- (c) whether the Government has assessed the performance of these parks; and
- (d) if so, the details and outcome thereof?

उत्तर

ANSWER

वस्त्र मंत्री (श्रीमती स्मृति जूबिन इरानी)
MINISTER OF TEXTILES
(SMT. SMRITI ZUBIN IRANI)

(a) & (b): The Scheme for Integrated Textile Park (SITP) aims at addressing infrastructure constraints in the textile industry on a cluster basis. Government of India provides financial assistance upto 40% of the project cost subject to a ceiling of Rs. 40 crore for developing common infrastructure and common facilities in the parks. The scheme is implemented in Public Private Partnership (PPP) mode by group of entrepreneurs/Industry Associations by forming Special Purpose Vehicle (SPV) under Companies Act. Presently a total of 66 textile parks are at various stages of implementation across the country. State wise list of textile parks is attached at Annexure I. These textile parks have created employment for over 79000 persons so far.

(c) & (d): The performance of these parks have been reviewed regularly in the meetings held by the Ministry and also through periodic inspections/field visits by the Office of Textile Commissioner. Ministry has also commissioned a study to assess the performance of the parks under the scheme. The studies have brought out that the textile parks have contributed towards compliance of social, environmental and safety standards in textiles sector besides creating new growth centers of the textile industry and have provided employment to about 79000 persons in the catchment area.

Projects under Scheme for Integrated Textile Park	
Sr. No.	Name of the park
Andhra Pradesh
