**QUESTION**

4009. SHRI R.P. MARUTHARAJAA:  
SHRI KANWAR SINGH TANWAR:

**Will the Minister of FINANCE be pleased to state:**

- (a) whether the Government has fixed any criterion regarding credit deposit ratio of nationalised banks and if so, the details thereof;
- (b) whether the Government has reviewed to banks complying with this ratio; and
- (c) if so, the details thereof, bank-wise along with the steps being taken by the Government in this regard?

**ANSWER**

**THE MINISTER OF STATE IN THE MINISTRY OF FINANCE  
(SHRI SANTOSH KUMAR GANGWAR)**

(a) to (c): Reserve Bank of India guidelines on improving credit deposit ratio advise Scheduled Commercial Banks including Nationalised Banks to achieve a Credit Deposit (CD) ratio of 60% in respect of their rural and semi-urban branches separately on an all-India basis. In order to minimize regional imbalance in credit deployment, banks are required to avoid wide disparity in the ratios between different States/Regions.

RBI has advised banks that the CD ratios should be monitored at different levels viz banks' head office level, State Level Bankers Committee (SLBC) and District Consultative Committee (DCC). Special Sub-Committee (SSC) of DCC to be set up in the districts having CD ratio less than 40%, to monitor the CD ratio and to draw up monitorable Action Plans (MAPs) to increase the CD ratio. The Districts with CD ratio less than 20% needs to be treated on a special footing.

RBI also monitors the CD ratio of banks. Out of 673 districts in India, 158 districts have CD ratio less than 40% and Special Sub Committees of DCC have already been formed in 148 districts.

A Statement indicating bank-wise CD Ratio of public sector banks is Annexed.

Statement referred to in reply to the parts (a to c) of the Lok Sabha Unstarred Question  
No. 4009 for answer on 06-12-2016 regarding “CREDIT DEPOSIT RATIO”
