Black Money (Undisclosed Foreign Income and Assets) and Imposition of Tax Act, 2015 which has come into force w.e.f. 01.07.2015 has been enacted to specifically and effectively deal with the issue of black money stashed abroad.
- (iii) Effective enforcement actions have been undertaken including expeditious investigation in foreign assets cases. Such actions include searches, surveys, enquiries, assessment of income, levy of taxes, penalties, etc. and filing of prosecution in criminal courts, wherever applicable.
- (iv) The Government has taken pro-active and effective steps whenever any credible information has been received with regard to black money abroad, whether in HSBC cases, ICIJ cases, Paradise Papers or Panama Papers. These steps include constitution of Multi-Agency Group in relevant cases, calling for definite information from foreign jurisdictions, bringing the black money to tax under relevant law, launching prosecutions against the offenders etc.
- (v) The Fugitive Economic Offenders Act, 2018 has been enacted to provide for attachment and confiscation of the proceeds of crime associated with scheduled economic offences and the properties of the fugitive economic offenders and deter them from evading the process of Indian law by remaining outside the jurisdiction of Indian Courts.
- (vi) The Government of India has been proactively engaging with foreign governments, for exchange of information, and has entered into tax treaties

including Double Taxation Avoidance Agreements, Tax Information Exchange Agreements, the Multilateral Convention on Mutual Administrative Assistance in Tax Matters and the SAARC Multilateral Agreement, with other countries which provide for mutual administrative assistance including exchange of information concerning taxes.

(vii) India has also joined the Automatic Exchange of Information (AEOI) based on the Common Reporting Standard and receives financial account information of Indian residents in other countries with which the AEOI relationship is activated. India has also entered into an Inter-Governmental Agreement (IGA) with USA in 2015 for sharing of financial account information on automatic basis.

(viii) The NUDGE (Non-Intrusive Usage of Data to Guide and Enable) Taxpayers Campaign was launched by the Income Tax Department in November 2024 to improve taxpayers' voluntary compliance for declaration of foreign income and assets. Under the campaign, informational messages were sent via SMS and email to selected resident taxpayers in respect of whom information has been received under the Automatic Exchange of Information that they are holding foreign assets and/ or having income from foreign sources, to accurately report foreign assets and income from foreign sources in their Income Tax Returns. Total of 24,678 taxpayers reported their foreign assets and income in revised ITRs for AY 2024-25, while 5,483 taxpayers filed

belated returns reporting foreign assets worth ₹29,208 crore and foreign income of ₹1,089.88 crore.

(e): The current mechanisms have been successful in preventing the proliferation of black money, and have promoted a concerted global effort for curtailing bank secrecy for tax purposes and promoting tax transparency. These measures have further been accompanied by digitization and formalization of economy which have led to further reduction in the opportunities for proliferation of black money.

NCS/NFS POSTS IN CENTRAL UNIVERSITIES**2400. SHRI RAHUL GANDHI:**

Will the Minister of **EDUCATION** be pleased to state:

- (a) the total number of teaching posts advertised in each Central University during the last ten years, post-wise (Assistant Professor, Associate Professor and Professor), category-wise (UR, SC, ST, OBC, EWS and PwD) and year-wise;
- (b) the total number of advertised teaching posts declared as No Candidate Shortlisted (NCS) or Not Found Suitable (NFS), academic position-wise, category-wise, university-wise and year-wise;
- (c) the number of instances where Central Universities did not provide any reasons for declaring positions as NCS or NFS during the recruitment process; and
- (d) if so, the details thereof?

THE MINISTER OF STATE IN THE MINISTRY OF EDUCATION; AND MINISTER OF STATE IN THE MINISTRY OF DEVELOPMENT OF NORTH EASTERN REGION (DR. SUKANTA MAJUMDAR):

(a) to (d): Government of India has substantially increased the sanctioned faculty posts to 18951 in 2025 from 16324 in 2014. Despite 16% increase in total sanctioned faculty posts, the faculty vacancies reduced from 36.04% in 2014 to 25.8% by 2025. There is a similar increase of 52% in sanctioned faculty posts for SC, ST, OBC categories from 4701 in 2014 to 7153 in 2025. Concerted efforts have also been made to fill up the vacant teaching posts and there is 136.9% increase in filled posts in the reserved category faculty posts from 1909 in 2014 to 4523 in

2025. Further, more than 8150 faculty positions have been filled in all categories in Central Universities through special recruitment drives under mission recruitment. The Central Educational Institutions (Reservation in Teachers Cadre) Act, 2019 has been notified on 09.07.2019 which provides for reservation of posts in direct recruitment for persons belonging to Scheduled Castes (SCs), Scheduled Tribes (STs), Other Backward Classes (OBCs), and Economically Weaker Sections (EWS) in the Teacher's Cadre of Central Educational Institutions established, maintained, or aided by the Central Government. This Act removes the difficulty regarding the reservation of posts in appointment by treating University/Central Educational Institution as a unit for the purpose of reservation instead of individual departments. Further, by this Act from the year 2019, reservation was provided to Other Backward Class (OBC) in recruitment in Associate Professor and Professor level. Earlier reservation to OBC was only in Assistant Professor level. Posts reserved for a particular category can only be filled by eligible persons of that particular category; any unfilled post belonging to any of the reserved category will continue to be readvertised as backlog vacancies in that particular reserved category in next cycle(s) of recruitment until filled. Further, the mandatory condition of PhD for Assistant Professor has also been relaxed.

Applications are invited through an open advertisement(s); the eligible candidates can apply. Selection Committees, duly constituted for recruitment under the relevant provisions, make recommendations regarding suitability of the

candidates for the post(s) and accordingly, appointments are made on the basis of the recommendations of the Selection Committees. The UGC Regulation on “Minimum Qualifications for appointment of teachers and other academic staff in Universities and Colleges, 2018” provide for a transparent and objective selection procedure. As per said UGC Regulation 2018, Selection Committee for appointment of teachers among others consists of representatives of SC/ST/OBC/minority/women/differently-able categories, if any of candidates from any of this category is an applicant.

Central Universities are statutory autonomous organisations established under the respective Central Acts of Parliament and governed by the provisions of the Acts, Statutes, Ordinances made thereunder. Administrative and academic decisions are taken by the Central Universities with the approval of statutory bodies in accordance with statutory provisions and the relevant regulations/guidelines of the University Grants Commission (UGC). Occurrence of vacancies and filling up of posts is a continuous process. Ministry of Education and University Grants Commission (UGC) regularly monitor the institutions and the Central Universities are advised from time to time to fill up the vacancies in regular mode.

RESTRUCTURING OF DEBT OF VARIOUS CORPORATIONS/SPVs

2401. SHRI CHAMALA KIRAN KUMAR REDDY:

Will the Minister of **FINANCE** be pleased to state:

- (a) the current status of the request from the State Government of Telangana for restructuring of debt of various Corporations/SPVs owned by the State Government;
- (b) whether the Government has issued or is considering to issue appropriate instructions to the relevant financial institutions for the restructuring of these loans;
- (c) if so, the details thereof and if not, the reasons therefor; and
- (d) the steps taken/being taken by the Government to support States facing debt servicing challenges?

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI PANKAJ CHOUDHARY):

(a) to (c): A request was received from the State Government of Telangana regarding restructuring of loans raised by the Special Purpose Vehicles (SPVs) that are serviced from the State Consolidated Fund under Kaleshwaram Lift Irrigation Scheme. As per the information received from Ministry of Power, the State Government of Telangana has been informed that Kaleshwaram Irrigation Project Corporation Limited (KIPCL), a special purpose vehicle (SPV) established to construct the Kaleshwaram Lift Irrigation Project in Telangana, was financed by Power Finance Corporation Limited (PFC Ltd.) and Rural Electrification Corporation (REC) Limited.

These Non-Banking Financial Companies (NBFCs) raise funds from various sources in the domestic and offshore markets. Based on their cost of borrowing, they determine the lending rates, which also depend on the grading of borrower. The REC Limited has already granted a time extension for the completion of works until December, 2024 at the request of KIPCL. Further, it was also informed to the State Government that rebate on interest rate may be considered upon the completion/closure of these projects. However, any change in loan amortization schedule would result in the downgrade of KIPCL's account classification (from standard to Sub-standard) in the books of PFC/REC Ltd.in accordance with the guidelines issued by the Reserve Bank of India.

(d): All States including State Government of Telangana have enacted their Fiscal Responsibility and Budget Management (FRBM) Act, which makes the State Government responsible to ensure prudence in fiscal management and fiscal stability by progressive elimination of revenue deficit, reduction in fiscal deficit, prudent debt management consistent with fiscal sustainability, greater transparency in fiscal operations of the government. Compliance to the Fiscal Responsibility and Budget Management (FRBM) Act is monitored by the State Legislature. The Government of India provides substantial financial support to States through devolution of taxes & duties, grant in aid for Centrally Sponsored Schemes, supports various projects under Central Sector Schemes and provided

financial assistance for capital works under the scheme for Special Assistance to States for Capital Investment.

BLUE CARBON PROJECT

2403. SHRI S. JAGATHRATCHAKAN:

Will the Minister of **ENVIRONMENT, FOREST AND CLIMATE CHANGE** be pleased to state:

- (a) the details regarding the total number of blue carbon ecosystem restoration projects under the National Mission for Clean Ganga and Coastal Restoration programmes during the years 2023-24 and 2024-25, State and project-wise;
- (b) the quantum of Union Government funding allocated specifically for mangrove restoration in Gulf of Mannar, Marine National Park and Pichavaram wetlands under the Nationally Determined Contributions framework;

- (c) the technical assistance provided by the Government for developing carbon credit mechanisms from Tamil Nadu's coastal restoration initiatives and revenue potential assessed; and
- (d) the integration of Traditional Ecological Knowledge from Tamil Nadu fishing communities in the Government's blue carbon project guidelines and implementation frameworks?

THE MINISTER OF STATE IN THE MINISTRY OF ENVIRONMENT, FOREST AND CLIMATE CHANGE; AND MINISTER OF STATE IN THE MINISTRY OF EXTERNAL AFFAIRS (SHRI KIRTI VARDHAN SINGH):

(a): Blue carbon ecosystems such as mangroves, seagrass meadows, and salt marshes are coastal and marine habitats that naturally capture and store carbon dioxide from the atmosphere. As informed by the Ministry of Jal Shakti, the *Namami Gange Programme* (National Mission for Clean Ganga - NMCG) is a comprehensive river rejuvenation initiative. While it mainly focuses on sewage treatment, riverfront development, afforestation, wetland and biodiversity conservation, and public awareness, some of which indirectly support blue carbon sequestration. Under this programme, scientific afforestation along the Ganga has been undertaken based on a Detailed Project Report (DPR) by the Forest Research Institute (FRI), Dehradun. Since 2016–17, NMCG has funded State Forest Departments of Uttarakhand, Uttar Pradesh, Bihar, Jharkhand, and West Bengal for plantations along the river. So far, a total of 33,024 hectares of plantation has been carried out under the programme. Details are as follows:

State wise plantation data (Year 2016-17 to 2022-23)	
State	Achievement (Area in ha.)
Uttarakhand	12306
Uttar Pradesh	9166
Bihar	8554
Jharkhand	884
West Bengal	2115
Total	33024

(b): India's Nationally Determined Contributions (NDCs) under the Paris Agreement do not specifically mention "blue carbon ecosystems" as a separate target. However, they emphasize increasing forest and tree cover to create an additional carbon sink of 2.5 to 3 billion tonnes of CO₂ equivalent by 2030. While not directly stated, the protection and restoration of blue carbon ecosystems like mangroves, seagrasses, and salt marshes support India's broader climate goals of mitigation and adaptation.

The Ministry has sanctioned a total amount of ₹ 220.43 lakhs to the State of Tamil Nadu for mangrove restoration activities, including those at Pichavaram, during the period from 2017–2018 to 2022–2023, under the “Conservation and Management of Mangroves and Coral Reefs” component of the National Coastal Mission.

Recently, to promote mangrove conservation, the Union Budget 2023–24 announced the Mangrove Initiative for Shoreline Habitats & Tangible Incomes (MISHTI). Launched by the Ministry of Environment, Forest & Climate Change on

5th June 2023 (World Environment Day), MISHTI aims to enhance mangrove ecosystems for their high carbon storage capacity and role as coastal bio-shields. The initiative is being implemented through convergence with State CAMPA, MGNREGS, and other state schemes, with gap-funding from National CAMPA. The State of Tamil Nadu has not yet submitted a plan to seek funding under MISHTI.

(c): Government of India has notified the Carbon Credit Trading Scheme (CCTS) on 28th June 2023 under Energy Conservation (Amendment) Act, 2022. CCTS has two mechanisms namely, compliance mechanism and offset mechanism. The Indian government provides technical assistance to states for developing carbon credit mechanisms through various initiatives and bodies, including the Bureau of Energy Efficiency (BEE) and the National Steering Committee for the Indian Carbon Market (NSCICM). However, under CCTS no technical assistance have been given to Tamil Nadu or any other states.

(d): The Ministry currently does not have explicit guidelines or a dedicated implementation framework for Blue Carbon projects. However, restoration efforts targeting key Blue Carbon ecosystems—namely mangroves, seagrasses, and salt marshes—have been undertaken across all coastal States and Union Territories. These initiatives have actively involved local communities, leveraging their Traditional Ecological Knowledge (TEK) to enhance the effectiveness and sustainability of restoration outcomes.

The scheme was revamped as 'Swadesh Darshan 2.0 (SD2.0)' with the aim to develop sustainable tourism destinations with tourist and destination centric approach and has sanctioned 52 projects. In addition, the Ministry has also sanctioned 36 projects under 'Challenge Based Destination Development (CBDD)', a sub-scheme of Swadesh Darshan. Further Government of India under 'Special Assistance to the States for Capital Investment (SASCI)' scheme has also sanctioned 40 projects in the country. The projects under the above mentioned scheme were sanctioned on receipt of the project proposals from the States, its assessment, availability of funds, inter-se priority etc. Details of projects sanctioned under SD2.0, CBDD and SASCI are given in the enclosed **Statement.**

The Swadesh Darshan 2.0 scheme recognizes that in order to minimize the negative impacts and maximise positive impacts, sustainable and responsible tourism is a key. It encourages adoption of principles of sustainable tourism including environmental sustainability, socio-cultural sustainability and economic sustainability. The scheme focuses on development of variety of tourism projects including new emerging trends in order to provide enhanced experience to the tourists.

No specific study has been undertaken to incorporate emerging trends in Swadesh Darshan scheme. However, the scheme guidelines provide an illustrative list of components which can enhance tourism potential covering tourism core products, tourism activities, performing art infra, sanitation & safety, connectivity & parking, general site development, soft interventions etc. The projects sanctioned under Swadesh Darshan 2.0, CBDD and SASCI schemes include a variety of projects covering various tourism trends and immersive experiences such as beach experience, cave experience, adventure, border experience, meditation centre, convention centre, religious & spiritual aspects, bird sanctuary, historical theme park, tribal culture experience, fort, bio-diversity and eco-recreation, sub-marine tourism etc.

In order to provide better connectivity, the Ministry under its schemes also provides assistance for last mile connectivity. The Ministry co-ordinates with concerned line Ministries to improve connectivity including road and air connectivity.

As informed by Ministry of Civil Aviation (MoCA), MoCA has launched Regional Connectivity Scheme - Ude Desh ka Aam Nagrik (RCS-UDAN) on 21.10.2016 to enhance regional air connectivity from unserved and underserved airports in the country and make air travel affordable to the masses. During the 3rd round of bidding under the UDAN Scheme, a total of 106 tourism-specific routes were incorporated at the request of Ministry of Tourism.

A total of 53 Tourism RCS routes operated till 31.01.2025 under UDAN with 100% VGF support by Ministry of Tourism, providing direct air connectivity to tourist destinations and cultural sites in the country.

The government has also announced the launch of modified UDAN Scheme to increase regional connectivity to 120 new destinations across the country and cater to 4 crore passengers in the next 10 years. The scheme will also support helipads and smaller airports in hilly, aspirational and North East Region districts.

The Ministry has launched the revamped version of Incredible India Digital Platform (IIDP) as a comprehensive resource of travellers and stakeholders interested in exploring the country's rich cultural heritage, natural beauty and diverse attractions. The IIDP uses an AI-powered tool that personalizes visitor experiences by offering real-time weather updates, city exploration, and essential travel services. REDUCTION OF TAX RATES FOR SALARIED INDIVIDUALS

2412. SHRI DUSHYANT SINGH:

Will the Minister of **FINANCE** be pleased to state:

- (a) the manner in which the reduction in tax rates and standard deduction for salaried individuals are likely to benefit the middle class in terms of overall financial relief; and

(b) the measures being taken by the Government to monitor the long-term impact of these tax changes on domestic consumption and economic growth?

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI PANKAJ CHOUDHARY):

(a): Finance Act, 2025 has provided substantial relief under the new tax regime with new slabs and tax rates as under: -

Total income	Rate of tax
Upto Rs. 4,00,000	Nil
From Rs. 4,00,001 to Rs. 8,00,000	5 per cent
From Rs. 8,00,001 to Rs. 12,00,000	10 per cent
From Rs. 12,00,001 to Rs. 16,00,000	15 per cent
From Rs. 16,00,001 to Rs. 20,00,000	20 per cent
From Rs. 20,00,001 to Rs. 24,00,000	25 per cent
Above Rs. 24,00,000	30 per cent

Slabs and rates have been changed across the board to benefit all taxpayers. The new structure substantially reduces the taxes of the middle class and leaves more money in their hands, boosting household consumption, savings and investment.

Finance Act, 2025 has increased the income threshold for claiming a tax rebate under section 87A of the Income-tax Act, 1961 ('the Act') for resident individual taxable under the new tax regime under section 115BAC of the Act from Rs 7 lakhs to Rs 12 lakhs, and the maximum rebate amount has been raised from

Rs 25,000 to Rs 60,000. Marginal relief as provided earlier under the new tax regime is also applicable for income marginally higher than Rs. 12,00,000.

These measures will play a significant role in creating a fair and equitable system of direct taxation that ensures no additional burden of direct taxes on the working and middle-class population of the country.

(b): There are no specific or separate measures taken to monitor the long-term impact of these reforms in taxation on domestic consumption and economic growth.

Details of State/UT-wise total number of registered factories inspected, including hazardous factories, registered under the Factories Act, 1948 during the last ten years (2014-2023) are given in the enclosed **Statement**.

The decrease in inspections as reported in Directorate General Factory Advice Service & Labour Institutes (DGFASLI) report may have been due to restrictions prevailing in the country on account of COVID pandemic.

DGFASLI organizes specialized training programmes for the Inspector of Factories appointed by the State Governments under the Factories Act, 1948. The basic course for Factory Inspectors is designed for fresh recruits with the objective of imparting technical knowledge and skills in the field of safety and health.

Note: Total GST evasion data includes ITC fraud cases.

(c) and (d): There are various steps/measures taken by Central Government & GSTN to help in improving compliance and preventing tax evasion such as digitization through E-invoicing, GST analytics such as automated risk assessment based on compliance attributes of taxpayer, highlighting of outliers based on system-flagged mismatches, providing actionable intelligence with an aim to manage GST revenue risks through various tools, generating inputs regarding GST non-compliances or evasion on the basis of identifying anomalies in taxpayer behaviour (such as potential tax evasion, fraudulent registration, and suspicious e-way bill activity etc.) and selection of returns for scrutiny and selection of taxpayers for audit based on various risk parameters. These measures are helpful in safeguarding the revenue and nabbing the evaders. Certain projects were also undertaken such as "Project Anveshan" (Analytics, Verification, Shortlisting of Anomalies) whereby newer techniques like Facial Recognition System (FRS), E-way bill data etc. were used for early identification of GSTINs with propensity for fake/ fraudulent activity to generate Intelligence reports.

While the above measures contribute to revenue collection, impact of such measures in identifying systemic gaps, improving compliance and preventing recurring tax evasion is not ascertainable.

The outcomes such as revenue growth and reduction in instances of tax evasion cannot be attributed solely to all or any individual such measure, as various other factors such as global economic conditions, economic growth in the country,

level of domestic consumption of goods & services, tax rate etc. are also relevant for this.

EFFLUENT TREATMENT PLANTS

2418. SHRIMATI SHAMBHAVI:

DR. SHRIKANT EKNATH SHINDE:

SHRI NARESH GANPAT MHASKE:

SHRI RAVINDRA DATTARAM WAIKAR:

Will the Minister of **ENVIRONMENT, FOREST AND CLIMATE CHANGE** be pleased to state:

- (a) the total number of industries currently equipped with functional Effluent Treatment Plants (ETPs) across the country, State-wise;
- (b) the data on the percentage of industries in compliance with prescribed effluent discharge standards;
- (c) the action taken against industries for non-compliance with wastewater treatment norms during last three year and the current year, sector-wise along with the current status of implementation of Zero Liquid Discharge (ZLD) in water-stressed industrial zones;
- (d) the details of the initiatives taken/proposed to be taken to promote the installation and upgradation of ETPs and Common Effluent Treatment Plants (CETPs) in industrial clusters, and to ensure the compliance of environmental norms related to the treatment of industrial wastewater; and

(e) whether the Government is considering to mandate treated wastewater reuse in industrial cooling, construction and landscaping to reduce freshwater consumption, if so, the details thereof?

THE MINISTER OF STATE IN THE MINISTRY OF ENVIRONMENT, FOREST AND CLIMATE CHANGE; AND MINISTER OF STATE IN THE MINISTRY OF EXTERNAL AFFAIRS (SHRI KIRTI VARDHAN SINGH):

(a) to (d): As per the available records, there are total 69,854 industries which requires ETP as identified by SPCBs/PCCs. out of which, 67,956 industries are having functional ETPs. The state wise details are given in the enclosed **Statement-I**. Action as deemed fit for the industries without ETP and non-complying with the standards has been taken by concerned SPCBs/PCCs as per the provisions of environmental laws. It is observed that around 98 percent of industries are in compliance with the prescribed effluent discharge standards;

CPCB has directed all 17 categories of high pollution potential industries and common waste treatment facilities across the Country and Grossly Polluting Industries of Ganga basin to install Online Continuous Effluent/ Emission Monitoring Systems (OCEMS) for strengthening monitoring mechanism and effective compliance through self-regulatory mechanism and constant vigil on pollution levels. Real-time values of environmental pollutants of trade effluent and emissions generated through OCEMS are transmitted online to CPCB and concerned SPCB/PCC on 24x7 basis. Central software processes the data and in case of value of pollutant parameter exceeds prescribed environmental norms, an

automatic SMS alert is generated and sent to industrial unit, SPCB and CPCB, so that corrective measures can be taken by the industry immediately and appropriate action can be taken by concerned SPCB/PCC/CPCB.

CPCB carries out surprise inspection-cum-monitoring of 17 categories industries and common waste treatment facilities including Grossly Polluting Industries of Ganga basin, which are selected randomly based on SMS alerts, generated through Online Continuous Effluent/Emission Monitoring Systems (OCEMS), installed in these industries. In case of non-compliance observed, action as deemed fit is taken as per the provisions of the environmental laws. Out of 4538 GPIs in the country as on June, 2025, 608 GPIs were found to be non-complying with Environmental Standards. Action (Closure Directions: 36; Show Cause Notices: 571; Directives: 1) has been taken against the 608 GPIs that were found non-complying with environmental norms, as per the provisions of the environmental laws.

During last three years, CPCB has inspected a total of 366 units based on OCEMS data, out of which 192 units were found non-complying with environmental norms. Action (Closure Directions: 5; Show Cause Notices: 116; Directives: 22; Directions to SPCBs/PCCs: 49) was taken against the 192 units found non-complying with environmental norms.

There are a total of 222 Common Effluent Treatment Plants (CETPs) operating across India, out of which 53 CETPs are designed to achieve Zero Liquid

Discharge (ZLD), located in various states. The sector-wise distribution of ZLD CETPs is are given in the enclosed **Statement-II**. These CETPs cater to the treatment of industrial wastewater from diverse sectors such as textiles, tanneries, electroplating, pharmaceuticals, and mixed industries, etc.

Further, The National Mission for Clean Ganga (NMCG), under the Ministry of Jal Shakti (MoJS), issued directions under Section 5 of the Environment (Protection) Act, 1986, to certain textile and pulp & paper industries, as well as to select Common Effluent Treatment Plants (CETPs). NMCG has taken the initiative to upgrade existing CETPs and establish new ones in tannery and textile clusters located in the Ganga and Yamuna basins. These are Jajmau CETP (20 MLD), Banthar CETP (4.5 MLD), and Mathura CETP (6.25 MLD).

(e): In order to facilitate industries for adoption of cleaner technology, waste minimization practices, augmentation & upgradation of ETPs, CPCB in association with various State Govt. dept. and knowledge partners, has formulated Charters through participatory approach for major industrial sectors namely Pulp & Paper (2012, 2015 & 2024), Sugar (2018 & 2025), Distillery (2018), Textile (2019) and Tannery (2022). These charters emphasize on reduction in specific freshwater consumption, effluent generation and reuse/recycle of treated effluent, Self-monitoring and reporting by strict metering and maintenance of logbook & records, Training and capacity building to strengthen environmental management cell and

laboratory etc. Ministry of Jal Shakti has issued a 'National framework on safe reuse of treated water' in November 2022.

Further, AMRUT 2.0 Mission implemented by Ministry of Housing and Urban Affairs promotes inclusion of reuse of treated wastewater for non-potable uses like industrial, agriculture, construction and landscaping etc

THE MINISTER OF STATE IN THE MINISTRY OF EDUCATION; AND MINISTER OF STATE IN THE MINISTRY OF DEVELOPMENT OF NORTH EASTERN REGION (DR. SUKANTA MAJUMDAR):

(a) to (e): The Pradhan Mantri Vidya Laxmi (PM Vidyaxmi), a new central sector scheme has been launched on 6th November 2024. The main objective of the scheme is to ensure that no student is denied the opportunity to pursue higher education due to financial constraints. Under the scheme, collateral-free and guarantor-free education loans are provided to all the students, including students belonging to the OBC, SC and ST categories, who get merit-based admission in top Quality Higher Education Institutions (QHEIs) and desirous of availing education loan to pursue higher education from the QHEI. There is no upper limit on the number of such education loans. Further, for students with annual family income up to ₹ 8 lakh, the scheme provides 3% interest subvention on education loans up to ₹ 10 lakhs. Up to one lakh fresh students not getting any other scholarship or interest subvention on education loan will get this interest subvention.

An outlay of ₹ 3,600 crore has been made from 2024-25 to 2030- 31, for providing 3% interest subvention benefit for up to 7 lakh fresh students during this period.

From the launch date of PM Vidyalaxmi, i.e., 6th November 2024 to 24th July 2025, from students who have reported their domicile as Uttar Pradesh, a total of 6,225 PM Vidyalaxmi education loan applications were received. Of them, 3004 loans has been sanctioned. Amount sanctioned is ₹ 408.27 crore, which is for the full duration of the respective courses.

A dedicated online platform, the PM Vidyalaxmi portal <https://pmvidyalaxmi.co.in> has been developed on which students can apply for the education loan as well as interest subvention, through a simplified application process to be used by all banks. This portal has started operating from 25th February 2025. The category and district-wise details of applications received and approved/sanctioned under the PM Vidyalaxmi Scheme for students who have reported their domicile as Uttar Pradesh, available in this portal from 25th February 2025 to 24th July 2025 are given in the enclosed **Statement** and can also be accessed at: https://www.education.gov.in/en/parl_ques.

The PM Vidyalaxmi scheme has been launched recently. To improve awareness, the scheme guidelines have already been provided in the website of Ministry of Education at:

https://www.education.gov.in/en/scholarships_education_loan . Further, the Indian Banks Association has circulated the guidelines to all the member banks for use of their branches, including those in Uttar Pradesh. Multi-lingual pamphlet of PM-Vidyalaxmi has been developed and uploaded in the PM Vidyalaxmi portal. All

HEIs have been requested to download and distribute the same to students of their HEI.

All QHEIs have been requested to prominently display the PM-Vidyalaxmi Scheme publicity materials within their campuses and actively publicize the dedicated call centre number 1800-1031 for the PM-Vidyalaxmi Scheme.

The Department of Higher Education (DHE) and the Department of Financial Services (DFS) monitor the progress of education loan submission, processing and disbursement on a regular basis together with the Indian Banks Association (IBA) and banks. Further, the DHE in coordination with DFS conduct meetings with QHEIs, banks and IBA for smooth implementation of the scheme on a regular interval. Workshops are also organized with the QHEIs in collaboration with the University Grants Commission, DFS, IBA and the banks to increase awareness of the QHEIs and students.

