**ANSWER**

**MINISTER OF STATE FOR LAW AND JUSTICE AND ELECTRONICS AND  
INFORMATION TECHNOLOGY  
(SHRI P. P. CHAUDHARY)**

(a) to (d): The High Courts have inherent powers to make such orders as may be necessary including stay orders for meeting the ends of justice or to prevent abuse of the proceedings of the courts both in Civil and Criminal cases. The details of the day-to-day proceedings of the courts are not maintained by the Government.

A brief outline for Annual Reports of the High Courts was prepared and sent to the High Courts in October, 2015 for appropriate consideration. This outline *inter-alia* included information on number of cases in which trial proceedings have been stayed by Superior Courts in various categories of Civil and Criminal cases and average time for which such trial proceedings remain stayed in the life cycle of a case.

As per the information available in the Annual Reports of the High Courts for the year 2015, following number of Civil and Criminal Cases were stayed by the Superior Courts of Rajasthan, Gujarat and Orissa.

Sr. No.	Name of High Court	Number of Civil Cases stayed	Number of Criminal Cases stayed
1.	Rajasthan	4365	1250
2.	Gujarat	1661	444
3.	Orissa	4889	2520

The data relating to average life of a case in the High Courts and the Supreme Court in India is not being maintained centrally. No body has been set up by the Government to monitor the Annual Reports published by the High Courts.
