#### ANSWER

## MINISTER OF STATE IN THE MINISTRY OF WOMEN AND CHILD DEVELOPMENT (SHRIMATI KRISHNA RAJ)

- (a): The Central Adoption Resource Authority (CARA) has reported that as on 6th December 2016, the number of children available for legal adoption is 1769. The number of registered Prospective Adoptive Parents (PAPs) waiting for In-country adoption is 12234 and Intercountry adoption is 708.
- (b) & (c): Number of adoptions depend on various factors, including the number of orphan, abandoned and surrendered children who get admitted in Adoption Agencies and their being declared legally free for adoption by the Child Welfare Committees (CWCs). Increase in the pool of legally free adoptable children shall result in increase in the number of adoptions.
- (d): The adoption procedure has been simplified and made online through Child Adoption Information and Guidance System (CARINGS) since August'2015. Further as per as roles and responsibilities of authorities and agencies concerned, the timelines for completing various procedures in the process of adoption have been clearly defined in the adoption guidelines.