HIRING OF SOCIAL MEDIA INFLUENCERS FOR TOURISM PROMOTION

2422. SHRI SHAFI PARAMBIL:

Will the Minister of **TOURISM** be pleased to state:

- (a) whether the Government is aware of the increasing role of social media influencers in the promotion of tourism;
- (b) whether the State Governments and the Central Government has any plans/guidelines for hiring social influencers for tourism promotion; and

- (c) if so, the details thereof along with the funds utilised by the Union Government and State Government thereon during the last three years and the current year, State-wise?

THE MINISTER OF CULTURE; AND MINISTER OF TOURISM (SHRI GAJENDRA SINGH SHEKHAWAT):

(a) to (c): Yes, the Ministry actively promotes the country's tourism destinations, products and various activities through its official social media platforms on a regular basis. The Ministry engages with social media influencers both through collaboration requests received and through public engagement initiatives to promote tourism destinations, products, experiences and events organised by the Ministry from time to time.

एफजीडी प्रणाली की स्थापना

2423. श्री श्यामकुमार दौलत बर्वे:

क्या पर्यावरण, वन और जलवायु परिवर्तन मंत्री यह बताने की कृपा करेंगे कि:

- (क) क्या सरकार द्वारा फ्लू गैस विसल्फरीकरण (एफजीडी) प्रणाली की स्थापना के लिए दी गई छूट सरकार के स्वच्छ भारत और स्वस्थ भारत के उद्देश्यों के विपरीत नहीं है;
- (ख) क्या ताप विद्युत संयंत्रों द्वारा उत्पन्न सल्फर डाइऑक्साइड के कण 200 किलोमीटर की दूरी तक वायु प्रदूषण फैलाते हैं, यदि हां, तो केवल 10 किलोमीटर की परिधि को मानक मानने के क्या कारण हैं;
- (ग) क्या सरकार ने ऐसा कोई अध्ययन कराया है जिससे यह पुष्टि होती हो कि ऊंची चिमनियां प्रदूषण को नियंत्रित करती हैं;

(घ) क्या अब तक केवल 8 प्रतिशत ताप विद्युत इकाइयों ने ही एफजीडी प्रणाली स्थापित की है और शेष ने समय-सीमा का उल्लंघन किया है, यदि हां, तो क्या उन पर मौद्रिक या कानूनी दंड लगाया गया है;

(ङ) यदि हां, तो तत्संबंधी ब्यौरा क्या है; और

(च) क्या कम सल्फर वाले कोयले के उपयोग के बावजूद देश के कई प्रमुख शहरों में पीएम2.5 का स्तर अभी भी उच्च है, यदि हां, तो इस संबंध में क्या उपाय किए गए हैं?

पर्यावरण, वन और जलवायु परिवर्तन मंत्रालय में राज्य मंत्री; तथा विदेश मंत्रालय में राज्य मंत्री (श्री कीर्ति वर्धन सिंह):

(क) से (च) : पर्यावरण, वन और जलवायु परिवर्तन मंत्रालय (एमओईएफसीसी) ने दिनांक 07.12.2015 की अधिसूचना के तहत कोयला/लिग्नाइट आधारित ताप विद्युत संयंत्र (टीपीपी) के लिए उत्सर्जन मानकों को अधिसूचित किया। दिनांक 07.12.2015 की अधिसूचना के तहत निर्धारित SO₂ उत्सर्जन मानकों की केंद्र सरकार द्वारा समीक्षा की गई है, जिसमें प्रौद्योगिकी प्रदाताओं की सीमित उपलब्धता, इसकी तकनीकी-आर्थिक व्यवहार्यता, आपूर्ति श्रृंखला पर कोविड-19 महामारी का नकारात्मक प्रभाव, उच्च मांग और कम आपूर्ति के कारण मूल्य वृद्धि, परिवेशी वायु में सल्फर डाइऑक्साइड की कम सांद्रता और बिजली की कीमतों में वृद्धि से उपभोक्ता पर अधिक बोझ, आदि के कारण इन उत्सर्जन मानकों की समय-सीमा में छूट या ढील देने के संबंध में प्राप्त विभिन्न अभ्यावेदनों पर विचार किया गया है। इसके अलावा, इन मानकों के पीछे प्रभावकारिता और औचित्य तथा क्षेत्र के समग्र परिवेशी वायु प्रदूषण में इसकी भूमिका के संबंध में अनुसंधान संस्थानों द्वारा किए गए अध्ययनों पर भी विचार किया गया, ताकि इन मानकों की सार्वभौमिक प्रयोज्यता और प्रवर्तन की आवश्यकता का आकलन किया जा सके। मामले की विस्तृत समीक्षा के बाद, मंत्रालय ने दिनांक 07.12.2015 की अधिसूचना के तहत SO₂ उत्सर्जन

मानकों की प्रयोज्यता के संबंध में सा.का.नि.465 (अ) दिनांक 11.07.2025 के तहत अधिसूचना जारी की है।

इसके अलावा, इन मानकों की प्रभावकारिता तथा औचित्य और क्षेत्र के समग्र परिवेशी वायु प्रदूषण में इनकी भूमिका के संबंध में अनुसंधान संस्थानों द्वारा किए गए कई वैज्ञानिक अध्ययनों पर भी विचार किया गया ताकि इन मानकों की सार्वभौमिक प्रयोज्यता और प्रवर्तन की आवश्यकता का आकलन किया जा सके। इन वैज्ञानिक अध्ययनों और अन्य वैज्ञानिक विश्लेषणों के अनुसार, यह पाया गया है कि दिनांक 30.08.1990 की अधिसूचना के अनुपालन में पर्याप्त स्टैक उचाई वाली चिमनियों वाले ताप विद्युत संयंत्रों से होने वाला SO_2 उत्सर्जन, प्रदूषकों के उचित तरीके से फैलाव के कारण ताप विद्युत संयंत्रों में और उसके आसपास परिवेशी SO_2 की कम सांद्रता में योगदान देता है, जो कि ताप विद्युत संयंत्रों के 10 किमी के दायरे से आगे नगण्य पाया गया है।

दिनांक 11.07.2025 की अधिसूचना जल, सहायक विद्युत और चूना पत्थर की अतिरिक्त खपत से बचते हुए संसाधन संरक्षण के दृष्टिकोण पर आधारित है; यह लागू नियंत्रण उपायों के प्रयोग के परिणामस्वरूप कार्बन फुटप्रिंट/ CO_2 उत्सर्जन में वृद्धि, साथ ही इन उपायों के लिए आवश्यक चूना पत्थर के खनन और परिवहन पर भी विचार करती है। इसके अलावा, यह सभी कोयला/लिग्नाइट-आधारित ताप विद्युत संयंत्रों में ऐसे नियंत्रण उपायों को लागू करने की तकनीकी-आर्थिक व्यवहार्यता को भी ध्यान में रखती है। इसके अतिरिक्त, घनी आबादी वाले और अन्य वायु प्रदूषण-संवेदनशील क्षेत्रों में वायु प्रदूषण के नियंत्रण और निवारण के लिए एहतियाती सिद्धांत लागू किया गया है। साथ ही, बिजली की कीमतों में संभावित वृद्धि के कारण उपभोक्ताओं पर पड़ने वाले अधिक बोझ पर भी विचार किया गया है।

निर्धारित समय-सीमा के भीतर पर्यावरण, वन और जलवायु परिवर्तन मंत्रालय द्वारा अधिसूचित उत्सर्जन मानकों का अनुपालन करना आवश्यक है, अन्यथा निर्धारित समय-सीमा के बाद प्रचालन न

करने वाली टीपीपी इकाइयों पर निर्धारित दरों से पर्यावरणीय क्षतिपूर्ति लगाई जाएगी। ऐसे सभी मामलों में जहाँ SO₂ उत्सर्जन मानक लागू नहीं किए जा रहे हैं, टीपीपी, चाहे वे किसी भी स्थान पर हों, अधिसूचना संख्या सा.का.नि. 742 (अ) दिनांक 30.08.1990 द्वारा अधिसूचित अधिक ऊँचाई वाली चिमनियों के मानदंडों का अनुपालन सुनिश्चित करेंगे।

दिनांक 11.07.2025 की अधिसूचना के अनुसार, श्रेणी 'क' और 'ख' के तहत ताप विद्युत संयंत्रों द्वारा SO₂ उत्सर्जन मानकों के अनुपालन हेतु निर्धारित समय-सीमा क्रमशः दिनांक 31.12.2027 और 31.12.2028 तक है। श्रेणी 'ग' के लिए, दिनांक 30.08.1990 की अधिसूचना संख्या सा.का.नि. 742 (अ) के अनुसार, स्टैक ऊँचाई वाली चिमनियों की शर्त के अनुपालन की समय-सीमा दिनांक 31.12.2029 है। ताप विद्युत संयंत्रों में 49 इकाइयों (25,590 मेगावाट) में एफजीडी की स्थापना पूरी हो चुकी है।

वर्ष 2019 में शुरू किया गया राष्ट्रीय स्वच्छ वायु कार्यक्रम (एनसीएपी) एक राष्ट्रव्यापी पहल है जिसका उद्देश्य वायु प्रदूषण के स्तर को (वर्ष 2019-20 के स्तर से) 40% तक कम करना या वर्ष 2025-26 तक विविक्त कण के लिए 60 मिग्रा/मीटर³ के राष्ट्रीय मानक को प्राप्त करना है। एनसीएपी के तहत मानकों को पूरा न करने वाले 130 शहरों/10 लाख से अधिक से आबादी वाले शहरों की पहचान की गई है जो लगातार पाँच वर्षों तक वायु गुणवत्ता मानकों से ऊपर रहे हैं।

प्रदूषण स्रोतों और उनके योगदान की पहचान करने के लिए विभिन्न शहरों में स्रोत विभाजन अध्ययन किए गए हैं, जिनसे पता चला है कि औद्योगिक उत्सर्जन के अलावा, वाहन, सड़क की धूल, निर्माण क्रियाविधियाँ, बायोमास को जलाना और अपशिष्ट को जलाना पीएम 2.5 के स्तर में प्रमुख योगदानकर्ता हैं।

एनसीएपी के तहत प्रमुख पहलों में वार्षिक कार्य योजनाएँ तैयार करना, एक आपातकालीन प्रतिक्रिया प्रणाली का विकास, स्वच्छ वायु सर्वेक्षण के अंतर्गत शहरों की रैंकिंग और प्रगति पर नज़र

रखने के लिए प्राण पोर्टल शुरू करना शामिल है। विशिष्ट स्रोत-आधारित उपायों में सड़कें बनाना, मशीनों से सड़कों की सफाई, निर्माण और विध्वंस (सीएंडडी) अपशिष्ट प्रबंधन में सुधार, इलेक्ट्रिक और संपीड़ित प्राकृतिक गैस (सीएनजी) वाहनों को बढ़ावा देना, अपशिष्ट जलाने पर प्रतिबंध और औद्योगिक उत्सर्जन की निगरानी शामिल है। शहरी स्थानीय निकायों, यातायात पुलिस और प्रदूषण नियंत्रण बोर्डों जैसी एजेंसियों की भागीदारी से शहरी-विशिष्ट स्वच्छ वायु कार्य योजनाएँ तैयार और कार्यान्वित की गई हैं। इसके अलावा, सरकार ने पीएम 2.5 के स्तर से होने वाले प्रदूषण को दूर करने के लिए अनेक प्रकार की पहल की हैं, जिनमें अन्य बातों के साथ-साथ दिनांक 1 अप्रैल, 2020 से बीएस-IV से बीएस-VI ईंधन और वाहन मानदंडों को लागू करना, ई-मोबिलिटी और वैकल्पिक ईंधन को बढ़ावा देना, स्वैच्छिक वाहन-बेड़े आधुनिकीकरण कार्यक्रम (वीवीएमपी) के माध्यम से स्वैच्छिक वाहन स्क्रेपिंग नीति, और उपयोग अवधि पूर्ण करे चुके वाहनों (ईएलवी) के लिए विस्तारित उत्पादक जिम्मेदारी (ईपीआर) ढांचे का कार्यान्वयन शामिल है। इसके अलावा, मंत्रालय ने 80 से अधिक श्रेणियों के उद्योगों के लिए उत्सर्जन मानकों को अधिसूचित किया है और औद्योगिक प्रदूषण नियंत्रण की दिशा में कार्रवाई उद्योगों द्वारा कार्यान्वित की जाती है। औद्योगिक उत्सर्जन मानदंडों की निगरानी और प्रवर्तन राज्य प्रदूषण नियंत्रण बोर्डों द्वारा वायु (प्रदूषण निवारण और नियंत्रण) अधिनियम, 1981 के तहत सहमति तंत्र के माध्यम से किया जाता है।

SUPPORT TO YOUTH ORGANISATIONS FOR SKILL BUILDING

2426. SHRI E. T. MOHAMMED BASHEER:

Will the Minister of **SKILL DEVELOPMENT AND ENTREPRENEURSHIP** be pleased to state:

- (a) whether the Government has provided adequate financial and policy support to youth organisations for skill-building and engagement, if so, the details including the funding amounts allocated, categories of support and the implementing agencies;
- (b) whether it has come to the notice of the Government that flagship skill development initiatives such as the Skill India Mission and Pradhan Mantri Kaushal Vikas Yojana (PMKVY) are facing persistent challenges such as significant under-utilisation of funds, outdated training curricula, low placement and employer engagement rates, and inadequate access for small enterprises and women;

- (c) if so, the details thereof and the steps being taken by the Government to address these issues;
- (d) whether any third-party evaluations or independent monitoring mechanisms instituted to measure the real-world impact (e.g., placement success, industry satisfaction) of the skill initiatives; and
- (e) if so, the details of the corrective measures identified so far?

THE MINISTER OF STATE OF THE MINISTRY OF SKILL DEVELOPMENT AND ENTREPRENEURSHIP; AND MINISTER OF STATE IN THE MINISTRY OF EDUCATION (SHRI JAYANT CHAUDHARY):

(a) to (c): The Government of India is taking proactive steps to improve employability of the youth of the nation through skill development. Under the Skill India Mission (SIM), the Ministry of Skill Development and Entrepreneurship (MSDE) delivers skill, re-skill and up-skill training through an extensive network of skill development centres under various schemes, viz. Pradhan Mantri Kaushal Vikas Yojana (PMKVY), Jan Sikhshan Sansthan (JSS), National Apprenticeship Promotion Scheme (NAPS) and Craftsman Training Scheme (CTS) through Industrial Training Institutes (ITIs), to all the sections of the society across the country. The SIM aims at enabling youth of India to get future ready and equipped with industry relevant skills. Adequate funds are made available under the schemes through budget for conducting training programs, which are demand based.

Funds under PMKVY are released to implementing agencies for meeting the training cost as per prescribed norms. Under JSS scheme, funds are released to

Non-Governmental Organizations (NGOs) directly. Under NAPS, stipend support up to Rs 1500/- per month is released to apprentices through DBT and not to establishments covered. Day to day administration as well as financial control in respect of ITIs lies with the respective State Government/ UT Administration.

Details of the fund released for implementation of the schemes of MSDE are as under:

Scheme(s)	Amount (in Rs. Cr)
PMKVY (2015-16 up to 30.06.2025)	11,429.21
NAPS (2018-19 up to 31.03.2025)	1,823.08
JSS Scheme (2018-19 up to 31.03.2025)	873.94

To ensure that the skills imparted are aligned with the current industry requirements, improves employability of the youth, and enhance the equitable access to women candidates, the following specific steps have been taken by MSDE:

- (i) National Council for Vocational Education and Training (NCVET) has been set up as an overarching regulator establishing regulations and standards to ensure quality in the Technical and Vocational Education and Training (TVET) space.

- (ii) The Awarding Bodies recognised by NCVET are expected to develop the qualifications as per the industry demand and map them with the identified occupations as per the National Classification of Occupations, 2015 and obtain industry validations.
- (iii) 36 Sector Skill Councils (SSCs), led by industry leaders in the respective sectors, have been set up which are mandated to identify the skill development needs of respective sectors as well as to determine skill competency standards. NSDC, under the Market led program, provides support to training providers that collaborate and align skill courses with industry demand.
- (iv) Directorate General of Training (DGT) under the aegis of MSDE is implementing Flexi MoU Scheme and Dual System of Training (DST) which are meant to provide training to ITI students in industrial environment as per their requirements.
- (v) Under PMKVY, the new age/future skills job-roles have been specially aligned with Industry 4.0 requirements in areas like AI/ML, Robotics, Mechatronics, Drone Technology, etc. for upcoming market demand and industry requirements.
- (vi) DGT has introduced new age /future skills courses in Industrial Training Institutes (ITIs) and National Skill Training Institutes (NSTIs) under CTS to provide training in emerging areas such as 5G Network Technician, Artificial

Intelligence Programming assistant, Cyber Security Assistant, Drone Technician etc.

- (vii) DGT has signed MoU with IT Tech companies like IBM, CISCO, Future Skill Rights Network, Amazon Web Services (AWS) and Microsoft to ensure industry linkages for the institutes at the state and regional levels under CSR initiatives. These partnerships facilitate the provision of technical and professional skills training in modern technologies.
- (viii) Indian Institute of Skills (IIS) established at Ahmedabad and Mumbai, in Public Private Partnership (PPP) Mode, provide training to create a pool of industry-ready workforce for Industry 4.0, equipped with cutting-edge technology and hands-on training.
- (ix) MSDE has launched Skill India Digital Hub (SIDH) a unified platform that integrates skilling, education, employment, and entrepreneurship ecosystems to provide a life-long array of services targeting a wide range of stakeholders. The details of the trained candidates are available on SIDH portal for connecting with potential employers. Through SiDH, candidates can have access to jobs and apprenticeship opportunities.
- (x) MSDE also organises Rozgar Melas and Pradhan Mantri National Apprenticeship Melas (PMNAMs) to facilitate the placements and apprenticeship opportunities to the certified candidates.

(xi) To encourage participation of women in skill development programs, special provisions have been made for meeting expenditure on conveyance and boarding & lodging as well as post placement support. PMKVY 4.0 prioritizes and provides special focus to projects that emphasize women as primary beneficiaries. Women constitute more than 80% of beneficiaries under JSS scheme. Also, there are 19 National Skill Training Institutes (NSTI) and more than 300 ITIs exclusively for women.

(d) and (e): Impact of schemes for skill development is assessed through their third party independent evaluation. MSDE's flagship scheme PMKVY was evaluated by NITI Aayog in October 2020. As per the study, about 94 percent of the employers surveyed reported they would hire more candidates trained under PMKVY. Further, 52 percent of the candidates who were placed in full time/part time employment and oriented under the RPL component received higher salary or felt that they will get higher salary compared to their un-certified peers.

As regards other schemes of MSDE, third party evaluation reports have mentioned about success in terms of placement or livelihood improvement of candidates trained under different schemes. The brief details of same are as given below:

JSS: Evaluation study of JSS scheme conducted in 2020 has found that the scheme has helped in almost doubling the household income for those beneficiaries have got employment or were self-employed after the JSS

training. The report has further observed that usefulness of the scheme would be further evident from the fact that 77.05% of the beneficiary trainees have undergone occupational shifts. The study also affirmed that the focus of the skilling in the scheme favours self-employment.

NAPS: Third-party evaluation study of NAPS conducted in 2021 has observed that the scheme has successfully enhanced the employability of youth by providing structured on-the-job training, with a notable increase in the engagement of apprentices across various industries. In the new version of the scheme, DBT method has been adopted to transfer government's share directly to apprentices' bank accounts, as streamlined reimbursement process was recommended in the report.

ITIs: The final report of Tracer Study of ITI Graduates published in 2018 by MSDE mentions that 63.5% of total ITI pass-outs got employed (out of which 6.7% are self-employed).

Under the said Act, Central Pollution Control Board has been mandated to plan and execute nationwide programme for prevention, control and abatement of pollution, laydown standards for quality of air and establish laboratories to perform its functions. CPCB also advises central government on matter concerning improvement of air quality.

State Government has been provided statutory power under the Act to declare air pollution control areas or alter any air pollution control area. Further, the State Government may issue directions to regulate and prohibit the use of any appliance used in such air pollution control area. Performance linked grant of ₹ 13,036.52 crore has been provided to 130 cities during 2019-20 till date, as a critical gap funding to implement air quality improvement measures. The focused actions by 130 cities under NCAP have shown positive results with 103 cities showing reduction in PM₁₀ concentration in 2024-25 with respect to 2017-18, out of which 64 cities have shown reduction in PM₁₀ levels by more than 20% and 25 of these cities have achieved a reduction of more than 40%. A total of 22 Cities have met National Ambient Air Quality Standards (NAAQS) and have PM₁₀ Concentrations less than 60 µg/m³.

Further, the programme leverages mobilisation of resources through convergence of various schemes of Central Government such as Swachh Bharat Mission (Urban), AMRUT, Smart City Mission, PM e-Bus Sewa, Sustainable Alternative Towards Affordable Transportation (SATAT), and Nagar Van Yojana,

as well as resources of State Govts. / UT administration, Municipal Corporations and other developmental authorities for implementation of action plans. Further, State action plans have been prepared by all 8 States/UTs of IGP region to implement air quality improvement measures.

In addition to the funds provided under NCAP as well as Central Government Schemes, State Governments, if required, may mobilise resources through various financial instruments such as Green Municipal Bonds, Green Debt Securities, Public Private Partnership projects and soft loans as per their needs to develop urban infrastructure and to implement air pollution mitigation measures.

(c): MoEFCC has been implementing the Coastal Regulation Zone (CRZ) Notification since 1991. This was later replaced by the CRZ/IPZ Notification, 2011, and subsequently by the CRZ/ICRZ Notification, 2019, which places greater emphasis on the conservation and management of Ecologically Sensitive Areas (ESAs).

Under the 2019 Notification, all coastal States and Union Territories are required to revise and update their Coastal Zone Management Plans (CZMPs), Island Coastal Regulation Zone Plans (ICRZPs), or Integrated Island Management Plans (IIMPs) in line with the updated provisions and submit them for approval to the Ministry. Until these plans are approved, the 2011 Notification provisions

continue to apply. As of now, the CZMPs for Odisha, Karnataka, Maharashtra, and Kerala, and the ICRZPs for Great Nicobar and Little Andaman have been approved by the Ministry under the 2019 Notification.

(d): State Land Use Boards are constituted by State Govt. under respective Town Planning and Land Development laws. Ministry of Housing and Urban Development issued 'Urban and Regional Development Plans Formulation and Implementation Guidelines' for adoption by State Govts. to promote sustainable regional and urban planning and development including land use planning.

(e) to (g): Section 37 of the Biological Diversity Act, 2002 (as amended in 2023) empowers State Government to notify areas of biodiversity importance as biodiversity heritage sites based on recommendations from State Biodiversity Board. Further, Section 37 enables the State Government in consultation with the Central Government to frame rules for the management and conservation of all the biodiversity heritage sites.

Clause (i) of sub-section (4) of Section 36 of the said Act, mandates the Central Government to undertake measures for the assessment of environmental impact of a project likely to have an adverse effect on biological diversity, with a view to avoid or minimise such effects, wherever required and provide for public participation in such assessment, where appropriate.

(c): The details such as Khelo India Centres, Sports Academies, identified Khelo India Athletes, participation and medal-tally of various Khelo India Games under Khelo India Scheme are available at <https://dashboard.kheloindia.gov.in>. The details of the sports infrastructure projects approved and their sanctioned cost and funds released under Khelo India Scheme, across the country, including in the

State of Tamil Nadu, are available in public domain on the dashboard of the Ministry at <https://mdsd.kheloindia.gov.in>.

(d): No proposal is pending for athlete support under Khelo India from the State of Tamil Nadu. However, under the “Creation and upgradation of sports infrastructure” component of the Khelo India Scheme, this Ministry has received 17 proposals for infrastructure development from the State of Tamil Nadu.

The proposals received from the State/UT Governments and other eligible entities are considered for financial support, subject to their completeness, technical feasibility and availability of funds under the Scheme.

(e): To strengthen grassroots sports, the Khelo India Scheme has established over 1,000 Khelo India Centres at the district level to provide children with opportunities to train under the guidance of past champion athletes. These centres help prepare young athletes for state and national level competitions. Additionally, the scheme supports 34 Khelo India State Centres of Excellence across 33 states and union territories, which provide critical resources such as high-quality coaching, sports science support, and equipment, helping nurture talent from every region. Talent identification is an important component, with over 2,800 athletes selected across 21 sports, including para-sports, after rigorous national championships and assessment camps. These athletes train in accredited academies supported financially with an annual funding of over six lakh rupees per athlete. Moreover, Khelo India Games have been conducted 19 times, involving more than 56,000

athletes, offering a competitive platform especially benefiting athletes from rural areas. Special emphasis is also given to promoting women's participation through Khelo India Women's Leagues across 29 sports disciplines, organizing over 1,300 competitions with nearly 1,40,000 female participants, thus significantly increasing women's involvement in sports nationwide.

The promotion of traditional and indigenous sports is another key focus. Indigenous games such as Mallakhamb, Kalaripayattu, Gatka, Thang-Ta, and Yogasana have been included as competitive categories in various Khelo India Youth and University Games. The Khelo India Centres support training in 42 sports disciplines, including these indigenous games, providing livelihood opportunities for past champion athletes as coaches. The Fit India Movement complements this by promoting indigenous games during its events and festivals. The scheme also supports the revival of rural, indigenous, and tribal games as a means of preserving cultural heritage and encouraging inclusiveness. Furthermore, women's leagues also include indigenous and traditional sports, promoting broader participation.

Regarding gender and regional balance in athlete selection and funding, a well-structured Talent Identification and Development Committee oversees the process, comprising eminent athletes, coaches, sports scientists, and representatives from national sports federations. This committee compiles scouting lists from competitions and conducts assessment camps to select athletes based on merit while ensuring regional representation. Once selected, athletes receive

induction into accredited academies and benefit from the Khelo India program's comprehensive support, which includes scholarships, specialized coaching, exposure to international competitions, and access to world-class facilities. Each Khelo India Athlete (KIA) receives funding of up to ₹6.28 lakh per annum. This support includes specialised training, access to world-class facilities, participation in international competitions, and a monthly out-of-pocket allowance of ₹10,000.

सकल घरेलू उत्पाद वृद्धि

2445. श्री संजय हरिभाऊ जाधव:

श्रीमती भारती पारधी:

क्या वित्त मंत्री यह बताने की कृपा करेंगे कि:-

(क) चालू वित्त वर्ष के लिए संशोधित सकल घरेलू उत्पाद (जीडीपी) में अनुमानित वृद्धि कितनी है

और इस वृद्धि में योगदान देने वाले प्रमुख कारक क्या हैं;

(ख) सरकार द्वारा प्रमुख क्षेत्रों में अधिक घरेलू और विदेशी निवेश आकर्षित करने के लिए क्या कदम उठाए जा रहे हैं;

(ग) पिछले बारह महीनों के दौरान व्यापार सुगमता में क्या प्रगति हुई है; और

(घ) सकल घरेलू उत्पाद का प्रतिशत के रूप में चालू राजकोषीय घाटे का ब्यौरा क्या है तथा एफआरबीएम अधिनियम में उल्लिखित राजकोषीय समेकन लक्ष्यों का पालन करने के लिए सरकार की क्या योजना है?

