ANSWER

**पेट्रोलियम और प्राकृतिक गैस मंत्रालय में राज्य मंत्री (स्वतंत्र प्रभार)
(श्री धर्मेन्द्र प्रधान)**

**MINISTER OF STATE (INDEPENDENT CHARGE) IN THE MINISTRY OF
PETROLEUM & NATURAL GAS (SHRI DHARMENDRA PRADHAN)**

(a) : Oil and Natural Gas Corporation (ONGC) sells majority of gas produced by it, except that produced from small and isolated fields, in bulk to GAIL (India) Ltd, a central PSU, for onward marketing, transportation and distribution to different consumers from various sectors under the prevalent gas allocation policy/guidelines of the Government. Gas produced from small and isolated fields is sold directly through open e-tendering at market determined price as per the MoP&NG's guidelines dated 08-07-2013 and 07-08-2013 regarding sale of gas from such fields. Gas Supply Agreements (GSA) entered with such direct marketing customers contain specific provision to prevent misuse/resale of gas. Further, as per MoP&NG new domestic pricing guidelines dated 24th October, 2014, both APM and non-APM gas are sold at the same price.

7.

(b): ONGC supplies gas under their APM allocations, to GAIL and Assam Gas Company Ltd. (AGCL). It has been informed that GAIL and AGCL sell this gas to various customers after including Marketing Margin/Taxes and Transportation Tariff, wherever applicable.

(c) to (e) : ONGC has informed that no such case has come to their knowledge.
