ANSWER

**THE MINISTER OF STATE IN THE MINISTRY OF EXTERNAL AFFAIRS
[GEN. (DR) V. K. SINGH (RETD)]**

(a) to (d) Under the terms of the Indus Water Treaty, 1960 India has been permitted to construct storage of water on Western Rivers upto 3.6 MAF (million acre feet) for various purposes. No storage has been developed so far. Government is exploring ways to fully develop the rights allocated to India under the Treaty.

India and Pakistan have each created a permanent post of Commissioner for Indus Waters. They together constitute the Permanent Indus Commission (PIC), which is entrusted with the implementation of the Treaty. The PIC is required to hold meetings and tours and submit report on its work to the two Governments every year.