वित्त मंत्रालय में राज्य मंत्री (श्री पंकज चौधरी):

(क) : सांख्यिकी एवं कार्यक्रम कार्यान्वयन मंत्रालय द्वारा जारी सकल घरेलू उत्पाद (जीडीपी) के नवीनतम उपलब्ध अनंतिम अनुमानों के अनुसार, स्थिर मूल्यों पर जीडीपी में वर्ष 2024-25 में 6.5% की वृद्धि होने का अनुमान है। यह वृद्धि मुख्य रूप से निर्माण क्षेत्र (9.4%), लोक प्रशासन, रक्षा एवं अन्य सेवाओं (8.9%) और वित्तीय, रियल एस्टेट एवं व्यावसायिक सेवाओं (7.2%) में मजबूत प्रदर्शन के कारण हुई। भविष्य को देखते हुए, आर्थिक सर्वेक्षण 2024-25 में वर्ष 2025-26 के लिए जीडीपी वृद्धि दर 6.3% से 6.8% के बीच रहने का अनुमान लगाया है।

(ख) : सरकार ने अधिक घरेलू और विदेशी निवेश आकर्षित करने के लिए, अधिक पूंजीगत व्यय, अवसंरचना विकास, वित्तीय क्षेत्र संबंधी सुधार और व्यापार सुगमता पर ध्यान केंद्रित कर कई पहलों की हैं। केंद्रीय बजट 2025-26 में निवेश को विकास के चार प्रमुख कारकों में से एक माना गया है। अतिरिक्त उपायों में ऋण गारंटी योजनाएँ, उत्पादन-आधारित प्रोत्साहन (पीएलआई) योजना और एक मजबूत कौशल पारिस्थितिकी तंत्र का निर्माण शामिल हैं। इसके अतिरिक्त, सरकार ने रक्षा, नागरिक उड्डयन, औषध, सिंगल ब्रांड रिटेल, संविदा निर्माण, डिजिटल मीडिया, बीमा और अंतरिक्ष जैसे क्षेत्रों में व्यापक और परिवर्तनकारी प्रत्यक्ष विदेशी निवेश (एफडीआई) सुधारों को कार्यान्वित किया है। निवेश केंद्र के रूप में भारत की अपील को बनाए रखने के लिए, प्रत्यक्ष विदेशी निवेश नीति की नियमित रूप से समीक्षा की जाती है और आवश्यकतानुसार उसे अद्यतित किया जाता है। निवेशक-अनुकूल फ्रेमवर्क लागू है, जिसमें अधिकांश क्षेत्र—कार्यनीतिक महत्व के कुछ क्षेत्रों को छोड़कर—स्वचालित माध्यम के

तहत 100% प्रत्यक्ष विदेशी निवेश (एफडीआई) के लिए खुले हैं, जिसके लिए किसी पूर्व सरकारी अनुमोदन की आवश्यकता नहीं है।

(ग) : भारत सरकार ने कारोबारी माहौल में सुधार करने, निवेश आकर्षित करने और आर्थिक वृद्धि को बढ़ावा देने के लिए लगातार व्यापक सुधार किए हैं। इन उपायों में व्यापार सुगमता कार्यक्रम के अंतर्गत की जा रही पहलों सहित व्यापार सुधार कार्ययोजना (बीआरएपी), बिजनेस-रेडी असेसमेंट, जन विश्वास तथा व्यवसायों और नागरिकों पर अनुपालन भार को कम करने संबंधी पहलें शामिल हैं। जन विश्वास (प्रावधानों में संशोधन) अधिनियम, 2023 ने 42 केंद्रीय अधिनियमों के 183 प्रावधानों को गैर-अपराधीकृत बना दिया, और केंद्रीय बजट 2025-26 में प्रस्तावित जन विश्वास विधेयक 2.0 का उद्देश्य 100 से अधिक विधिक प्रावधानों को अधिक सरल बनाना है। इसके अलावा, कारोबारी माहौल को अधिक सुदृढ़ करने के एक प्रमुख प्रयास के तहत, उद्योग संवर्धन और आंतरिक व्यापार विभाग (डीपीआईआईटी) की अध्यक्षता में बीआरएपी 2024, प्रक्रियाओं को सुव्यवस्थित करने, अनुपालन भार को कम करने और डिजिटल समाधानों को लागू करने के साथ ही, श्रम, पर्यावरण, कर, भूमि प्रशासन, उपयोगिता परमिट, निरीक्षण और निर्माण जैसे महत्वपूर्ण क्षेत्रों को कवर करने के लिए अपने प्रारंभिक दायरे का विस्तार कर रहा है तथा तीव्र और अधिक कुशल सरकार-से-व्यवसाय सेवा तक पहुंच सुनिश्चित करने के लिए समय और दस्तावेज अध्ययन (टीडीएस) के माध्यम से आईसीटी अपनाने और प्रक्रिया पुनर्चना जैसे नए क्षेत्रों को शामिल कर रहा है।

(घ) : केंद्रीय बजट 2025-26 में वर्ष 2025-26 के लिए राजकोषीय घाटे का लक्ष्य सकल घरेलू उत्पाद का 4.4% निर्धारित किया गया है। राजकोषीय उत्तरदायित्व और बजट प्रबंधन अधिनियम, 2003 के तहत आवश्यक रूप से, केंद्रीय बजट 2025-26 के साथ प्रस्तुत राजकोषीय नीति का विवरण में राजकोषीय समेकन के लिए भारत सरकार के रोडमैप की रूपरेखा दी गई है। इसमें कहा गया है कि "यदि कोई बड़ा वृहत आर्थिक व्यवधानकारी बाहरी संकट न आए तो आर्थिक विकास की

संभावित प्रवृत्तियां और उभरती विकास आवश्यकताओं को ध्यान में रखते हुए सरकार का प्रयास यह होगा कि प्रत्येक वर्ष (वित्त वर्ष 2026-27 से वित्त वर्ष 2030-31 तक) राजकोषीय घाटे को इस प्रकार रखा जाए कि केंद्र सरकार का ऋण कम होता रहे ताकि जीडीपी पर ऋण का स्तर 31 मार्च, 2031 (16वें वित्त आयोग की अवधि के अंतिम वर्ष) तक लगभग 50 ± 1 बना रहे।"

(a) to (c): The Hon'ble Prime Minister, while speaking in "Pariksha Pe Charcha 2025" and "Man Ki Baat" has expressed his concern about increasing childhood obesity among school students in India. Obesity amongst children in India is on the rise and has become a policy concern for the country. The passage of time has resulted in more sedentary lifestyles and a rapid shift away from traditional diets to consumption of fat rich processed foods and sugary drinks. The Hon'ble Prime Minister has suggested practical advices including importance of reducing the usage of cooking oil by 10% in day-to-day food consumption.

The Ministry of Education, Government of India has issued an advisory on 15 March, 2025, to all schools in the country, including the private schools, to

encourage reduction of oil consumption in foods by 10 % to address student obesity.

To raise awareness about the benefits of reducing oil consumption, the advisory recommends the schools to conduct special classes, invite nutrition experts, and hold quizzes on healthy eating. Activities like Eco-Club discussions, yoga, and exercise sessions promote well-being may be organised in schools. Teachers may guide parents on managing obesity, while students engage in low-oil cooking, recipe sharing, and health tracking projects. Emphasis on better cooking methods, portion control, and limiting processed foods encourages balanced diets. School Management Committees can involve parents and communities in sustaining these efforts. By aligning nutritional choices with physical fitness, the advisory reinforces the core message of the 'Fit India Movement' fostering active and healthy lifestyles as part of broader vision of a Swasth Bharat. The Advisory of the Ministry of Education can be accessed at:

https://pmposhan.education.gov.in/Files/OrderCirculars/2025/Secy_Advisory_oil_reduction.pdf

To educate students about informed food choices and promote long-term health benefits among students, Central Board of Secondary Education (CBSE) has asked its affiliated schools to establish 'Sugar Boards' where information is displayed for educating students about the risks of excessive sugar intake. These boards should provide essential information, including the recommended daily sugar intake, the

sugar content in commonly consumed foods (unhealthy meals such as junk food, cold drinks, etc.), health risks associated with high sugar consumption, and healthier dietary alternatives.

The Ministry of Health and Family Welfare (MoHFW), and the Ministry of Education (MoE), jointly implement the Ayushman Bharat – School Health and Wellness Programme (AB-SHWP) since 2020. Under this, two teachers per school trained as Health and Wellness Ambassadors (HWAs) conduct regular sessions on 11 themes including nutrition, health and sanitation, growing up healthy, and promotion of healthy lifestyles. CLIMATE MITIGATION TECHNOLOGIES**2455. SHRI BASTIPATI NAGARAJU:**

Will the Minister of **ENVIRONMENT, FOREST AND CLIMATE CHANGE** be pleased to state:

- (a) whether the Government has taken steps for the mitigation of climate change through the development and adoption of technology;
- (b) if so, the details thereof and if not, the reasons therefor;
- (c) the details regarding the initiatives undertaken to develop and deploy climate mitigation technologies in key sectors such as agriculture, fisheries etc;
- (d) whether the Government has made effort to raise awareness and promote the use of these technologies among farmers, fishermen and vulnerable communities who are directly affected by climate change, if so, details thereof and if not, the reasons therefor; and

(e) whether the Government has established partnerships with research institutions, start-ups or Deep Tech enterprises to accelerate innovation in climate resilience and mitigation, if so, the details thereof and if not, the reasons therefor?

THE MINISTER OF STATE IN THE MINISTRY OF ENVIRONMENT, FOREST AND CLIMATE CHANGE; AND MINISTER OF STATE IN THE MINISTRY OF EXTERNAL AFFAIRS (SHRI KIRTI VARDHAN SINGH):

(a) to (e): To meet its climate goals, the Government of India has put in place an ecosystem to develop and adopt climate technologies, including those required for deployment of renewable energy, improving energy efficiency, electric mobility, climate resilient infrastructure, sustainable transport, and building climate resilience.

The National Action Plan on Climate Change (NAPCC), an overarching framework for all climate actions, calls for deploying appropriate technologies for both climate adaptation and mitigation at an accelerated pace. It also calls for engineering new and innovative forms of market, regulatory and voluntary mechanisms to promote sustainable development. The schemes like Production Linked Incentive (PLI) are for promoting local manufacturing of clean technologies, while carbon market instruments such as Perform Achieve and Trade (PAT) Scheme, Carbon Credit Trading Scheme (CCTS) and green bonds help draw in private capital.

Thirty-four States have also developed their own climate action plans in line with the NAPCC. The state-level initiatives contribute to national level efforts towards building a supportive environment for development of clean technologies and industrial systems.

India takes holistic approach and not sector specific mitigation action, including in agriculture and fisheries sectors under the Nationally Determined Contribution (NDC) submitted to the UNFCCC. The goal is to reduce overall emission intensity and improve the energy efficiency of the economy over time and at the same time protecting the vulnerable sectors of the economy and segments of our society. Climate change is a cross-sectoral issue spanning various Ministries/Departments concerning sectors like agriculture, water resources, human health, power, renewable energy, transport, urban, etc. These Ministries and Departments also establish need-based partnerships.

The Department of Fisheries, Government of India has established partnerships with research institutions and supported startups to accelerate innovation and technology infusion in fisheries and aquaculture, which includes aspects of climate resilience in the fisheries sectors. In addition, the department is actively supporting fisheries startups and entrepreneurs under the Pradhan Mantri Matsya Sampda Yojana (PMMSY), providing seed funding, incubation support, and facilitating innovation in sustainable aquaculture, climate-smart practices, and digital technology applications. These efforts are aimed at driving innovation,

sustainability, and economic efficiency in the fisheries value chain while enhancing climate resilience.

The Indian Council of Agricultural Research (ICAR) flagship network project, National Innovations in Climate Resilient Agriculture (NICRA) is promoting climate resilient technologies to the farmers with partner institutes from all parts of the country including ICAR research institutes, State Agricultural Universities (SAUs), Indian Institute of Technology (IIT), NGOs and Krishi Vigyan Kendras (KVKs) to develop and promote climate-resilient technologies in agriculture. NICRA experiences are also shared in international fora such as G20, SAARC, BIMSTEC, UN Climate Change Conferences, etc.

The International Rice Research Institute (IRRI), International Maize and Wheat Improvement Center (CIMMYT) and Commonwealth Scientific and Industrial Research Organisation (CSIRO) through their project 'Cereal System Initiative for South Asia' (CSISA), a regional program of Excellence in Agronomy (EiA) in collaboration with ICAR- Central Research Institute for Dryland Agriculture (CRIDA) aimed to develop a regional strategy on climate change adaptation and sustainable intensification through agronomy. The Bill & Melinda Gates Foundation (BMGF) and Borlaug Institute for South Asia (BISA) is working with national agriculture research systems in South Asia to develop the Atlas of Climate Adaptation in South Asian Agriculture (ACASA) aiming to provide granular-scale

information for South Asian countries at the village scale by integrating various spatial and temporal risks that are likely to impact agriculture.

ICAR-Central Agroforestry Research Institute (CAFRI), Jhansi, has been designated as the technical agency for the Agroforestry Component under Rashtriya Krishi Vikas Yojana (RKVY). The CAFRI provides technical guidance on suitable Agroforestry models across various agro-climatic zones and supports capacity building and implementation planning. In addition, institutions such as Indian Council of Forestry Research and Education (ICFRE), SAUs, and Forest Development Corporations are engaged for model development and technical consultations.

Further, the Department for Promotion of Industry and Internal Trade (DPIIT) signed a Memorandum of Understanding (MoU) with the Global Energy Alliance for People and Planet (GEAPP) to accelerate innovation, sustainability, and entrepreneurship in India's clean energy and manufacturing sectors. Startup India is a flagship initiative of the Government of India to build a strong ecosystem for nurturing innovation and startups in the country which will drive economic growth and generate large scale employment opportunities.

The Department of Science and Technology is implementing National Mission on Strategic Knowledge for Climate Change (NMSKCC), one of the missions under NAPCC, which focuses on building human and institutional Science and Technology capacities.

PARAKH's primary objective is to establish

norms, standards, and guidelines for student assessment and evaluation across all the schools in the country. PARAKH has mandate to do assessment of only schools and not Higher Education Institutions.

Recently, the PARAKH Rashtriya Sarvekshan was conducted by PARAKH on 4th December, 2024 which witnessed participation from over 21.15 lakh students and 2.70 lakh teachers from 74,000 schools across all States/UTs in the country. National, State and District level report cards for PARAKH Rashtriya Sarvekshan 2024 have been released and are available at <https://dashboard.parakh.ncert.gov.in/en>

To ensure participation from all States and UTs, the National Assessment Centre-PARAKH, NCERT, under the aegis of the Department of School Education & Literacy, Ministry of Education, conducted regular orientation meetings, capacity-building workshops, training sessions, and collaborative planning sessions with concerned officials from State/UT Governments and provided necessary facilitation, wherever required. Financial assistance is provided to the States/UTs under the centrally sponsored schemes of Samagra Shiksha for conducting periodical assessments of Student's learning outcomes including PARAKH Rashtriya Sarvekshan.

The assessment aims to underscore critical competency, skill or infrastructural gaps at various stages of schooling and equip policy makers in States/UTs with robust, district-level data on learning outcomes and contextual

variables affecting such outcomes to design data driven interventions for enhancing the quality and effectiveness of school education in India.

Education is in the concurrent list of the Constitution and majority of the schools are under the domain of respective State and UT Governments. Central Government assists States and UTs through the Centrally Sponsored Scheme of Samagra Shiksha and Mid Day Meal provided from Balvatika to class 8 under Pradhan Mantri Poshan Shakti Nirman (PM POSHAN) Yojna. Financial assistance is also provided to the States and UTs for various activities to reduce dropout and increase enrolment in Government schools, which include opening/strengthening of new schools up to senior secondary level, strengthening school infrastructure, setting up and up gradation and running of Kasturba Gandhi Balika Vidyalayas (KGBV) upto class 12, setting up of residential schools/hostels named Netaji Subhas Chandra Bose Avasiya Vidyalayas, hostels under Pradhan Mantri Janjati Adivasi Nyaya Maha Abhiyan (PM- JANMAN) and Dharti Aaba Janjatiya Gram Utkarsh Abhiyan (DAJGUA), transport allowance, undertaking enrolment drives, seasonal hostels/residential camps, provision of vocational education and ICT facilities in schools, providing free text books and free uniform, transport/escort facility, etc, financial assistance is also provided for aids and appliances for children with special needs.

INTER-CULTURAL TOURISM BETWEEN NORTH EASTERN REGION AND SOUTHERN INDIA

2460. SHRI DURAI VAIKO:

Will the Minister of **TOURISM** be pleased to state:

- (a) whether the Government is taking steps to strengthen cultural exchange and tourism connectivity between the North Eastern Region (NER) and Southern India, especially Tamil Nadu;
- (b) whether the Government has launched any specific schemes or initiatives to promote inter-cultural tourism circuits, experiential travel, or student/youth exchange programmes between the said regions;
- (c) whether Tiruchirappalli, being a key spiritual, cultural and heritage centre, is being included or considered under such inter-regional tourism promotion plans;

- (d) whether the Government has engaged with the Ministry of Civil Aviation and Indian Railways to ensure better air and rail connectivity between North Eastern capitals and major South Indian cities including Trichy; and
- (e) if so, the details of projects implemented or proposed and the future roadmap for building greater cultural integration and tourism-based livelihood opportunities through such linkages?

THE MINISTER OF CULTURE; AND MINISTER OF TOURISM (SHRI GAJENDRA SINGH SHEKHAWAT):

(a) to (e): Yes, Ministry of Civil Aviation (MoCA) launched the Regional Connectivity Scheme Ude Desh ka Aam Nagrik (RCS-UDAN) on 21.10.2016 to enhance regional air connectivity from unserved and underserved airports in the country and make air travel affordable to the masses.

Under this scheme, with a view to strengthen tourism connectivity, 53 Tourism RCS routes across the country including North Eastern Region (NER) and Southern India are operationalised under Tourism - RCS (TRCS). These routes were funded with 100% Viability Gap Funding (VGF) reimbursement by Ministry of Tourism providing direct air connectivity to tourist destinations and cultural sites in the country. Though there is no direct air connectivity under RCS Udan between airports at North-Eastern region to Southern Indian airports, indirect connectivity is available through connecting flights.

A total of 90 routes have been operationalised in the North Eastern Region (NER) under the Regional Connectivity Scheme (RCS-UDAN), connecting 10 airports and 02 heliports across the NER states.

Indian Railway Catering and Tourism Corporation (IRCTC) has informed that total 17 trips of Bharat Gaurav Trains on theme based circuit were operated in Financial year 2024-25 in which 9,246 tourists visited Tamil Nadu. Out of these 17 tours, Tiruchirapalli (Trichy) was included in 04 trips and 1,923 tourists visited Tiruchirapalli (Trichy).

IRCTC has organized different tours connecting Southern Part of India and North East destinations as a part of Yuva Sangam Tours which is an initiative by Government of India under “Ek Bharat Shresth Bharat” scheme to strengthen people to people connect especially between youth belonging to various States/UTs. In the Yuva Sangam Tours, institutes from the North-Eastern region and Tamilnadu have been paired together for the cultural exchange.

IRCTC also conducts Domestic Air packages providing tourism connectivity between the North Eastern Region and South India. Following table give details in this regard:

S. No.	Package Name	Source	Destination	Duration	Departure
1.	KERALA LUXE ESCAPE EX- BAGDOGRA	Bagdogra	Munnar / Thekkady / Alleppey / Trivandrum / Kochi	6 Nights / 7 Days	11.10.2025

2.	KERALA LUXE ESCAPE EX- GUWAHATI	Guwahati	Munnar / Thekkady / Alleppey / Trivandrum / Kochi	6 Nights / 7 Days	11.10.2025

North East India offers diverse tourism-based livelihood opportunities rooted in cultural experiences such as community-based tourism, eco-friendly homestays, cultural performances, nature-based activities, culinary tourism, and sustainable farming. Similarly, South India presents potential through tribal arts, rural experiences, and cultural exchange programs.

Such cultural integration and tourism-linked livelihoods helps a sustainable and inclusive future roadmap by preserving heritage and empowering local communities across regions.

THE MINISTER OF STATE IN THE MINISTRY OF MICRO, SMALL AND MEDIUM ENTERPRISES; AND MINISTER OF STATE IN THE MINISTRY OF LABOUR AND EMPLOYMENT (KUMARI SHOBHA KARANDLAJE):

(a) to (d): The Government has enacted four Labour Codes namely, the Code on Wages, 2019, the Code on Social Security, 2020, the Industrial Relations Code, 2020 and the Occupational Safety, Health and Working Conditions Code, 2020 after simplification, amalgamation and rationalization of the relevant provisions of the existing 29 Central Labour Acts. The Labour Codes have been enacted with an objective of strengthening the welfare of workers, including unorganized workers in terms of statutory minimum wage, social security and healthcare. The Code on Wages, 2019 has universalized statutory right for minimum wages and timely payment of wages to all workers to support sustainable growth and inclusive development. Code on Social Security, 2020 (CoSS) aims to extend social security

benefits to all workers both in the organised and unorganised sectors. The provisions introduced in this Code to enhance coverage of social security are as follows:

- i. The coverage of Employees' State Insurance Corporation (ESIC) has been extended pan-India as against notified districts/areas, enabling the provisions for ESIC coverage on voluntary basis for establishments having less than 10 employees. Further, benefits under ESIC can also be made applicable to an establishment which carries on hazardous or life threatening occupation as notified by the Central Government, in which even a single employee is employed. The provisions of CoSS relating to Employees' Provident Fund are applicable to every establishment in which twenty or more employees are employed.
- ii. The Code envisages a Social Security Fund for formulating schemes for welfare of the unorganized workers, gig workers and platform workers.
- iii. The Central Government has been empowered to extend benefits to unorganized workers, gig workers and platform workers and the members of their families through ESIC or Employees' Provident Fund Organization.

The initiatives like e-Shram Portal and Shram Suvidha Portal have played an important role in service delivery. The details are as follows:-

- (i) The Ministry of Labour and Employment launched e-Shram portal (eshram.gov.in) on 26th August 2021 for creation of a comprehensive National

Database of Unorganised Workers (NDUW) seeded with Aadhaar. The portal is meant to register and support the unorganised workers by providing them a Universal Account Number (UAN) on a self-declaration basis.

- (ii) The Shram Suvidha Portal (SSP) was launched on 16th October, 2014. The Directorate General Mines Safety (DGMS), Chief Labour Commissioner (CLC), Employees' Provident Fund Organisation (EPFO) and Employees' State Insurance Corporation (ESIC) through SSP generates a unique Labour Identification Number (LIN) online to businesses and employers registered on the portal. The portal has eased the complexity of compliance by providing the facilities of online registration, license and return filing to business entities along with randomised risk based inspection system, thereby reducing subjectivity, for the law implementing agencies.

- (c) whether the Government proposes to appoint dedicated Government officials to improve administrative focus and accountability, if so, the details thereof; and
- (d) the details of timeline and strategy proposed by the Government in this regard?

THE MINISTER OF STATE OF THE MINISTRY OF SKILL DEVELOPMENT AND ENTREPRENEURSHIP; AND MINISTER OF STATE IN THE MINISTRY OF EDUCATION (SHRI JAYANT CHAUDHARY):

- (a): Ministry of Education and the Directorate of Education, UT of Lakshadweep, are actively aligned with the vision of the National Education Policy (NEP) 2020 and

has undertaken several initiatives to implement its recommendations in a phased and structured manner. Key reforms include the establishment of the State School Standards Authority (SSSA) with CBSE as the designated authority, implementation of the Foundational Literacy and Numeracy (FLN) mission under NIPUN Bharat, introduction of Bal Vatika classes in all nursery schools, and observance of Bagless Days as per national guidelines. Holistic Progress Cards have been introduced in all schools, and regular orientation and training sessions are conducted for teachers and school heads based on NEP and the National Curriculum Framework (NCF). Schools across different islands have been reorganized into School Complexes to encourage collaboration, while curricular reforms include the adoption of NCERT textbooks, activity-based learning, and Bridge Programmes for Classes V and VIII. These efforts reflect the Government's commitment to progressive and context-sensitive NEP implementation, despite geographical and logistical challenges of the UT of Lakshadweep.

(b): The Directorate of Education, UT of Lakshadweep functions as a single integrated unit ensuring unified planning and coordination across school stages. Within this unified structure, functional divisions exist, with dedicated wings and nominated nodal officers handling responsibilities aligned with NEP 2020. Curriculum design, pedagogy, teacher development, digital initiatives, training, and data systems are all planned stage-wise.

(c): To ensure accountability, school monitoring responsibilities are assigned to Principals, Headmasters, and Cluster Resource Persons (CRPs), all of whom have received leadership training to support NEP implementation. Subject Resource Groups have been created across disciplines, including in FLN, Holistic Progress Cards, and NCF-based curriculum, while administrative officers at the Directorate level handle stage-specific supervision. Regular academic audits, inspections, and reviews help ensure transparency and alignment with NEP objectives.

(d): In line with the guidelines issued by the Ministry of Education, Directorate of Education, UT of Lakshadweep is following a phased implementation model for NEP since 2021. The initial phase focused on orientation and awareness, followed by the launch of NIPUN Bharat and baseline assessments in 2022. In 2023, Bal Vatika classes, digital learning initiatives, and NEP-aligned teacher training were introduced along with the implementation of Bagless Days. The year 2024 focused on piloting the Holistic Progress Card and orienting schools to the NCF-based curriculum. Future strategic priorities include strengthening digital infrastructure, capacity building for school leadership, development of localized textbooks and teaching-learning materials, and a focused shift toward green and inclusive schooling.

प्रदूषण से कमजोर वर्गों की सुरक्षा

2475. श्री संजय उत्तमराव देशमुख:

क्या पर्यावरण, वन और जलवायु परिवर्तन मंत्री यह बताने की कृपा करेंगे कि:

- (क) क्या हाल ही में पारित पर्यावरण (संरक्षण) चौथा संशोधन श्रेणी ख और ग क्षेत्रों के ताप विद्युत संयंत्रों को अनिवार्य SO₂ उत्सर्जन नियंत्रण से छूट देता है;

- (ख) यदि हाँ, तो तत्संबंधी ब्यौरा क्या है;
- (ग) सरकार ग्रामीण, जनजातीय और गैर-शहरी आबादी को शहरी क्षेत्रों को दिए जाने वाले प्रदूषण संरक्षण से बाहर रखने को किस प्रकार उचित ठहराती है;
- (घ) क्या सरकार इस नीति को पर्याप्त स्वास्थ्य सेवा और वायु गुणवत्ता सुरक्षा उपायों से वंचित कमजोर वर्ग के प्रति भेदभावपूर्ण मानती है; और
- (ङ) यदि हाँ, तो स्थान की परवाह किए बिना सभी के लिए समान पर्यावरण संरक्षण सुनिश्चित करने और छूट प्राप्त क्षेत्रों में SO₂ से संबंधित स्वास्थ्य जोखिमों को दूर करने के लिए क्या कदम उठाए गए/उठाए जा रहे हैं?

