(a): The following mechanisms are being followed by the Ministry to review the progress of Saansad Adarsh Gram Yojana Programme;

1. Concurrent Monitoring mechanism :

1.1 SAANJHI Website

At the national level, a separate, real time web based monitoring system has been put in place for the scheme which can be accessed from the SAGY website.

- A. Dynamic website www.saanjhi.gov.in has been created and the login credentials to this website circulated among all the Members of Parliament, State Nodal Officers, District Collectors and Charge Officers. The users can use Feedback portion on website for any query, which is monitored on weekly basis by the Ministry.
- B. A cloud based web portal support.saanjhi.in has been set up for encouraging discussions among the stakeholders viz. Member of Parliament, Central Government, State Government, District Administration and the Public. The portal also acts as a dynamic repository to share knowledge, as a tool for exchange of ideas and resolution of grievances by the implementing authorities.
- C. A single point of contact email has been created i.e., support@saanjhi.in. All the emails being received at the central level are being sent to the concerned authorities for monitoring and taking necessary action in the matter.

1.2 Village Development Plan

The Gram Panchayats adopted under SAGY prepares Village Development Plans (VDP) containing prioritised time-bound activities to achieve holistic progress of the village, through convergence of resources. Gram Panchayats have very systematically taken development approach by involving Gram Sabha and they have prepared comprehensive VDP for their development. In order to keep track of the progress of projects listed in the VDP, a Tracking Template has been developed and the progress is monitored online. As per the data updated as on 5th December in the website, the identified Gram Panchayats have so far completed **13986** projects. Further **7748** projects are in progress.

1.3 Panchayat Darpan

The Ministry has developed a 35 point impact monitoring tool to gauge the impact of SAGY in the GPs. Progress is measured through outcome indicators broadly covering basic amenities, education, health, sanitation, livelihood, women empowerment, financial inclusion, food security, social security and e-governance. The information are to be updated in the Panchayat Darpan by the GPs on quarterly (22 indicators), half yearly (7 indicators) and yearly basis (6 indicators).

2. Video conference

Video Conferencing Network has been established with State Governments and District Collectors. Ministry of Rural development (MoRD) reviews the progress of SAGY with State Nodal Officers (SNO), District Collectors and Charged Officers.

The Ministry also deutes its officials to SAGY Gram Panchayats to get first hand information of the various developmental activities taking place there.

(b) and (c): Progress of implementation is satisfactory as could be gauged from the fact that so far out of 705 Gram Panchayats (GP) adopted by Member of Parliaments in Phase-I of the scheme, 666 GPs have uploaded their Village Development Plan (VDP) on the web-site (saanjhi). Further out of total 40984 number of projects undertaken in these 666 GPs, 20178 projects(53%) have either been completed or in progress.

The Ministry has developed a 35 point impact monitoring tool named Panchayat Darpan to gauge the impact of SAGY in the GPs. Progress is measured through outcome indicators broadly covering basic amenities, education, health, sanitation, livelihood, women empowerment, financial inclusion, food security, social security and e-governance. The impact is measured on quarterly(22 indicators) , half yearly(7 indicators) and yearly basis(6 indicators).

(iv) The Central Government sent teams to a few of the SAGY Village Panchayats to understand the convergence process and to learn from good practices. Through a review of progress on 35 indicators, efforts have been made to ascertain the performance of SAGY in a particular Gram Panchayat.

(v) With the intent to tap the resources and the strengths of the Private, Voluntary and Cooperative sectors (PVC Sectors), the Ministry has circulated suggestive template to State Governments for preparing proposals.
