- (d) if so, the total sum expected and received by the Government as dividend from banks during financial year 2015-16 along with the reasons for low dividend from banks during the period?

ANSWER

The Minister of State in the Ministry of Finance

(SHRI SANTOSH KUMAR GANGWAR)

(a): Public Sector Banks have to comply with Government and Reserve Bank of India guidelines on dividends which provide that profit making banks have to pay minimum dividend of 20% of their equity (paid up capital) or 20% of their post tax profit whichever is higher and the dividend should be payable out of the current year's profit.

(b) to (d): The total dividend paid by the banks to GOI (bank wise) during the last three years is at Annexure. The main reason for low dividend from banks during the period is loss incurred by some of them during the financial year.

Annexure.