पर्यावरण, वन और जलवायु परिवर्तन मंत्रालय में राज्य मंत्री; तथा विदेश मंत्रालय में राज्य मंत्री (श्री कीर्ति वर्धन सिंह):

(क) और (ख): पर्यावरण, वन एवं जलवायु परिवर्तन मंत्रालय (एमओईएफसीसी), भारत सरकार ने दिनांक 07.12.2015 की अधिसूचना के माध्यम से कोयला/लिग्नाइट-आधारित ताप विद्युत संयंत्रों (टीपीपी) के लिए उत्सर्जन मानकों को अधिसूचित किया है। दिनांक 07.12.2015 की अधिसूचना द्वारा निर्धारित SO₂ उत्सर्जन मानकों की केंद्र सरकार द्वारा समय-सीमा में छूट या रियायत के संबंध में प्राप्त विभिन्न अभ्यावेदनों को ध्यान में रखते हुए समीक्षा की गई है। इसके अलावा, इन मानकों की प्रभावशीलता और औचित्य तथा क्षेत्र के समग्र परिवेशी वायु प्रदूषण में इनकी भूमिका के संबंध में अनुसंधान संस्थानों द्वारा किए गए अध्ययनों पर भी विचार किया गया ताकि इन मानकों की सार्वभौमिक प्रयोज्यता और प्रवर्तन की आवश्यकता का मूल्यांकन किया जा सके। मामले की विस्तृत समीक्षा के बाद, मंत्रालय ने हाल ही में दिनांक 07.12.2015 की अधिसूचना द्वारा अधिसूचित SO₂ उत्सर्जन मानकों की प्रयोज्यता के संबंध में दिनांक 11.07.2025 की सा.का.नि. 465 (अ) के माध्यम से

अधिसूचना जारी की है। तदनुसार, ताप विद्युत संयंत्रों द्वारा SO₂ उत्सर्जन मानकों के अनुपालन की प्रयोज्यता और समय-सीमा इस प्रकार है:

श्रेणी	SO ₂ उत्सर्जन मानकों की प्रयोज्यता	अनुसरण के लिए समय-सीमाएँ
श्रेणी क (एनसीआर या दस लाख से अधिक आबादी वाले शहरों के 10 किलोमीटर के दायरे में स्थित संयंत्र)	अनिवार्य	31.12.2027
श्रेणी ख (मानक प्राप्त न करने वाले शहरों या गंभीर रूप से प्रदूषित क्षेत्रों के 10 किमी के दायरे में संयंत्र)	विशेषज्ञ मूल्यांकन समिति (ताप परियोजनाएं) की सिफारिशों के आधार पर केंद्र सरकार द्वारा मामले दर मामले आधार पर निर्णय लिया जाएगा। यदि किसी ताप विद्युत परियोजना को SO ₂ उत्सर्जन मानकों से छूट देने पर विचार किया जाता है, तो ऐसे ताप विद्युत परियोजना को अधिसूचना संख्या सा.का.नि. 742 (अ) दिनांक 30.08.1990 के अनुसार स्टैक की ऊंचाई सुनिश्चित करनी होगी।	31.12.2028
श्रेणी ग (श्रेणी क और ख में शामिल लोगों के अलावा)	अधिसूचना संख्या सा.का.नि. 742 (अ) दिनांक 30.08.1990 के अनुसार स्टैक की ऊंचाई को पूरा करने की शर्त के अधीन लागू नहीं।	31.12.2029

(ग) से (ङ): ताप विद्युत संयंत्रों (टीपीपी) में SO₂ उत्सर्जन मानकों की श्रेणीवार प्रयोज्यता का निर्णय विस्तृत वैज्ञानिक अध्ययनों और टीपीपी के निकटवर्ती क्षेत्रों सहित देश भर में परिवेशी SO₂ सांद्रता के विश्लेषण के आधार पर लिया गया है। यह दृष्टिकोण घनी आबादी वाले और अन्य वायु प्रदूषण-संवेदनशील क्षेत्रों में वायु प्रदूषण को नियंत्रित करने और कम करने के लिए एहतियाती सिद्धांत लागू करता है। दिनांक 11.07.2025 की अधिसूचना जारी करते समय केंद्र सरकार द्वारा लिया गया निर्णय वैज्ञानिक दृष्टिकोण, पर्यावरणीय स्थिरता और SO₂ उत्सर्जन मानदंडों को प्राप्त करने में पर्यावरणीय लाभ/हानि पर आधारित है।

यह दृष्टिकोण जल, सहायक ऊर्जा और चूना पत्थर की अतिरिक्त खपत से बचकर संसाधन संरक्षण को प्रदर्शित करता है; यह लागू नियंत्रण उपायों के संचालन के परिणामस्वरूप कार्बन फुटप्रिंट/CO₂ उत्सर्जन में वृद्धि, साथ ही इन उपायों के लिए आवश्यक चूना पत्थर के खनन और परिवहन पर भी विचार करता है। इसके अलावा, यह सभी कोयला/लिग्नाइट-आधारित ताप विद्युत संयंत्रों में ऐसे नियंत्रण उपायों को लागू करने की तकनीकी-आर्थिक व्यवहार्यता को भी ध्यान में रखता है। इसके अतिरिक्त, घनी आबादी वाले और वायु प्रदूषण के प्रति संवेदनशील अन्य क्षेत्रों में वायु प्रदूषण के नियंत्रण और निवारण के लिए एहतियाती सिद्धांत लागू किया गया है, साथ ही बिजली की कीमतों में संभावित वृद्धि के कारण उपभोक्ताओं पर पड़ने वाले बोझ को भी ध्यान में रखा गया है।

टीपीपी को निर्धारित समय सीमा के भीतर पर्यावरण, वन और जलवायु परिवर्तन मंत्रालय द्वारा अधिसूचित उत्सर्जन मानकों का अनुपालन करना आवश्यक है, अन्यथा निर्धारित समय सीमा के बाद परिचालन न करने वाली टीपीपी इकाइयों पर निर्धारित दरों पर पर्यावरणीय क्षतिपूर्ति लगाई जाएगी। उन सभी मामलों में जहां SO₂ उत्सर्जन मानक लागू नहीं किए जा रहे हैं, टीपीपी, स्थान की परवाह किए बिना, अधिसूचना संख्या जीएसआर 742 (ई) दिनांक 30.08.1990 द्वारा अधिसूचित स्टैक ऊंचाई मानदंडों का अनुपालन सुनिश्चित करेंगे।

FINANCIAL INCLUSION TO POOR PEOPLE

2476. DR. M. P. ABDUSSAMAD SAMADANI:

Will the Minister of **FINANCE** be pleased to state:

- (a) whether the Government is aware that the financial inclusion achieved by opening bank accounts has not translated into credit inclusion for many poor households;
- (b) whether there is any plans to assess the creditworthiness of such accountholders using alternative metrics or data sources and if so, the details thereof;
- (c) whether the Government has evaluated the reasons for resorting low-income households with bank accounts to borrow from moneylenders, chit funds and informal sources;
- (d) if so, the details thereof; and
- (e) the steps being taken to ensure financial inclusion extends beyond deposit access to meaningful credit availability?

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI PANKAJ CHOUDHARY):

(a) to (e): The Government is committed to deepening financial inclusion and ensuring that access to basic banking services leads to meaningful participation in the formal financial system, including access to credit. The launch of the Pradhan Mantri Jan Dhan Yojana (PMJDY) in August 2014 marked a significant step in banking the unbanked by facilitating the opening of basic savings bank deposit

accounts, with associated features such as RuPay debit cards and an in-built overdraft facility. As on date, over 55.90 crore accounts have been opened under PMJDY.

The Government has, *inter-alia*, undertaken several measures to ensure that credit inclusion complements deposit inclusion, with a strong focus on funding the unfunded:

- (i) The Pradhan Mantri MUDRA Yojana (PMMY) was launched and provides collateral-free credit of up to ₹20 lakh to micro and small enterprises, thereby enabling self-employment and income generation. Since its inception, 53.85 crore loans amounting to over ₹35.13 lakh crore have been sanctioned under the scheme.
- (ii) Dedicated schemes such as Stand-Up India (SUPI), PM Street Vendor's AtmaNirbhar Nidhi (PM SVANidhi), PM Vishwakarma, and the Prime Minister's Employment Generation Programme (PMEGP) have been implemented to expand credit access for SC/ST and women entrepreneurs, street vendors, artisans, and other micro-enterprises.
- (iii) Credit Guarantee Mechanisms: Includes the Credit Guarantee Fund for Micro Units (CGFMU) and the Credit Guarantee Fund Trust for Micro and Small Enterprises (CGTMSE), which reduce credit risk for lenders and incentivizes formal lending to underserved segments.

To strengthen credit assessment frameworks for individuals lacking conventional credit history, the Government is leveraging technology and alternative data sources:

- (i) A Grameen Credit Score has been announced to support credit appraisal of Self-Help Group (SHG) borrowers and rural populations, including farmers and marginalized communities. This initiative is expected to enhance the quality and objectivity of credit decisions and facilitate improved access to formal credit in rural areas.
- (ii) The MSME New Digital Credit Assessment Framework by Public Sector Banks makes use of integrated data from Income Tax returns, GST filings, and utility payments to enable faster and more precise credit evaluation.
- (iii) The Jan Samarth Portal, a unified digital platform, has been launched to connect credit seekers with eligible Government schemes, thereby enhancing transparency, reducing processing time, and improving outreach.

Further, Reserve Bank of India (RBI) mandates Priority Sector Lending (PSL) targets to ensure that credit flows to sectors such as agriculture, micro and small enterprises, weaker sections, and other underserved areas of the economy. Through these concerted efforts, the Government aims to ensure that financial inclusion evolves from mere access to bank accounts to encompass equitable access to timely and affordable credit, thereby promoting inclusive growth.

वनों की बढ़ती कटाई

2477. श्री सनातन पांडेय:

क्या पर्यावरण, वन और जलवायु परिवर्तन मंत्री यह बताने की कृपा करेंगे कि:

(क) क्या विकास परियोजनाओं के कारण वनों की कटाई बढ़ी है, जिसके परिणामस्वरूप जैव विविधता को नुकसान हुआ है;

(ख) क्या वन्यजीव आवासों में हस्तक्षेप के कारण मानव-वन्यजीव संघर्ष की घटनाएं बढ़ी हैं; और

(ग) यदि हाँ, तो सरकार द्वारा वनों के संरक्षण और जैव विविधता की सुरक्षा के लिए क्या उपाय किए गए हैं और उनकी प्रभावशीलता का आकलन का ब्यौरा क्या है?

पर्यावरण, वन और जलवायु परिवर्तन मंत्रालय में राज्य मंत्री; तथा विदेश मंत्रालय में राज्य मंत्री (श्री कीर्ति वर्धन सिंह):

(क) से (ग): बुनियादी ढांचे सहित विभिन्न गैर-वानिकी उद्देश्यों के लिए वन भूमि के अपवर्तन के प्रस्तावों पर वन (संरक्षण एवं संवर्धन) अधिनियम, 1980 के प्रावधानों के अनुसार विचार किया जाता है। केंद्र सरकार वन (संरक्षण एवं संवर्धन) अधिनियम, 1980 और उसके अंतर्गत बनाए गए नियमों के अंतर्गत गठित सलाहकार समिति या क्षेत्रीय अधिकार प्राप्त समिति की अनुशंसा के आधार पर विकास प्रस्तावों का समग्र मूल्यांकन करती है, जिसमें वनों और जैव विविधता पर उनके प्रभाव भी शामिल होते हैं। वन (संरक्षण एवं संवर्धन) अधिनियम, 1980 और उसके अंतर्गत बनाए गए नियमों के अंतर्गत गठित सलाहकार समिति या क्षेत्रीय अधिकार प्राप्त समिति की सिफारिश के आधार पर, केंद्र सरकार विकास प्रस्तावों का समग्र मूल्यांकन करती है, जिसमें वनों और जैव विविधता पर उनके प्रभाव भी शामिल होते हैं।

केंद्र सरकार द्वारा वन भूमि के अपवर्तन की अनुमति देते समय वन और वृक्ष आवरण के नुकसान की भरपाई के लिए प्रतिपूरक वनरोपण और शुद्ध वर्तमान मूल्य (एनपीवी) की वसूली अनिवार्य रूप से

निर्धारित की जाती है, इसके अतिरिक्त, वन भूमि का अपवर्तन अन्य उपशमन उपायों के कार्यान्वयन के अधीन भी है, जैसे मृदा एवं नमी संरक्षण गतिविधियां, वन्यजीव संरक्षण उपाय, जिसमें मानव-वन्यजीव संघर्ष का उपशमन, जलग्रहण क्षेत्र उपचार आदि शामिल हैं।

भारत वन स्थिति रिपोर्ट (आईएसएफआर), 2023 के अनुसार, आईएसएफआर 2013 और आईएसएफआर 2023 के बीच देश में पिछले दस वर्षों के दौरान वन आवरण में 16,630.25 वर्ग किलोमीटर की शुद्ध वृद्धि हुई है। इस प्रकार, संबंधित राज्यों/संघ राज्य क्षेत्रों द्वारा किए गए संरक्षण प्रयासों सहित विभिन्न नीतियों और कार्यक्रमों के कार्यान्वयन के कारण देश का वन आवरण न केवल बना रहा, बल्कि पिछले दशक में इसमें शुद्ध वृद्धि भी हुई है।

BIODIVERSITY CONSERVATION AND WILDLIFE PROTECTION

2481. SHRI ANUP SANJAY DHOTRE:

Will the Minister of **ENVIRONMENT, FOREST AND CLIMATE CHANGE** be pleased to state:

- the details of recent achievements in expanding and managing protected areas such as national parks and wildlife sanctuaries;
- the action taken by the Government to combat poaching and trafficking of endangered species;
- the details of community-based conservation programmes implemented to involve local populations;

- (d) whether any efforts have been made to restore degraded ecosystems and critical habitats; and
- (e) the details of the technology being used for wildlife monitoring and conservation?

THE MINISTER OF STATE IN THE MINISTRY OF ENVIRONMENT, FOREST AND CLIMATE CHANGE; AND MINISTER OF STATE IN THE MINISTRY OF EXTERNAL AFFAIRS (SHRI KIRTI VARDHAN SINGH):

(a) to (e): The Wild life (Protection) Act, 1972 provides for notification of Sanctuaries, National Parks, Conservation Reserves and Community Reserves for according protection to wildlife and its habitats. The number of Protected Areas (PAs) in the country has increased from 745 in 2014 to 1134 in February 2025. There has been an increase of 18,324.54 sq.km area under Protected Area network in the country during the last decade.

The Government has taken a number of steps to conserve biodiversity and protect wildlife in the country. The important measures for conservation of biodiversity and wildlife protection in the country are as follows:

- (i) Rare and endangered species of animals have been listed in Schedule-I of the Wild Life (Protection) Act, 1972, thereby providing them highest degree of protection

- (ii) Special programmes like 'Project Tiger', 'Project Elephant' 'Project Lion', 'Project Snow Leopard', Project Dolphin, 'Project Cheetah', 'Project Great Indian Bustard', have been undertaken for their conservation.
- (iii) Financial assistance is provided to State Governments /UT Administrations for management of wildlife and development of its habitat under the Centrally sponsored scheme 'Development of Wildlife Habitats', 'Project Tiger and Elephant'.
- (iv) A specific component of 'Recovery programme for saving critically endangered species and habitats' is provided under the Centrally Sponsored Scheme 'Development of Wildlife Habitats' for focused conservation action on identified 24 critically endangered species.

प्राथमिक कक्षाओं में तीसरी भाषा शुरू करना

2484. श्री तारिक अनवर:

क्या शिक्षा मंत्री यह बताने की कृपा करेंगे कि:

(क) क्या सरकार ने राज्य सरकारों/संघ राज्यक्षेत्रों को प्राथमिक कक्षाओं के विद्यार्थियों के लिए तीसरी भाषा शुरू करने का निर्देश दिया है;

(ख) यदि हाँ, तो तत्संबंधी ब्यौरा क्या है और इसे कब तक लागू किया जाएगा; और

(ग) उन राज्यों का ब्यौरा क्या है जिन्होंने इसे पहले ही लागू कर दिया है और कार्यान्वयन का वर्ष क्या है?

कौशल विकास और उद्यमशीलता मंत्रालय के राज्य मंत्री; तथा शिक्षा मंत्रालय में राज्य मंत्री (श्री जयंत चौधरी):

(क) से (ग): राष्ट्रीय शिक्षा नीति (एनईपी), 2020, अन्य बातों के साथ-साथ, पैरा 4.13 में यह प्रावधान करती है कि संवैधानिक प्रावधानों, लोगों, क्षेत्रों और संघ की आकांक्षाओं और बहुभाषावाद को बढ़ावा देने के साथ-साथ राष्ट्रीय एकता को बढ़ावा देने की आवश्यकता को ध्यान में रखते हुए त्रि-भाषा फॉर्मूला लागू किया जाना जारी रहेगा। तथापि, त्रि-भाषा फॉर्मूले में अधिक लोचशीलता होगी और किसी भी राज्य पर कोई भाषा नहीं थोपी जाएगी। बच्चों द्वारा सीखी जाने वाली तीन भाषाएँ राज्यों, क्षेत्रों और निश्चित रूप से स्वयं छात्रों की पसंद होंगी, जब तक कि तीन में से कम से कम दो भाषाएँ भारत की मूल भाषा हों। विशेष रूप से, जो छात्र जिन तीन भाषाओं का अध्ययन कर रहे हैं उनमें से एक या अधिक को बदलना चाहते हैं, वे कक्षा 6 या 7 में ऐसा कर सकते हैं, जब तक कि वे माध्यमिक विद्यालय के अंत तक तीन भाषाओं (साहित्य स्तर पर भारत की एक भाषा सहित) में बुनियादी दक्षता प्रदर्शित करने में सक्षम हों।

स्कूल शिक्षा के लिए राष्ट्रीय पाठ्यचर्या की रूपरेखा 2023 का उद्देश्य हमारे सभी छात्रों को कम से कम तीन भाषाएँ सीखने में सक्षम बनाना है, ताकि हाई स्कूल की पढ़ाई पूरी होने तक छात्र तीन भाषाओं में स्वतंत्र रूप से पढ़ने और लिखने में दक्षता हासिल कर सकें। इन तीन भाषाओं आर 1, आर 2, और आर 3 - में से कम से कम दो भारत की मूल भाषा होनी चाहिए।

आर 1 वह पहली भाषा है जिसमें छात्र साक्षरता सीखते हैं, आदर्श रूप से उनकी मातृभाषा या, यदि संभव न हो तो, राज्य की भाषा, जिसमें 8 वर्ष की आयु तक दक्षता अपेक्षित होती है, आर 2, आर 1 से भिन्न दूसरी भाषा है, जिसमें दक्षता 11 वर्ष की आयु तक प्राप्त की जानी चाहिए और आर 3, आर 1 और आर 2 से भिन्न तीसरी भाषा है, जिसमें प्रवीणता 14 वर्ष की आयु तक लक्षित है।

इसके अलावा, शिक्षा संविधान की समवर्ती सूची का विषय है, इसलिए संबंधित राज्य/संघ राज्य क्षेत्र सरकारें एनईपी 2020 की भाव के अनुरूप त्रिभाषा नीति के कार्यान्वयन का निर्णय ले सकती हैं।

- (d) whether necessary measures have been undertaken by the Government to ensure that such assistance reaches in the underserved districts with high youth potential?

THE MINISTER OF LABOUR AND EMPLOYMENT; AND MINISTER OF YOUTH AFFAIRS AND SPORTS (DR. MANSUKH MANDAVIYA):

(a) and (b): 'Sports' being a State subject, the responsibility of development of sports, including reviewing the availability and accessibility of basic sports infrastructure such as open gyms, multi-sport grounds and coaching centres in rural and tribal districts across the country and implementing schemes to promote youth participation in sports in under-resourced regions, rests primarily with the respective State/Union Territory Governments. The Union Government only supplements their efforts by bridging critical gaps. conduct Research & Documentation for the preservation and promotion of visual and performing arts across disciplines like music, dance, theatre, literature and fine arts. This initiative documents these traditions in both print and audio visual formats, with the selection of art forms done in consultation with State Cultural Departments.

NATIONAL LEVEL FRAMEWORK FOR RESPONSIBLE LENDING AND FAIR PRICING

2491. THIRU DAYANIDHI MARAN:

Will the Minister of **FINANCE** be pleased to state:

- (a) whether the Government has any plans to incentivize household savings into bank deposits to ensure long-term financial system stability in light of the persistent divergence between loan and deposit growth;
- (b) whether regulatory tweaks being considered to balance liquidity without distorting credit availability;
- (c) whether the Government's view on introducing complementary fiscal buffers or coordinated liquidity tools to pre-empt systemic liquidity shocks in view of the RBI's intent to recalibrate the Liquidity Coverage Ratio (LCR) norms;
- (d) whether the Government is contemplating a national-level framework for responsible lending and fair pricing in small-ticket loans, especially for

vulnerable borrowers considering the growing stress in unsecured retail credit and microfinance segments; and

(e) whether the Government foresee the need for a disclosure-based oversight mechanism to monitor systemic interconnectedness and potential contagion risks as private credit markets grow rapidly outside the traditional regulatory net?

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI PANKAJ CHOUDHARY):

(a) to (e): The Government has undertaken comprehensive measures in recent years to enhance credit accessibility and promote financial inclusion. These include, *inter alia*, universal access to banking facilities through the Pradhan Mantri Jan Dhan Yojana (PMJDY), expansion of digital banking infrastructure, and enhancement of financial awareness across segments. As a result, deposit mobilisation has been strengthened and the overall health of the financial system has improved. As per provisional data of the Reserve Bank of India (RBI), as on March 2025, the year-on-year growth in deposits and credit of Scheduled Commercial Banks (SCBs) showed a divergence of merely one basis point, indicating macro-level alignment and a positive outlook for the financial sector.

The Reserve Bank of India (RBI), as the monetary authority, actively manages liquidity conditions through instruments such as the Liquidity Adjustment Facility (LAF), Standing Deposit Facility (SDF), Marginal Standing Facility (MSF), Variable Rate Reverse Repo (VRRR), and Open Market

Operations (OMOs). These operations aim to inject or absorb liquidity, as warranted, to align system liquidity with the monetary policy stance, support efficient credit allocation, and preserve financial stability.

With regard to liquidity standards, the RBI has informed that it has issued revised guidelines on the Liquidity Coverage Ratio (LCR) vide circular dated 21.04.2025. The revised norms, effective from 01.04.2026, aim to enhance the resilience of banks and pre-empt systemic liquidity shocks. These include, *inter-alia*, higher run-off factors for deposits enabled with internet and mobile banking, reclassification of run-off rates for certain wholesale funding categories, and application of haircuts on Government securities held as High-Quality Liquid Assets (HQLA), in alignment with the LAF and MSF frameworks.

Various regulatory frameworks put in place by the RBI from time to time aim to promote responsible lending and borrower protection, including in respect of small-ticket unsecured loans accessed by vulnerable segments. These include the RBI (Regulatory Framework for Microfinance Loans) Directions, 2022; the Master Direction – Reserve Bank of India (Non-Banking Financial Company – Scale Based Regulation) Directions, 2023 dated 19.10.2023; and the guidelines on fair practices code for lenders under the Master Circular on Loans and Advances – Statutory and Other Restrictions dated 01.07.2015. These frameworks, *inter-alia*, collectively mandate fair pricing, provision of a standardised Key Facts Statement (KFS), and implementation of responsible recovery practices.

With a view to strengthening and institutionalising the mechanism for maintaining financial stability, enhancing inter-regulatory coordination, and promoting financial sector development, regulatory coordination is strengthened through institutional mechanisms such as the Financial Stability and Development Council (FSDC). Further, RBI monitors emerging financial vulnerabilities through its macroprudential surveillance framework.

2493. श्री मुरारी लाल मीना:

क्या कौशल विकास और उद्यमशीलता मंत्री यह बताने की कृपा करेंगे कि:

- (क) क्या सरकार ग्रामीण क्षेत्रों, विशेषकर राजस्थान जैसे राज्यों के पिछड़े जिलों में महिलाओं के लिए रोजगारोन्मुखी कौशल प्रशिक्षण की आवश्यकता से अवगत है;
- (ख) यदि हाँ, तो क्या सरकार ने ग्रामीण महिलाओं के लिए विशेष कौशल प्रशिक्षण केंद्र खोलने हेतु कोई योजना बनाई है;
- (ग) यदि हाँ, तो इस योजना के अंतर्गत प्रस्तावित प्रशिक्षण केंद्रों की संख्या कितनी है;
- (घ) क्या इस योजना में राजस्थान के पिछड़े जिलों को प्राथमिकता दी गई है, विशेषकर दौसा लोक सभा क्षेत्र के कितने गाँव या ब्लॉक शामिल हैं और अब तक कितनी महिलाओं को लाभ हुआ है;
- (ङ) क्या सरकार निकट भविष्य में राजस्थान के उक्त जिलों, जिसमें उक्त निर्वाचन क्षेत्र भी शामिल है, में महिलाओं को स्थानीय स्तर पर रोजगार या स्वरोजगार के अवसर प्रदान करने हेतु प्रशिक्षण प्रदान करने हेतु, कोई नई पहल शुरू करने की योजना बना रही है; और
- (च) यदि हाँ, तो तत्संबंधी ब्यौरा क्या है?

कौशल विकास और उद्यमशीलता मंत्रालय के राज्य मंत्री; तथा शिक्षा मंत्रालय में राज्य मंत्री (श्री जयंत चौधरी):

- (क) से (च): भारत सरकार ने कौशल विकास के माध्यम से महिलाओं सहित देश के युवाओं की नियोजनीयता में सुधार लाने के लिए सक्रिय कदम उठाए हैं। कौशल भारत मिशन (एसआईएम) के अंतर्गत, कौशल विकास एवं उद्यमशीलता मंत्रालय (एमएसडीई) विभिन्न योजनाओं, जैसे प्रधानमंत्री कौशल विकास योजना (पीएमकेवीवाई), जन शिक्षण संस्थान (जेएसएस), राष्ट्रीय शिक्षुता संवर्धन योजना (एनएपीएस) और औद्योगिक प्रशिक्षण संस्थानों (आईटीआई) के माध्यम से शिल्पकार प्रशिक्षण योजना (सीटीएस) के अंतर्गत कौशल विकास केंद्रों/संस्थानों के एक व्यापक नेटवर्क के

माध्यम से देश भर में समाज के सभी वर्गों को कौशल, पुनः-कौशल और कौशलान्तरण प्रशिक्षण प्रदान करता है। कौशल भारत मिशन का उद्देश्य भारत के युवाओं को उद्योग-संबंधित कौशल से सुसज्जित करके भविष्य के लिए तैयार करना है।

एमएसडीई योजना के अंतर्गत प्रशिक्षित महिला अभ्यर्थियों का राज्य-वार ब्यौरा संलग्न **विवरण** में दिया गया है।

इसके अलावा, कौशल विकास कार्यक्रमों में ग्रामीण महिलाओं की भागीदारी को प्रोत्साहित करने के लिए, परिवहन तथा भोजन और आवास के साथ-साथ नियुक्ति के बाद सहायता पर होने वाले व्यय को पूरा करने के लिए विशेष प्रावधान किए गए हैं। पीएमकेवीवाई 4.0 में उन परियोजनाओं को प्राथमिकता दी जाती है और विशेष ध्यान दिया जाता है जिनमें महिलाओं को प्राथमिक लाभार्थियों के रूप में महत्व दिया है। पीएमकेवीवाई के तहत विशेष परियोजनाएं स्थानीय कौशल मांगों के अनुरूप परिकल्पित की गई हैं, जिनमें ग्रामीण महिलाओं को कौशल विकास योजनाओं में भाग लेने और उससे लाभान्वित होने के अवसर पैदा होते हैं। यह समावेशी दृष्टिकोण देश भर के कौशल प्रशिक्षण कार्यक्रमों में महिलाओं के लिए महत्वपूर्ण प्रतिनिधित्व और लाभ को सुनिश्चित करता है। एनएपीएस के तहत, सेवा क्षेत्र (वैकल्पिक ट्रेड) में ट्रेडों को शामिल किए जाने से शिक्षता में महिलाओं की भागीदारी में महत्वपूर्ण सुधार हुआ है। जेएसएस योजना के तहत महिलाओं और अन्य कमजोर वर्गों पर ध्यान दिया जा रहा है। जेएसएस के तहत 80% से अधिक लाभार्थी महिलाएं हैं। इसके अतिरिक्त 19 राष्ट्रीय कौशल प्रशिक्षण संस्थान (एनएसटीआई) और 300 से अधिक आईटीआई केवल महिलाओं के लिए उपलब्ध हैं। भारत सरकार ने सभी आईटीआई (सरकारी और निजी) में सभी पाठ्यक्रमों में महिला उम्मीदवारों के लिए 30% सीटों का आरक्षण स्वीकृत किया है और ये सीटें प्रत्येक संबंधित राज्य/संघ राज्य क्षेत्रों की सामान्य आरक्षण नीति के आधार पर भरी जा सकती हैं।

कौशल विकास और उद्यमशीलता मंत्रालय ने महिला एवं बाल विकास मंत्रालय के सहयोग से नव्या (एनएवीवाई) - युवा किशोरियों के लिए व्यावसायिक प्रशिक्षण के माध्यम से आकांक्षाओं

का पोषणनामक एक संयुक्त पहल शुरू की है। नव्या एक प्रायोगिक पहल है जिसका उद्देश्य 16-18 वर्ष की आयु की किशोरियों को न्यूनतम 10वीं कक्षा में उत्तीर्ण किए जाने के साथ, मुख्यतः गैर-पारंपरिक नौकरी भूमिकाओं में व्यावसायिक प्रशिक्षण प्रदान करना है।

इसके अलावा, कौशल विकास और उद्यमशीलता मंत्रालय ने नीति आयोग के महिला उद्यमिता मंच के सहयोग से फरवरी 2025 में उत्तरपूर्वी राज्यों असम, मेघालय, मिज़ोरम और उत्तर प्रदेश और तेलंगाना में महिला उद्यमिता कार्यक्रम, स्वावलंबिनी, की शुरुआत की। इस कार्यक्रम का उद्देश्य उद्यमिता जागरूकता प्रशिक्षण (ईएपी) और उद्यमिता विकास कार्यक्रम (ईडीपी) के माध्यम से छात्राओं में उद्यमशीलता की मानसिकता विकसित करना है। कौशल विकास और उद्यमशीलता मंत्रालय के तत्वावधान में राष्ट्रीय उद्यमिता एवं लघु व्यवसाय विकास संस्थान (नीस्बड), नोएडा और भारतीय उद्यमिता संस्थान (आईआईई) गुवाहाटी, इसके लिए कार्यान्वयन एजेंसियां हैं।

एमएसडीई की योजनाएँ माँग आधारित हैं और इन योजनाओं के अंतर्गत आवश्यकता के आधार पर प्रशिक्षण केंद्र स्थापित या संचालित किए जाते हैं। भारत में राजस्थान और दौसा लोकसभा निर्वाचन क्षेत्र (जयपुर, अलवर और दौसा जिले) में एमएसडीई की योजनाओं के अंतर्गत संचालित प्रशिक्षण केंद्रों का विवरण निम्नानुसार है:

Besides its laurels in teaching and research, IIT Guwahati has been able to fulfil the need for the technical support for the development of the North East region.

