- (b) if so, the total number of such incidents occurred during the last three years and the current financial year, State-wise; and
- (c) the action taken by the Government in this regard and the outcome of such actions thereon?

ANSWER

**MINISTER OF STATE IN THE MINISTRY OF HUMAN RESOURCE
DEVELOPMENT
(DR. MAHENDRA NATH PANDEY)**

- (a) to (c): No Sir. As per the AICTE regulation, charging of capitation fee is banned. Currently there are no complaints about charging of capitation fee by any college. In case of such complaints found to be true after due enquiry, penal action would be taken by the AICTE.

Even the fee chargeable by the private engineering colleges is now regulated as per the report of the National Fee Committee which fixed the norms and guidelines for charging of tuition and development fees in case of professional courses.
