(RAO INDERJIT SINGH)

(a) & (b): Pursuant to the decision taken in the first meeting of the Governing Council of NITI Aayog held under the Chairmanship of Hon'ble Prime Minister on 8th February, 2015, a Task Force on Elimination of Poverty in India was constituted by NITI Aayog on 16th March, 2015 under the Chairmanship of Dr. Arvind Panagariya, Vice Chairman, NITI Aayog. The Terms of Reference and composition of the Task Force is at Annex I.

(c) & (d): The report of the Task Force was submitted to Hon'ble Prime Minister on 11th July, 2016. The report of the Task Force primarily focusses on issues of measurement of poverty and strategies to combat poverty. Regarding estimation of poverty, the report of the Task Force states that "a consensus in favour of either the Tendulkar or a higher poverty line did not emerge. Therefore, the Task Force has concluded that the matter be considered in greater depth by the country's top experts on poverty before a final decision is made. Accordingly, it is recommended that an expert committee be set up to arrive at an informed decision on the level at which the poverty line should be set." With respect to strategies to combat poverty, the Task Force has made recommendations on faster poverty reduction through employment intensive sustained rapid growth and effective implementation of anti-poverty programs.