Occurring of vacancies and filling thereof is a continuous process. The vacancies arise due to retirement, resignation and additional requirement on account of enhanced students' strength. The Institute issues rolling advertisement for faculty recruitment which are open throughout the year in order to attract the best talent to the institution. Further, IITs follow a rigorous faculty recruitment process comprising multiple stages, such as pedagogy demonstrations and internal evaluation, to ensure the selection of top-notch

faculty. Shortlisted candidates undergo seminar presentations, faculty interaction, and interviews by a committee with external experts.

Further, IITs engage Professors of Practice (PoP) to enhance students' experiences by providing insights into real-world best practices. PoPs also serve as a bridge between industry and the institute to identify teaching and research opportunities that support the public interest and societal needs. Further, IITs also hire visiting faculty members who are from academics or senior industry professionals joining IITs for a short duration to promote a cross-cultural exchange of ideas and perspectives.

In 2019, reservation at the Associate Professor and Professor levels was introduced, in IITs through the enactment of the Central Educational Institutions (Reservation in Teachers' Cadre) Act, 2019. The Act provides for 15%, 7.5%, 27% and 10% reservations for SCs, STs, OBCs and EWS, respectively.

पीएमकेवीवाई के अंतर्गत अल्पसंख्यक समुदायों का सशक्तिकरण

2502. श्री बंटी विवेक साहू:

क्या कौशल विकास और उद्यमशीलता मंत्री यह बताने की कृपा करेंगे कि:

- (क) प्रधानमंत्री कौशल विकास योजना (पीएमकेवीवाई) में कौशल विकास और उद्यमिता के माध्यम से अल्पसंख्यक समुदायों को सशक्त बनाने के लिए क्या प्रयास किए जा रहे हैं;
- (ख) उक्त योजना किस प्रकार अल्पसंख्यक समुदाय की महिलाओं को नेतृत्व और उद्यमिता पहल के क्षेत्र में सहायता प्रदान करती है;
- (ग) उक्त योजना के अंतर्गत कारीगरों को बाज़ार उपलब्ध कराने में हस्तशिल्प निर्यात संवर्धन परिषद की क्या भूमिका है; और
- (घ) प्रधानमंत्री कौशल विकास योजना के अंतर्गत प्रशिक्षित व्यक्तियों के लिए बेहतर रोज़गार के अवसर सुनिश्चित करने हेतु सरकार द्वारा उद्योग भागीदारों को दिए जा रहे समर्थन का ब्यौरा क्या है?

कौशल विकास और उद्यमशीलता मंत्रालय के राज्य मंत्री; तथा शिक्षा मंत्रालय में राज्य मंत्री (श्री जयंत चौधरी):

- (क) और (ख): कौशल विकास और उद्यमशीलता मंत्रालय (एमएसडीई वर्ष 2015 से अपनी प्रमुख योजना प्रधानमंत्री कौशल विकास योजना (पीएमकेवीवाई) को क्रियान्वित कर रहा है। पीएमकेवीवाई के तहत, देश भर के युवाओं को अल्पावधि प्रशिक्षण (एसटीटी) और पूर्व अधिगम की मान्यता (आरपीएल) के माध्यम से पुनः कौशलीकरण और कौशलान्तरण के माध्यम से कौशल प्रशिक्षण प्रदान किया जाता है।

इस योजना में अल्पसंख्यक समुदायों को सशक्त बनाने के लिए विशेष परियोजनाओं का प्रावधान है, जो कम प्रतिनिधित्व वाले सामाजिक समूहों – अनुसूचित जाति/अनुसूचित जनजाति/महिला/दिव्यांगजनों और आकांक्षी जिलों, वामपंथी उग्रवाद(एलडबल्यूई), जनजातीय जिलों आदि जैसे भौगोलिक क्षेत्रों की कवरेज को सुनिश्चित करती हैं। कौशल विकास कार्यक्रमों में उनकी भागीदारी को बढ़ावा देने के लिए ग्रामीण क्षेत्रों में महिलाओं, जनजातीय समुदायों और अन्य सीमांत समूहों पर विशेष ध्यान दिया गया है। कौशल विकास कार्यक्रमों में अल्पसंख्यक समुदायों की महिलाओं सहित महिलाओं की भागीदारी को प्रोत्साहित करने के लिए, परिवहन और भोजन और आवास पर खर्च को पूरा करने के साथ-साथ नियोजन के बाद सहायता की पूर्ति के लिए विशेष प्रावधान किए गए हैं। इसके अलावा, पीएमकेवीवाई 4.0 में उन परियोजनाओं को प्राथमिकता दी जाती है और विशेष ध्यान देता है जिनमें महिलाओं को प्राथमिक लाभार्थियों के रूप में महत्व दिया जाता है। परियोजनाओं को स्थानीय कौशल मांगों के अनुरूप बनाए जाने के लिए डिज़ाइन किया गया है।

(ग): हस्तशिल्प निर्यात संवर्धन परिषद (ईपीसीएच), जो हस्तशिल्प क्षेत्र कौशल परिषद (एचसीएसएससी) का प्रवर्तक निकाय भी है, पीएमकेवीवाई के तहत प्रशिक्षित कारीगरों को सहायता प्रदान करने में महत्वपूर्ण भूमिका निभाता है। ईपीसीएच घरेलू और अंतर्राष्ट्रीय व्यापार मेलों, क्रेता-विक्रेता बैठकों और प्रदर्शनियों में कारीगरों की भागीदारी को सुगम बनाकर बाजार पहुँच को बढ़ाने का काम करता है। यह डिज़ाइन नवाचार, उत्पाद विविधीकरण, और उभरते बाज़ार की ज़रूरतों के अनुरूप विपणन रणनीतियाँ का समर्थन करता है। इस एकीकरण से हस्तशिल्प और कालीन क्षेत्रों में लाभार्थियों के लिए प्रशिक्षण के बाद की आजीविका में उल्लेखनीय सुधार होता है।

(घ): सरकार देश भर में पीएमकेवीवाई 4.0 के कार्यान्वयन और विस्तार को सुनिश्चित करने के लिए कई कदम उठा रही है। इन प्रयासों का उद्देश्य कौशल की कमी को दूर करना, नियोजनीयता में सुधार लाना और आर्थिक विकास को बढ़ावा देना है। इनमें से कुछ कदम इस प्रकार हैं:

- i. उद्योग 4.0, वेब 3.0, एआर/वीआर, जलवायु परिवर्तन, सर्कुलर अर्थव्यवस्था, हरित

अर्थव्यवस्था और एनर्जी ट्रांजिशन (ऊर्जा संक्रमण) जैसे नए युग के कौशल पर ध्यान केंद्रित करना।

- ii. मूल्यांकन में नवाचारों, बेहतर निगरानी के माध्यम से पूर्व अधिगम की मान्यता (आरपीएल) के तहत पुनः कौशलीकरण और कौशलोंनेनयन पर जोर दिया जाएगा।
- iii. अभ्यर्थियों को बेहतर व्यावहारिक अनुभव प्रदान करने के लिए ऑन-जॉब-ट्रेनिंग (ओजेटी) पर अधिक निर्भरता।
- iv. उद्योग के साथ साझेदारी में पाठ्यक्रम शुरू करके पाठ्यक्रम में लचीलापन लाना।
- v. शैक्षिक संस्थानों अर्थात् आईटीआई/स्कूल/कॉलेज/विश्वविद्यालय/केन्द्रीय एवं राज्य सरकार के संस्थान आदि के पास उपलब्ध आधारभूत संरचना का परस्पर उपयोग।
- vi. सेमीकंडक्टर, 5जी, एआई, ग्रीन हाइड्रोजन, ईवी, सौर मिशन, केयर, पर्यटन जैसे क्षेत्रों में क्लस्टरों पर ध्यान केंद्रित करते हुए राष्ट्रीय प्राथमिकताओं और नीति घोषणाओं के अनुरूप प्रशिक्षण।

मंत्रालय ने कौशल संवर्धन के लिए एक व्यापक और सुलभ मंच, स्किल इंडिया डिजिटल हब (सिद्ध) का भी शुभारंभ किया है जो विभिन्न क्षेत्रों में देश के युवाओं को उद्योग-प्रासंगिक कौशल पाठ्यक्रम, नौकरी के अवसर और उद्यमशीलता सहायता प्रदान करता है।

PROMOTION OF MULTILINGUALISM UNDER NEP 2020

2510. SHRI KHAGEN MURMU:

DR. HEMANG JOSHI:

SHRI RAVINDRA SHUKLA ALIAS RAVI KISHAN:

Will the Minister of **EDUCATION** be pleased to state:

- (a) the key agenda and outcomes of the 2nd Consultative Committee meeting held in Indore;
- (b) the steps taken to promote multilingualism under National Education Policy (NEP), 2020; and

(c) the current status of Bharatiya Bhasha Pustak Pariyojana as per Budget 2025?

**THE MINISTER OF STATE IN THE MINISTRY OF EDUCATION; AND
MINISTER OF STATE IN THE MINISTRY OF DEVELOPMENT OF NORTH
EASTERN REGION (DR. SUKANTA MAJUMDAR):**

(a) to (c): The National Education Policy (NEP), 2020 emphasizes the promotion of multilingualism and encourages efforts to keep Indian languages vibrant. It focuses on promotion of all Indian languages, and recommends, wherever possible, the use of the mother tongue/local language as the medium of instruction at least up to Class 5, and preferably up to Class 8.

The agenda of the 2nd consultative committee held in Indore was to focus on the efforts made towards the promotion of Indian languages in education; the promotion of education in Indian languages; and the promotion, preservation and research on Indian languages.

As an outcome of the 2nd Consultative Committee, it has emerged that the Government of India has been working towards achieving the mandate envisaged in the NEP 2020. The Government is integrating multilingualism at both school and higher education levels by providing reading materials in Indian languages, enabling students to study in their mother tongue/ local language.

Several initiatives have been undertaken to promote Indian languages in higher education and technical fields. AICTE has provided engineering textbooks in 12 Indian languages, while MBA, MBBS, and B.Tech courses are also available in Hindi. The Bar Council of India has introduced bilingual

instruction, and 40 institutes across 10 states offer technical courses in Indian languages. The first Marathi-medium engineering batch from Pimpri Chinchwad College of Engineering (Pune), graduated successfully. Major exams like NET, CTET, NEET, JEE, CUET, and SSC are now conducted in 12 Indian languages. Additionally, the UGC allows students to write exams in local languages, irrespective of the medium of instruction. The Commission for Scientific Technical Terminology has made over 20 lakh terminologies in 22 Indian languages publicly available. Technological advancements include AI-based translation tools developed by the Anuvadini Foundation (AICTE) and the UDAAN Project Team (IIT Bombay) and Bhasini.

Other notable achievements include the Hindi translation of 34 Classical Tamil texts, Tirukkural in Sign Language, AI-generated Chemmozhi Tamil audiobooks, and the creation of Bahu Bhasha Shabdakosh for digital dictionaries. Additionally, National Instructional Media Institute has published 525 skill-based textbooks in 22 languages, and the Hindi Shabd Sindhu Kosh has compiled 4.82 lakh words.

The Department of School Education and Literacy has implemented several key initiatives to advance early literacy and multilingual education across India such as development of 117 primers in 22 Scheduled and 99 Non-Scheduled languages, along with 52 additional primers in local and mother tongues by NCERT and CIIL. Initiatives such as *Bhasha Sangam* (featuring 100 commonly used sentences in 22 languages), *Bhartiya Bhasha Utsav*, and the *Bharatiya Bhasha Summer Camp* (a 28-hour flexible program focused on

language and cultural learning) have fostered greater linguistic and cultural awareness among students. Additionally, 16 language and cultural handbooks for Classes 6 to 9, including in Assamese, Bengali, and Santali, have been developed to reflect regional identities.

Innovative tools like *Jaadui Pitara* and its AI-enabled digital version, e-*Jaadui Pitara*, have introduced inclusive, play-based early education in 22 Indian languages, with support for Indian Sign Language (ISL). DIKSHA platform now offers multilingual digital content in 36 languages. The *PM e-Vidya* initiative has expanded to 200 DTH TV channels with vision of “One Nation, One Digital Platform”, delivering curriculum-aligned content in various Indian languages and ISL, enhancing reach and inclusivity of rural areas. Teacher education has also seen major advancements, notably through the introduction of the 4-Year Integrated Teacher Education Programme (ITEP) with a focus on multilingual pedagogy.

As per the budget announcement of 2025-26, Government has proposed to implement a Bharitya Bhasha Pustak Scheme wherein the textbooks and study materials for the subjects being offered for schools and higher education shall be made available in 22 Indian languages in digital form. The Note for EFC for the scheme has been prepared with inputs from various stakeholders through a series of meetings.

The details of the trained candidates are available on SIDH portal for connecting with potential employers. Through SIDH, candidates can have access to jobs and apprenticeship opportunities.
- (x) MSDE organises Rozgar Melas and Pradhan Mantri National Apprenticeship Melas (PMNAMs) to facilitate the placements and apprenticeship opportunities to the certified candidates.
- (e): Impact of schemes for skill development is assessed through their third-party independent evaluation. MSDE's flagship scheme PMKVY was evaluated by NITI Aayog in October 2020. As per the study, about 94 percent of the employers surveyed reported they would hire more candidates trained under PMKVY. Further, 52 percent of the candidates who were placed in full time/part time employment and oriented under the RPL component received higher salary or felt that they will get higher salary compared to their un-certified peers.

As regards other schemes of MSDE, third-party evaluation reports mentioned success in terms of placement or livelihood improvement of candidates trained under different schemes. The brief details of the same are given below:

JSS: Evaluation study of JSS scheme conducted in 2020 has found that the scheme has helped in almost doubling the household income for those beneficiaries have got employment or were self-employed after the JSS

training. The report has further observed that the usefulness of the scheme would be further evident from the fact that 77.05% of the beneficiary trainees have undergone occupational shifts. The study also affirmed that the focus of the skilling in the scheme favours self-employment.

NAPS: Third-party evaluation study of NAPS conducted in 2021 has observed that the scheme has successfully enhanced the employability of youth by providing structured on-the-job training, with a notable increase in the engagement of apprentices across various industries. In the new version of the scheme, DBT method has been adopted to transfer government share directly to apprentices' bank accounts, as streamlined reimbursement process was recommended in the report.

ITIs: The Tracer Study report of ITI Graduates published in 2018 by MSDE mentions that 63.5% of total ITI pass-outs got employed (out of which 6.7% are self-employed).

To ensure the monitoring of agencies/institutes engaged in imparting the skill training, the following measures have been taken by MSDE:

PMKVY:

- The enrolment of the candidates under PMKVY scheme is *Aadhaar based* to ensure that fake enrolments do not occur under the scheme.
- The training centers have been mandated under PMKVY to install Aadhaar enabled biometric attendance system (AEBAS) machine to keep track of candidates' attendance for the training. To ensure compliance, the payment to the training centres has been linked to attendance.

- Concurrent Monitoring of training centres and candidate skilling lifecycle progress by using the following monitoring tools:
 - i. *Call Validation*: Manual calls are made to the candidate on the mobile number provided to capture the feedback of candidates on various aspects of training.
 - ii. *Surprise Center Visits*: Real time surprise visits are made to check the array of scheme compliance parameters.
 - iii. *Virtual Verification*: It's a technology driven monitoring mechanism to virtually monitor and verify PMKVY compliance at the training center level. The training center has to provide the required information along with geotagged and time stamped images through mobile application, as and when asked.
 - iv. *Outcome based payment to training centres*: Payment to training centres are based on specific outcomes like attendance, certification, and placements through the lifecycle of the program.

A penalty matrix has been devised to penalize (including financial penalties) for non-compliant entities. In cases of severe non-compliance or any unethical practice, a training center may be suspended for a period of six months or blacklisted from the skill ecosystem.

NAPS

- Under NAPS, a National Steering Committee (NSC) and a Scheme Monitoring and Review Committee (SMRC) have been established at the

central level to monitor the scheme. Similarly, State Implementation Review Committees (SIRCs) have been constituted at State/UT level.

- Scheme is also monitored through the State Apprenticeship Advisor (SAAs) and Assistant Apprenticeship Advisor (AAAs) in every district besides utilizing Regional Directorates of Skill Development and Entrepreneurship (RDSDEs) and National Skill Development Corporation (NSDC) for this purpose. The apprenticeship portal acts as the central hub for scheme monitoring, capturing all essential credentials of the candidates and establishments.

JSS

- MSDE monitors the implementation of the Scheme through periodic review meetings and field visits. The scheme implementation is also monitored through Skill India Digital Hub (SIDH) portal.
- At State level, the monitoring and supervision of the JSSs is done by the RDSDEs. The RDSDE officials periodically visit and inspect the JSS under their jurisdiction for effective monitoring.
- At the JSS Level, a 16-member committee known as Board of Management (BoM) has been established in each JSS. The BoM of the JSS periodically reviews the programmes implemented by the JSS. The BoM members visit the skill training centres periodically and place their observations in the BoM meeting for taking corrective measures for improving the functioning of JSS.

DGT

- Industrial Training Institutes (ITIs) operate under the administrative and financial control of the respective State Directorates. These State Directorates play a crucial role in monitoring and managing the day-to-day functioning of the ITIs.
- To further strengthen the monitoring framework, the Directorate General of Training (DGT), under the Ministry of Skill Development and Entrepreneurship (MSDE), has introduced a data-driven grading methodology for ITIs. This grading system evaluates the performance of ITIs based on a comprehensive set of parameters, such as admissions, examinations etc.

Government of India launched National Education Policy (NEP), 2020 with an aim for holistic development of students. NEP aims to transform and enhance the quality of education across the country with an objective to establish an education system that is inclusive, equitable, and of high quality, empowering learners to meet future challenges and contribute to national development.

NEP lays emphasis on integrating skill development with mainstream education by embedding vocational and practical skills across school and higher

education, removing hard separations between vocational and academic streams.

To enhance employability of the students and achieve the objectives of NEP 2020, University Grants Commission (UGC) has notified the National Credit Framework (NCrF), enabling integration of Skill Education into academia. It also enables credit accumulation through diversified domains such as Skill Enhancement Courses, Value Addition Courses, Ability Enhancement Courses alongwith Internships and Projects. The NCrF also has a provision for the accumulation of a maximum of 50% of the total credit required through skill-based courses. These provisions have enabled Higher Educational Institutions to provide multidisciplinary knowledge to the students, making them industry ready.

Further, UGC has formulated guidelines for the introduction of Apprenticeship Embedded Degree Programmes to be offered by Higher Education Institutions to provide practical exposure during the course of study expected with the aim to enhanced competencies of the graduates and the employment thereof.

To achieve the objectives of NEP 2020 and ensure availability of industry relevant knowledge to students All India Council for Technical Education (AICTE) has taken several steps including:

- Model Curriculum in areas such as Artificial Intelligence, Data Science, Space Technology, Electronic Engineering (VLSI Design and Technology),

Robotics and Artificial Intelligence etc. Due representation of Industry stakeholders is ensured in the curriculum revision committees.

- Memoranda of Understanding (MoU) with leading industries and organisations have been signed to facilitate internship, skilling and upskilling of students and faculty members.
- Issued model internship guidelines for technical courses. Internship is mandatory component of Model Curriculum issued by AICTE for different courses. These guidelines provide internship in full-time or part-time.
- Industry Academia Mobility framework launched by AICTE to facilitate connect between theoretical knowledge and practical application, facilitating collaboration between academia and industry.

The Ministry of Education, in collaboration with IIT Madras and eminent Industry Partners, have launched the SWAYAM Plus platform on 27th February 2024. The platform offers high-quality learning and certification programs in partnership with leading industry and academic experts to students/ learners, helping them reskill, upskill, and become employment-ready. The Ministry of Education and IIT Madras have signed more than 65 MoUs with the leading industry partners. As of 25th July 2025, more than 400 Courses in 16 different sectors are available on the platform, and more than 3 lakh learners have enrolled for their Skill augmentation.

The Ministry of Education has implemented National Apprenticeship Training Scheme (NATS) to impart on-the-job training and enhance the

employability of youth. In the last 5 financial years, i.e. from FY 2020-21 to 2024-25, the NATS scheme has engaged 12.94 lakh apprentices. For FY 2024-25, over 5.23 lakh apprentices have been engaged.

This Mission has been set up under the aegis of the centrally sponsored scheme of Samagra Shiksha- an integrated scheme for School Education Under Samagra Shiksha, all 36 States/Union Territories are implementing NIPUN-Bharat Mission. It is the first time that the age group of 3-6 years has been included in the school continuum in foundational stage in 5+3+3+4 structure consisting of 3 years of Balvatika and Grade 1 & 2. National Curricular Framework for Foundational Stage (NCF-FS) was released on 20th October, 2022 providing a structure for the syllabus, Training of Teachers, Learning Teaching Material (LTM), etc.

PARAKH (Performance Assessment, Review, and Analysis of Knowledge for Holistic Development) has been setup under National Council of Educational Research and Training (NCERT) by Department of School Education and Literacy (DoSE&L). The primary objective of this survey is to evaluate the learning competencies of students in Foundational Literacy, Foundational Numeracy, Language and Mathematics at the end of each of the educational stages i.e. Foundational, Preparatory, and Middle in Grades 3,6 & 9. The latest

PARAKH Rashtriya Sarvekshan 2024 was conducted on 4th December, 2024 by the National Assessment Centre, PARAKH under the aegis of the Ministry of Education.

PARAKH Rashtriya Sarvekshan findings highlight a significant improvement in foundational literacy and numeracy skills outcomes, reflecting the positive impact of the NIPUN Bharat Mission as envisioned in NEP 2020. It reflects that the performance of children in Grade 3 in rural school is better than urban schools, Government schools showed stronger performance at Grade 3, indicating early success of NIPUN Bharat Mission. It also shows clear improvement in learning outcomes from previous survey & recovery from covid losses in language & Mathematics.

The various initiatives under NIPUN Bharat Mission which contribute to better outcomes implemented by all States/UTs :-

- A 3 months play based 'School Preparation Module and Guidelines' for Grade I named 'Vidya Pravesh' was launched on 29th July, 2021. The goal of Vidya Pravesh programme is to promote school preparedness in all children coming to Grade- I from diverse backgrounds (Balvatika, Anganwadi Centers (AWCs), at home, private play schools etc.), to ensure a smooth transition of children to Grade-I. It provides play based, age and developmentally appropriate learning experiences in a joyful and stimulating environment leading to holistic development to bolster a child's pre-literacy, pre-numeracy, cognitive and social skills. This Programme is

being implemented across the country. From 2022-23 till date, over 4.2 crore students in 8.9 lakh schools have benefitted.kj

- Jaadui Pitara (JP), a collection of Learning Teaching Material (LTM) for 3 to 6 years age group was launched on 20th February, 2023. It is a box having 53 LTM for the foundational stage like toys, games, puzzles, puppets, posters, flashcards, story cards, play book set for students, and handbooks for teachers. The user manual and all the activity cards, picture reading posters, story cards, and instructions of JP have been translated into 22 languages. It is a giant leap towards enriching the learning-teaching environment and making it more child-centric, lively, and joyful as envisioned in the NEP 2020. It also consists of a Trainer's Handbook 'Unmukh' which is a comprehensive guide for the trainers which has an activity bank for 3–6-year-old children which is mapped to PanchkoshiyaVikas and curricular goals of NCF-FS for future training of teachers at Foundational Stage. The Activity Book 'Anand' contains integrated worksheets to be used by children.
- The e-JaaduiPitara (e-JP) was launched on 10th February 2024. The e-JP is an app and website with integration of the latest technology with play-based pedagogy and a way to disseminate the learning of JP and transcend it beyond the four walls of the classroom. The stakeholders involved are teachers/educators, parents, etc. e-JP, in alignment with the NEP 2020, is an app initially developed for Android users along with browser access at <https://ejaaduipitara.ncert.gov.in/>. The app currently

has more than 1,000 stories in different languages. This website and mobile app are packed with fun and engaging content in multiple languages, including activities, songs, riddles, stories and lullabies. Using Artificial Intelligence, it comprises of three bots, viz.,

- Katha Sakhi: Your storyteller Buddy, bringing magical tales to life;
 - Teacher Tara: A guide for educators, offering tips and resources; and
 - Parent Tara: A supportive companion for parents, providing guidance and fun activities.
- Play and activity-based textbooks for classes 1 and 2 have also been prepared and shared with States/UTs (Hindi- “Sarangi”, English- “Mridang”, “Mathematics- Joyful-Mathematics and Anandmay-Ganit” and Urdu- “Shahnai”) fulfilling NEP 2020 and NCF-FS (National Curricular Framework for Foundational Stage) recommendations.
 - Primers have been developed in 121 local languages for FLN learning in mother tongue. These are languages spoken by at least 10000 population.
 - Lakshya or Targets for Foundational Literacy and Numeracy starting from the Balvatika upto Grade 2 based on the learning outcomes have been developed on the basis of national and international research.
 - In order to provide continuous learning opportunities to the teachers, NISHTHA (National Initiative for School Heads' and Teachers' Holistic

Advancement) online was launched using DIKSHA platform in October 2020 to reach out to elementary teachers and its further extension to all level of teachers. It includes multiple approaches for interaction i.e. Text Modules along with videos. All these contents are aligned to the three developmental goals and learning outcomes of Foundational Literacy and Numeracy (FLN). Currently, it hosts contents in 133 languages (126 Indian Languages + 7 foreign languages). More than 14 lakhs teachers have completed NISHTHA online training program for Foundational Literacy and Numeracy (FLN) & Early Childhood Care and Education (ECCE).

- The Holistic Progress Card (HPC) has also been introduced as a formative assessment tool to provide a multidimensional view of student progress. It goes beyond academics to include co- curricular and socio-emotional development. Insights from these assessments guide evidence-based interventions, ensuring uniform progress across all regions.
- The Government of India has introduced the Automated Permanent Academic Account Registry (APAAR) as part of the academic framework to strengthen the monitoring of actual learning outcomes. This initiative is part of the 'One Nation, One Student ID' initiative in line with the National Education Policy (NEP) 2020, and serves as a unique, lifelong academic ID for every student. It records their academic journey from the foundational stage (Balvatika) onwards, including academic

achievements, co-curricular activities, skill development, assessments, and basic health records. This digital system ensures continuity of learning, aids dropout recovery, and enables timely academic updates for parents, teachers, and institutions.

- Further, APAAR is integrated with the Holistic Progress Card (HPC), which captures a 360-degree view of a student's development through competency-based and formative assessment. The data from the HPC is linked to Vidya Samiksha Kendra (VSK), a centralized data analytics platform that monitors student progress, identifies learning gaps, and supports targeted interventions. Together, APAAR, HPC, and VSK create a digital, data-driven ecosystem supporting digital transformation goals of NIPUN Bharat Mission, and the broader Samagra Shiksha initiative allowing continuous tracking of each student's progress, ensuring accountability and improved learning outcomes across all stages of education.
- All the newly developed material is applicable across the country including aspirational districts, socio-economically disadvantaged districts and tribal areas. For the implementation of NIPUN Bharat initiatives, a separate vertical on Foundational Literacy and Numeracy (FLN) has been developed on DIKSHA (Digital Infrastructure for Knowledge Sharing) to ensure availability and accessibility of high-quality learning material for the entire nation including aspirational districts including socio-economically disadvantaged districts and tribal areas.

- A new concise format for monitoring of NIPUN, NIPUN Bharat Mission Planning and Implementation Template (NBMPIT), was developed and shared with all States/UTs to understand the progress at a glance and for better monitoring.

