(a) to (d) Yes Madam. Government of India has taken various initiatives for the development of Sports sector, through imparting skill training. Under this initiative, Government has mandated NSDC to constitute Sector Skill Council (SSC) for the Sports sector through the representative of sport industries, academia, sector experts etc. to access skill needs/ skill gaps of various job roles and develop job specific standards called Qualification Packs (QP) – National Occupational Standards (NOS). Skill gap study on sports sector has been carried out during 2010-11. On the basis of the report, 4 QPs namely Fitness trainer, Life guard-Pool and Beach, Sports Coach and Sports Masseur have been developed by the Sports Sector Skill Council.
