- (a) whether the Government has any plan to start new Central Universities in the country especially in the rural areas;
- (b) if so, the details thereof; and
- (c) the time by which they are likely to be set-up?

ANSWER

**MINISTER OF STATE IN THE MINISTRY OF HUMAN RESOURCE DEVELOPMENT
(DR. MAHENDRA NATH PANDEY)**

(a) to (c) At present there is no proposal to set up new Central Universities in the country. However, the Andhra Pradesh Re-organisation Act 2014 envisages establishment of one Central Tribal University each in the State of Andhra Pradesh and Telangana and one Central University in the successor state of Andhra Pradesh in the 12th and 13th Plans. Further, the Prime Minister announced a package for Bihar on 18.8.2015 which includes establishment of a Central University near Bhagalpur at the historic site of Vikramshila University.

During 12th Plan (2012-17) as approved by National Development Council (NDC) the thrust is on consolidation of the higher education system. Expansion would be mainly done by scaling up capacity of the existing institutions in place of setting up new institutions. The Central Government has launched Rashtriya Uchchatar Shiksha Abhiyan (RUSA) on cost sharing basis to assist States to open new institutions.

Since 'Education' is a concurrent subject, State Governments are also taking various initiatives to increase the reach of higher education in the respective States including with other Private Universities/Institutions.