स्वच्छ वायु कार्य योजनाओं के कार्यान्वयन के माध्यम से 24 राज्यों/संघ राज्य क्षेत्रों के 130 शहरों (मानकों को पूरा न करने वाले शहरों और दस लाख से अधिक आबादी वाले शहरों) में वायु गुणवत्ता में सुधार करना था। वर्ष 2019-20 से अब तक की अवधि के दौरान वायु प्रदूषण उपशमन उपायों के क्रियान्वयन के लिए 130 शहरों को महत्वपूर्ण अंतराल वित्तपोषण के रूप में 13,036.52 करोड़ रुपये का कार्य-निष्पादन आधारित अनुदान प्रदान किया गया है।

एनसीएपी के अंतर्गत धनबाद, जमशेदपुर, रांची, कोरबा, रायपुर, अंगुल, तालचेर, राउरकेला, चंद्रपुर आदि कई शहर महत्वपूर्ण खनन गतिविधियों से जुड़े हैं। इन शहरों ने खनन गतिविधियों से उत्पन्न वायु प्रदूषण को कम करने के लिए शहर-विशिष्ट स्वच्छ वायु कार्य योजनाएँ तैयार की हैं।

पर्यावरण, वन एवं जलवायु परिवर्तन मंत्रालय के क्षेत्रीय कार्यालय पर्यावरण प्रभाव आकलन (ईआईए) अधिसूचना, 2006 के तहत दी गई पर्यावरण संबंधी मंजूरी के तहत विनिर्दिष्ट शर्तों के अनुपालन का सत्यापन करने के लिए खनन गतिविधियों के दौरान कार्यान्वित प्रदूषण नियंत्रण संबंधी उपायों की निगरानी करते हैं।

इसके अलावा, संबंधित राज्य प्रदूषण नियंत्रण बोर्ड/प्रदूषण नियंत्रण समितियाँ वायु (प्रदूषण निवारण एवं नियंत्रण) अधिनियम, 1981 और जल (प्रदूषण निवारण एवं नियंत्रण) अधिनियम, 1974 के तहत सहमति तंत्र के माध्यम से खनन कार्यों के दौरान कार्यान्वित किए गए प्रदूषण नियंत्रण संबंधी उपायों की निगरानी करती हैं।

सरकार ने कोयला खनन, स्पंज लौह संयंत्र और इस्पात संयंत्र शुरू करने से पहले पर्यावरण, वन और जलवायु परिवर्तन मंत्रालय/राज्य पर्यावरण प्रभाव आकलन प्राधिकरण (एसईआईए) से

पर्यावरण प्रभाव आकलन अधिसूचना, 2006 के तहत पर्यावरण से संबंधित अनापत्ति (ईसी) प्राप्त करना अनिवार्य कर दिया है।

पर्यावरण, वन एवं जलवायु परिवर्तन मंत्रालय ने पर्यावरण (संरक्षण) नियम, 1986 के तहत कोयला खदानों और लौह अयस्क खनन उद्योगों के लिए वायु गुणवत्ता मानक निर्धारित किए हैं। इसके अलावा, कोयला और कच्चे माल के प्रबंधन से होने वाले वायु प्रदूषण की रोकथाम और नियंत्रण के लिए कोयला प्रबंधन और क्रशिंग संयंत्र के लिए दिशानिर्देश जारी किए गए हैं। इन मानकों का क्रियान्वयन खनन उद्योगों द्वारा और उनका प्रवर्तन संबंधित राज्य प्रदूषण नियंत्रण बोर्डों द्वारा किया जाता है।

ओडिशा में खनन गतिविधियों सहित तीन औद्योगिक प्रदूषित क्षेत्रों को अभिज्ञात किया गया है। इस क्षेत्र में प्रदूषण कम करने के लिए राज्य प्रदूषण नियंत्रण बोर्ड, ओडिशा द्वारा एक कार्य योजना तैयार की गई है, जिसमें ऐसे औद्योगिक क्षेत्रों में स्थित शहरों और कस्बों में वायु गुणवत्ता उपायों को भी शामिल किया गया है।

महाराष्ट्र में चंद्रपुर शहर के निकट कोयला खदानों से होने वाले वायु प्रदूषण को नियंत्रित करने के लिए, सड़कों के किनारे, कोयला प्रबंधन केंद्रों पर तथा खनन क्षेत्रों में पानी के छिड़काव यंत्र लगाए गए हैं तथा इन्हें नियमित रूप से चलाया जाता है।

झारखंड में धनबाद नगर निगम ने पर्यावरण मानकों का पालन सुनिश्चित करने के लिए खनन इकाइयों पर विनियामक निगरानी बढ़ा दी है। इस संबंध में, झारखंड राज्य प्रदूषण नियंत्रण बोर्ड द्वारा परामर्शिकाएँ जारी की गई हैं और वायु प्रदूषण नियंत्रण मानदंडों के अनुपालन हेतु जागरूकता और जवाबदेही को बढ़ावा देने हेतु खनन उद्योगों के साथ परामर्शी बैठकें आयोजित की गई हैं। सड़क की धूल से होने वाले प्रदूषण को नियंत्रित करने के लिए नियमित रूप से जल छिड़काव और यांत्रिक सफाई संबंधी कार्यकलाप शुरू किए गए हैं। इसके अलावा, धनबाद शहर में सड़कों को पक्का करने तथा ब्लैक टॉपिंग करने, खुले क्षेत्रों को हरा-भरा करने और ऊर्ध्वाधर उद्यान विकसित करने के कार्य किए गए हैं।

Skill Gap studies are conducted from time to time which provides information on the skills needed and the skill gaps in various sectors. Such studies guide the interventions of the Government aimed at preparing the workforce as per the industry needs. Further, District Skill Committees (DSCs) are mandated with formulating District Skill Development Plans (DSDPs) to promote decentralized planning and implementation at the grassroots. The DSDPs identify sectors with employment opportunities as well as the associated demand for skilling in the district, and map the available facilities for Skill Training. Skill Development Programmes of the Government are designed and implemented to bridge identified skill gaps across sectors

Through National Council of Applied Economic Research (NCAER), Ministry of Skill Development and Entrepreneurship (MSDE) conducted a National Skill Gap Study on seven high-growth sectors to establish a robust methodology for analyzing sector-specific skill demands. The seven sectors include – (i) Growing of cereal, leguminous crops and oilseeds; (ii) raising of cattle and buffaloes; (iii) weaving of textiles; (iv) manufacture of motor vehicles, parts & accessories of motor vehicles; (v) electric power generation using solar energy and other non-conventional sources; (vi) retail sale of food, clothing,

footwear and leather articles in specialised stores and maintenance & repair of MVs and; (vii) computer programming activities. The study has identified job roles which are facing and are likely to face demand shortage in the seven sectors.

To ensure that the skills training are aligned with the current industry requirements and thereby improve employability of the youth, following specific steps have been taken by MSDE:

- (i) National Council for Vocational Education and Training (NCVET) has been set up as an overarching regulator establishing regulations and standards to ensure quality in the Technical and Vocational Education and Training (TVET) space.
- (ii) The Awarding Bodies recognised by NCVET are expected to develop the qualifications as per the industry demand and map them with the identified occupations as per the National Classification of Occupations, 2015 and obtain industry validations.
- (iii) 36 Sector Skill Councils (SSCs), led by industry leaders in the respective sectors, have been set up which are mandated to identify the skill development needs of respective sectors as well as to determine skill competency standards.
- (iv) Directorate General of Training (DGT) under the aegis of MSDE is implementing Flexi MoU Scheme and Dual System of Training (DST) which are meant to provide training to ITI students in industrial environment as per their requirements.

- (v) Under PMKVY, the new age/future skills job-roles have been specially aligned with Industry 4.0 requirements in areas like AI/ML, Robotics, Mechatronics, Drone Technology, etc. for upcoming market demand and industry requirements.
- (vi) DGT has introduced new age /future skills courses in Industrial Training Institutes (ITIs) and National Skill Training Institutes (NSTIs) under CTS to provide training in emerging areas such as 5G Network Technician, Artificial Intelligence Programming assistant, Cyber Security Assistant, Drone Technician etc.
- (vii) DGT has signed MoU with IT Tech companies like IBM, CISCO, Future Skill Rights Network, Amazon Web Services (AWS) and Microsoft to ensure industry linkages for the institutes at the state and regional levels under CSR initiatives. These partnerships facilitate the provision of technical and professional skills training in modern technologies.
- (viii) Indian Institute of Skills (IIS) established at Ahmedabad and Mumbai, in Public Private Partnership (PPP) Mode, provide training to create a pool of industry-ready workforce for Industry 4.0, equipped with cutting-edge technology and hands-on training.
- (ix) MSDE has launched Skill India Digital Hub (SIDH) a unified platform that integrates skilling, education, employment, and entrepreneurship ecosystems to provide a life-long array of services. The details of the trained candidates are available on SIDH portal for connecting with

potential employers. Through SIDH, candidates can have access to jobs and apprenticeship opportunities.

- (x) MSDE organises Rozgar Melas and Pradhan Mantri National Apprenticeship Melas (PMNAMs) to facilitate the placements and apprenticeship opportunities to the certified candidates.

देश में बेरोजगार युवाओं की संख्या

2527. श्री कौशलेन्द्र कुमार:

क्या कौशल विकास और उद्यमशीलता मंत्री यह बताने की कृपा करेंगे कि:

- (क) कौशल विकास योजना के अंतर्गत सरकार द्वारा अब तक देश में कितने बेरोजगार युवाओं को राज्य-वार प्रशिक्षण दिया गया है;
- (ख) उपर्युक्त योजना के अंतर्गत प्रशिक्षित बेरोजगार युवाओं को राज्यवार और स्थानवार कितनी नौकरियां प्रदान की गई हैं;
- (ग) क्या उक्त प्रशिक्षण प्राप्त करने वाले बेरोजगार युवाओं को स्वरोजगार हेतु ऋण के रूप में सहायता प्रदान की गई है; और
- (घ) यदि हाँ, तो राज्य-वार कितनी ऋण राशि प्रदान की गई है?

कौशल विकास और उद्यमशीलता मंत्रालय के राज्य मंत्री; तथा शिक्षा मंत्रालय में राज्य मंत्री (श्री जयंत चौधरी):

(क) और (ख) : कौशल विकास और उद्यमशीलता मंत्रालय (एमएसडीई) 2015 से अपनी प्रमुख योजना प्रधानमंत्री कौशल विकास योजना (पीएमकेवीवाई) का क्रियान्वयन कर रहा है। पीएमकेवीवाई के अंतर्गत, देश भर के युवाओं को अल्पकालिक प्रशिक्षण (एसटीटी) और पूर्व अधिगम मान्यता (आरपीएल) के माध्यम से पुनः कौशलीकरण एवं कौशलान्वयन के माध्यम से कौशल प्रशिक्षण प्रदान किया जाता है। पीएमकेवीवाई योजना विभिन्न क्षेत्रों में कौशल प्रशिक्षण प्रदान करती है ताकि उन्हें

नौकरी के लिए तैयार किया जा सके। पीएमकेवीवाई 4.0, जो वर्तमान में 2022-23 से क्रियान्वयन के अधीन है, के अंतर्गत प्रशिक्षित उम्मीदवारों को अपने विविध करियर पथ चुनने के लिए सशक्त बनाने और उन्हें इसके लिए उपयुक्त रूप से उन्मुख करने पर ध्यान केंद्रित किया गया है। एमएसडीई की इस योजना के अंतर्गत प्रशिक्षित उम्मीदवारों का राज्य-वार ब्यौरा संलग्न **विवरण-I** में दिया गया है।

पीएमकेवीवाई के अल्पकालिक प्रशिक्षण घटक के अंतर्गत, 2015-16 से 2021-22 तक लागू किए गए पहले तीन संस्करणों (पीएमवीवाई 1.0, पीएमकेवीवाई 2.0 और पीएमकेवीवाई 3.0) में प्लेसमेंट पर नज़र रखी गई। पीएमकेवीवाई (1.0 से 3.0) के अंतर्गत, पूरे भारत में 24.38 लाख उम्मीदवारों को प्लेसमेंट प्राप्त हुआ, जिनका राज्य-वार ब्यौरा संलग्न **विवरण-I** में दिया गया है। पीएमकेवीवाई 4.0 के अंतर्गत, प्रशिक्षित उम्मीदवारों को अपने विविध करियर पथ चुनने के लिए सशक्त बनाने और उन्हें इसके लिए उपयुक्त रूप से उन्मुख करने पर ध्यान केंद्रित किया गया है। इसके अलावा, स्किल इंडिया डिजिटल हब (सिद्ध) जैसे विभिन्न आईटी उपकरण भी यह अवसर प्रदान करते हैं।

एमएसडीई ने स्किल इंडिया डिजिटल हब (सिद्ध) नामक एक एकीकृत मंच शुरू किया है जो प्रमुख हितधारकों को जीवन भर सेवाएं प्रदान करने के लिए कौशल, शिक्षा, रोजगार और उद्यमिता पारिस्थितिकी प्रणालियों को एकीकृत करता है। प्रशिक्षित उम्मीदवारों का ब्यौरा संभावित नियोक्ताओं से जुड़ने के लिए सिद्ध पोर्टल पर उपलब्ध है। सिद्ध के माध्यम से, उम्मीदवार नौकरियों और प्रशिक्षुता के अवसरों तक पहुँच प्राप्त कर सकते हैं। इसके अलावा, प्रमाणित उम्मीदवारों को प्लेसमेंट के अवसर प्रदान करने के लिए रोजगार मेले और प्रधानमंत्री राष्ट्रीय प्रशिक्षुता मेले (पीएमएनएएम) का आयोजन किया जाता है।

(ग) और (घ) : युवाओं को व्यावसायिक उद्यम या स्टार्टअप स्थापित करने हेतु ऋण/कर्ज उपलब्ध कराने के लिए, सरकार प्रधानमंत्री मुद्रा योजना (पीएमएमवाई), स्टार्ट-अप इंडिया, स्टैंड-अप इंडिया, पीएम विश्वकर्मा आदि विभिन्न योजनाओं का क्रियान्वयन करती है। प्रधानमंत्री मुद्रा योजना

(पीएमएमवाई) 8 अप्रैल 2015 को शुरू की गई थी ताकि ऐसे किसी भी व्यक्ति को, जो ऋण लेने के लिए पात्र है और जिसके पास लघु व्यवसाय उद्यम के लिए व्यवसाय योजना है, बिना किसी जमानत के संस्थागत ऋण उपलब्ध कराया जा सके। वह इस योजना के अंतर्गत विनिर्माण, व्यापार, सेवाओं और कृषि क्षेत्र से संबद्ध आय सृजन गतिविधियों के लिए 20 लाख रुपये तक का ऋण प्राप्त कर सकता है। पीएमएमवाई के अंतर्गत, सावधि ऋण और कार्यशील पूंजी दोनों आवश्यकताओं को पूरा किया जा सकता है।

दिनांक 17 सितंबर 2023 को शुरू की गई पीएम विश्वकर्मा योजना, कौशल प्रशिक्षण, संपार्श्विक मुक्त ऋण, आधुनिक उपकरण, बाजार संपर्क सहायता और डिजिटल लेनदेन के लिए प्रोत्साहन के माध्यम से 18 चिन्हित व्यवसायों में लगे पारंपरिक कलाकारों और शिल्पकारों को एक छोर से दूसरे छोर तक समग्र सहायता प्रदान करती है।

दीनदयाल अंत्योदय योजना - राष्ट्रीय शहरी आजीविका मिशन (डीएवाई-एनयूएलएम) को 30 सितंबर 2024 तक लागू किया गया था। इसका उद्देश्य शहरी गरीब परिवारों को लाभकारी स्व-रोजगार और कुशल वेतन रोजगार के अवसर प्रदान करके उनकी गरीबी और भेद्यता को कम करना है। डीएवाई-एनयूएलएम के स्व-रोजगार कार्यक्रम (एसईपी) घटक के अंतर्गत, शहरी गरीबों के व्यक्तियों/समूहों को उनके कौशल, योग्यता और स्थानीय परिस्थितियों के अनुकूल लाभकारी स्व-रोजगार उद्यम/सूक्ष्म उद्यम स्थापित करने के लिए वित्तीय सहायता प्रदान की गई।

अक्टूबर 2022 में शुरू की गई स्टार्टअप्स के लिए क्रेडिट गारंटी योजना (सीजीएसएस) का उद्देश्य स्टार्टअप्स के लिए शुरुआती चरण की ऋण आवश्यकताओं को आसान बनाना है। सीजीएसएस का उद्देश्य स्टार्टअप वित्तपोषण के लिए सदस्य संस्थानों द्वारा दिए गए क्रेडिट उपकरणों के संबंध में एक निर्दिष्ट सीमा तक गारंटी प्रदान करना है। 5 अप्रैल, 2016 को शुरू की गई स्टैंड-अप इंडिया योजना का उद्देश्य व्यापार, विनिर्माण और सेवा क्षेत्र में नए उद्यम स्थापित करने के लिए 10 लाख रुपये से 1 करोड़ रुपये तक के बैंक ऋण की सुविधा प्रदान करके अनुसूचित जाति/अनुसूचित जनजाति और महिलाओं के बीच उद्यमिता को बढ़ावा देना है।

जून 2025 तक पीएमएमवाई के अंतर्गत ऋण खातों की संख्या और स्वीकृत राशि का राज्य-वार ब्यौरा संलग्न **विवरण-II** में दिया गया है। जून 2025 तक पीएम विश्वकर्मा के अंतर्गत ऋण खातों की संख्या और स्वीकृत राशि का राज्य-वार ब्यौरा संलग्न **विवरण-III** में दिया गया है। सितंबर 2024 तक कार्यान्वित एसईपी के अंतर्गत लाभार्थियों और वितरित ऋण राशि का राज्य-वार ब्यौरा संलग्न **विवरण-IV** में दिया गया है।

(क) क्या सरकार छात्र मामले निदेशालय (डीएसए), सिलचर के खेल बुनियादी ढांचे को खेलो इंडिया योजना के अंतर्गत उन्नत करने के लिए किसी विशेष योजना को लागू करने पर विचार कर रही है;

(ख) यदि हाँ, तो क्या सरकार ने डीएसए, सिलचर की वर्तमान खेल सुविधाओं के संबंध में कोई आंकलन किया है, यदि हाँ, तो इन सुविधाओं में पाई गई प्रमुख कमियों का ब्यौरा क्या है;

(ग) क्या सरकार खेल सुविधाओं के आधुनिकीकरण और प्रशिक्षण केंद्रों के उन्नयन के लिए कोई व्यापक कार्य योजना बना रही है और यदि हाँ, तो तत्संबंधी ब्यौरा क्या है; और

श्रम और रोजगार मंत्री; तथा युवक कार्यक्रम और खेल मंत्री (डॉ. मनसुख मांडविया):

(क) से (घ): 'खेल' राज्य का विषय होने के कारण वर्तमान खेल सुविधाओं का मूल्यांकन और खेल अवसंरचना का उन्नयन सहित खेलों के विकास की जिम्मेदारी, मुख्य रूप से संबंधित राज्य/संघ राज्य क्षेत्र की सरकारों की है। केंद्र सरकार केवल महत्वपूर्ण कमियों को दूर करके उनके प्रयासों में सहायता करती है। इस मंत्रालय में जिला खेल संघ (डीएसए), सिलचर की खेल अवसंरचना के उन्नयन हेतु कोई प्रस्ताव विचाराधीन नहीं है। तथापि, इस मंत्रालय द्वारा कार्यान्वित खेलो इंडिया स्कीम और राष्ट्रीय खेल विकास निधि (एनएसडीएफ) के तहत खेल अवसंरचना के विकास के लिए वित्तीय सहायता प्रदान की जाती है, मांग-आधारित स्कीमें हैं। असम राज्य सहित देश भर में खेलो इंडिया स्कीम और एनएसडीएफ के अंतर्गत स्वीकृत खेल अवसंरचना परियोजनाओं और उनकी स्वीकृत लागत, जारी की गई धनराशि और उनकी वास्तविक एवं वित्तीय प्रगति का विवरण मंत्रालय के डैशबोर्ड <https://mdsd.kheloindia.gov.in> और <http://www.nsdf.yas.gov.in/nsdf-glance.html> पर पब्लिक डोमेन में उपलब्ध है।

- (ख) क्या सरकार इन जिलों को “स्वदेश दर्शन योजना”, “प्रसाद योजना” या किसी अन्य ग्रामीण या इको-टूरिज्म परियोजना के अंतर्गत विकसित करने का विचार रखती है;
- (ग) यदि हाँ, तो तत्संबंधी ब्यौरा क्या है और इसके लिए कितनी धनराशि आवंटित की गई है;
- (घ) क्या केंद्र सरकार राज्य सरकारों के समन्वय से इस क्षेत्र में प्राकृतिक पथ, वन्यजीव अवलोकन केंद्र, स्थानीय गाइडों के लिए प्रशिक्षण और इको-लॉज, इको-कैफे या कैंपिंग सुविधाएं प्रदान करने का विचार रखती है;
- (ङ) क्या इस क्षेत्र के विकास के लिए स्थानीय निवासियों, विशेषकर वनवासी जनजातीय समुदायों को स्वरोजगार और प्रशिक्षण प्रदान करने हेतु कोई एकीकृत कार्यक्रम शुरू किया गया है;

संस्कृति मंत्री; तथा पर्यटन मंत्री (श्री गजेन्द्र सिंह शेखावत):

(क) से (छ): पर्यटक स्थलों और पर्यटन उत्पादों का विकास और संवर्धन मुख्य रूप से संबंधित राज्य सरकार/संघ राज्यक्षेत्र प्रशासन द्वारा किया जाता है। हालांकि, पर्यटन मंत्रालय 'स्वदेश दर्शन (एसडी)', 'स्वदेश दर्शन 2.0 (एसडी 2.0)', 'चुनौती आधारित गंतव्य विकास (सीबीडीडी)' - स्वदेश दर्शन की एक उप-योजना, 'तीर्थयात्रा कायाकल्प और आध्यात्मिक विरासत संवर्धन अभियान (प्रसाद)' और 'पर्यटन अवसंरचना विकास के लिए केंद्रीय एजेंसियों को सहायता (एसीए)' नामक अपनी केंद्रीय क्षेत्र की योजनाओं के माध्यम से राज्य सरकारों/संघ राज्यक्षेत्र प्रशासनों/केंद्रीय

एजेंसियों को योजना दिशानिर्देशों के अनुपालन, विस्तृत परियोजना रिपोर्ट (डीपीआर) की प्रस्तुति, धन की उपलब्धता, पारस्परिक प्राथमिकता आदि के अध्यधीन वित्तीय सहायता प्रदान करके पर्यटन अवसंरचना विकास संबंधी उनके प्रयासों को संपूरित करता है। इसके अतिरिक्त, भारत सरकार ने अपनी 'पूँजी निवेश हेतु राज्यों को विशेष सहायता (एसएससीआई)' नामक पहल के अंतर्गत पर्यटन परियोजनाओं के विकास हेतु राज्यों को वित्तीय सहायता भी प्रदान की है। उपर्युक्त योजना के अंतर्गत स्वीकृत परियोजनाओं में पारिस्थितिकी पर्यटन, वन्यजीव आदि सहित कई पहलू शामिल हैं।

उपर्युक्त योजनाओं के अंतर्गत पर्यटन मंत्रालय सतत पर्यटन, सामुदायिक भागीदारी और स्थानीय परामर्श के सिद्धांतों को अपनाने के लिए प्रोत्साहित करता है। इसके अतिरिक्त, स्वीकृत परियोजनाओं का संचालन और प्रबंधन संबंधित राज्य सरकार द्वारा किया जाता है। स्वीकृत परियोजनाओं के अंतर्गत, नेचर ट्रेल, लॉग हट्स, कैफेटेरिया, इंटरप्रिटेशन सेंटर, आश्रय स्थल, पार्किंग, अंतिम मील तक कनेक्टिविटी आदि जैसे विभिन्न कार्यों को उनकी प्रकृति के आधार पर अनुमोदित किया जाता है। उत्तर प्रदेश राज्य में एसडी, एसडी 2.0, सीबीडीडी, प्रशाद, एसीए और एसएससीआई योजनाओं के अंतर्गत स्वीकृत परियोजनाओं का ब्यौरा संलग्न **विवरण** में दिया गया है।

उत्तर प्रदेश के बलरामपुर और श्रावस्ती जिलों में स्थित सुहेलवा वन्यजीव अभयारण्य के विकास के लिए वर्तमान में कोई परियोजना उपर्युक्त योजनाओं के तहत पर्यटन मंत्रालय के विचारार्थ सूचीबद्ध नहीं है।

जनजातीय क्षेत्रों में पर्यटन को बढ़ावा देने के उद्देश्य से पर्यटन मंत्रालय ने हाल ही में राज्य सरकारों और संघ राज्यक्षेत्र प्रशासनों द्वारा प्रस्ताव तैयार करने के लिए टेम्पलेट के साथ-साथ 'जनजातीय क्षेत्रों में होमस्टे के विकास' के लिए दिशानिर्देश जारी किए हैं।

पर्यटन मंत्रालय, भारत सरकार ने अतुल्य भारत पर्यटन परिवेश के अधिकतम उपयोग के लिए भारतीय पर्यटन उद्योग की आवश्यकताओं को पूरा करने हेतु प्रशिक्षित पर्यटक सुविधा प्रदाताओं और गाइडों की संख्या बढ़ाने के लिए अतुल्य भारत पर्यटक सुविधा प्रदाता प्रमाणन

(आईआईटीएफसी) शुरू करवाया है। यह कार्यक्रम वर्ष 2020 में शुरू हुआ था और इस संबंध में दिए गए प्रशिक्षण का विवरण निम्नानुसार है:

पर्यटन मंत्रालय ने 'पर्यटन मित्र' और 'पर्यटन दीदी' नाम से एक राष्ट्रीय जिम्मेदारीयुक्त पर्यटन पहल भी शुरू की है, जिसके तहत मार्च, 2025 तक लगभग 3994 उम्मीदवारों को प्रशिक्षित किया गया है।

पर्यावरण, वन एवं जलवायु परिवर्तन मंत्रालय ने सूचित किया है कि उसने वन एवं वन्यजीव वाले क्षेत्रों में सतत् पारिस्थितिकी-पर्यटन 2021 के लिए दिशानिर्देश जारी किए हैं। मंत्रालय, उत्तर प्रदेश सहित राज्यों/संघ राज्यक्षेत्रों से प्राप्त वार्षिक परिचालन योजना (एपीओ) के अनुसार, वन्यजीवों के संरक्षण एवं प्रबंधन तथा उनके आवासों के विकास हेतु केंद्र द्वारा प्रायोजित योजना "वन्यजीव आवास विकास" के अंतर्गत राज्यों/ संघ राज्यक्षेत्रों को वित्तीय सहायता प्रदान करता है। इस योजना के अंतर्गत सहायता प्राप्त गतिविधियों में पारिस्थितिकी-पर्यटन भी शामिल है। सुहेलवा वन्यजीव अभयारण्य को पारिस्थितिकी-पर्यटन गतिविधि के लिए कोई धनराशि आवंटित नहीं की गई है।

ENVIRONMENTAL VIOLATIONS BY COAL MINING, SPONGE-IRON AND STEEL UNITS IN GIRIDIH

2530. SHRI CHANDRA PRAKASH CHOUDHARY:

Will the Minister of **ENVIRONMENT, FOREST AND CLIMATE CHANGE** be pleased to state:

- (a) whether the Government/Central Pollution Control Board (CPCB) is aware of environmental violations by coal mining, sponge-iron and steel units in Giridih, such as persistent industrial air and water pollution emissions of smoke, soot, dust and contamination of groundwater and rivers caused by dozens of sponge-iron, ferro-alloy and rolling mills around Giridih;
- (b) if so, the concrete actions taken by the Government/CPCB to address this issue;
- (c) whether any environmental or health impact assessments have been conducted regarding air quality degradation, water contamination in local rivers and groundwater, respiratory illnesses, soil degradation or crop damage in affected communities;
- (d) if so, the principal findings, including levels of pollution detected, health statistics and ecological impacts; and
- (e) the details of the additional measures are being implemented to strengthen the enforcement of environmental norms in Giridih's industrial and mining units, safeguard public health and provide relief or rehabilitation to affected residents?

THE MINISTER OF STATE IN THE MINISTRY OF ENVIRONMENT, FOREST AND CLIMATE CHANGE; AND MINISTER OF STATE IN THE MINISTRY OF EXTERNAL AFFAIRS (SHRI KIRTI VARDHAN SINGH):

(a) to (e): Sponge iron, induction furnace and rolling mill are the major industries in the villages of Gadi Srirampur, Mohanpur, Udnabad, Phulchi, in Giridih District. The Jharkhand State Pollution Control Board (JSPCB) regularly inspects the industrial units of the state. In the year 2025, JSPCB inspected 07 Sponge Iron units to assess their pollution control systems. Letters were issued to 07 industrial units for violations of improper solid waste management/ submission of CAAQMS data/ display of environmental data. The sponge iron industries located in Giridih have installed Electrostatic Precipitator (ESP) device on the rotary kiln and bag filters on other dust emitting sources. Water sprinkling is regularly done by fixed water sprinkler and water tanker. These industrial units are equipped with Online Continuous Emission Monitoring System (OCEMS) which is connected to the server of JSPCB and Central Pollution Control Board (CPCB). PM10 analyzers are also installed by the industries to monitor ambient air quality, and these are connected to JSPCB and CPCB servers. Regular directions are issued to non-complying units. The Giridih District Environmental Committee, in its meetings, regularly directs various industrial units to abate pollution. Ambient Air Quality Monitoring reports (for parameters RSPM, SO₂ and NO_x) carried out near Tiranga Chowk, Giridih from January to March 2025, shows that the pollutant concentrations is within the prescribed standards.

