

GOVERNMENT OF INDIA  
MINISTRY OF AGRICULTURE AND FARMERS WELFARE  
DEPARTMENT OF AGRICULTURAL RESEARCH & EDUCATION

**LOK SABHA**  
**UNSTARRED QUESTION NO. 1128**  
TO BE ANSWERED ON 22/11/2016

**SETTING UP OF CENTRAL INSTITUTE OF  
FISHERIES TECHNOLOGY**

1128. SHRI SANGANNA AMARAPPA:

Will the Minister of AGRICULTURE AND FARMERS WELFARE  
कृषि एवं किसान कल्याण मंत्री be pleased to state:

- (a) the details of the guidelines to open a “Central Institute of Fisheries Technology” (CIFT) in various States of the country;
- (b) whether a CIFT: Satellite Centre/ Branch can be opened in any State of the country;
- (c) if so, the details thereof;
- (d) whether Karnataka is eligible to open CIFT in the State; and
- (e) if so, the details thereof?

**A N S W E R**

MINISTER OF STATE IN THE MINISTRY OF AGRICULTURE AND FARMERS WELFARE  
कृषि एवं किसान कल्याण मंत्रालय में राज्य मंत्री  
**(SHRI SUDARSHAN BHAGAT)**

**(a) to (c):** A need based Satellite Centre/Branch of the ICAR-CIFT can be opened in any State of the country depending on the available resources and potential and the region/ location specific R&D needs and requirements in fishing and fish processing sector. There are no specific guidelines to open a Centre/Branch.

**(d) & (e):** The ICAR-CIFT is providing research and development support to the harvest and post-harvest sector and is also extending need based technological, training, advisory, analytical and consultancy services to the state fisheries officials, fishers & fish farmers, private entrepreneurs and other stakeholders in the field of fishing craft and gear designing & fabrication; hygienic handling of fish, fish processing & product development; value addition, food safety & quality control, and waste utilization. The technological advancements and interventions by the Institute have led to the establishment of industrial enterprises and formation of self-help groups in the post-harvest sector.

The ICAR-CIFT can adequately address the location/region specific R&D needs and requirements of the state of Karnataka also in the field of fishing and fish processing technology through its headquarters at Kochi (Kerala) and Regional/Research Centres at Vishakhapatnam (AP) and Mumbai (Maharashtra), which are located in the adjoining state of the Karnataka.
