(a) The Special Scholarship Scheme for Jammu & Kashmir is being implemented since 2011. The scheme aims to encourage the youth from Jammu & Kashmir to take advantage of the educational institutions outside the state, which would provide them an opportunity, to interact with their counterpart in the rest of the country, thereby to be part of the mainstream.

The government has taken several initiatives to ensure that the benefits of the scheme is availed by all deserving students. As a result of various initiatives including creation of ten supernumerary quota in Engineering Colleges more number of students have benefited under the scheme as compared to the previous academic year 2015-16. 1709 students have taken admission in engineering course as compared to 910 students in the previous year.

(b) Region wise details of the beneficiaries are as under:

Academic year	Jammu	Srinagar	Leh & Ladakh
2014-15	938	544	26
2015-16	801	541	60
2016-17	1455	687	98

(c) No instance of misuse of funds has been reported. However, the State Government of Jammu and Kashmir has informed the Ministry that there have been reports alleging that some NGOs have misled the students from Jammu and Kashmir and an inquiry has been ordered by the State CID to investigate the role of various NGOs in the Scheme.
