ANSWER
MINISTER OF STATE IN THE MINISTRY OF RURAL DEVELOPMENT
(SHRI RAM KRIPAL YADAV)

(a): The SAGY has triggered overall development by involving Members of Parliament, District and State Administration, Panchayats and Villagers of SAGY. So far 704 Gram Panchayats have been identified by equal number of Members of Parliament. The SAGY Gram Panchayats have very systematically taken development approach by involving Gram Sabha and they have prepared comprehensive plan for their development. Some of the works like skill development training for unemployed youths, Animal husbandry, Dairy farming activities, enrolment in social security schemes, IHHL construction, upgradation of schools, Smart school projects, SHG formation & training and horticulture activities have already been completed. 658 Village Development Plans (VDP) have been prepared across the States/UTs cumulatively comprising more than 40,000 projects, out of which 33% of works are completed and 19% of works are in-progress. The progress of Village Development Plan shows the impressive result in terms of convergence, resource enveloping and community participation.

A 35 point impact monitoring indicators have been created to gauge the impact of SAGY in the GPs. Many Gram Panchayats have ensured 100% immunisation, strengthening of PDS system, providing benefits of social security schemes and many others. So far 643 Gram Panchayats have updated Panchayat Darpan information which show an average growth of 9.64%.

(b) & (c): As per the guidelines of SAGY, it is expected that every Members Parliament would adopt one Gram Panchayat under SAGY. So far 704 and 166 Gram Panchayats have been identified by the equal number of Members of Parliament under this

scheme under phase-I and Phase-II respectively. 93 and 621 Members of Parliament are yet to identify the Gram Panchayats under this scheme under phase-I and Phase-II respectively. The detailed list of GPs identified in Phase-I&II are given in Annexure-I & II.

(d): This scheme intends to achieve its objectives through convergence and implementation of existing Government Schemes and Programmes without allocating additional funds. The MPs are proactively tapping the resource from various sources for the implementation of the Village Development Plan.