The Government has made it mandatory to obtain Environmental Clearance (EC) before commencement of Coal Mining, Sponge Iron Plant and Steel Plant under the Environment Impact Assessment Notification, 2006 from Ministry of Environment, Forest and Climate Change (MoEFCC)/ State Environment Impact Assessment Authority (SEIAA). In this regard a detailed Environment Impact Assessment (EIA) is carried out and comprehensive Environment Management Plan (EMP) with all safeguards is to be submitted. The EIA/EMP is deliberated in detail by the Environmental Appraisal Committee (EAC) of MoEF&CC / State Environmental Appraisal Committee (SEAC) of State Government, before issuance of EC.

In addition, all the above mentioned units have to obtain Consent to Establish (CTE) and Consent to Operate (CTO) from State Pollution Control Boards (SPCB). These Environmental Permits stipulate all necessary conditions including mitigation measures to protect the environment.

The stipulated conditions of EC/CTO/CTE and the mitigation measures proposed in EMP are necessarily complied to maintain the appropriate environmental standards in and around unit premises. Comprehensive environmental monitoring mechanism, for assessing the efficacy of mitigation measures, is undertaken as prescribed in the Environment (Protection) Act & Rules and EC conditions. The compliance report is submitted to regulatory agencies on routine basis by the project proponent.

The MoEFCC notifies “Standards for Emission or Discharge of Environmental Pollutants from various Industries” under Schedule-I of the Environment Protection Rules, 1986.

- The Environmental Standards for coal mines has been notified by MoEFCC vide G.S.R. 742(E), dated 25.9.2000,
- Environmental Standards for Sponge Iron Plant has been notified vide G.S.R. 414(E) on 30.05.2008
- Environmental Standards for Iron & Steel Plant has been notified vide G.S.R. 277(E) on 31.03.2012.

The Environmental Standards are enforced by SPCB through consent mechanism and monitoring on time to time basis. Further, Central Pollution Control Board (CPCB) has directed all 17 categories of high pollution potential industries (including Sponge Iron Plants and Steel Plant) and common waste treatment facilities to install Online Continuous Effluent/ Emission Monitoring Systems (OCEMS) for strengthening monitoring mechanism and effective compliance through self-regulatory mechanism and constant vigil on pollution levels. Real-time values of environmental pollutants of trade effluent and emissions generated through OCEMS are transmitted online to concerned SPCB/PCC and CPCB on 24x7 basis. The data is processed at CPCB and if the value of pollutant parameter exceeds prescribed environmental norms, an automatic SMS alert is generated and sent to industrial unit, SPCB and CPCB,

so that corrective measures can be taken by the industry immediately and appropriate action can be taken by concerned SPCB/PCC/CPCB.

माननीय अध्यक्ष : मुझे यह लगता है कि आप नियोजित तरीके से ही सदन को बाधित करना चाहते हैं, इसलिए सदन की कार्यवाही आज दो बजे तक के लिए स्थगित की जाती है।

(i) Need to conserve and connect Buddhist sites of archaeological importance in Chauparan block of Hazaribagh district, Jharkhand

श्री मनीष जायसवाल (हजारीबाग) : हजारीबाग जिले के चौपारण प्रखंड के मानगढ़, दैहर, सोहरा, हथिदर में पुरातात्विक महत्व की कई मूर्तियां, बौद्ध स्तूप तथा अन्य साक्ष्य खुदाई में सामने आये हैं। राष्ट्रीय तथा अंतरराष्ट्रीय ख्याति के इतिहासकार, वैज्ञानिकों ने इसका अध्ययन किया है। शोध में मानगढ़ में बरामद एनबीपीडब्लू (मृदभांड) का काल ई.पू. 200 से ई.पू. 700 तक जाने का दावा किया गया है। इन इलाकों में हिंदू तथा बौद्ध धर्म की पांचवी तथा छठी सदी की मूर्तियां प्राप्त हुई हैं। यहां से प्राप्त होने वाला सम्पूर्ण अवशेष बौद्ध धर्म के परिपक्व होने के बाद का है। अतः मैं सरकार से विनम्र निवेदन करता हूँ कि सरकार इस ऐतिहासिक पुरातात्विक स्थल को बौद्ध सर्किट से जोड़ने, यहां से प्राप्त पुरावशेष को खंडित होने से बचाने और पुरातात्विक विभाग के गोदाम में रखे जाने के बजाय इसे यहीं संरक्षित करने हेतु विशेष म्यूजियम का निर्माण करने और राष्ट्र के अन्य धरोहरों की भांति इस पुरातात्विक स्थल को भी राष्ट्रीय धरोहर मानकर इसका संरक्षण पुरातात्विक सर्वेक्षण विभाग के अधीन किए जाने की कृपा करें ताकि यह पर्यटन क्षेत्र के रूप में विकसित हो सके और स्थानीय लोगों को रोजगार के अवसर के साथ-साथ सरकार को राजस्व की भी प्राप्ति हो।

* Treated as laid on the Table.

(ii) Need to establish a CGHS Wellness Centre or Hospital in Bulandshahr district, Uttar Pradesh

डॉ. भोला सिंह (बुलन्दशहर) : मैं सरकार का ध्यान उत्तर प्रदेश के जनपद बुलंदशहर में केंद्रीय सरकार स्वास्थ्य योजना (सीजीएचएस) के अंतर्गत एक औषधालय या अस्पताल की तत्काल स्थापना की आवश्यकता की ओर आकर्षित करना चाहता हूँ। जनपद बुलंदशहर में केंद्रीय सरकार के विभिन्न विभागों, बैंकों, डाकघरों, रेलवे प्रतिष्ठानों एवं सार्वजनिक उपक्रमों में कार्यरत एवं सेवानिवृत्त बड़ी संख्या में कर्मचारी एवं उनके आश्रित निवास करते हैं। इन्हें सीजीएचएस के अंतर्गत चिकित्सा सुविधाएँ मिलनी चाहिए, किंतु वर्तमान में जनपद में पूर्णकालिक CGHS वेलनेस सेंटर या अस्पताल कार्यरत नहीं है। इस कारण लाभार्थियों को चिकित्सा परामर्श, दवाओं की प्राप्ति एवं विशेष उपचार हेतु मेरठ, गाजियाबाद या दिल्ली जैसे दूरस्थ शहरों की यात्रा करनी पड़ती है, जिससे उन्हें अत्यधिक मानसिक, शारीरिक और आर्थिक कठिनाइयों का सामना करना पड़ता है। वरिष्ठ नागरिकों और गंभीर बीमारियों से पीड़ित पेंशनभोगियों के लिए यह स्थिति विशेष रूप से कष्टप्रद और कई बार जानलेवा सिद्ध हो सकती है। अतः मैं सरकार से अनुरोध करता हूँ कि वह जनपद बुलंदशहर में सीजीएचएस औषधालय/अस्पताल की स्थापना हेतु आवश्यक कदम तत्काल उठाए और यह भी स्पष्ट करे कि उक्त सुविधा को उपलब्ध कराने की क्या समय-सीमा निर्धारित की गई है।

(iii) Need to collaborate with premier Agricultural and Scientific institutions for empowerment of farmers with region specific agricultural knowledge

SHRIMATI DAGGUBATI PURANDESWARI (RAJAHMUNDRI): The vulnerability in the Agriculture sector is immense, as 80% of our farmers are marginal, with less than one hectare of land, and 60% of our cultivation is rainfed, leaving them with poor coping capacities. The challenges are multi-faceted, including erratic rainfall affecting water availability, increased frequency of floods

and droughts, and severe heat stress on crops, livestock, and fisheries. The projections are alarming: a significant temperature increase could result in a devastating drop of up to 40% in rice yields and over 50% in wheat yields. While the Union Government supports the agrarian sector through various interventions and missions, the focus has largely remained on developing climate-resilient technologies. However, the need of the hour is to directly empower the farmer with localized, actionable knowledge. Therefore, I urge the Ministry of Agriculture and Farmers Welfare to urgently collaborate with premier scientific bodies like ICAR, ICRISAT, and the Department of Science and Technology. They must work on a mission mode to divide the country into dynamic micro-agricultural zones based on changing climatic patterns. Based on this scientific zoning, a robust advisory system should be created to guide our farmers on re-orienting their land use, changing cultivation patterns, and adopting suitable crops to effectively secure their livelihoods and our nation's food security.

**(iv) Regarding repair and maintenance of roads in Dadra and Nagar
Haveli Parliamentary Constituency**

श्रीमती कलाबेन मोहनभाई देलकर (दादरा और नागर हवेली) : मेरे संसदीय क्षेत्र दादरा और नागर हवेली, अपनी औद्योगिक गतिविधियों और पर्यटन क्षमता के लिए जाना जाता है। पिछले कुछ वर्षों से सड़कों की स्थिति लगातार खराब होती जा रही है, जिससे स्थानीय जनता को अनगिनत समस्याओं का सामना करना पड़ रहा है। अधिकांश सड़कें खराब रखरखाव और मरम्मत के अभाव के कारण जर्जर हो गई हैं। जिससे नागरिकों, स्कूली बच्चों को अपने कार्यालय, स्कूल और अन्य

आवश्यक स्थानों तक पहुँचने में अतिरिक्त समय लगता है। खराब सड़के और सड़को पर पड़े गड्ढे, उबड़-खाबड़ सतहें और जल-जमाव के कारण मानवीय दुर्घटनाओं की समस्या बढ़ गई है। धूल भरी और टूटी हुई सड़कों से वायु प्रदूषण बढ़ता है, जिससे श्वसन संबंधी बीमारियाँ होने का खतरा भी बढ़ रहा है। लेकिन उन सड़को की ना मरम्मत की जा रही है और ना रखरखाव किया जा रहा है जिससे मेरे संसदीय क्षेत्र की जनता त्रस्त हो गई है। इसलिए मैं सड़क परिवहन एवं राष्ट्रीय राजमार्ग मंत्री जी से विनम्र निवेदन करती हूँ कि मेरे संसदीय क्षेत्र की सड़कों की मरम्मत, रखरखाव और सुधार के लिए तत्काल आवश्यक निर्देश जारी करे जिससे मेरे संसदीय क्षेत्र की सड़कों की स्थिति में शीघ्र सुधार हो सके।

(v) Need for conservation and development of tourist destinations in Khandwa Parliamentary Constituency, Madhya Pradesh

श्री ज्ञानेश्वर पाटील (खण्डवा) : मैं सरकार का ध्यान मध्य प्रदेश राज्य में पर्यटन को बढ़ावा देने की ओर दिलाना चाहता हूँ। मध्यप्रदेश, जिसे "भारत का हृदय" कहा जाता है, अपनी समृद्ध सांस्कृतिक विरासत, ऐतिहासिक स्मारकों, वन्यजीव अभयारण्यों और प्राकृतिक सौंदर्य के लिए विख्यात है। मेरे संसदीय क्षेत्र खंडवा के अंतर्गत यहाँ असीरगढ़ का किला, कुण्डी भंडारा, राजा जयसिंह की छतरी, जैन मंदिर बहादुर पुर, राम झरोखा मंदिर, कबीर मंदिर, स्वामी नारायण मंदिर, जयंती माता मंदिर, पेशवा बाजीराव (प्रथम) का स्मारक, हनुमंतिया टापू और ओंकारेश्वर जैसे धार्मिक स्थल पर्यटकों को आकर्षित करते हैं। पर्यटन न केवल राज्य की अर्थव्यवस्था में महत्वपूर्ण योगदान देता है, बल्कि स्थानीय लोगों के लिए रोजगार के अवसर भी पैदा करता है। इन अमूल्य धरोहरों का दीर्घकालिक संरक्षण और प्रभावी रखरखाव सुनिश्चित करना अत्यंत आवश्यक है। इन पर्यटन स्थलों का रखरखाव केवल सौंदर्यीकरण का विषय नहीं है, बल्कि यह राज्य के आर्थिक भविष्य और सांस्कृतिक पहचान का भी प्रतीक है। मैं पर्यटन मंत्री जी से निवेदन करता हूँ कि पर्यटन स्थलों के संरक्षण और विकास के लिए कोई विशिष्ट परियोजना चलाई जाए तथा उस हेतु आवश्यक धनराशि आवंटित की जाए या

केंद्र सरकार की विभिन्न पर्यटन विकास योजनाओं, जैसे 'स्वदेश दर्शन' और 'प्रसाद' योजना में उक्त पर्यटन स्थलों को सम्मिलित किया जाए जिससे यह राज्य देश के अग्रणी पर्यटन स्थलों में शुमार हो सके।

(vi) Need to provide benefit of Old Pension Scheme to personnel of Paramilitary forces

श्री धर्मबीर सिंह (भिवानी-महेन्द्रगढ़) : अर्धसैनिक बलों को आज भी पुरानी पेंशन योजना (OPS) से वंचित रखा गया है, जबकि उन्होंने लोकतंत्र और संसद की रक्षा में अपने प्राण तक न्यौछावर किए हैं। सेना की भांति इन्हें भी OPS का लाभ मिलना चाहिए। इसके अतिरिक्त छुट्टियों में भी असमानता है—CISF को केवल 30 दिन की छुट्टी मिलती है, जबकि अन्य बलों को 60 से 100 दिन। यह भेदभाव समाप्त होना चाहिए। संबंधित निम्नलिखित अन्य मांगें भी विचारणीय हैं जैसे कि पैरा मिलिट्री वेलफेयर बोर्ड का गठन हर राज्य में किया जाए ; शहीद अर्धसैनिक जवानों के बच्चों को नौकरी व शिक्षा में आरक्षण दिया जाए ; GST से अर्धसैनिक बलों की कैंटीन को छूट दी जाए ; हर जिले में सैनिक कल्याण बोर्ड में पैरामिलिट्री का प्रतिनिधित्व हो।

(vii) Need to promote global capability centres along with high-value technological services in order to meet IT sector excellence in the country

SHRI MUKESHKUMAR CHANDRAKAANT DALAL (SURAT): India's IT industry earned over \$282.6 billion in 2024–25, with \$224.4 billion from exports and \$58.2 billion domestic. Yet, most freshers still earn just Rs. 3–4 lakh annually, insufficient to cover rent, food, and transport—highlighting the growing gap between top executives and entry-level employees. CEOs take home multi-crore packages while fresher salaries have seen only a 15% rise in a decade. India's GDP has doubled from \$2.1 trillion to \$4.2 trillion, and IT exports from

\$82 billion to \$210 billion in the last ten years, but nothing has changed for Tier-II college graduates. The stagnation stems from a surplus of engineering graduates, reduced billing rates of IT firms (from \$40/hour a decade ago to \$20–25 now), and rising training costs. Automation, global competition, and rupee depreciation (from Rs. 62–63 to 83.85 per dollar) have further worsened the situation. To cut costs, companies are hiring from Tier-II colleges and cities. The growing use of AI may lower the billing further, threatening fresher incomes. India produces 15 lakh engineering graduates yearly, but only 10–15% get campus placements. To address this, the Government must bridge skill gaps, promote high-value tech services, and support Global Capability Centers (GCCs), which offer better opportunities to freshers.

(viii) Need to improve mobile telecommunication services in Khargon and Barwani districts of Madhya Pradesh

श्री गजेन्द्र सिंह पटेल (खरगौन) : मैं माननीय दूरसंचार मंत्री जी का ध्यान मध्य प्रदेश के खरगौन और बड़वानी जिलों में दूरसंचार सेवाओं की गंभीर स्थिति की ओर आकर्षित करना चाहता हूँ। इन दोनों आदिवासी बहुल जिलों में कई दूरसंचार टावर लंबे समय से बंद पड़े हैं, जिससे स्थानीय निवासियों को भारी परेशानी का सामना करना पड़ रहा है। डिजिटल इंडिया के इस युग में भी, खरगौन और बड़वानी के ग्रामीण और दूरदराज के क्षेत्रों में लोग मोबाइल कनेक्टिविटी से वंचित हैं। शिक्षा, स्वास्थ्य सेवाओं और सरकारी योजनाओं तक पहुंच में यह एक बड़ी बाधा बन गया है। किसानों को मौसम संबंधी जानकारी प्राप्त करने में कठिनाई होती है, वहीं छात्रों को ऑनलाइन कक्षाओं से जुड़ने में समस्या आ रही है। आपातकालीन स्थितियों में भी संचार स्थापित करना मुश्किल हो जाता है। मैं मंत्री जी से आग्रह करता हूँ कि वह इस मामले को गंभीरता से ले और

अविलंब इन बंद पड़े दूरसंचार टावरों को पुनः चालू करने के लिए आवश्यक कदम उठाए। साथ ही, भविष्य में ऐसी स्थिति उत्पन्न न हो, इसके लिए एक स्थायी समाधान भी सुनिश्चित किया जाए।

(ix) Need for development of Namu Bharat Rapid Rail System connecting Siliguri in West Bengal with nearby places

SHRI RAJU BISTA (DARJEELING): On behalf of the people from Darjeeling hills, Terai and Dooars, I would like to thank the Government for the various railway projects in our region, including the recently announced Rs 129 crore Siliguri Diesel Loco Shed Expansion. I would also like to request for the development of the Namu Bharat Rapid Rail system connecting Siliguri to surrounding areas. Siliguri serves as a critical transit hub and tourist stopover for destinations like Darjeeling, Sikkim, and Dooars and is also a major commerce and trade centre linking Bihar, Sikkim, Assam, and shares international borders with Bhutan, Nepal, and Bangladesh. The development of modern rail facility will boost the development of Darjeeling hills, Terai and Dooars region and benefit over 3 crore residents of entire North Bengal region, and will improve connectivity by offering a fast, safe, and eco-friendly alternative to road travel. The proposed rail system will cover Siliguri to Malda - via Bagdogra, Naxalbari, Khoribari, Adhikari, Batasi, Bidhannagar, Chopra, Islampur, Raiganj, and Malda; Siliguri to Hashimara/Kalchini - via, Sevoke, Bagrakote, Oodlabari, Mal Bazar, Chalsa, Nagrakata, Banarhat, Birpara, and Hashimara/Kalchini; and in the future, connecting Siliguri to Rangpo, once the Sevoke-Rangpo Rail Line is operational.

(x) Need to run new trains from Gorakhpur to Delhi and Mumbai via Anandnagar-Siddharthnagar-Barhni-Gonda in Uttar Pradesh

श्री जगदम्बिका पाल (डुमरियागंज) : मैं सरकार का ध्यान गोरखपुर-आनंद नगर-सिद्धार्थनगर-बढ़नी-बलरामपुर-गोंडा रेल मार्ग पर यात्री सुविधाओं की अत्यंत कमी की ओर आकृष्ट करना चाहता हूँ। यह मार्ग गोरखपुर, महाराजगंज, सिद्धार्थनगर, बलरामपुर, गोंडा और बहराइच जैसे जिलों के करोड़ों लोगों के लिए जीवन रेखा के समान है, किंतु इसके बावजूद यहाँ से प्रमुख महानगरों के लिए समुचित ट्रेन सेवाएँ उपलब्ध नहीं हैं। जनता की यह प्रबल माँग है कि वंदे भारत, अमृत भारत और अन्य तेजगति ट्रेन सेवाओं की शुरुआत गोरखपुर से दिल्ली और मुंबई के लिए इस मार्ग से की जाए। वर्तमान में यात्रियों को लंबा और असुविधाजनक मार्ग अपनाना पड़ता है, जिससे शिक्षा, स्वास्थ्य, रोजगार और व्यापारिक अवसरों में भारी बाधा उत्पन्न होती है। मैं रेल मंत्रालय से आग्रह करता हूँ कि वह इस मार्ग की यात्री आवश्यकताओं का शीघ्र आकलन करे और इस क्षेत्र की सेवा हेतु नई ट्रेनों की स्वीकृति दे, जिससे इस पिछड़े लेकिन महत्वाकांक्षी पूर्वांचल क्षेत्र का समुचित विकास संभव हो सके।

(xi) Need to renovate Malda Airport in West Bengal for defence purposes

श्री खगेन मुर्मु (माल्दहा उत्तर) : मैं, सरकार का ध्यान अपने क्षेत्र की सुरक्षा से जुड़ी एक अति महत्वपूर्ण आवश्यकता की ओर आकृष्ट करना चाहता हूँ। मालदा जिला भारत-बांग्लादेश सीमा पर स्थित है, जो लगभग 165.5 किलोमीटर लंबी अंतरराष्ट्रीय सीमा साझा करता है। यह क्षेत्र रणनीतिक दृष्टि से अत्यंत संवेदनशील है। मालदा में 1962 में 144 एकड़ भूमि पर एयरपोर्ट का निर्माण हुआ था, परंतु रनवे की लंबाई केवल 1,097 मीटर होने के कारण इसका संचालन नहीं हो सका। वर्तमान में निकटतम कार्यरत सक्रिय हवाई अड्डे बागडोगरा, 241 किलोमीटर और कोलकाता, 323 किलोमीटर की दूरी पर स्थित हैं। सीमावर्ती क्षेत्र में किसी भी संभावित सुरक्षा खतरे का मुकाबला करने के लिए मालदा एयरपोर्ट का पुनरुद्धार और उसे रक्षा उपयोग के लिए विकसित करना अत्यंत

आवश्यक है। अतः सरकार से अनुरोध है कि क्षेत्र में नई भूमि खोजी जाए। यह प्रयास न केवल सीमावर्ती सुरक्षा बलों की त्वरित पहुँच सुनिश्चित करेगा बल्कि क्षेत्र में रणनीतिक लाभ भी प्रदान करेगा। अतः मैं सरकार से निवेदन करता हूँ कि मालदा एयरपोर्ट का रक्षा उपयोग के लिए पुनरुद्धार करने तथा आवश्यकता पड़ने पर नई भूमि की खोज करने हेतु आवश्यक कदम उठाए जाएँ।

(xii) Need for an effective policy to curb increasing incidents of drug abuse among youth in the country

श्री दिलीप शङ्कीया (दारंग-उदालगुड़ी) : भारत विश्व की सबसे प्राचीन और समृद्ध संस्कृतियों में से एक है, लेकिन आज हमारा देश नशे की बढ़ती लत की समस्या से जूझ रहा है। देश में 35 वर्ष से कम उम्र के लगभग 65 प्रतिशत युवा हैं और ऐसे में युवाओं के बीच नशे का बढ़ता चलन देश के लिए गंभीर खतरा पैदा कर सकता है। देश में नशा व्यापार का केंद्र भी बनता जा रहा है और ये कारोबार लगभग 15 लाख करोड़ रु. प्रतिवर्ष से अधिक का है और देश की 14.6 प्रतिशत आबादी नशे की गिरफ्त में है। देश में 10 से 17 वर्ष के 1.48 करोड़ बच्चे शराब, कोकेन, अफीम, गांजा आदि का सेवन कर रहे हैं। पूर्वोत्तर भारत में असम, मेघालय, त्रिपुरा, मणिपुर, नागालैंड जैसे राज्य नशीले पदार्थों के तस्करों के लिए प्रमुख लक्ष्य बन गए हैं। NCRB के आंकड़ों के अनुसार वर्ष 2021 में 10560 लोगों ने नशे की लत से परेशान होकर आत्महत्या की थी, वहीं वर्ष 2022 में यह आंकड़ा 11500 से अधिक था। गोल्डन क्रिसेंट (ईरान-अफगानिस्तान-पाकिस्तान) और गोल्डन ट्रायंगल (थाईलैंड-लाओस-म्यांमार) भारत के लिए अवैध ड्रग तस्करी के केंद्र हैं। सरकार से अनुरोध है कि देश को नशा मुक्त बनाने के लिए एक सशक्त नीति लागू की जाए।

(xiii) Need to introduce a dedicated Rural Assistive Technology Scheme for Divyangjan through Community Health Centres, PHC Dispensary and AMRIT Pharmacies

SHRI P. P. CHAUDHARY (PALI): I wish to draw the attention of the Government to the urgent need for expanding access to assistive technology (AT) for persons who are differently-abled in rural India. As per the Census 2011, over 26.8 million Indians are differently abled, and 69% of them live in rural areas. Yet access to essential assistive aids remains low. A WHO-UNICEF report (2022) estimates that AT access in countries like India is as low as 3% of actual need. Another study found that rural residents, especially women and the elderly, face significantly higher unmet needs due to affordability and lack of local access. While the ADIP scheme has made progress, its impact remains largely urban-centric. Most rural divyangjans continue to buy devices out-of-pocket or go without it. I appreciate NITI Aayog's efforts to formulate a dedicated policy for boosting domestic manufacturing of ATs. However, there is an urgent need to expand last-mile access to Assistive Aids like prosthetics and smart mobility devices. I therefore urge the Ministry of Social Justice and Empowerment to introduce a dedicated Rural Assistive Technology Outreach Scheme, leveraging Community Health Centres, PHC dispensary, and AMRIT Pharmacies. This would ensure that every divyangjan has access to affordable, quality assistive devices.

**(xiv) Need for upgradation and modernization of Kanjikode Railway
Station in Palakkad, Kerala**

SHRI V. K. SREEKANDAN (PALAKKAD): The upgradation or expansion of Kanjikode railway station in Palakkad into a higher-ranking railway station with all modern amenities and infrastructure is the need of the hour, since Kanjikode is central point of industrial activities in Palakkad district which is the second largest industrial district in Kerala. Apart from that, Palakkad is a part of centrally sponsored Kochi-Bengaluru Industrial Corridor and a Hi Tech Industrial Smart City is also going to come up there . The proposed Kochi-Bengaluru Industrial Corridor and a Hi Tech Industrial Smart City and the work on which is progressing, is expected to create a township at Kanjikode to meet all kinds of needs. Many multinational companies and Indian corporate companies and firms will put up their business establishments in Kanjikode and this will provide employment for over a lakh of people directly or indirectly. This Industrial Corridor will change the demography of Kanjikode in a big way. Redevelopment of Kanjikode railway station is also supportive steps to accelerate the pace of development towards the proposed Industrial Corridor. All these going to increase the need for a bigger railway station with facilities, including for cargo movement. Therefore, I urge the Government that Kanjikode railway station be upgraded urgently.

**(xv) Need to establish a robust monitoring system to prevent children
from harmful effects of online social media contents**

श्री मुरारी लाल मीना (दौसा) : मैं सरकार का ध्यान एक गंभीर और संवेदनशील विषय की ओर

आकर्षित करना चाहता हूँ — "अश्लील रील्स और वीडियो का बच्चों पर मानसिक व सामाजिक दुष्प्रभाव पड़ रहा है। आज इंटरनेट और मोबाइल की पहुँच ने जहाँ ज्ञान को आसान बनाया है, वहीं बिना किसी रोकटोक के अश्लील सामग्री बच्चों तक भी सरलता से पहुँच रही है। सोशल मीडिया प्लेटफॉर्म, विशेष रूप से यूट्यूब और इंस्टाग्राम, पर उपलब्ध अश्लील रील्स बच्चों के मानसिक विकास को बुरी तरह प्रभावित कर रही हैं। इस उम्र में बच्चे जो देखते हैं, वही उनके विचारों और व्यवहार को आकार देता है। अश्लील कंटेंट उन्हें विकृत सोच की ओर ले जाता है, जिससे उनके रिश्तों, आत्मविश्वास और सामाजिक व्यवहार में असंतुलन पैदा होता है। इससे शिक्षा में ध्यान भटकता है, और कई बार यह यौन हिंसा या शोषण जैसे गंभीर खतरों को जन्म देता है। इस दिशा में सरकार को सख्त निगरानी तंत्र बनाना चाहिए, अभिभावकों व शिक्षकों को जागरूक किया जाना चाहिए और तकनीकी उपाय जैसे पैरेंटल कंट्रोल व कंटेंट फिल्टर अनिवार्य किए जाने चाहिए। बच्चों को एक सुरक्षित और स्वस्थ डिजिटल भविष्य देना हम सभी की जिम्मेदारी है।

(xvi) Need to include Sasthamkotta Lake in Kollam district, Kerala under the National Plan for Conservation of Aquatic Ecosystems and other rejuvenation schemes of Government

SHRI KODIKUNNIL SURESH (MAVELIKKARA): Sasthamkotta Lake, located in Kollam district, is the largest freshwater lake in Kerala and a major drinking water source for over 10 lakh people in the region. Despite its ecological and livelihood importance, the lake has witnessed alarming degradation due to unchecked pollution, encroachments, siltation, and lack of proper conservation efforts. I urge the Hon'ble Minister of Jal Shakti to take immediate steps to include Sasthamkotta Lake under the National Plan for Conservation of Aquatic Ecosystems (NPCA) and other central rejuvenation schemes. A time-bound action plan involving both State and Central agencies is essential for restoring

the lake's biodiversity, protecting drinking water security, and ensuring the environmental sustainability of the region. The Government must prioritize the revival of Sasthamkotta Lake on an urgent basis.

