(a): Representation from the State Government has been received with regard to release of pending subsidy dues on levy rice procured and distributed during Kharif Marketing Season (KMS) 2014-15. In respect of delivery of excess levy rice, the State Government has been directed to examine their claims thoroughly, as they have not submitted appropriate documents. As far as release of food subsidy is concerned, admissible amount of food subsidy has already been released.

(b): Monthly allocation of rice has earlier been enhanced on two occasions on the request of the State Govt. The State Govt. has again requested for enhancement of monthly allocation to 8858 MT, which is more than the joint share of States of Andhra Pradesh and Telangana prior-bifurcation.

(c): Does not arise in view of (a) above.
