To improve the infrastructure and the teaching staff facility at secondary level, the Rashtriya Madhyamik Shiksha Abhiyan (RMSA) Scheme was launched in year 2009 with an aim to universalize access to secondary schools by providing a secondary school within a reasonable distance (5 kilometer) of every habitation, improving quality of education through making all secondary schools conform to prescribed norms and also through removal of gender, socio-economic

and disability barriers. The Scheme presently covers opening of new Government secondary schools (classes IX-X) and strengthening of existing secondary schools run by the State Government and local bodies. Till date, under the Scheme 12394 new schools and strengthening of 37382 existing schools have been approved and post of 120284 teachers including teachers for new schools and additional teachers for existing schools have been approved.