(xvii) Need to expedite construction of railway line on Saramthura-Gangapur via Karauli route under second phase of Dholpur-Saramthura Railway Line Project in Rajasthan

श्री भजन लाल जाटव (करौली-धौलपुर) : मेरे संसदीय क्षेत्र करौली-धौलपुर में संचालित रेलवे परियोजना धौलपुर -सरमथुरा रेलवे परियोजना के द्वितीय चरण (सरमथुरा से गंगापुर बाया करौली) की घोषणा वर्ष 2022-23 में की गई थी, जिससे करौली-धौलपुर क्षेत्र के लाखों लोगों को बेहतर रेल कनेक्टिविटी मिलने की आशा जगी थी। किंतु खेद की बात है कि इस परियोजना के द्वितीय चरण का कार्य अब तक प्रारंभ नहीं हो पाया है। इस परियोजना की विस्तृत परियोजना रिपोर्ट (डीपीआर) अभी तक पूर्ण नहीं की गई है और भूमि अधिग्रहण, पर्यावरणीय स्वीकृति तथा वित्तीय स्वीकृति जैसे आवश्यक प्रक्रियाओं में भी अत्यधिक विलंब हो रहा है। मैं स्वयं इस परियोजना की प्रगति पर निकट निगरानी रख रहा हूँ। करौली पूरे राजस्थान में एक मात्र ऐसा जिला है जहाँ आज़ादी के इतने साल बाद भी अभी तक रेल सुविधा नहीं है। अतः मैं माननीय रेल मंत्री जी से निवेदन करता हूँ कि इस परियोजनाओं के लिए यथाशीघ्र डीपीआर तैयार कर, प्रशासनिक एवं वित्तीय स्वीकृति जारी कर परियोजना का कार्य शीघ्र प्रारंभ करवाया जाए। जिससे क्षेत्र के लोगों को शीघ्र अति शीघ्र रेल सेवा का लाभ मिल सके।

(xviii) Need to fix the daily prices of Gold and Silver in transparent manner

KUMARI SUDHA R. (MAYILADUTHURAI): The current spike in the retail gold prices is a cause of concern for common people. The gold prices have nearly doubled in the past three years. It has increased by about 300% since the BJP

government came to power in 2014. It has risen from Rs 28,006 per 10 grams of 24 carat gold, to Rs 91,000-plus now. Silver too has seen a similar spike, and is selling at Rs. 126 per gram. It is grossly unnatural and not genuine. Though Indian Bullion & Jewellers Association (IBJA) claims to be fixing the daily prices of gold based on global gold prices, taxes and currency value fluctuation globally, the process is opaque. I request the Government to take over the fixing the daily prices of gold and silver in a transparent manner. The Ministry of Finance should delink the prices of physical gold from virtual paper-gold to separate physical gold from paper gold or buy virtual gold as hedge fund. Delink the prices of physical gold from these virtual and paper gold so that the common man and middle class families actually buying gold for family functions will be insulated from those who invest on paper gold or buy virtual gold as hedge fund.

**(xix) Regarding non-availability of fertilizers to farmers in Banda
Parliamentary Constituency, Uttar Pradesh**

श्रीमती कृष्णा देवी शिवशंकर पटेल (बांदा) : मेरा संसदीय क्षेत्र बांदा (उत्तर प्रदेश) पूर्णतया कृषि आधारित अर्थव्यवस्था वाला क्षेत्र है। जहां आज भी 80 प्रतिशत से अधिक आबादी कृषि पर निर्भर है। बढ़ते रासायनिक उर्वरकों के प्रयोग से जहां मृदा स्वास्थ्य खराब हो रहा है वंही पर्यावरण पर भी इसका प्रतिकूल असर हो रहा है। मैं सरकार से यह जानना चाहती हूं कि मेरे संसदीय क्षेत्र एवं बुन्देलखण्ड की खेती में उर्वरकों पर निर्भरता कम करने हेतु क्या प्रयास किये जा रहे हैं?

प्रायः मैंने अपने क्षेत्र भ्रमण मे पाया है कि किसानों को समय से आवश्यक उर्वरक सहकारी समितियों के माध्यम से उपलब्ध नहीं हो पाता है और कई बार इसका उत्पादन पर प्रतिकूल प्रभाव देखने को मिलता है। इस विषय पर क्या विशेषकर बुन्देलखण्ड क्षेत्र हेतु सरकार का कोई प्रयास है?

रासायनिक उर्वरकों के विषय में आज बाजार में अनेकों उत्पादक कंपनियां ऐसी हैं जो व्यवसाय में अत्यधिक लाभ के चलते गुणवत्ता मानकों के साथ खिलवाड़ कर रही हैं एवं किसानों को आर्थिक रूप से कमजोर बनाती जा रही है। इस दिशा में सरकार कोई ठोस कदम उठाने की कृपा करें जिससे किसानों को लाभ एवं फसल में गुणवत्ता मिल सके।

(xx) Need to comply with the order of Supreme Court to constitute the Haj Committee as per Haj Act, 2002

SHRI MOHIBBULLAH (RAMPUR): The formation of the Haj Committee of India is crucial for the welfare of minority community as mandated under the Haj Act 2002. However, despite the Supreme Court's directive on March 27, 2023, to constitute the committee within three months, the Ministry is yet to comply. The Ministry's April 2022 attempt to form an 8-member committee is against the Act's provisions, which require a 23-member committee with 19 elected members. The Supreme Court's subsequent order on April 29, 2024, directing the committee's formation by August 31, 2024, has also been disregarded. I urge the government to immediately constitute the Haj Committee as per the Haj Act 2002 and comply with the Supreme Court's orders to ensure smooth arrangements and facilities for Haj pilgrims.

(xxi) Need to establish a Health and Wellness Centre in Durgapur, West Bengal

SHRI KIRTI AZAD (BARDHAMAN-DURGAPUR): I would like to draw the attention of the Government to highlight the need for a dedicated Health and Wellness Center (HWC) in Durgapur, West Bengal. As the third-largest urban

agglomeration in the state, with a population of over 740,000 in 2025, Durgapur is Eastern India's most industrialized city and a major economic hub. Given Durgapur's convenient connectivity to surrounding areas, setting up the HWC there will enable it to serve a broader population, including regions such as Bolpur, Bankura, Bardhaman East, and Bardhaman West. It also hosts large industries such as the Durgapur Steel Plant, Chittaranjan Locomotive Works, major thermal power plants, and numerous public sector undertakings, employing a vast workforce. Despite its vital role in India's industrial output and employment generation, Durgapur lacks a comprehensive HWC. Existing healthcare infrastructure, including hospitals and clinics, is fragmented and often limited to basic care. With over 430 industrial units now operating in the region—up from just 46 in 1951—this omission is a significant oversight given Durgapur's rapid growth and rising population. Central government employees, public sector staff, and industrial workers in Durgapur deserve integrated, modern healthcare services that ensure their well-being. Therefore, I strongly urge the government to take prompt action to establish a HWC in Durgapur.

**(xxii) Need to set up a full-fledged Aadhaar Facilitation Centre in
Jhargram Parliamentary Constituency, West Bengal**

SHRI KALIPADA SAREN KHERWAL (JHARGRAM): I would like to draw the attention of the Government to highlight an important issue affecting a portion of the population in my Parliamentary Constituency, Jhargram. Despite the widespread importance of Aadhaar as an individual identity document for

accessing various government schemes, banking services, and welfare benefits, many residents of my constituency continue to face persistent challenges related to Aadhaar enrolment and updates. Currently, there is no dedicated Aadhaar Facilitation Centre in or around Jhargram. Residents are forced to travel long distances, often to Ranchi or other regional centres, for enrolment or biometric corrections. This travel is costly and difficult, particularly for economically weaker sections, the elderly, and persons with disabilities. Errors in biometric or demographic data often remain unresolved for months, resulting in exclusion from essential services like NFSA ration distribution, pensions, and direct benefit transfers. Jhargram, being the district headquarters and centrally located within the Jangalmahal region, is strategically positioned to serve as a hub for Aadhaar services. Establishing a permanent facilitation centre here would ensure timely, accessible, and inclusive service delivery. Therefore, I urge the Hon'ble Minister of Electronics and Information Technology to consider setting up a full-fledged Aadhaar Facilitation Centre in Jhargram, equipped for enrolments, biometric updates, and grievance redressal.

**(xxiii) Need to take necessary action for promoting export of
Kancheepuram sarees**

SHRI G. SELVAM (KANCHEEPURAM): Kancheepuram, in Tamil Nadu, is world-renowned for its exquisite handwoven silk sarees. This heritage art form not only showcases India's textile legacy but also provides livelihood to thousands of skilled weavers and artisans. However, despite the global appeal

and high quality of Kancheepuram sarees, their export potential remains underutilized due to several challenges such as lack of direct market access, inadequate branding, limited participation in international trade fairs, absence of e-commerce export infrastructure and Low Awareness About GI Protection Internationally. To address these issues and promote Kancheepuram sarees globally, I urge Government to take following steps: Establish a dedicated Silk Export Promotion Hub in Kancheepuram with warehousing, testing, and branding support. Include Kancheepuram sarees under One District One Product (ODOP) with special export incentives. Facilitate global marketing through GI-tag based branding and digital platforms. Organize road-shows and participation in international textile expos under the India Handloom Brand. Provide financial assistance to weavers' cooperatives and entrepreneurs for capacity building and compliance with export standards. Therefore, I request the Hon'ble Minister of Commerce & Industry and Textiles to consider this matter with due seriousness and take necessary action for promoting export of Kancheepuram sarees.

(xxiv) Need to consider Konaseema district in Andhra Pradesh as a regular centre for entrance and recruitment examinations

SHRI G. M. HARISH BALAYOGI (AMALAPURAM): The Konaseema district of Andhra Pradesh is home to a large and aspirational youth population, many of whom are actively preparing for competitive examinations. These include recruitment exams conducted by central agencies such as the UPSC, SSC,

IBPS, and RRB, as well as entrance exams like JEE and NEET conducted by the NTA. Despite this, the district currently lacks designated centres for these central-level examinations. As a result, candidates must travel to cities such as Rajahmundry, Kakinada, or Vijayawada, imposing significant financial and logistical challenges—especially for students from rural or economically disadvantaged backgrounds. This lack of local examination facilities undermines equitable access and can lead to hardship, absenteeism, and missed opportunities, even for well-prepared aspirants. Notably, Konaseema has substantial infrastructure, including government and private educational institutions, digitally enabled schools, and administrative support, which could be effectively utilized to conduct these examinations securely and efficiently. Therefore, I urge the Government and relevant examination authorities to consider designating Konaseema district as a regular centre for major central recruitment and entrance examinations, to promote equitable access and ease the burden on local aspirants.

(xxv) Need to establish a Post Graduate Institute of Medical Sciences in Saharsa or Madhepura in Bihar

श्री दिनेश चंद्र यादव (मधेपुरा) : बिहार राज्य के अन्तर्गत उत्तरी-पूर्वी बिहार क्षेत्र अत्यंत पिछड़ा क्षेत्र में आता है। यहां गरीबों के लिए एक बेहतर स्वास्थ्य सुविधा की दरकार हमेशा बनी रहती है। राजधानी पटना से दूर तमाम कोशी क्षेत्र अभी भी वैसे हैं, जहाँ गरीब और वंचितों के लिए बेहतर स्वास्थ्य-व्यवस्था का अभाव है, जबकि एम्स पटना की मौजूदा व्यवस्था एवं दरभंगा में स्वीकृत एम्स की दूरी लोगों को दिल्ली जाने के लिए विवश करती है। हालांकि एनडीए सरकार में नये-नये मेडिकल

कॉलेज खुल रहे हैं, परन्तु मेडिकल पीजी और स्पेशलाइजेशन शिक्षा की बुनियादी सुविधाएं इस क्षेत्र से कोसों दूर हैं। सहरसा या मधेपुरा में उपर्युक्त परिस्थितियों और उनकी जरूरतों को देखते हुए एक पीजीआई अस्पताल खोलने की आवश्यकता है, ताकि मरीजों को एक बेहतर स्वास्थ्य सेवा की सुविधा के साथ-साथ पिछड़े क्षेत्रों के छात्र-छात्राओं को मेडिकल स्नातकोत्तर चिकित्सा और स्पेशलिस्ट शिक्षा के लिए अवसर मिल सकें। मैं, माननीय स्वास्थ्य मंत्री जी से अनुरोध करता हूँ कि बिहार राज्य के कोशी क्षेत्र अन्तर्गत सहरसा या मधेपुरा में एक PGIMS (पोस्टग्रेजुएट इन्स्टीच्यूट ऑफ मेडिकल साइंसेज) अस्पताल खोलने की दिशा में अग्रतर कार्रवाई कर स्वीकृति दिलाने की कृपा करें, ताकि मरीजों और छात्र-छात्राओं की परेशानियों को दूर किया जा सकें।

(xxvi) Need to take action against the practice of selling other non-required products along with fertilizers to the farmers by the fertilizer dealers/companies

श्री संजय हरिभाऊ जाधव (परभणी) : किसानों को खाद खरीदने में एक बड़ी समस्या का सामना करना पड़ रहा है, जिसे "खाद लिंकिंग" कहा जाता है। इसमें किसानों को खाद के साथ-साथ अन्य उत्पादों को खरीदना अनिवार्य किया जाता है, जो उन्हें नहीं चाहिए। फिर भी ज़बरदस्ती खरीदना पड़ता है। यह एक गैरकानूनी प्रथा है जो किसानों को आर्थिक नुकसान पहुंचा रही है। इससे किसानों को बहुत बड़ी समस्याओं का सामना करना पड़ रहा है और खाद के साथ-साथ अन्य उत्पाद खरीदने के लिए मजबूर किया जाता है। इससे किसानों पर अतिरिक्त आर्थिक रूप से बोझ बढ़ रहा है। यह प्रथा किसानों के हितों के विरुद्ध है जिसमें सुधार करने की आवश्यकता है। मेरा सरकार से निवेदन है कि खाद लिंकिंग की समस्या का समाधान किया जाए और किसानों को खाद खरीदने की स्वतंत्रता दी जाए तथा इस गैरकानूनी प्रथा के खिलाफ कड़ी कार्रवाई की जाए।

(xxvii) Need to link Bhiwandi Road Railway Station with local train network in Maharashtra

श्री बाल्या मामा सुरेश गोपीनाथ म्हात्रे (भिवंडी) : भिवंडी एशिया में पावरलूम और लॉजिस्टिक उद्योग का एक प्रमुख केंद्र है जो देश की अर्थव्यवस्था में महत्वपूर्ण योगदान दे रहा है। औद्योगिक केंद्र होने के कारण भिवंडी में आवासीय रियल एस्टेट को काफी बढ़ावा मिला है जिससे आबादी में काफी बढ़ोतरी हुई है। परंतु भिवंडी रेलवे स्टेशन पर लोकल ट्रेन सेवाओं की कमी के कारण भिवंडी के नागरिकों और यहाँ के उद्योग धंधों से जुड़े सामान्य लोगों को आवगमन के लिए ठाणे, कल्याण जैसे समीप के स्टेशनों पर उतर कर सड़क मार्ग से होकर भिवंडी जाना पड़ता है जिस वजह से यातायात खर्च और समय दोनों की बर्बादी होती है। कनेक्टिविटी की यह कमी नागरिकों की दैनिक गतिविधियों को बाधित कर रही है। मेरा माननीय रेल मंत्री जी से निवेदन है कि भिवंडी रोड रेलवे स्टेशन को मौजूदा लोकल ट्रेन नेटवर्क में एकीकृत करने के लिए (विशेष रूप से सीएसटीएम – ठाणे - कलवा - मुंब्रा – दिवा – कोपर - भिवंडी रोड – खरबाव - कामन रोड – जुचंद्रा - वसई रोड लाइन से मार्गों को भिवंडी रोड रेलवे स्टेशन को लक्षित करते हुए) सर्वेक्षण करके नियमित रूप से ईएमयू (इलेक्ट्रिक मल्टीपल यूनिट) सेवा शुरू करवाने की कृपा करें।

(xxviii) Need to establish a sub-centre of AIIMS in Baghpat on the lines of a sub-centre of AIIMS in Jhajjar, Haryana

डॉ. राजकुमार सांगवान (बागपत) : बागपत जिला ऐसा जिला है, जिसका जनसंख्या घनत्व अधिक और स्वास्थ्य सेवाओं की उपलब्धता अत्यंत सीमित है। यहाँ के नागरिकों को गंभीर बीमारियों के इलाज हेतु दिल्ली, चंडीगढ़ स्थित पहले से बोज़िल उच्च संस्थानों की ओर रुख करना पड़ता है, जिससे आर्थिक और मानसिक दोनों स्तर पर उन्हें भारी कठिनाइयों का सामना करना पड़ता है। देश में स्वास्थ्य सेवाओं के सुदृढ़ीकरण हेतु भारत सरकार निरंतर प्रयासरत है। ऐसे में एम्स का एक उप-केंद्र बागपत जिले में स्थापित किया जाता है तो यह न केवल पश्चिमी उत्तर प्रदेश बल्कि हरियाणा और उत्तराखंड की सीमावर्ती जनता को भी सुलभ और गुणवत्तापूर्ण स्वास्थ्य सेवाएं उपलब्ध

कराएगा। हरियाणा के झज्जर जिले में स्थापित एम्स का उप-केंद्र — नेशनल कैंसर इंस्टीट्यूट (NCI) — एक सफल उदाहरण है, जो दिल्ली AIIMS का विस्तार है। जैसे झज्जर (हरियाणा) में एम्स का सब सेंटर स्थित है, वैसे ही बागपत में शुरूआत की जा सकती हैं। अतः मेरा माननीय मंत्री जी से आग्रह है कि बागपत जिले की भौगोलिक व अन्य परिस्थितियों को देखते हुए बागपत जिले में एम्स का एक उप-केंद्र शीघ्र स्थापित किया जाए, जिससे बागपत जिले में उच्च स्तरीय चिकित्सा सुविधा प्राप्त हो सके।

(xxix) Need to set up an inquiry into the import of sub-standard seamless pipes and tubes from China

SHRI SUNIL DATTATREY TATKARE (RAIGAD): The industry of seamless pipes and tubes is large and provides crucial supplies to India's energy sectors. The demand for seamless pipes in FY 2024-25 is over 1.3 million metric tonnes (MT) while production capacity is higher, at over 1.95 million metric tonnes (MT). However, the industry faces challenges from China, with imports of seamless pipes from China increasing by nearly six times between FY 2021-22 and FY 2024-25. Despite the imposition of an anti-dumping duty on seamless pipes and tubes from China, there have been allegations of bypassing these restrictions through over-invoicing and mixing imported seamless pipes and tubes with Indian manufactured seamless pipes and tubes to sell to government projects, despite the prohibition of Chinese-manufactured pipes in government-funded sectors. Further, there are also allegations of imports of sub-standard quality seamless pipes and tubes, which make their way to critical sectors like energy. These are serious allegations which merit further investigation, and if found true,

would necessitate prompt action. Considering the above, I humbly urge the Minister to look into the matter and open an inquiry into the matter of imports of seamless pipes and tubes from China. This would help realise the PM's vision for Make in India.

HON. CHAIRPERSON: Kalyan ji, I have given an opportunity to hon. Minister of Parliamentary Affairs. I will not allow you.

... (Interruptions)

संसदीय कार्य मंत्री; तथा अल्पसंख्यक कार्य मंत्री (श्री किरेन रिजिजू) : सर, आज मैं इस सदन में जो हालत देख रहा हूं, उसे देखकर मैं मन से बहुत दुःखी हूं । ... (व्यवधान) सभी पार्टियों ने मिलकर, आज जो बहुत ही महत्वपूर्ण नेशनल स्पोर्ट्स गवर्नेंस बिल और नेशनल एंटी डोपिंग (अमेंडमेंट) बिल है, इस पर चर्चा करके इसे पारित करने के लिए समय तय किया था । ... (व्यवधान) हमने भी ऑपोजीशन की मांग पर इन दो महत्वपूर्ण बिल्स पर दो दिनों की चर्चा के लिए तय किया था । ... (व्यवधान) इसे सबने माना था, पर इसके बावजूद भी आज जब देश में खेल और खिलाड़ियों के लिए इतने महत्वपूर्ण बिल को लेकर सरकार आयी है, तो विपक्ष के सारे मेम्बर्स इस तरह से हंगामा करके बिल पर चर्चा होने पर रोक लगा रहे हैं, यह ठीक नहीं है । ... (व्यवधान) आपकी यह हरकत हमारे देश के युवाओं के खिलाफ माना जाएगा । ... (व्यवधान) आप लोगों ने पहले कहा था कि स्पोर्ट्स बिल इम्पोर्टेंट है, स्पोर्ट्स पर चर्चा करने के लिए सबने एग्री किया था, फिर यह हंगामा क्यों कर रहे हैं? ... (व्यवधान)

सर, मैं फिर से अपील करना चाहता हूं कि जो ऑल-पार्टी मीटिंग में हमने तय किया, बिजनेस एडवाइजरी कमेटी में टाइम एलॉट किया गया, उसको फिर यहां इस सदन में आकर इस तरह से हंगामा करके बर्बाद न करें । ... (व्यवधान) स्पोर्ट्स मिनिस्टर बिल पर चर्चा करने के लिए रेडी हैं और आप लोगों की तरफ से ही पहले इस पर बोलना है । ... (व्यवधान) मुख्य ऑपोजीशन पार्टी कांग्रेस पार्टी की तरफ से ही पहले इस पर बोलना है । ... (व्यवधान) आप लोग अपनी बात तो नहीं कह रहे हैं और आप बाकी मेम्बर्स का टाइम भी खराब कर रहे हैं । ... (व्यवधान)

सर, मैं इसका खंडन करना चाहता हूँ। ... (व्यवधान)

माननीय सभापति : ज्योति जी, अमर जी, माननीय संसदीय कार्य मंत्री जी ने कहा कि नेशनल स्पोर्ट्स गवर्नेंस बिल, 2025 और द नेशनल एंटी डोपिंग (अमेंडमेंट) बिल, 2025, इन दोनों महत्वपूर्ण बिल्स पर बिजनेस एडवाइजरी कमेटी में आपने दो दिनों की चर्चा के लिए सहमति दी थी।

... (व्यवधान)

माननीय सभापति : जब भारत सरकार 129 सालों में पहली बार वर्ष 2036 के ओलम्पिक के लिए बिड करने जा रही है, तो देश के खिलाड़ियों के लिए, देश में खेल के लिए, इससे महत्वपूर्ण बिल कोई हो नहीं सकता।

... (व्यवधान)

HON. CHAIRPERSON : Shrimati Satabdi Roy Banerjee, you are a very senior Member.

... (Interruptions)

HON. CHAIRPERSON: I will request you to kindly ask Shri Kalyan Banerjee to at least take his seat.

... (Interruptions)

माननीय सभापति: आज संसदीय कार्य मंत्री जी आपसे क्या अपील कर रहे हैं? बर्वे जी, हम चर्चा कर रहे हैं। आप अपनी चेयर पर जाइए।

... (व्यवधान)

माननीय सभापति: हमारे तमिलनाडु के भी कुछ साथियों ने सुश्री आर. सुधा जी के बारे में बात कही थी। आज सुबह हमारे माननीय सदस्या आर. सुधा जी माननीय अध्यक्ष जी से मिली थीं। अध्यक्ष जी ने तुरंत कार्रवाई के लिए आदेश दिए हैं। उन्होंने इसका संज्ञान लिया है। उन्होंने दिल्ली पुलिस को सख्त कार्रवाई के लिए आदेश दिया है, लेकिन मैं एक बात कह देना चाहता हूँ।

... (व्यवधान)

माननीय सभापति: ज्योति जी, श्यामकुमार दौलत बर्वे जी, मैं आपसे कहना चाहता हूँ। मैं सभी सदस्यों से कहना चाहता हूँ।

हैबी ईडन साहब, माननीय संसदीय कार्य मंत्री जी स्पोर्ट्स पर अपील कर रहे हैं। मनसुख मांडविया जी, क्या आप कुछ कहना चाहते हैं?

... (व्यवधान)

श्रम और रोजगार मंत्री तथा युवक कार्यक्रम और खेल मंत्री (डॉ. मनसुख मांडविया): माननीय सभापति महोदय, स्पोर्ट गवर्नेंस बिल वह बहुत महत्वपूर्ण बिल है, जो सालों से लंबित है और इंटरनेशनल ओलंपिक काउन्सिल के साथ अलाइन होना है। ... (व्यवधान) यह बहुत आवश्यक होता है। गुड गवर्नेंस के लिए स्पोर्ट बिल का महत्व है। सम्माननीय हाई कोर्ट ने भी बार-बार कहा है कि स्पोर्ट्स में गुड गवर्नेंस के लिए एक लॉ बनाना चाहिए। गुड गवर्नेंस से देश के स्पोर्ट्स फेडरेशन में एक अच्छी इको-सिस्टम क्रिएट हो सकती है। इसलिए, मैं आपके माध्यम से सम्माननीय सदस्यों से रिक्वेस्ट करता हूँ कि इस महत्वपूर्ण बिल को चर्चा में लें और इसको पारित करें। ... (व्यवधान)

माननीय सभापति: माननीय खेल मंत्री जी ने भी अपील किया है। आज कोर्ट का भी आदेश है कि हम ओलंपिक कराने के लिए इस बिल पर चर्चा करें। हमारे भारत के चाहे एंटी डोपिंग हो या स्पोर्ट्स गवर्नेंस का बिल हो, इनको हम अंतर्राष्ट्रीय स्तर पर ले जाना चाहते हैं। क्या आप इस बिल पर चर्चा नहीं करना चाहते हैं? जब माननीय संसदीय कार्य मंत्री जी ने कह दिया कि इस बिल पर चर्चा के लिए बिजनेस एडवाइजरी कमेटी में तय हुआ है। उसके बाद दो दिन का समय दिया गया। माननीय खेल मंत्री जी अपील कर रहे हैं।

... (व्यवधान)

माननीय सभापति: जब से सदन चल रहा है, लोक सभा चला है, पूरा देश आपको देख रहा है। अभी तक एक बिल भी पारित नहीं हुआ है। आप देश की जनता के लिए, कानून बनाने के लिए चुन कर आए हैं। आप ऐसे ही नहीं आए हैं।

... (व्यवधान)

HON. CHAIRPERSON: You have been elected to make legislations on the floor of the House, but right from day one आज तक एक बिल भी नहीं पास हुआ है। देश की

जनता आपको देख रही हैं। देश की जनता विपक्ष के सांसदों या किसी जन प्रतिनिधि को चुन कर भेजती हैं कि वे देश की पार्लियामेंट में कानून बनाएंगे। मैं आपसे आग्रह करता हूँ। आज सदन में यह तीसरा सप्ताह शुरू हो गया। यह थर्ड वीक है। इस थर्ड वीक में भी कोई बिल पारित नहीं हुआ है। देश की पूरी जनता आप सभी को देख रही हैं। जनता सदन में कानून बनाने के लिए आपको चुन कर भेजती हैं। यहां कानून बनाने के बजाए आप सदन को बाधित कर रहे हैं। आप सदन में शोरगुल कर रहे हैं।

... (व्यवधान)

HON. CHAIRPERSON: Shri Kalyan Banerjee, what for have you been elected?

... (Interruptions)

HON. CHAIRPERSON: It is your responsibility to participate in debates and make legislations.

... (Interruptions)

माननीय सभापति: माननीय सदस्यगण, इस तरह से सदन नहीं चलेगा। आप माननीय संसदीय कार्य मंत्री जी की अपील नहीं मान रहे हैं। आप स्पोर्ट्स मिनिस्टर की बात नहीं मान रहे हैं। आप देश के लाखों खिलाड़ियों के भविष्य के साथ खिलवाड़ कर रहे हैं। क्या ऐसी स्थिति में चर्चा संभव है? मैं आपसे फिर अपील करता हूँ।

... (व्यवधान)

माननीय सभापति : सभा की कार्यवाही मंगलवार, दिनांक 5 अगस्त, 2025 को प्रातः 11 बजे तक के लिए स्थगित की जाती है।
